Email: visible@valeofglamorgan.gov.uk
Telephone: 01446 700111

Introduction

- Please read through the guidance notes and the application form carefully before you fill in the form.
- If you fill in the application form correctly first time, we can process it quicker.
- The guidance notes give you information to help you fill in your application for Ordinary Watercourse Consent.
- Before completing the application form you are recommended to contact us for advice on your proposal.
- Under the Land Drainage Act 1991, you need consent if you want to build a culvert or structure (such as a weir) to control the flow of water on any ordinary watercourse.
- There is a charge of £50 for Ordinary Watercourse Consent applications made under the Land Drainage Act 1991.
- Separate consents may be required for temporary and permanent works associated with the same structure.
- If you are not sure about anything in the guidance notes or application form, please contact us using the details below.
- When you have completed the application form please return it by recorded delivery, together with all relevant supporting documents, to the address above.
- Alternatively, email your application to the address above, including 'Ordinary Watercourse Consent' in the subject line.
- If your application and supporting documents exceeds 10MB please post the data on CD to the above address.

1. Location of the proposed works

LOCATION

NAME OF WATERCOURSE (IF KNOWN)

NATIONAL GRID REFERENCE (12 FIGURES)

2. Primary contact

TITLE

FIRST NAME

LAST NAME

14. Declaration

By signing this document I am declaring that as far as I know, the information provided in this application, including the map and all supporting documents is true.

SIGNATURE		DATE
TITLE	FIRST NAME	LAST NAME
POSITION		

15. Data Protection Act 1998

We will process the information you provide so that we can deal with your enquiry.

We may also process or release the information to:

- Offer you documents or services relating to environmental matters;
- Consult the public, public organisations and other organisations (for example, the Health & Safety Executive);
- Carry out research into the environmental issues and develop solutions to problems;
- Provide information from the public register to anyone who asks;
- Prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- Assess whether customers are satisfied with our service and improve it where necessary; and
- Respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows).

16. Next steps

Please return the application form together with any supporting documents to our offices at the address shown on the first page. If you are happy with our service, please tell us. It helps us identify good practice and encourages our staff. If you are not happy with our service, please tell us how we can improve.
