What do we do?

We provide day services in a variety of settings for older people, older people with mental illness, people with learning disabilities and younger physically disabled people within the Vale of Glamorgan. They are offered to those aged 18 years and over and are designed to help you remain in your own home and to live independently, wherever possible.

The aims of the services that we provide are to:

- Promote independence, empowerment and personal development
- Enrich the individual's quality of life and reduce social isolation
- Provide intensive support to people with challenging behaviours and high support needs
- Provide therapeutic and social activities
- Provide respite for parents and carers at home
- Be a resource to clients, their families and to the wider community
- Allow access to rehabilitation and therapeutic services through partnership with the National Health Service Trusts
- Focus upon positive outcomes to meet individual needs
- Undertake Partnership Projects with voluntary agencies

Our staff receive training in areas that range from moving and handling to understanding disability. We aim to equip staff members with the particular skills required to meet the needs of individual service users, which will differ between Centres. Our staff are also undertaking NVQ qualifications, in order to meet the Care Council of Wales Standards of Practice.

We work in accordance with the Care Council for Wales Code of Practice for social care workers plus a Code of Conduct and Personal Care Guidelines for Day Services Staff.

What activities are available?

Within all day services, we aim to offer activities that meet the needs and wishes of the service users. The range of services takes account of the age, physical health and ability of users.

Some of the Centre-based activities are currently:

- Memory Orientation
- Social Skills

- Massage

Health Services staff attend at some Day Centres, to provide services such as Speech Therapy and Physiotherapy.

Some services provide support to enable access to community facilities, for example, leisure centres, shops, educational classes and the countryside.

We also offer daytime provision in partnership with other agencies including:

How do I access these services?

A Contact Centre has been established to provide an efficient and accessible first point of contact for the public for all services to adults. The Centre provides Vale residents with information and advice on services and how to access them.

Contact OneVale is open from:

8am - 6pm Monday to Friday

Telephone: 01446 700111

Textphone: C1V then your message to 60066

Email: C1V@valeofglamorgan.gov.uk

After a request for a service is made, a community care assessment is undertaken with a Case Manager, who may be a Social Worker or a Community Nurse. As a result of this assessment, a plan of support is drawn up to meet an individual's needs.

Depending on the person's needs identified in the assessment, transport may be available to and from Centres and activities.

Older people do not require an assessment to attend a Centre if they do not require personal care and can attend unaided. They can use a Centre to drop in for a meal or to join in activities.

Further information is available from the Managers of each of the Centres.

Paying for Services

The Vale of Glamorgan Council charges for services where appropriate. This is a result of the National Health Service and Community Care Act 1990.

There is no charge for an assessment or for giving you advice and information. You may have to pay for your service, depending on how much service you receive and how much money you have. Some people receive a free service, whilst others pay an assessed charge. You will be advised of the cost before deciding whether you wish to receive this service.

These charges do not cover the cost of activities (such as Bingo and Leisure Centre fees) and service users will have to pay for these as well as lunch and refreshments while at a Centre.

Comments, compliments and complaints

We welcome all comments about our services, because we need information from people who use our services to help us improve them.

If Community Services arrange Day Services for you and you are not happy with the service, then you should initially discuss the matter with the Service Manager who will endeavour to resolve your complaint.

An explanatory leaflet called "How to make a Complaint about our services" explaining the full complaint process is available from any Community Services Centre. It can also be made available in Arabic, Bengali, Chinese, Gujarati, Punjabi, Somali and Urdu on request.

This information may also be provided, by request, in other languages, in larger print, tape or in simplified version. Please contact the Innovation and Information Team on tel: 01446 704814 to make arrangements.

Talu am Wasanaethau

Mae Cyngor Bro Morgannwg yn codi tâl am wasanaethau lle bo'n briodol., a hynny oherwydd Deddf Gwasanaeth Iechyd Gwladol a Gofal Cymunedol 1990.

Ni chodir tâl am asesiadau neu am gyngor neu gwybodaeth. Efallai y bydd angen i chi dalu am y gwasanaeth, yn dibynnu ar faint o wasanaeth yr ydych yn ei dderbyn, a faint o arian sydd gennych. Bydd rhai pobl yn derbyn gwasanaeth yn rhad ac am ddim, tra bo eraill yn talu swm penodol yn unol ag asesiad. Byddwch yn cael gwybod beth yw'r gost, cyn penderfynu a ydych am dderbyn y gwasanaeth ai peidio.

Nid yw'r taliadau hyn yn cynnwys cost y gweithgareddau (fel tâl mynediad Bingo a Chanolfan Hamdden). Bydd yn rhaid i ddefnyddwyr gwasanaeth dalu am y rhain, ac hefyd am ginio a lluniaeth yn ystod eu cyfnod yn y Ganolfan.

Sylwadau, Canmoliaeth a Chwynion

Rydym yn croesawu pob sylw am ein gwasanaethau, gan fod arnom angen gwybodaeth gan bobl sy'n defnyddio ein gwasanaethau, i'n helpu i'w gwella.

Os yw'r Gwasanaethau Cymunedol yn trefnu Gwasanaeth Dydd i Chi ac nad ydych yn fodlon â'r gwasanaeth, dylech drafod y mater i ddechrau gyda'r Rheolwr/aig Gwasanaeth a fydd yn gwneud pob ymdrech i ddatrys eich cwyn.

Gellir cael taflen eglurhaol sy'n dwyn y teitl "Sut i wneud cwyn ynglyn â'n gwasanaethau" sy'n egluro'r holl broses gwyno, o unrhyw Ganolfan Gwasanaethau Cymunedol. Ar gais, gallwch hefyd gael copi mewn Arabeg, Bengaleg, Tsieinëeg, Gwjarati, Pwnjabeg, Somalieg neu Wrddw.
