

Batts Field Play Area

Proposed improvements

Would you like to see new play facilities at Batts Field?

Proposals include:

- Remove play equipment and replace with new equipment
- Large rotating Titan swing to be retained
- Upgraded play area to be about the same size as the existing area
- Play equipment to be same distance from properties as existing equipment

What kind of new play equipment would you like to see here?

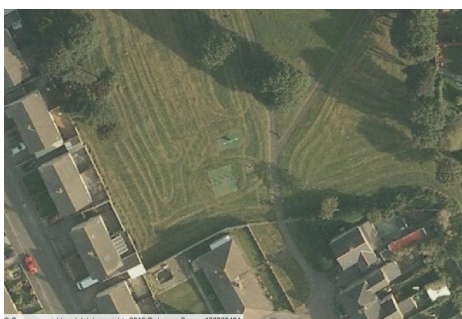

Notes

The Vale of Glamorgan Council has secured a Section 106 contribution to upgrade public open spaces within the vicinity of the development at the former Ysgol Maes Dyfan. Batts Field is located centrally in the Court Ward, and therefore the Council would like to understand if you would like to see new play facilities here.

The Council invite the views and opinions of local residents to help develop enhancements for this area which will make a significant and positive impact in the area.

Issues to consider

- Upgrade the play area to incorporate new equipment and swings.
- What type of equipment would you like to see here?
- What age group should the equipment be aimed at?
- Should the play area be fenced off with railings?
- Is there a specific theme or design you would like to see?
- Would you like to have new seats and bins?
- Should a picnic table be included?
- Should some tree and bulb planting be included to improve the setting of the play area?
