Skills Offered

Beechwood College is Wales's first purpose-built residential college for young people aged 16+ who are on the Autistic Spectrum including Asperger's Syndrome. It is set in beautiful grounds in the heart of the Vale of Glamorgan and offers all the facilities and connections to the local community that young people could wish for. The college offers a full and varied learning experience to all of its students, designed to meet their individual educational, clinical and care needs, as well as support their interests and their existing abilities, preparing them for an independent and fulfilling life. We are 52 week Residential Education College, open 24 hours
