9th October 2018

Dear Sir/Madam,

Scrutiny Committee Meeting Wednesday 10th October 2018

I write to you in advance of tomorrow's meeting regarding the proposed Traveller Accommodation on Hayeswood Road, Barry.

I am the land owner of HMS Cambria and the 5-acre site opposite the proposed traveller accommodation. I am deeply concerned by the location of the proposed Travellers accommodation as I feel that it will blight the area. Any future investment or proposed development of both the 5-acre site and HMS Cambria site will be jeopardised by the traveller's accommodation.

The decision to locate the travellers on Hayeswood Road would be detrimental and disruptive to the whole area. All my future plans for development and investment, including employment opportunities for the aforementioned sites are on stop awaiting the outcome of this decision.

Regards
