

Housing and Community Safety Private Sector Housing

Energy Management

What do we do?

The Energy Management Section contributes to the health, well-being and safety of communities in the Vale and seeks to ensure the provision of good quality, affordable and appropriate accommodation for individuals and families. We do this by providing advice, assistance and support in relation to the following:

- Home Energy Efficiency Advice
- Accessing grants for energy efficiency and renewable energy measures
- Tackling ill health caused by cold and damp homes

Who is the service for?

The service is available to:

- All residents of the Vale of Glamorgan
- All owners/landlords of residential property in the Vale of Glamorgan
- Those working with vulnerable residents in the Vale of Glamorgan whose health may be at risk from cold and/or damp living conditions

How can you find out more?
