FINDING OUT ABOUT COMMUNITY CARE

What is Community Care?

The Vale of Glamorgan Council provides services for adults who need support, care or protection, including people leaving hospital:

- Older people and adults with an illness or disability
- People who need support to care for someone else

The Vale of Glamorgan Council may provide care to enable you to live in your own home, such as:

- Personal or domestic care provided in your home
- Supported activities in day centres and other community settings
- Meals delivered to your home
- Short breaks for carers
- Home adaptations or special equipment to help people with an illness or disability with their everyday activities
- Communication equipment such as emergency alarms

Or provide you with residential or nursing home care, if that meets your needs better.
