Meeting the Needs of Children and Young People

A guide to The Children and Young People's Framework

What is the Children and Young People's Framework?

The Framework is designed to ensure that the needs and aspirations of children and young people in the Vale of Glamorgan are met by service providers.
It is made up of two Partnerships, one for Children and one for Young People.

Our purpose is to:
"Develop a common framework of values, objectives and priorities to tackle uneven provision, raise standards and improve quality outcomes for all children & young people aged 0 – 25years".

To co-ordinate this work and to oversee the monitoring and evaluation of services there is a **Framework Team** consisting of:

- Children & Young People's Framework Co-ordinator
- Children's Partnership Co-ordinator
- Young People's Partnership Co-ordinator
- Framework Administrator

The Team can be contacted at:

What is the Children's Partnership?

The Children's Partnership co-ordinates the planning and development of services between agencies for children from 0 – 10 years old.
It promotes the need to put children at the centre of planning.

The Children and Young People's Framework states that every child is entitled to:

- a flying start in life and the best possible basis for their future growth and development
- access to a comprehensive range of educational, training and learning opportunities, including the acquisition of essential personal and social skills
- the best possible physical and mental, social and emotional health, including freedom from abuse, victimisation and exploitation
- access to safe play, leisure sporting and cultural activities
- be listened to, treated with respect, and have their race, faith and cultural identity recognised
- enjoy the benefit of a safe home and community that supports physical and emotional wellbeing
- intervention to ensure they are not disadvantaged by poverty

What is the Young People's Partnership?

The Young People's Partnership has been established to meet the requirements of the Welsh Assembly Government's Guidance on "Extending Entitlement" – support for 11 – 25 year olds.

'Extending Entitlement' means that for the first time all young People will be entitled to:

- Personal support and advice
- Advice on health, housing benefits and other issues in accessible and welcoming settings
- Recreational and social opportunities in a safe and accessible environment
- Sporting, artistic, musical and outdoor experiences
- Right to be consulted, to participate in decision making and to be heard on all matters which concern them or have impact on their lives
- Education, training and work experience, tailored to their needs
- Basic skills which open doors to a full life and promote social inclusion
- Wide variety of opportunities to participate in volunteering and active citizenship
- High quality, responsive and accessible services and facilities
- Independent, specialist careers advice and guidance, student support and counselling services

Cymorth – What is it?

Cymorth is a Welsh Assembly Government funding initiative. It builds on the previous funding programmes Sure Start, Children and Youth Partnership Fund, Childcare Strategy, Youth Access and Play Grant.

Cymorth funding is provided to support services to work in partnership to increase opportunities for children, young people and their families by providing Childcare, social, educational or health services.

In addition Cymorth funds projects targeted at improving the life chances of children and young people from disadvantaged families.

There are six Cymorth themes under which funding is allocated:

1. Family Support
2. Health Improvement
3. Play, leisure and enrichment
4. Empowerment, participation and active citizenship
5. Training, mentoring and information
6. Building childcare provision
