Introduction and Acknowledgements

Activale is a directory of services for young people between the ages of 11 - 25 years. The Directory has been produced by the Children & Young Person's Information Service (CYPIS) through a joint project by the Young People's Partnership (YPP) and the 14-19 Network, funded by the Welsh Assembly Government. It has been produced with the help of other organisations including:

Penarth Youth Project

CLIC Online

Young People's Partnership (YPP)

14-19 Network

Vale Learning Network

Sports Development Unit (Vale of Glamorgan Council)

Libraries Service (Vale of Glamorgan Council)

Vale Volunteer Bureau

Barry College

Learning & Development Directorate (Vale of Glamorgan Council)

The aim is to provide a comprehensive source of information on all services and organisations that are accessible to young people, aged 11-25 years, and living in the Vale of Glamorgan. It is appropriate for use by young people themselves, carers of young people and professionals working with young people. When using the directory, you should be aware of our 'Safe Practice' section. In addition to the hard back directory, there is also an interactive CD Rom available, and an Activale website: www.activale.co.uk

Dyma'r sefydliadau a fu'n helpu i'w lunio:

Rhwydwaith Dysgu'r Fro

Uned Datblygu Chwaraeon (Cyngor Bro Morgannwg)

Y Gwasanaeth Llyfrgelloedd (Cyngor Bro Morgannwg)

Canolfan Gwirfoddolwyr y Fro

Y bwriad oedd darparu cloddfa o wybodaeth am y gwasanaethau a'r sefydliadau sydd ar gael i bobl ifanc rhwng 11 a 25 oed sy'n byw yn y Fro. Mae'r llyfr yn addas i'w ddefnyddio nid yn unig gan bobl ifanc eu hunain ond gan eu gofalwyr a'r gweithwyr proffesiynol sy'n gweithio gyda hwy. Mae'n bwysig iawn rhoi sylw teilwng i adran 'Cadw'n Ddiogel' wrth ddefnyddio'r cyfeirlyfr. Yn ogystal â'r cyfeirlyfr clawr caled, mae disg CD-Rom ryngweithiol ar gael a gwefan Activale: www.activale.co.uk

Extending Entitlement - For Young People Aged 11-25 years in Wales

The Welsh Assembly Government, in 2002, launched its Flagship Policy Extending Entitlement: Supporting Young People in Wales. The Welsh Assembly Government believe that support for young people aged 11-25 years should be structured around 10 entitlements. They want every young person in Wales to have the same rights or entitlements (things you are allowed/should have/have a right to).

The 10 Entitlements launched by the Welsh Assembly Government have been developed using the United Nations Convention for the Rights of the Child (UNCR).

The 10 Entitlements have also been produced in three formats for slightly different purposes. These three versions aim to replicate the basic entitlements but not duplicate them. They focus on ensuring that all youth provision can be encapsulated in easily digestible formats avoiding jargon and confusion.

Universal Entitlement:

Every young person in Wales has basic entitlement to:

- Education, training and work experience - tailored to their needs;
- Basic skills, which open doors to a full life and promote social inclusion;
- A wide and varied range of opportunities to participate in volunteering and active citizenship;
- High quality, responsive, and accessible services and facilities;
- Independent, specialist careers advice and guidance and student support and counselling services;
- Personal support and advice - where and when needed and an appropriate format with clear ground rules on confidentiality;
- Advice on health, housing benefits and other issues provided in accessible and welcoming settings;
- Recreational and social opportunities in a safe and accessible environment;
- Sporting, artistic, musical and outdoor experiences to develop talents, broaden horizons and promote rounded perspectives including both national and international contexts;
- The right to be consulted, to participate in decision-making and be heard, on all matters which concern them or have an impact on their lives.

Cadw'n Ddiogel

Mae Cyngor Bro Morgannwg wedi cyhoeddi'r rhestr hon o fanylion am sefydliadau er mwyn sicrhau bod cloddfa o wybodaeth ar gael mewn un lle ar gyfer pwy bynnag a allai elwa arni. Mae'n bwysig cofio serch hynny, na wnaeth y Cyngor unrhyw ymholiadau annibynnol am y sefydliadau ar y rhestr ac nad yw wedi profi eu hansawdd. Nid yw'r Cyngor chwaith wedi gweithredu ar ran unrhyw sefydliadau ar y rhestr nac archwilio unrhyw un o'u gweithwyr. Mater i'r sefydliad neu'r unigolyn felly yw sicrhau bod y gwasanaethau sy'n cael eu cynnig yn gweddu i'w anghenion. Gan hynny, mae Cyngor Bro Morgannwg yn argymhell pobl ifanc a'r asiantaethau sy'n gweithio gyda hwy i ofyn y cwestiynau canlynol cyn mentro ymwneud ag unrhyw sefydliad:

1. A gafodd gweithwyr y sefydliad eu harchwilio gan y Swyddfa Cofnodion Troseddol?
2. A oes gan y sefydliad drefniadau ar gyfer amddiffyn plant?
3. A oes gan y sefydliad yswiriant atebolrwydd cyhoeddus priodol?
4. A gafodd y peryglon i iechyd a diogelwch ar y safle eu hasesu?
5. A oes gan y sefydliad unrhyw weithwyr sydd wedi ennill cymhwyster cymorth cyntaf?
6. Ydy gweithwyr y sefydliad yn ddigon cymwys a hyfforddedig i allu darparu'r gwasanaeth?
7. Ydy'r sefydliad yn aelod o gorff cenedlaethol neu broffesiynol addas?
8. A oes gan y sefydliad nod sicrhau ansawdd oddi wrth gorff llywodraethol neu broffesiynol?
9. A gafodd y sefydliad ei archwilio gan gorff allanol cydnabyddedig fel ESTYN er enghraifft?
10. A oes gan y sefydliad drefn lleisio cwyn?

Wrth reswm, os ydych chi am ddefnyddio unrhyw wasanaeth ar y rhestr, chi'n unig fydd yn gyfrifol am fynd i'r safle, siarad â'r rheolwyr a phenderfynu a fo'n gweddu i'ch anghenion ai peidio.

Art Links Foundation

The service we provide includes: Be Talk, Teen Talk & Let's Talk.

Be Talk will work with children between 8 and 14 with focus on Self-Awareness, providing a template to which they will acknowledge their personal lives, i.e. Life Writing as well as exploring ways of personal development utilising inspiring material such as documentaries, films and music etc.

Teen Talk is a series of workshops designed for teenagers exploring what we can learn from the World of Art (in particular Films, Music & Literature).

Let's Talk is a holistic Counselling approach for those who are experiencing emotional difficulties or facing transitions. This service however will not be available until 2009 when I am fully qualified as a Counsellor, but both Be Talk and Teen Talk can be available upon mutual convenience.

There are no set costs - please contact for further information.

 Dyffryn Gardens is a beautiful grade I registered Edwardian garden, set in the heart of the Vale of Glamorgan countryside. The 55-acre gardens are the result of a unique collaboration between the eminent landscape architect: Thomas Mawson, and the passionate plant collector, Reginald Cory. The garden includes a fernery, herbaceous borders, many individual themed garden rooms and a well-established Arboretum, including 14 champion trees. The magnificent gardens have been undergoing extensive restoration work with assistance from the Heritage Lottery Fund, which is due for completion this year. Visitors will be able to enjoy new facilities including striking visitor centre and tea rooms and also enjoying a relaxing stroll through the recently restored Lavender Court, Vine walk and Fernery. Ongoing work includes the walled garden and new glasshouses, which are due for completion this summer.

Glamorgan Bird Club

The Glamorgan Bird Club is dedicated to the study and conservation of the bird life in this part of South Wales. The membership ranges from beginners and back-garden birdwatchers to those who are professionally involved in conservation. Our common interest is the enjoyment of birds.

The club runs a full program of events, with indoor meetings on a wide range of subjects and outdoor meetings, led by some of our more experienced birdwatchers, to a number of locations.

Club members get a quarterly newsletter, giving up-to-date news and information. Each year we produce a comprehensive report, free to our members, on the status of birds in the region. Birdwatchers throughout the area submit reports to the County Recorder. These are then filed and provide an invaluable database. In addition, we operate a telephone information link that lets members know 'what's about'.

Our members get the opportunity to take part in all sorts of fun activities, trips, demonstrations, competitions galore, acting, singing, performing, racing, treasure hunts, rallies, international travel, in fact, the list is never ending. It's the members that decide what we do!

Vale Of Glamorgan Council - Recycling & Regeneration

Waste Management and Cleansing department actively try to encourage young people to get involved in the local waste awareness campaign 'What's in your bin?'. The aim is to encourage reducing, reusing and recycling rather than throwing things away.

The main way we target young people is through local schools, giving talks and assemblies, encouraging recycling and running waste awareness projects which are just some of the avenues used. You may have seen some of the projects, like Penarth Pier's yearly decoration with baubles made by local children and charities all from things destined for the bin.

We are also out and about after school hours, involving scouts and brownies and the like, or during the school holidays at events like the Vale Show. If you've made a hat or mask out of 'rubbish', the chances are it was with us!

Young people are also a fantastic way of getting parents and guardians or the rest of the community involved, encouraging them to recycle at home for example by using the free kerbside service for paper, cans, glass, cardboard and plastic, or making this a part of their own daily routine if living in their own home.

C Card Scheme

S.A.F.E.A.S. Project for 14-25 year olds

Young people are given a registration card (C Card) when they join the scheme. They are given advice and information and if appropriate they are given a small supply of condoms. They then show the card at each subsequent visit and are issued with a further supply of condoms. The card ensures that they can't repeat their visits too frequently. After ten visits they are given further in-depth advice by the trained worker. All these C Card centres are only open during term time.

Barry Library

The first new county library in Wales for more than ten years opened in Barry on 4th January 2007. Modern, colourful and welcoming the two-floor library offers state of the art facilities. The library has the largest selection of books in Vale and an extensive collection of music and DVDs. Customers can return and check out their own books using a self service checkout. The main reference library for the Vale is based on the first floor. The library has dedicated children's and youth areas. The children's area includes books, computers and games consoles. The space can be arranged for a range of activities including craft workshops and storytimes. In the summer storytellers will hold sessions in the library's courtyard. Local young people helped to design the youth area, choosing to include a television, a music listening station, computers, sofas and an artwork created by pupils of Ysgol Gyfun Bro Morgannwg. Have a look at the Library website for more information.

Immanuel Church Penarth Youth Activities

As a newly established Church, we aim to be more contemporary in our outlook. We provide events and activities which are specifically geared to meet particular needs of young people. We will help develop the complete person physically, mentally, spiritually and emotionally. There are 3 events to choose from, many people come to all!

1. We hold a Saturday night Youth Club, Infrared - for those aged 11-18. The first part is geared towards Yrs 6-8, then the later part is geared to Yrs 9+. We are primarily a sport, games, dance, drama, social club with music and tuck shop. We are open to everyone (whether you have a faith, no faith or don't care).
2. Sunday mornings (linked into the main church) are our Teen Church, which is a great place for those in Yrs 6-8 to learn more about Christianity in a contemporary way. We provide youth workers who regularly arrange socials of sports, games and outings.
3. Friday evenings is Cell Group which is for Yrs 10+ and is an interactive discussion group dealing with lots of issues that young people face such as peer pressure, drugs & alcohol, the media, etc.

Direct Payments (Children)

Direct Payments is an alternative way of receiving a service from the Vale of Glamorgan Council. The following groups of people are eligible to receive Direct Payments: Older people, people with a physical disability or sensory impairment, people with a learning disability, disabled young persons (16/17 Years Old), carers (including 16/17 yr old carers), any person who has parental responsibility for a disabled child, disabled people with parental responsibility for a child. Direct Payments enable people to buy their own community care or support services e.g. assistance with personal care, assistance to access leisure activities in the community, respite for carers. This is often achieved by the service user employing a personal assistant. Direct Payments gives the service user more choice, control and flexibility over their care package, as they are able to decide when, where and by whom their care needs are met.

The amount received by the service user is based on their assessment of need and paid on an hourly rate for weekdays and weekends. We contract with a support organisation, the Rowan Organisation, who are available to offer support on matters such as employment law, budgeting, assistance with recruiting PAs and other general employment issues

Sully Sailing Club

Sully Sailing Club is a small friendly club dedicated to dinghy sailers. We have just opened our new Clubhouse with disabled access, hot showers, and a committee room (but no, we do not have a bar).

We race every Sunday through the season, with handicap races for both the 'fast' and 'slow' fleets. In this way we are able to offer competitive racing to all regardless of the class of boat you sail.

We have informal training sessions for our less experienced members held on a Wednesday evening, and have recently been granted 'Dragon Sail' status by the Welsh Yachting Association. This will lead to a programme of more formal training for juniors.

If you don't own a boat but are keen to sail, we can help. There are crewing opportunities in two person boats across a range of performances.

Contact us or see our website for further details on costs and meeting times.
