# INTRODUCTION

## NEW FORMS OF GOVERNANCE

Major changes are taking place in the governance of county and county borough councils in Wales. The committee model of member decision - making is being replaced by new constitutions as a result of the Local Government Act 2000. Part II of the Act gives local people a real say in how they are governed and introduces arrangements which will deliver visible accountable Leadership for the Council and the community it serves and provide transparent and efficient decision - making. These changes are part of a wider policy to strengthen local authorities' ability to deliver effective community Leadership, democratic renewal and continuous improvement in services.

The Council has undertaken a major consultation exercise in order to ascertain the views of our electorate and other stakeholders. The response to the consultation was a majority in favour of the Council's "preferred option" - a Leader and Cabinet system. Under the new system :

- the council meeting will set the overall budget and policy framework and will be a focus for debate about the performance of the Executive;
- Scrutiny Committees will advise on policy formulation and hold the Executive to account in relation to specific matters. They may also review areas of council activity which are not the responsibility of the Executive or matters of wider local concern;
- the Cabinet (the "Executive") will make decisions within this framework. Decisions may be delegated to individuals in the Executive, committees of the Executive (if the Executive is large enough to form committees), officers, area committees, joint arrangements or other authorities, or contracted out;
- most regulatory decisions will continue to be made by committees of the council;
- there is a Standards Committee to promote high standards of conduct and support members' observation of their Code of Conduct.

Except for the ethical framework, these new governance arrangements do not apply to Town and Community Councils. However, such councils will be involved in the Standards Committee arrangements.

## **THE FORM OF THE CONSTITUTION**

The constitution provides an important means of enabling councillors, officers, citizens and stakeholders to understand how the council makes decisions and who is responsible for those decisions. Section 37 of the Act requires each local authority to prepare, keep up to date and publicise the constitution.

The constitution is at the heart of the council's business. It allocates power and responsibility within the local authority, and between it and others. It also regulates the behaviour of individuals and groups through codes of conduct, protocols and standing orders.

The constitution represents, for the first time, a coherent single document which can be used as a comprehensive point of reference by individuals and organisations inside and outside the council. It comprises Articles and Rules of Procedure and associated material. Articles are intended to set the overall framework and in general will not be subject to frequent change. They are about what is to be done and by whom. Procedure Rules, codes of conduct and the other material located after the articles are broadly about how the Articles will be put into effect. They may be subject to more frequent change, especially as the council learns from the experience of operating new constitutions.

Whilst the constitution is not a statutory document, the Council is satisfied that the constitution is consistent with statute, regulations and guidance.

## Summary and Explanation

### **The Council's Constitution**

The Vale of Glamorgan Council has agreed a new constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into 16 Articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

### **What's in the Constitution?**

Article 1 of the Constitution commits the Council to :

- provide clear leadership to the community in partnership with citizens, businesses and other organisations;
- support the active involvement of citizens in the process of local authority decision-making;
- help councillors represent their constituents more effectively;
- enable decisions to be taken efficiently and effectively;
- create a powerful and effective means of holding decision-makers to public account;
- ensure that no one will review or scrutinise a decision in which they were directly involved;
- ensure that those responsible for decision-making are clearly identifiable to local people and that they explain the reasons for decisions; and
- provide a means of improving the delivery of services to the community.

Articles 2 –16 explain the rights of citizens and how the key parts of the Council operate. These are:

- Members of the Council (Article 2).
- Citizens and the Council (Article 3).
- The Council meeting (Article 4).
- Chairing the Council (Article 5).
- Overview and scrutiny of decisions (Article 6).

- The Executive (Article 7).
- Regulatory committees (Article 8).
- The Standards Committee (Article 9).
- Area committees and forums (Article 10).
- Joint arrangements (Article 11).
- Officers (Article 12).
- Decision making (Article 13).
- Finance, contracts and legal matters (Article 14).
- Review and revision of the Constitution (Article 15).
- Suspension, interpretation and publication of the Constitution (Article 16).

## **HOW THE COUNCIL OPERATES**

The Council is composed of 47 councillors elected every four years. Councillors are democratically accountable to residents of their electoral division. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Standards Committee trains and advises them on the code of conduct.

All councillors meet together as the Full Council. Meetings of the Council are normally open to the public. Here councillors decide the Council's overall policies and set the budget each year.

## **HOW DECISIONS ARE MADE**

The Executive is the part of the Council which is responsible for taking most of the major decisions. The Executive is made up of the Leader, plus up to 9 other members appointed by the Leader. The business to be considered by the Executive, Scrutiny Committees and the Council as a whole is published in the forward work programme. Meetings of the Executive, Scrutiny Committees, the Council and other committees are open for the public to attend except where personal or confidential matters are being discussed, as defined by the law. The Executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole.

## OVERVIEW AND SCRUTINY

There are 4 Scrutiny Committees who support the work of the Executive and the Council as a whole. They allow citizens to have a greater say in Council matters by holding inquiries into matters of local concern. These lead to reports and recommendations which advise the Executive and the Council as a whole on its policies, budget and service delivery. Scrutiny Committees also monitor the decisions of the Executive. They can 'call-in' a decision which has been made by the Executive but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the Executive reconsider the decision. They may also be consulted by the Executive or the Council on forthcoming decisions and the development of policy.

## THE COUNCIL'S STAFF

The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A code of practice governs the relationships between officers and members of the council.

## CITIZENS' RIGHTS

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in **Article 3**. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau, or recognised local solicitors, can advise on individuals' legal rights.

Where members of the public use specific council services, for example as a parent of a school pupil or as a council tenant, they have additional rights. These are not covered in this Constitution.

Citizens have the right to:

- vote at local elections if they are registered;
- contact their local councillor about any matters of concern to them;
- obtain a copy of the Constitution at a cost to be determined on an annual basis by the Monitoring Officer; The issuing of copies by e-mail to be encouraged;
- a summary to be available free of charge;
- attend meetings of the Executive, the Council and its committees except where personal or confidential matters are being discussed;

- petition to request a referendum on a mayoral form of Executive;
- contribute to investigations by the Scrutiny Committees
- find out, from the forward work programme, (published on the Intranet and available at the Civic Offices and libraries) what business is to be considered by the Executive, and Scrutiny Committees or the Council as a whole;
- see reports and background papers considered by the Executive, the Council and any of its committees and the record of any decisions made by the Council, its committees and the Executive, except where they contain personal or confidential information;
- complain to the Council about dissatisfaction with the standard of service provided by the Council. A complaint may be about an action or lack of action by the Council or its staff, affecting the user as an individual or as one of a group of people receiving a service from the Council. A complaint may also be made about a Council policy or about the attitude or behaviour of a member of staff.
- complain to the Ombudsman if they think they have suffered injustice because the Council has not followed its procedures properly. However, they are encouraged only to do this after using the Council's own complaints process;
- complain to the Ombudsman if they have evidence which they think shows that a councillor or co-opted member of the council has not followed the Members' Code of Conduct; and
- inspect the Council's accounts and make their views known to the external auditor.

The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact the Director of Legal and Regulatory Services, Civic Offices, Holton Road, Barry, CF63 4RU.

The rights of citizens to inspect agendas and reports and attend meetings are set out in the Access to Information Procedure Rules contained in **Part 4** of the Constitution.

(f) The decision will be publicised in accordance with Article 4 and a copy shall be given to the Leader.

(g) An in-principle decision will automatically become effective 5 days from the date of the Council's decision, unless the Leader informs the Proper Officer (i.e. Chief Executive) in writing within 5 days that he/she objects to the decision becoming effective and provides reasons why.

(h) In that case, the Proper Officer (i.e. Chief Executive) will call a Council meeting within a further 10 days. The Council will be required to re-consider its decision and the Leader's written submission at that meeting. The Council may

- i) approve the Executive's recommendation by a simple majority of votes cast at the meeting; or
- ii) approve a different decision which does not accord with the recommendation of the Executive by a simple majority

(i) The decision shall then be made public in accordance with Article 4, and shall be implemented immediately;

(j) In approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the Executive, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the policy and budgetary framework are reserved to the Council.

### **3. Decisions outside the budget or policy framework**

(a) Subject to the provisions of paragraph 5 (virement) the Executive, an individual member of the Executive and any officers, area committees or joint arrangements discharging Executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full council, then that decision may only be taken by the Council, subject to 4 below.

(b) If the Executive, an individual member of the Executive and any officers, area committees or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the Monitoring Officer and the Chief Financial Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing

budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the budget and policy framework) shall apply.

#### **4. Urgent decisions contrary to the budget or policy framework**

The Executive, an individual member of the Executive, area committees or joint arrangements discharging Executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. In this case the procedure to be followed is set out in Article 13.09.

#### **5. Virement**

The rules for virement are set out in Section 5 of the Council's Financial Procedure Rules (included in **Part 4** of this Constitution) and reference should be made to this. A summary of the virement rules is as follows:

Capital -

(a) Steps taken by the Executive, an individual member of the Executive or officers, area committees or joint arrangements discharging Executive functions to implement Council policy, shall not incur greater expenditure on a scheme than the amount included in the Capital programme (unless the Executive, an individual member of the Executive with delegated powers to make decisions or an officer is so authorised by financial regulations or other delegations). However, in the following circumstances the Cabinet may:

- transfer resources between schemes, including to a new scheme, up to a limit of £100,000 per scheme
- transfer resources from revenue to schemes, including to a new scheme, up to a limit of £100,000 per scheme
- incur capital expenditure where it is being wholly funded by grant or supplementary credit approval and amend the capital programme accordingly
- incur capital expenditure that is funded from a provision or earmarked reserve for the specific purposes that the provision or earmarked reserve was set aside.

Provided (in all of the above circumstances):

- that the expenditure is not contrary to any policy as set out in the Policy Framework, and the revenue costs falling on the Council of any new capital scheme does not exceed £50,000 per annum (excluding capital financing costs)

## Revenue -

(b) Steps taken by the Executive, an individual member of the Executive or officers, area committees or joint arrangements discharging Executive functions to implement Council policy shall not exceed those budgets allocated to each budget head. However, Chief Officers in consultation with the Chief Finance Officer, shall be entitled to vire across budget heads within the same service up to a maximum of £35,000 (£50,000 with the express permission of the relevant Cabinet Member and Leader) budget head per year in aggregate provided the transfer will not result in the adoption of a new policy and will not result in future additional revenue commitment. Beyond that limit, approval to any virement across budget heads can be made by the Cabinet.

### **6. In-year changes to policy framework**

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Executive, an individual member of the Executive or officers, area committees or joint arrangements discharging Executive functions must be in line with it. No changes to any policy and strategy which makes up the policy framework may be made by those bodies or individuals except those changes:

*A number of possibilities are presented below:*

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

### **7. Call-in of decisions outside the budget or policy framework**

(a) Where a Scrutiny Committee is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and Chief Financial Officer.

(b) In respect of functions which are the responsibility of the Executive, the Monitoring Officer's report and Chief Financial Officer's report shall be to the Executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Executive must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the overview and Scrutiny Committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.

(c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Financial Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 21 days of the request by the Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Financial Officer. The Council may either:

i) endorse a decision or proposal of the Executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way;

*Or*

ii) amend the council's budget or policy concerned to encompass the decision or proposal of the body or individual responsible for that Executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way;

*Or*

iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Executive to reconsider the matter in accordance with the advice of either the Monitoring Officer/Chief Financial Officer.

## **Executive Procedure Rules**

### **1. HOW DOES THE EXECUTIVE OPERATE?**

#### **1.1 Who may make Executive decisions?**

The arrangements for the discharge of Executive functions may be set out in the Executive arrangements adopted by the Council. (b) Unless the Council directs otherwise, if the Leader delegates functions to the Executive, then the Executive may delegate further to a committee of the Executive or to an officer.

(c) Unless the Leader directs otherwise, a committee of the Executive to whom functions have been delegated by the Leader may delegate further to an officer.

(d) Even where Executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.

### **1.4 The Council's scheme of delegation and Executive functions**

(a) Subject to (b) below the Council's scheme of delegation will be subject to adoption by the Council and may only be amended by the Council. It will contain the details required in Article 7 and set out in Part 3 of this Constitution.

(b) If the Leader is able to decide whether to delegate Executive functions, he/she may amend the scheme of delegation relating to Executive functions at any time during the year. To do so, the Leader must give written notice to the Proper Officer (i.e. Chief Executive) and to the person, body or committee concerned. The notice must set out the extent of the amendment to the scheme of delegation, and whether it entails the withdrawal of delegation from any person, body, committee or the Executive as a whole. The Proper Officer will present a report to the next ordinary meeting of the Council setting out the changes made by the Leader.

(c) Where the Leader seeks to withdraw delegation from a committee, notice will be deemed to be served on that committee when he/she has served it on its chair.

### **1.5 Conflicts of Interest**

(a) Where the Leader has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

(b) If every member of the Executive has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

(c) If the exercise of an Executive function has been delegated to a committee of the Executive, an individual member or an officer, and should a conflict of interest arise, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

### **1.6 Executive meetings – when and where?**

The Executive will meet at least 10 times per year at times to be agreed by the Leader. The Executive shall meet at the Council's main offices or another location to be agreed by the Leader.

### **1.7 Public or private meetings of the Executive?**

The Access to Information Rules in Part 4 of this Constitution set out the legal requirements covering public and private meetings. There is no specific requirement in relation to frequency or place, though schedule 1 to the Local Government Act 2000 allows authorities to make provision about the conduct of Executive meetings. Any such provision should be set out in this part of the constitution.

### **1.8 Quorum**

The quorum for a meeting of the Executive, or a committee of it, shall be 3.

### **1.9 How are decisions to be taken by the Executive?**

(a) Executive decisions which have been delegated to the Executive as a whole will be taken at a meeting convened in accordance with the Access to Information Rules in Part 4 of the Constitution.

(b) Where Executive decisions are delegated to a committee of the Executive, the rules applying to Executive decisions taken by them shall be the same as those applying to those taken by the Executive as a whole.

## **2. HOW ARE THE EXECUTIVE MEETINGS CONDUCTED?**

### **2.1 Who presides?**

The Leader will preside at my meeting of the Executive or its committees at which he/she is present and may appoint another person to do so in his absence.

The Leader may appoint the Chairmen of any sub-committees of

the Executive and other persons to preside in the absence of that Chairman.

## **2.2 Who may attend?**

**These details are set out in the Access to Information Rules in Part 4 of this Constitution.**

## **2.3 What business?**

At each meeting of the Executive the following business will be conducted:

- i) consideration of the minutes of the last meeting;
- ii) declarations of interest, if any;
- iii) matters referred to the Executive (whether by an overview and Scrutiny Committee or by the Council) for reconsideration by the Executive in accordance with the provisions contained in the Overview and Scrutiny Procedure Rules or the Budget and Policy Framework Procedure Rules set out in Part 4 of this Constitution;
- iv) consideration of reports from overview and Scrutiny Committees; and
- v) matters set out in the agenda for the meeting, indicating which are not in accordance with the Access to Information Procedure Rules set out in Part 4 of this Constitution;

## **2.4 Consultation**

All reports to the Executive from any member of the Executive or an officer on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and relevant overview and Scrutiny Committees, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

## **2.5 Who can put items on the Executive agenda?**

The Leader will decide upon the schedule of the meetings of the Executive. The Leader may put on the agenda of any Executive meeting any matter which he/she wishes, whether or not authority has been delegated to the Executive, a committee of it or any member or officer in respect of that matter. The Proper Officer (i.e. Chief Executive) will comply with the Leader's requests in this respect.

Any member of the Executive may require the Proper Officer (i.e. Chief Executive) to make sure that an item is placed on the agenda of the next available meeting of the Executive for consideration.

There will be a standing item on the agenda of each meeting of the Executive for matters referred to it by Council or Scrutiny Committees.

Any member of the Council may ask the Leader to put an item on the agenda of an Executive meeting for consideration, and if the Leader agrees, the item will be considered at the next available meeting of the Executive. The notice of the meeting will give the name of the Councillor who asked for the item to be considered and this individual will be invited to attend the meeting, whether or not it is a public meeting, and will be allowed to address the meeting in relation to that item. However, there may only be up to 3 such items per Executive meeting.

The Monitoring Officer and/or the Chief Financial Officer may include an item for consideration on the agenda of an Executive meeting and may require the Proper Officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Head of Paid Service, Chief Financial Officer and Monitoring Officer are of the opinion that a meeting of the Executive needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of an Executive meeting. If there is no meeting of the Executive soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

## **5. Meetings of Scrutiny Committees**

Ordinary meetings of Scrutiny Committees shall be convened in accordance with the Councils' timetable of meetings, set at the time of its Annual Meeting unless the Council has previously agreed a programme at an earlier meeting. In the case of any Scrutiny Sub Committees / task and finish groups which are established, the Chairman will be appointed at the first meeting of that Sub Committee / task and finish group.

## **8. Work programme**

The Scrutiny Committees/sub-committees will be responsible for setting their own work programme and in doing so they shall take into account wishes of members on that committee who are not members of the largest political group on the Council.

## **9. Agenda items**

Any member of a Scrutiny Committee or sub committee shall be entitled to give notice to the Proper Officer (i.e. Chief Executive) that he/she wishes an item relevant to the functions of the committee or sub-committee to be included on the agenda for, and be discussed at, a meeting of the committee or sub-committee.

On receipt of such a request the Proper Officer will ensure that it is included on the next available agenda.

Any member of the Council may give written notice to the Proper Officer that he/she wishes an item to be included on the agenda of that Scrutiny Committee (subject to the committee's terms of reference). If the Proper Officer receives such a notification, then he/she will include the item on the first available agenda of the relevant Scrutiny Committee for consideration by the committee.

The Scrutiny Committees shall also respond, as soon as their work programme permits, to requests from the Council and, if it considers it appropriate, the Executive to review particular areas

of Council activity. Where they do so, the Scrutiny Committees shall report their findings and any recommendations back to the Council and / or the Executive.

#### **10. Policy review and development**

(a) The role of the Scrutiny Committees in relation to the development of the Council's budget and policy framework is set out in detail in the Budget and Policy Framework Procedure Rules.

(b) In relation to the development of the Council's approach to other matters not forming part of its policy and budget framework, the Scrutiny Committee or sub committees may make proposals to the Executive for developments in so far as they relate to matters within their terms of reference.

(c) Scrutiny Committees may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

#### **11. Reports from Scrutiny Committee**

(a) Once it has formed recommendations on proposals for development, the Scrutiny Committee will prepare a formal report and submit it to the Proper Officer (i.e. Chief Executive) for consideration by the Executive (if the proposals are consistent with the existing budgetary and policy framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed budget and policy framework). If the Scrutiny Committee report to the Council a copy of the report shall be sent to the Executive

(b) If a Scrutiny Committee cannot agree on one single final report to the Council or Executive as appropriate, then a minority report may be prepared and submitted for consideration by the Council or Executive with the majority report.

#### **12. Making sure that scrutiny reports are considered by the Executive**

(a) The agenda for Executive meetings shall include an item entitled 'Issues arising from scrutiny'. The reports of Scrutiny Committees referred to the Executive shall be included at this point in the agenda (unless they have been considered in the context of the Executive's deliberations on a substantive item on

the agenda) within six weeks of the Scrutiny Committee completing its report/recommendations.

(b) Where a Scrutiny Committee or sub-committee prepares a report for consideration by the Executive in relation to a matter where the Leader or Council has delegated decision making power to another individual member of the Executive, then the Scrutiny Committee will submit a copy of their report to him/her for consideration. At the time of doing so, the Scrutiny Committee shall serve a copy on the Proper Officer (i.e. Chief Executive). The member with delegated decision making power must consider the report and respond in writing to the Scrutiny Committee within 6 weeks of receiving it. A copy of his/her written response to it shall be sent to the Proper Officer and the Leader. The member will also attend a future meeting of the Scrutiny Committee to present their response.

(c) Where a Scrutiny Committee or sub-committee prepares a report for consideration by the Executive in relation to a matter where the Leader or Council has delegated decision making power to another individual member of the Executive, then the Scrutiny Committee will submit a copy of their report to that individual for consideration. At the time of doing so, the Scrutiny Committee shall serve a copy on the Proper Officer (i.e. Chief Executive) and the Leader. If the member with delegated decision making power does not accept the recommendations of the Scrutiny Committee then he/she must then refer the matter to the next available meeting of the Executive for debate before exercising his/her decision making power and responding to the report in writing to the Scrutiny Committee. The Executive member to whom the decision making power has been delegated will respond to the Scrutiny Committee within 6 weeks of receiving it. A copy of his/her written response to it shall be sent to the Proper Officer and he/she will attend a future meeting to respond.

(d) Scrutiny Committees will in any event have access to the Executive's forward work programme for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from a Scrutiny Committee following a consideration of possible policy/service developments, the committee will at least be able to respond in the course of the Executive's consultation process.

(a) In addition to their rights as councillors, members of Scrutiny Committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Part 4 of this Constitution.

(b) Nothing in this paragraph prevents more detailed liaison

between the Executive and Scrutiny Committee as appropriate depending on the particular matter under consideration.

#### **14. Members and officers giving account**

(a) Any Scrutiny Committee or sub-committee / task and finish group may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it may require the Leader and any (other) member of the Executive, the Head of Paid Service and/or any manager to attend before it to explain in relation to matters within their remit:

- i) any particular decision or series of decisions; and/or
- ii) the extent to which the actions taken implement Council policy; and/or
- iii) their performance.

and it is the duty of those persons to attend if so required.

(b) Where any member or officer is required to attend a Scrutiny Committee / sub committee / task and finish group under this provision, the Chairman of that committee / sub committee / task and finish group will inform the Proper Officer (i.e. Chief Executive). The Proper Officer shall inform the member or officer in writing giving at least 7 working days notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the committee. Where the account to be given to the committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.

(c) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then, in consultation with the member or officer, an alternative date for attendance will be arranged.

#### **15. Attendance by others**

A Scrutiny Committee / sub committee / task and finish group or the respective Chairman may invite people other than those people referred to in paragraph 14 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

#### **16. Call-in**

(a) When a decision is made by the Executive or an individual

member of the Executive, the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 days of being made. All members of the Council will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.

(b) That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless the Chairman of the Scrutiny Committee or any member of the Council call-in the item.

(c) During that period, the Proper Officer (i.e. Chief Executive) shall call-in a decision for scrutiny by the committee if so authorised by the Chairman and shall then notify the decision-taker of the call-in. The Proper Officer shall call a meeting of the Committee after consultation with the Chairman of the Committee ; the meeting of the relevant Scrutiny Committee to take place within 20 working days of receipt of the call-in request.

(d) If, having considered the decision, the Scrutiny Committee is still concerned about it, then it may refer it back to the decision-making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to full Council. If referred to the decision maker they shall then reconsider at the next scheduled Cabinet meeting, amending the decision or not, before adopting a final decision.

(e) If following an objection to the decision, the Scrutiny Committee does not meet in the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the scrutiny meeting, or the expiry of that further 7 working day period, whichever is the earlier.

(f) If the matter was referred to full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, the Council will refer any decision to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Executive as a whole or a committee of it, a meeting will be convened to reconsider within 10 working days of the Council request. Where the decision was made by an individual, the individual will reconsider within 10 working days of the Council request.

(g) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.

## **CALL-IN AND URGENCY**

(h) The call-in procedure set out above shall not apply where the decision being taken by the Executive is urgent. In this case the procedure to be followed is set out in Article 13.09.

(i) The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

## **17. The party whip**

(a) When considering any matter in respect of which a member of a Scrutiny Committee is subject to a party whip the member must declare the existence of the whip, and the nature of it before the commencement of the committee's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

## **18. Procedure at Scrutiny Committee meetings**

- iii) consideration of any matter referred to the committee for a decision in relation to call in of a decision;
- iv) responses of the Executive to reports of the Scrutiny Committee; and
- v) the business otherwise set out on the agenda for the meeting.

(b) Where the Scrutiny Committee conducts investigations (e.g. with a view to policy development), the committee may also ask people to attend to give evidence at committee meetings which are to be conducted in accordance with the following principles:

- i) that the investigation be conducted fairly and all members of the committee be given the opportunity to ask questions of attendees, and to contribute and speak;

ii) that those assisting the committee by giving evidence be treated with respect and courtesy; and

iii) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.

(c) Following any investigation or review, the committee/sub-committee shall prepare a report, for submission to the Executive and/or Council as appropriate and shall make its report and findings public.

#### **19. Matters within the remit of more than one Scrutiny Committee**

Where a Scrutiny Committee conducts a review or scrutinises a matter which also falls (whether in whole or in part) within the remit of another Scrutiny Committee, before submitting its findings to the Executive and / or the Council for consideration, the report of the Scrutiny Committee shall be considered by the other committee for comment. These comments shall be incorporated into the report, which is then sent to the Executive or Council for consideration.

## **FINANCIAL REGULATIONS**

### **1. GENERAL**

- 1.1 The Council collects and spends large sums of public money. Sound financial control is, therefore, essential in order to maintain accountability at all levels of management.
- 1.2 An effective system of financial control must be supported by a written code which sets out a clear framework of financial administration. Financial Regulations provide such control and govern the way in which the Council manages its finances and safeguards its assets.
- 1.3 These Regulations are intended to be read in conjunction with the Council's Contract Standing Orders and will be supported, where necessary, by Financial Procedure Notes which give instructions on specific areas of financial control. These Regulations shall not be applied to schools except for areas not specifically covered in the schools' own Financial Regulations.
- 1.4 Compliance with Contract Standing Orders, Financial Regulations and any associated policies, strategies or procedure notes is mandatory for all members and employees of the Council. Where a Chief Officer has been issued with delegated powers the application of those powers will still be subject to such compliance.
- 1.5 The Cabinet is responsible for regulating and controlling the finances of the Authority within the policies laid down from time to time by the Council.

17.(1) In relation to a matter in which a member has delegated authority to decide, the member will have a personal interest if a member of the public might reasonably perceive a conflict between the member's role in taking that decision on behalf of the authority as a whole and the member's role in representing the interests of constituents in the member's ward.

# **PRINCIPLES WHICH ARE TO GOVERN THE CONDUCT OF MEMBERS OF THE COUNCIL**

## **THE PRINCIPLES**

### *Selflessness*

1. Members must act solely in the public interest. They must never use their position as members to improperly confer advantage on themselves or to improperly confer advantage or disadvantage on others.

### *Honesty*

2. Members must declare any private interests relevant to their public duties and take steps to resolve any conflict in a way that protects the public interest.

### *Integrity and Propriety*

3. Members must not put themselves in a position where their integrity is called into question by any financial or other obligation to individuals or organisations that might seek to influence them in the performance of their duties. Members must on all occasions avoid the appearance of such behaviour.

### *Duty to Uphold the Law*

4. Members must act to uphold the law and act on all occasions in accordance with the trust that the public has placed in them.

### *Stewardship*

5. In discharging their duties and responsibilities members must ensure that their authority's resources are used both lawfully and prudently.

### *Objectivity in Decision-making*

6. In carrying out their responsibilities including making appointments, awarding contracts, or recommending individuals for rewards and benefits, members must make decisions on merit. Whilst members must have regard to the professional advice of officers and may properly take account of the views of others, including their political groups, it is their responsibility to decide what view to take and, if appropriate, how to vote on any issues.

### *Equality and Respect*

7. Members must carry out their duties and responsibilities with due

regard to the need to promote equality of opportunity for all people, regardless of their gender, race, disability, sexual orientation, age or religion, and show respect and consideration for others.

#### *Openness*

8. Members must be as open as possible about all their actions and those of their authority. They must seek to ensure that disclosure of information is restricted only in accordance with the law.

#### *Accountability*

9. Members are accountable to the electorate and the public generally for the way they carry out their responsibilities as a member. They must be prepared to submit themselves to such scrutiny as is appropriate to their responsibilities.

#### *Leadership*

10. Members must promote and support these principles by leadership and example so as to promote public confidence in their role and in the authority. They must respect the impartiality and integrity of the authority's statutory officers and its other employees.

## **CODE OF CONDUCT FOR QUALIFYING EMPLOYEES OF THE COUNCIL**

### *General Principles*

1. The public is entitled to expect the highest standards of conduct from all qualifying employees of relevant authorities. The role of such employees is to serve their employing authority in providing advice, implementing its policies, and delivery services to the local community. In performing their duties, they must act with integrity, honesty, impartiality and objectivity.

### *Accountability*

2. Qualifying employees of relevant authorities work for their employing authority and serve the whole of that authority. They are accountable to, and owe a duty to that authority. They must act in accordance with the principles set out in this Code, recognising the duty of all public sector employees to discharge public functions reasonably and according to the law.

### *Political Neutrality*

3. Qualifying employees of relevant authorities, whether or not politically restricted, must follow every lawfully expressed policy of that authority and must not allow their own personal or political opinions to interfere with their work. Where qualifying employees are politically restricted (by reason of the post they hold, the nature of the work they do, or the salary they are paid), they must comply with any statutory restrictions on their political activities.

### *Relations with members, the public and other employees*

4. Mutual respect between qualifying employees and members is essential to good local government, and working relationships should be kept on a professional basis.
5. Qualifying employees of relevant authorities should deal with the public, members and other employees sympathetically, efficiently, and without bias.

### *Equality*

6. Qualifying employees of relevant authorities must comply with policies relating to equality issues, as agreed by the authority, in addition to the requirements of the law.

### *Stewardship*

7. Qualifying employees of relevant authorities must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the authority for personal use unless authorised to do so.

### *Personal Interests*

8. Whilst qualifying employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others. In particular, they must comply with:
  - (1) any rules of their relevant authority on the registration and declaration by employees of financial and non-financial interests,
  - (2) any rules of their relevant authority on the registration and declaration by employees of hospitality or gifts offered to or received by them, from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the authority. Qualifying employees must not accept benefits from a third party unless authorised to do so by their relevant authority.

### *Whistleblowing*

9. In the event that a qualifying employee becomes aware of activities which that employee believes to be illegal, improper, unethical or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure Act 1998, and with the relevant authority's confidential reporting procedure, or any other procedure designed for this purpose.

### *Treatment of Information*

10. Openness in the dissemination of information and decision making should be the norm in relevant authorities. However, certain information may be confidential or sensitive and therefore not appropriate for a wide audience. Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a member, relevant authority employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions. Nothing in this Code can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to divulge certain information.

### *Appointment of Staff*

11. Qualifying employees of relevant authorities involved in the recruitment and appointment of staff must ensure that appointments are made on the basis of merit. In order to avoid any possible accusation of bias, such employees must not be involved in any appointment, or any other decisions relating to discipline, promotion or pay and conditions for any other employee, or prospective employee, to whom they are related, or with whom they have a close personal relationship outside work.

### *Investigations by Monitoring Officers*

12. Where a Monitoring Officer is undertaking an investigation in accordance with regulations made under section 73(1) of the Local Government Act 2000 a qualifying employee must comply with any requirement made by that Monitoring Officer in connection with such an investigation.

## **PROTOCOL ON OFFICER/MEMBER RELATIONS**

### **Introduction**

1. The purpose of this protocol is to provide a set of principles to guide members and officers of the Council in their dealings with one another. It has been drawn up as part of the proposals for new political management arrangements.
2. The protocol will be supplemented with practical guidance on member/officer relations on a range of issues relating to the new political management arrangements, eg. support to the Executive and the Scrutiny process, in the light of operational experience.
3. The protocol has been drawn up in the light of the Nolan Committee's report on conduct in local government and the Government's paper "a new ethical framework for local government in England."

### **Principles**

Both Councillors and officers are servants of the public, and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the council. Their job is to give advice to councillors and the council, and to carry out the council's work under the direction and control of the council, its committees and sub-committees.

The following general principles will govern relationships between councillors and officers:

### **Mutual respect**

Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and Councillors that transcends the normal employer/employee relationship can potentially damage that relationship, and therefore should be avoided.

### **Standards**

In carrying out their duties, Members should always have regard to the Members Code of Conduct and to the Council's Standing orders.

In carrying out their duties, Officers should always have regard to the Staff Code of Conduct.

### **Informed Decision Making**

In making decisions, Members need to be provided with, and have regard to, proper professional advice from officers. A decision may be open to challenge if relevant considerations have been ignored, or if irrelevant considerations have been taken into account, or where a decision is one that no reasonable authority could have made.

### **Officer Accountability**

Officers are employed by and are accountable to the whole Council and are required to act accordingly. Officers will be expected to discharge their responsibilities without political bias or favour. The only exceptions are Political Assistants appointed by the Council, to whom separate legal provisions apply. The Council may, from time to time, determine other exceptions to these arrangements, subject to legal provision.

The roles of certain officers of the Council are defined in law. These include the Head of the Paid Service, the Monitoring Officer, the Chief Finance Officer. These roles and their attendant responsibilities will continue to exist under the new arrangements and should be respected by Members.

### **Recruitment**

Members must not seek to influence the appointment of Council staff. It is unlawful to make an appointment based on anything other than the ability to undertake the duties of the post.

### **Scrutiny**

The roles and tasks of Scrutiny Committees will be determined by Council and should be discharged by Members in a manner befitting their purpose. The Scrutiny process is intended to be an effective tool for improving the authority's performance and ensuring public accountability.

Officers below the level of Chief Officer will not be required to attend scrutiny meetings to give advice and information except in a supporting role to a Chief Officer.

Certain staff below the level of Chief Officer will however have roles that require them to provide support services to both the Executive and to the management and operation of scrutiny bodies. Chief Officers will be required to provide support and advice to officers in managing this “dual” role effectively.

### **Information for Members**

Members will be provided with appropriate information to support them in carrying out their Executive, scrutiny or representative roles. It shall be the responsibility of Chief Officers to ensure that adequate systems are in place to provide such information.

Members should channel specific requests for information, advice and other support through the relevant Chief Officer, or through such other arrangements as might be approved.

### **Members as Customers**

As customers of the Council’s services, members should expect to be treated no more or less favourably than other citizens. They should not use their position to try to obtain advantage for themselves, their families or friends.

## **MEMBERS' ALLOWANCES SCHEME**

The Council on 5<sup>th</sup> December 2001 resolved:
