

Innovation Quarter

– Goods Shed Events Site

The Goods Shed site being used for the Barry Waterfront Festival

The site sits within the Innovation Quarter. Future potential related uses for the Goods Shed building include a Gateway Visitor Centre;

- The Goods Shed building and the Waterfront Platform was the subject of two WDA grants - initial refurbishment in 1999 and full restoration in 2001;
- Since September 2002 the Barry Waterfront Festival has taken place on the site as well as the Vintage Transport Festival, each attracting between 10,000 - 20,000 visitors;
- The Vale of Glamorgan Railway Company uses the Waterfront Platform to run their Special Events Programme such as Thomas the Tank Engine and Easter and Santa Specials.
