Wk 22 Product: Musical game – "Baby Play Thing"

Brand: SUPER TOYS

Type/number of model: Item n° SL-0682A / n° 2002E, Bar code 5291410028141

Description: Assembled musical toy for a child's bed. Packaging: the cardboard contains the following information: a pictogram concerning the age restriction (ages over 3 years), a warning: choking hazard small parts and a "CE mark".

Choking

This product poses a risk of choking because it releases small parts that fit into the small parts cylinder. The toy is clearly intended for children under 3 years old.

The product does not comply with the Toys Directive and the relevant European standard EN 71.

Country of origin: China

Wk 22 Plastic inflatable toy – "Crawl-a-Long Roller"

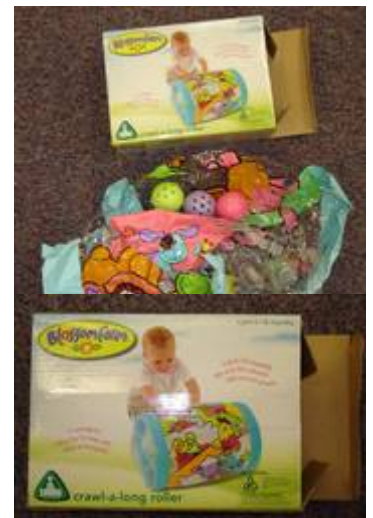

Brand: BLOSSOM FARM

Type/number of model: 5-050048 193955. 113386 0406

Description: Baby's plastic inflatable "crawl-a-long" toy for ages 6-18 months.

Chemical

These products pose a chemical risk because it contains di- "isononyl" phthalate (DINP) in a concentration greater than maximum limit of 0.1% by weight. Although not intended to be placed in the mouth, this toy could clearly come into contact with a child's mouth and be sucked on.

According to the Chemical Restrictions Directive 76/769/EEC, certain phthalates in toys are prohibited.

Country of origin: China

Wk 22 Electrical appliances Product: Fryer – "Smart Clean Fryer"

Brand: TEFAL

Type/number of model: FR400915 and FR400916

Description: Domestic electric deep-fat food fryer.

Fire

The product poses a risk of fire because of loose connections in the mains terminal block which causes arcing, leading to melting and burning of the surrounding plastic insulation which could drop onto the plastic moulding beneath and melt or burn a hole in the base of the appliance. A large hole in the base would provide access to live parts, which could present a risk to the user, bearing in mind that the product may be alight and smoking and somebody, in a panic, could try to lift the product to put the flames out without disconnecting it from the mains supply.

The product does not comply with the Low Voltage Directive and with the relevant European standard EN 60335.

Country of origin: China

Wk 22 15 0596/08 Childcare articles and children's equipment Product: Safety gate

Brand: LINDAM

Type/number of model:

- 1) Lindam Easy Fit Plus Safety Gate - Model Number LD 145, Argos Catalogue Number 375/3086
- 2) Lindam Premium Easy Close Safety Gate - Model Number LD 146, Argos Catalogue Number 375/3282

Description: Metal safety gate consisting of a hinged gate section contained in an outer frame, steel construction painted white.

Injuries

The product poses a risk of injuries because the hinge that holds the gate within the frame may crack and fail, allowing the gate to fall away from the frame. This would constitute a hazard to anyone passing through the gate at the time, and if the item did not break completely it could lead to failure at a later stage, e.g. if a child was to push or pull on the gate. 14 incidents reported.

Wk 22 06 0586/08 Plastic rattle - Tumble tower by Manhattan Toy

YORK RIVER PRODUCTS

Type/number of model: Item n°206280, UPC code 0-1196442878-6

Description: Clear plastic hand rattle with blue plastic ends. The rattle is 5 inches long and consists of a central tube encasing a blue painted face disc which spins on a purple twisted stick when the rattle is turned. There are colourful beads inside two clear handles with brightly coloured rings on the outside. No packaging but accompanied by a cardboard tag entitled "whoozit Baby's Favourite Friend".

Choking

The product poses a risk of choking because the blue plastic end caps of the rattle can break, resulting in small parts which could cause a child to choke.

Two incidents reported.

The product does not comply with the Toys Directive and with the relevant European standard EN 71.
