### Introduction

- Please read through the guidance notes and the application form carefully before you fill in the form.
- If you fill in the application form correctly first time, we can process it quicker.
- The guidance notes give you information to help you fill in your application for Ordinary Watercourse Consent.
- Before completing the application form you are recommended to contact us for advice on your proposal.
- Under the Land Drainage Act 1991, you need consent if you want to build a culvert or structure (such as a weir) to control the flow of water on any ordinary watercourse.
- There is a charge of £50 for Ordinary Watercourse Consent applications made under the Land Drainage Act 1991.
- If you are not sure about anything in the guidance notes or application form, please contact us using the details below.
- When you have completed the application form please return it by recorded delivery, together with all relevant supporting documents, to the address above.
- Alternatively, email your application to the address above, including 'Ordinary Watercourse Consent' in the subject line.
- If your application and supporting documents exceeds 10MB please post the data on CD to the above address.
