MATTERS ARISING FOR COMMITTEE**COMMITTEE DATE : 28 APRIL, 2021**

Application No.: 2020/00718/FUL	Case Officer: Mr. Shafqut Zahoor
Location: Land off Broomwell Lane, Llancarfan	
Proposal: Erection of stable building, polytunnel and retention of horticultural outbuilding and grasscrete access track	

From: Llancarfan Community Council

Summary of Comments:

The council's previous comments with regard to the polytunnel still stands. The proposed polytunnel is considered out of keeping with this site adjacent to the Llancarfan Special Landscape Area. There are no similar structures in the locality. The growing of vegetables for sale constitutes a change of use of this site and as such the Community Council object to this part of the application. All other issues appear to have been dealt with.

Officer Response:

Matters relating to the visual impact of the polytunnel has been addressed in the committee report and the growing of vegetables on agricultural land is not considered to result in a change of use.

Action required: None
