

Dear Phil Gibbs,

I strongly oppose the development of Model Farm but am happy for Vale Communities Unite Against The Planned Development of Model Farm (VCU) to represent me in this. I have followed and supported this Campaign from the outset and feel passionately that the Change of use of the land would be detrimental to the environment including wildlife, the local population, the infrastructure of the area and future needs in terms of food production. There would also be the loss of experience of several generations of a farming family to consider.

Thankyou.

Yours very sincerely,

S. Zenkevitch.
