## **1. Introduction**

1.1 This report summarises the public consultations undertaken by the Vale of Glamorgan Council (the Council) on the Local Development Plan 2011 - 2026, following the publication of the Initial Consultation Report (September 2013) and should therefore be read in conjunction with this earlier report.

This report therefore provides details on:

- Public consultations undertaken for the Deposit Local Development Plan (DLDP); and the
- Alternative Sites (site allocations representations) public consultation.

1.2 The representations to the DLDP and Alternative Site Consultations are summarised in Appendices 11 and 18 and the Council has prepared a response for the Planning Inspector to consider.

1.3 This report follows on from the Initial Consultation Report (September 2013) to which no amendments have been made and should be read alongside this document to gain a full understanding of the comprehensive LDP Consultation Process which the Council has undertaken.

## **2. Deposit LDP Pre-consultation Briefing Sessions (October 2013)**

2.1 Public feedback on the previous DLDP consultation in 2012 raised concerns that the LDP process was difficult to understand and there was insufficient time or opportunity for those interested to consider the content of the Plan before being asked to comment on it. The Council responded to these concerns by organising 'pre-deposit' consultation events which took place during October 2013, prior to the formal consultation period commencing in November 2013.

2.2 These informal drop-in sessions provided the opportunity for members of the public to question Officers and Members of the Council about the Plan and the processes involved, and enabled people to familiarise themselves with the proposed Draft Deposit Plan in advance of the statutory consultation period.

2.3 These drop-in sessions were held between 5.30 and 8.00pm at the following locations:

- 7th October 2013 (Paget Rooms, Penarth);
- 10th October 2013 (Dock Offices, Barry);
- 14th October 2013 (Lesser Hall, Town Hall, Cowbridge);
- 15th October 2013 (Old School, Llantwit Major); and
- 22nd October 2013 (Gathering Place, St. Athan).

2.4 The drop-in sessions were publicised through the Council's website (which was updated with the relevant event details), an email was sent to all Members and Town and Community Councils and a half page advert was placed in The Barry Gem, the Penarth Times and the Barry and District News (refer to Appendix 1).

- 2.5 These informal drop-in sessions ran alongside the consideration of the Deposit LDP by the Council. The DLDP was presented to the following Council meetings:
- 7th October 2013 – Cabinet
  - 8th October 2013 – Economy and Environment Scrutiny Committee
  - 16th October 2013 – Community Liaison Committee
  - 17th October 2013 – Planning Committee
  - 21st October 2013 – Cabinet
  - 23rd October 2013 – Full Council

## **7. Statement of Compliance with the Community Involvement Scheme (CIS)**

7.1 In accordance with Regulation 5 of the Town & Country Planning (Local Development Plan) (Wales) Regulations 2005, Section 8, Part 2 of the Council's adopted Local Development Plan Delivery Agreement sets out the Council's Community Involvement Scheme (CIS).

- 7.2 The CIS identifies who the Council will seek to involve in the LDP process and how and when participation and consultation will take place throughout the Plan preparation process.
- 7.3 Every effort has been made to fully comply with the content and objectives of the CIS, however, over time external factors beyond the control of the LDP process have resulted in changes to forums and groups originally detailed within the CIS in 2006.
- 7.4 The Council considers that the deviations from the approved CIS are negligible and have been adequately compensated for through the use of other forums or contact groups. The overall objectives of the CIS as originally set out have therefore not been compromised.
- 7.5 For information specific deviations from the CIS, the assessed impact and alternative consultation methods used where required are set out below.
- **LDP Key Stakeholder Group** – the Delivery Agreement stated that this group may be directly involved at the vision stage. However, this was not deemed necessary as it was subsequently agreed to adopt the vision from the Community Strategy 2003 – 2013. The Community Strategy vision was prepared in conjunction with the Vale of Glamorgan Partnership, whose members consisted of public, private and voluntary organisations, including the Vale of Glamorgan Council itself, and through extensive consultation with the local community. For this reason, it was considered that the vision already encapsulated the aspirations of the Local Service Board and therefore further consultation was not considered necessary for this stage.
  - **Citizens Panel** – originally the panel consisted of 1200 statistically representative members of the population of the Vale of Glamorgan who helped inform decision making on a wide range of issues. As well as a wide range of external consultees and stakeholders, the CIS included an intention to utilise the Council's 'Citizens Panel' to act as a control group to assist in providing a representative view on the progress of the LDP. At the time the Delivery Agreement was drafted, the Citizens Panel was a large and well-functioning group. However, by 2012, membership levels on the Panel had fallen substantially and response rates to consultations were low. This was reflected in the LDP Draft Preferred Strategy and Initial Sustainability Appraisal consultations in 2008 where only 11 people on the Panel responded. In addition, there were difficulties in identifying them from the remainder of the respondents due to data protection issues. The Citizens Panel was subsequently disbanded in 2012 and a new Panel was recruited in November 2012. However, in view of the above it was agreed to cease consulting directly with the Citizens Panel for later LDP stages and use more effective methods of consultation to engage with the public such as targeted press releases, improved information leaflets and pre consultation events in the community.

- **State of the Area Debates** – these were replaced by the Council's Community Cabinet in 2012 in an effort to make the new administration more transparent and inclusive. Community Cabinets are held on a regular basis and provide local residents with the opportunity to attend and witness a formal cabinet meeting, which is then followed by a public question and answer session. This is in addition to the Council's usual scrutiny committee processes.
- 7.6 From the outset of the LDP process, the Vale of Glamorgan Council has sought to fully engage with interested parties and stakeholders and to provide information and undertake consultation in a transparent, open and accessible way. Full details are provided in the Initial Consultation Report (2013) and in this document.
- 7.7 In engaging with stakeholders, the Council has striven to maximise the use of electronic media in order to increase the level of engagement with stakeholders and organisations and to enable a more efficient use of limited resources. Extensive use has also been made of traditional consultation methods such as letters, posters, press releases, formal notices etc at each stage of the LDP process.
- 7.8 It should be noted that the Council's LDP database currently hosts details of approximately 6000 individuals and organisations that are contacted directly at each required stage of the LDP process.
- 7.9 The Council therefore considers that while there have been minor deviations from the original CIS the actions that it has taken and the mechanisms that it has utilised have compensated for the impact of the departures from the community involvement mechanisms as originally drafted.
- 7.10 It is therefore considered that the objectives of the CIS as set out in the Council's approved Delivery Agreement have been complied with and it is submitted that the LDP has been prepared in accordance with the LDP Soundness Test P1: 'The Plan has been prepared in accordance with the Delivery Agreement, including the Community Involvement Scheme (CIS).'

### Vale of Glamorgan Local Development Plan 2011- 2026

The Vale of Glamorgan Council has prepared Local Development Plan (LDP) documents for the above Plan. The LDP will, upon adoption, replace the current Development Plan and form the basis for decisions on land use planning for the Vale of Glamorgan.

The LDP documents include the 'Deposit LDP', the Sustainability Appraisal Report (which incorporates the Environmental Report), and an Initial Consultation Report together with other supporting documents.

The 6 week consultation period will commence on **Friday 8th November 2013** and will end at **5pm on Friday 20th December 2013**.

All documents are available for inspection on the Council's website at: [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp). Hard copies are also available for public inspection free of charge during normal opening hours at the following locations:

- Vale of Glamorgan Council, Civic Offices, Holton Road, Barry, CF63 4RU
- Vale of Glamorgan Council, Dock Office, Barry Docks, Barry, CF63 4RT
- Vale of Glamorgan Council, Alps Depot, Quarry Road, Wenvoe, CF5 6AA
- All Vale of Glamorgan Libraries.

In addition there will be a number of public exhibitions within the Vale of Glamorgan, the dates, times and locations of which can be found on the Council's web site or by telephoning 01446 700111.

Representations (including objections) in respect of the Deposit LDP can be made :-

**BY EMAIL** – In writing (preferably using the Representation Form) to [lbp@valeofglamorgan.gov.uk](mailto:lbp@valeofglamorgan.gov.uk)

Representations must be received **no later than 5pm on Friday 20th December 2013**.

Representations (including those taking the form of objections) should specify the matters to which they relate. Objections should also specify the change sought, the grounds on which they are made and the test(s) of soundness to which they relate (see below).

A form for making representations and guidance notes are available from the above address or on-line at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp).

#### The Authority's Feedback Mechanism.

The Deposit LDP will be considered by an independent Inspector who will assess whether it is 'sound'. There are a number of tests of soundness and these can be found on the form for making representations or at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp). Objections to the Deposit LDP should make reference to these tests wherever possible.

Any representation proposing a new or extended site for development or one that proposes to incorporate a site rejected by the Authority should include information on the site's compatibility with the Plan's sustainability appraisal and community involvement.

The Authority has prepared guidance on the work required by the proponent for alternative sites presented in response to this consultation, and has made the Authority's baseline data and assessment methodology available on its website. An alternative site which has not been subject to sustainability appraisal is unlikely to be considered suitable for allocation in the Plan by the Inspector.

Representations may also be accompanied by a request to be notified at a specified address of the next stage of the LDP and/or that the LDP has been submitted to the Welsh Government for independent examination and/or of the adoption of the Plan.

The Local Planning Authority cannot change the Plan at this stage but it can decide whether it is in favour of any changes proposed. Representations made in accordance with this notice (i.e. 'duly made') will be considered by an independent Inspector appointed to examine the soundness of the Plan.

Only those making representations seeking to change the Deposit LDP (i.e. objectors) whose representations were 'duly made' have the right to appear before and be heard by the Inspector at the Examination. (Section 64 (6) of the 2004 Act.)

Further information is available from the Council's website at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp) or by contacting the LDP Team at the Vale of Glamorgan Council, Dock Office, Barry Docks, Barry, CF63 4RT, by phone on 01446 700111, or by email at [lbp@valeofglamorgan.gov.uk](mailto:lbp@valeofglamorgan.gov.uk).

# Vale of Glamorgan Local Development Plan 2011 - 2026

## What is the Local Development Plan?

The Local Development Plan (LDP) will eventually replace the current Adopted Unitary Development Plan (UDP) and will form the basis for decisions on planning applications submitted to the Council.

It is an extremely important Policy document that will guide the growth of the Vale of Glamorgan over a fifteen year period and identify the infrastructure needs of our communities in terms of employment, facilities and services needed to support that development.

## What is the Public Consultation for?

The Council has published its Deposit LDP which sets out Policies for managing development in the Vale of Glamorgan, and makes provision for the use of land for the purposes of housing, employment, retailing, recreation, transport, tourism, minerals, waste, and community uses.

This is your opportunity to make comments on the Policies and proposed allocation of land for development.

The six week public consultation period commences on **Friday 8th November 2013** and will run for 6 weeks, ending at **5pm on Friday 20th December 2013**.

The 'LDP documents' include the 'Deposit LDP', the Sustainability Appraisal Report (which incorporates the Environmental Report), and an Initial Consultation Report together with other supporting documents.

## Where can the LDP Documents be Viewed?

Full details of the consultation and documentation, including the LDP Written Statement, Proposals Map and Constraints Map are available online at [www.valeofglamorgan.gov.uk/ldp](http://www.valeofglamorgan.gov.uk/ldp). Hard copies are also available for public inspection free of charge during normal opening hours at the following locations:

In order to be considered as 'duly made' any representations must be received no later than 5pm on Friday 20th December 2013.

## Public Consultation Events (November 2013)

Public exhibitions are to be held, with Officers available to discuss the Deposit LDP **between 1pm and 7pm** on the following dates/ locations:

- Tuesday 12th November at COWBRIDGE - Town Hall (Lesser Hall)
- Wednesday 20th November at PENARTH - Paget Rooms

- Monday 25th November at ST ATHAN - Gathering Place

Officers from the LDP team will also be available to discuss the Deposit LDP at the Docks Office, Barry throughout the consultation period during normal working hours.

## Housing and Associated Community Infrastructure

In order to ensure that local housing need is met, the Plan aims to deliver 9950 new residential units during the Plan period, 2694 of which would be affordable.

Notable housing allocations include:

- Barry Waterfront (1700 dwellings), including a new retail development, primary and nursery school, community facilities, open space and the Barry Island Link Road.
- Six sites in and around the St Athan Enterprise Zone area comprising some 1300 dwellings and associated infrastructure including a Northern Access Road.
- Land to the north and west of Darren Close, Cowbridge (390 dwellings) including land for a new Welsh medium primary school and a link road connecting the A48 and Llantwit Major Road.
- Land at Upper Cosmeston Farm, Lavernock (235 dwellings) including land for a new primary and nursery school and community facility.
- Land at and adjoining St Cyres School, Dinas Powys (300 dwellings) including land for community and open space uses.
- Land north of the railway line, Rhoose (650 dwellings) including land for a new primary and nursery school.
- Land to the east of Bonvilston (120 dwellings) to include outdoor sport and road improvements.
- Land West of Swanbridge Road, Sully (500 dwellings) is allocated as a 'reserve site' which the Plan considers will only be developed in the latter phases of the Plan period if other housing allocations are not delivered.

## Education

In order to meet increased demand for school places as a direct result of new housing and associated population growth, land is allocated for new schools at Penarth Learning Community and Llantwit Major (Secondary and Primary) Schools, plus land as part of four housing developments (see above).

## Public Open Space

Land has been allocated for the provision of on-site open space and recreational facilities as part of 9 proposed housing sites, as well as land for the extension of Cosmeston Lakes and Porthkerry Country Parks

## Gypsy & Traveller Site

The Plan allocates land for a permanent gypsy and traveller site at Hayes Road, Sully in order to meet an identified need of 18 pitches.

## Employment

In order to ensure the continued prosperity of the Vale of Glamorgan and promote growth in the Capital Region, the Plan allocates 366 hectares (net) of employment land for both regional and local needs on 3 strategic employment sites and 8 local employment sites.

## Transportation

The Plan has a strong focus on improving opportunities to use sustainable transport, including a proposed bus park and ride at Cosmeston, Penarth as well as a number of significant bus and cycle schemes. The Plan also identifies a number of transportation schemes which include: the Barry Island Link Road, Northern Access Road, St Athan; improvements to the Five Mile Lane (A4226) and Gileston - Old Mill.

## Minerals

The Plan aims to secure an adequate supply of minerals, and safeguards known mineral resources of sandstone, sand and gravel, and limestone. A Minerals Working Policy provides a framework for the determination of any applications for mineral extraction, including shale gas (fracking).

## Leisure & Tourism

The Plan seeks to encourage proposals which promote the Vale of Glamorgan as a tourism and leisure destination, by favouring proposals which enhance the range and choice of tourism and leisure facilities available. Land is allocated at Barry Island Pleasure Park and Nell's Point, plus a new hotel at Cottrell Park.

## Built & Natural Environment

The Plan seeks to protect the qualities of the built and historic environment, including Conservation areas, Listed and locally-listed Buildings, designated landscapes, historic parks and gardens, and protect and safeguard the Natural Environment, including the identification of 360 Sites of Importance for Nature Conservation (SINCs), 6 Special Landscape Areas and 7 'Green Wedges'.

## What will happen next?

After the consultation has ended the Council will publish any new 'alternative' sites that have been submitted. A further six week consultation will be carried out to seek your views on these sites (anticipated May 2014).

The Council will then summarise comments made on the Deposit LDP and 'alternative sites' together with its response to them. If any major changes are required, these will be presented as Focused changes, which will be subject to further public consultation.

The Plan will then go to the Welsh Government which will appoint an inspector to conduct an independent examination into the soundness of the Plan. The inspector will produce a report on the Plan which the Council will have to implement. The Plan will then be formally adopted by the Council (currently anticipated January 2017).

\*You will have an ID Number if you have made representations at previous stages of the LDP process or if you have requested to be included on the Council's LDP database. The ID No. will be clearly indicated on previous correspondence from the Council. PLEASE QUOTE THIS NUMBER TO ASSIST THE COUNCIL IN IDENTIFYING YOU.

## **Guidance Notes.**

Please set out your comments in Part 2 of this form. Use additional sheets of paper where necessary.

**It would be helpful but it is not essential if separate forms were completed for each comment** that you wish to make. Alternatively a separate Part 2 could be completed for each comment and attached securely to the main form.

**Question 2e** seeks your views on the soundness of the Deposit LDP. ***Please note that completing this question is optional and failing to identify a test will not mean that your comments on the Plan will not be considered.*** The tests of soundness and additional information on how they are applied are detailed on the last page of this form.

If you want changes made to the Deposit Plan, please be as specific as you can. For example, if you want new text added, please set out the new text and explain where you would like it to go in the Deposit Plan and why. Similarly, if you want to add a new or amend a policy or a paragraph, please set out clearly the new text and explain where you think it should go in the Deposit Plan and why.

If you wish to suggest amendments to a site that is allocated in the Deposit LDP or you wish to propose a new site, please attach a 1:1250 or 1:2500 scale plan that clearly identifies the proposed site boundaries.

If you are proposing a new site (one that is not included within the Deposit LDP) the comment form must be accompanied by a detailed site assessment in accordance with the Council's Candidate Site assessment methodology which includes a Sustainability Appraisal. The Candidate Site assessment methodology can be found on the Council's website at: [www.valeofglamorgan.gov.uk/ldp](http://www.valeofglamorgan.gov.uk/ldp)

Where proposed changes to a development plan have significant sustainability effects, you will need to provide the relevant Sustainability Appraisal information. This information must be consistent with the scope and level of detail of the Sustainability Appraisal conducted by the Authority. It should also refer to the same baseline information in identifying the likely significant effects of the revised policy or new site. Further information on this issue can be obtained from the LDP Team on **01446 700111** or on the Council's web site at: [www.valeofglamorgan.gov.uk/ldp](http://www.valeofglamorgan.gov.uk/ldp)

You should include all your comments on the Deposit Plan and set out your full case on the form, using accompanying documents where necessary. If you seek more than one change and consider that the Deposit Plan fails to meet more than one test of soundness **it would be helpful if separate forms were completed for each representation.** Similarly, if your representation is in support of the Deposit Plan or individual elements of the Deposit Plan it would be helpful if separate representations were made.

Please indicate if you are submitting other material to support your comments.

You will only be able to submit further information to the Examination if the Inspector invites you to address matters that he or she may raise. Please note that the Inspector will not have access to comments you have made in response to previous consultations. If you do not consider the Deposit Plan to be sound and that it should be changed, please explain clearly why you think the changes are needed. If you think a change is needed for the Deposit Plan to meet one or more of the tests of soundness, please tell us which one(s).

***Where a group shares a common view on how it wishes the Deposit LDP to be changed, the Council will accept a signed petition.*** In submitting a representation form on behalf of a group, the representation form should include the contact details of a lead individual at Section 1 and the comments should be clearly set out on the representation form. The signed petition should state clearly how many people are being represented and how the representation has been authorised. Signing a petition does not prevent the submission of individual forms.

CE3	There are no clear mechanisms for implementation and monitoring.
CE4	It is not reasonably flexible to enable it to deal with changing circumstances.

The Planning and Compulsory Purchase Act 2004 states that the purpose of the examination of a Local Development Plan (the Plan) is to consider whether it is “sound”. This means that anyone who wants to comment on or object to the Deposit Plan should seek to say how it is unsound and what is needed to make it sound. Sound may be considered in this context within its ordinary meaning of “*showing good judgement*” and “*able to be trusted*”. To assess the Deposit Plan we use 10 tests as set out above. The Deposit LDP will be examined by an independent Inspector appointed by the Welsh Government and it will be the Inspector’s job to consider whether the Plan is sound.

Where you propose a change to the Deposit Plan ***it would be helpful but it is not essential***, if you could make clear which test(s) of soundness you believe the Deposit Plan fails. The tests are in 3 groups - ‘Procedural’ (2 tests); ‘Conformity’ (4 tests); and ‘Coherence and Effectiveness’ (4 tests). If you wish to comment on the way in which the Vale of Glamorgan Council has prepared the Deposit Plan, it is likely that your comments or objections would fall under one of the procedural tests. If you wish to comment on or object to the content of the Deposit Plan, it may help to look at the ‘consistency’ and the ‘coherence and effectiveness’ tests.

***Failing to identify a test will not mean that your comments will not be considered.*** Providing your comment(s) is/are clear and relate to the Deposit Plan (or any part of the Plan) and it is clear what change(s) you are seeking your comments will be considered.

## Profion Cadernid

Profion	Profion Gweithdrefnol
P1	Nid yw'r cynllun yn cydymffurfio â'r Cytundeb Cyflenwi a'r Cynllun Cynnwys Cymunedau.
P2	Ni fu'r cynllun a'i bolisiau yn destun Gwerthusiad Cynaliadwyedd ac Asesiad Amgylcheddol Strategol.
	<b>Profion Cysondeb</b>
C1	Mae'n gynllun defnydd tir sydd wedi methu â rhoi sylw i'r cynlluniau, polisiau a strategaethau eraill sy'n berthnasol i'r ardal dan sylw a'r ardaloedd cyffiniol.
C2	Nid yw'n rhoi sylw i bolisi cenedlaethol.
C3	Nid yw'n rhoi sylw i Gynllun Gofodol Cymru.
C4	Nid yw'n rhoi sylw i'r strategaeth gymunedol berthnasol.
	<b>Profion Cydlynu ac Effeithiolrwydd</b>
CE1	Nid oes gan y cynllun strategaeth gyson sy'n amlwg yn sail resymol i'w bolisiau a'i benderfyniadau ynglŷn â dosbarthu tir ac/nac yn gydnaws â chynlluniau datblygu awdurdodau cyfagos er mwyn gallu ymdrin â materion trawsffiniol.
CE2	Nid yw'r strategaeth, y polisiau na'r dosbarthu tir yn ymarferol nac yn briodol wrth ystyried y dewis a/nac wedi'u seilio ar sylfaen wybodaeth gadarn a chredadwy.
CE3	Nid oes darpariaeth amlwg ar gyfer gweithredu a monitro'r cynllun.
CE4	Nid yw'n ddigon hyblyg i allu ymdopi ag amgylchiadau newidiol.

Yn ôl Deddf Cynllunio a Phrynu Gorfodol 2004, diben archwilio Cynllun Datblygu Lleol (y Cynllun) yw penderfynu p'un ai a fo'r cynllun yn 'gadarn' ai peidio. Felly, pan fydd unigolion yn ymateb neu'n mynegi gwrthwynebiad i'r Cynllun Adneuo, y mae'n bwysig eu bod yn egluro unrhyw ddiffyg cadernid a welant ynddo ac yn cynnig ffordd o'i ddatrys. Mae 'gadarn' yn y cyd-destun hwn ac fel arfer yn golygu 'ffrwyth barn ddoeth' neu 'ddibynadwy'. Er mwyn asesu'r Cynllun Adneuo yr ydym wedi defnyddio'r 10 prawf sydd wedi'u hegluro uchod. Arolygwr annibynnol a benodwyd gan Lywodraeth Cymru a fydd yn archwilio'r Cynllun Datblygu Lleol Adneuo ac yn penderfynu p'un ai a fo'n gadarn ai peidio.

Os ydych yn cynnig newidiadau i'r Cynllun Adneuo, **byddai o gymorth** petaech yn egluro pa brofion cadernid y mae'r Cynllun yn eu methu yn eich barn chi, **er nad oes rhaid i chi wneud hynny**. Mae'r profion yn ymrannu'n 3 grŵp sef - profion gweithdrefnol (2 brawf); profion cydymffurfio (4 prawf) a phrofion cydlynu ac effeithiolrwydd' (4 prawf). Os yw eich sylwadau neu'ch gwrthwynebiad yn ymwneud â dull y Cyngor o Iunio'r Cynllun Adneuo, y profion gweithdrefnol a fydd fwyaf perthnasol i chi. Os mai cynnwys y Cynllun sy'n cael eich sylw, byddai o gymorth i chi gael golwg ar y profion cydymffurfio a chydlynu ac effeithiolrwydd'.

**Ni chaff eich sylwadau eu diystyru am i chi fethu â chyfeirio at y profion.** Bydd pob sylw sy'n eglur, yn berthnasol i'r Cynllun Adneuo (neu ran ohono) ac yn dangos yr union newid sydd gan unigolyn mewn golwg, yn cael ei ystyried.

The Vale of Glamorgan Deposit Local Development Plan (LDP) was made available for public consultation between 8<sup>th</sup> November and the 20<sup>th</sup> December 2013. In response to the consultation the Council received representations which sought policy boundary modifications, new site allocations or the deletion, amendment or change of use of development sites proposed in the Deposit Plan. The Council is required to produce an Alternative Sites Register which identifies the alternative sites submitted at the Deposit Plan consultation stage and to undertake public consultation on the Alternative Sites. **It should be noted that these sites are not being proposed by the Council, but were submitted by individuals and organisations during the Deposit period.**

In accordance with the Town and Country Planning (Local Development Plan) (Wales) Regulations 2005, the Council has prepared its Alternative Sites Register and is undertaking a six week public consultation on the document. The consultation will run between **Thursday 20th March 2014 and Thursday 1st May 2014** and the Council would welcome your views on the Alternative Sites.

## Notice of Site Allocation Representations on a Local Development Plan

### Vale of Glamorgan Local Development Plan 2011 - 2026

The Vale of Glamorgan Council prepared a Local Development Plan (LDP) for the above area which was placed on deposit for consultation until 5pm on 20th December 2013. The LDP will, upon adoption, replace the current development plan and be the basis for decisions on land use planning for the Vale of Glamorgan.

Responses to the deposit consultation included representations relating to site allocations shown in the LDP. These representations suggested new sites or the alteration or omission of proposed sites in the Deposit LDP.

A Schedule of site allocation representations, together with further details are available for public inspection from Thursday 20th March 2014 until Thursday 1st May 2014 during normal opening hours at the following locations:

**Vale of Glamorgan Council, Civic Office,  
Holton Road, Barry, CF63 4RU**

**Vale of Glamorgan Council, Dock Office,  
Barry Docks, Barry, CF63 4RT**

**Vale of Glamorgan Council, Alps Depot,  
Quarry Road, Wenvoe, CF5 6AA**

**All Vale of Glamorgan Libraries.**

This information is also available on the Council's website at:  
[www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp).

The schedule of representations does not reflect the position of the Local Planning Authority itself. It has yet to decide whether it is in favour of any of these suggested changes. Whether the deposit LDP is changed now is a matter for an independent Inspector. Representations (including those in the form of objections) in respect of the site allocation representations should be sent in writing to The LDP Team, Vale of Glamorgan Council, Dock Office, Barry Docks, Barry, CF63 4RT or e-mailed to ldp@valeofglamorgan.gov.uk or made online via [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp) by Thursday 1st May 2014.

Representations (including objections) at this stage must relate only to the site allocation representations. They should not propose further changes to the original deposit LDP or new sites. Any such representations will be disregarded as they should have been made during the earlier stages of plan preparation.

Representations (including objections) should specify the matters to which they relate. Objections should specify the change sought, the grounds on which they are made and the test(s) of soundness to which they relate (see below).

A form for making representations is available from the above address or on-line at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp).

The Authority's feedback mechanism: Next Steps

The Deposit LDP, and all duly made representations will be considered by an independent Inspector who will assess whether the plan is 'sound'. There are a number of tests of soundness and these can be found on the form for making representations or at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp). Objections to a site allocation representation should make reference to these tests wherever possible.

Representations made in accordance with this notice (i.e. 'duly made') will be considered by an independent Inspector appointed to examine the soundness of the plan.

Only those who made 'duly made' representations at the deposit stage have a right to appear before and be heard by the Inspector carrying out the Examination (section 64(6) of 2004 Act).

Further information is available from the LDP Team at the Vale of Glamorgan Council, Dock Office, Barry Docks, Barry, CF63 4RT or from the Council's website at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp).

There are a number of tests of soundness and these can be found on the form for making representations or at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp). Objections to a site allocation representation should make reference to these tests wherever possible.

Representations made in accordance with this notice (i.e. 'duly made') will be considered by an independent Inspector appointed to examine the soundness of the plan.

Only those who made 'duly made' representations at the deposit stage have a right to appear before and be heard by the Inspector carrying out the Examination (section 64(6) of 2004 Act).

Further information is available from the **LDP Team at the Vale of Glamorgan Council, Dock Office, Barry Docks, Barry, CF63 4RT** or from the Council's website at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp).

### ALTERNATIVE SITE CONSULTATION

The Vale of Glamorgan Council consulted on the Deposit LDP between the 8<sup>th</sup> November and the 20<sup>th</sup> December 2013. As part of that process, individuals and organisations have submitted sites which they consider should be allocated in the Plan, removed from the Plan or amended in some way. Collectively these sites are called '**Alternative Sites**' and the Council is required to consult on them to ascertain people's opinions. It should be noted that the Council is not promoting these sites for development/protection. Whether or not the deposit LDP is changed now is a matter for an independent Planning Inspector.

**The Council is therefore consulting on these Alternative Sites during the six week period between Thursday 20<sup>th</sup> March and Thursday 1<sup>st</sup> May 2014.**

All documents are available for inspection on the Council's website at [www.valeofglamorgan.gov.uk/lbp](http://www.valeofglamorgan.gov.uk/lbp). Hard copies are also available for public inspection free of charge during normal opening hours at the following locations:

### Alternative Site Comment Form

Following public consultation on the Deposit Local Development Plan (LDP) some people and organisations have requested that the Council include additional or alternative sites for development in the Plan. The schedule of representations does not reflect the current position of the Council. It has yet to decide whether it is in favour of any of these suggested changes. Whether the deposit LDP is changed could in the end be a matter for an independent Inspector. Alternative Site Representations need to be made to the Council now because, whilst the new or altered site is currently not being promoted as being included in the LDP, the allocation may be considered necessary by the Council or Inspector at a later stage to ensure that the Plan can be found 'sound'. This is your opportunity to tell us what you think about these alternative sites. **Your comments on this form should be about the alternative sites only.**

### 2b. Your comments

Please set out your comments below using additional sheets as necessary. Your comments should be set out in full. This will help the Council and the Inspector to understand the issues you raise. At this stage you can only make comments in writing (these are called 'written representations').

However, everyone who seeks a change to the Plan can appear before and speak to the Inspector at a 'hearing session' during the Public Examination.

But you should bear in mind that your written comments on this form will be given the same weight by the Inspector as those made verbally at a hearing session.

### 3a. Do you want your comments to be considered by 'written representations' or do you want to speak at a hearing session of the Public Examination? (Please tick ✓)

## The Tests of Soundness

The Vale of Glamorgan Local Development Plan will be examined by an independent Inspector appointed by the Welsh Government.

It is the Inspector's job to consider whether the Plan is sound. There is no legal definition of 'sound', but in this context, we use its ordinary meaning of 'showing good judgement' and 'able to be trusted'.

The questions or 'tests' which the Inspector will consider in deciding whether the Plan is sound are shown below. It may help you to read them before you tell us what you think of the alternative sites.

	<b>Procedural Tests</b>
<b>P1</b>	It has been prepared in accordance with the Delivery Agreement including the Community Involvement Scheme.
<b>P2</b>	The plan and its policies have been subjected to Sustainability Appraisal including Strategic Environmental Assessment.
	<b>Consistency Tests</b>
<b>C1</b>	It is a land use plan which has regard to other relevant plans, policies and strategies relating to the area or to adjoining areas.
<b>C2</b>	It has regard to national policy.
<b>C3</b>	It has regard to the Wales Spatial Plan.
<b>C4</b>	It has regard to the relevant community strategy/ies (and National Park Management Plan).
	<b>Coherence and Effectiveness Tests</b>
<b>CE1</b>	The plan sets out a coherent strategy from which its policies and allocations logically flow and/or, where cross boundary issues are relevant, it is compatible with the development plans prepared by neighbouring authorities.
<b>CE2</b>	The strategy, policies and allocations are realistic and appropriate having considered the relevant alternatives and/or are founded on a robust and credible evidence base.
<b>CE3</b>	There are clear mechanisms for implementation and monitoring.
<b>CE4</b>	It is reasonably flexible to enable it to deal with changing circumstances.

## Profion Cadernid

Caiff Cynllun Datblygu Lleol Bro Morgannwg ei archwilio gan Archwilydd annibynnol sydd wedi'i benodi gan Lywodraeth Cymru.

Swydd yr Archwilydd fydd sicrhau bod y Cynllun yn gadarn. Nid oes diffiniad cyfreithiol o 'gadernid', ond byddwn yn ei ddefnyddio yn y cyd-destun hwn i olygu 'yn dangos barn ddoeth' ac 'yn ddibynadwy'.

Mae'r cwestiynau neu'r 'profion' y bydd yr Archwilydd yn eu defnyddio i benderfynu a yw'r Cynllun yn gadarn ai peidio wedi'u nodi isod. Efallai y bydd o gymorth i chi eu darllen cyn mynegi barn ar y safleoedd dewisol.

	<b>Profion Gweithredu</b>
G1	Lluniwyd y cynllun yn unol â'r Cytundeb Cyflenwi a'r Cynllun Cynnwys Cymunedau.
G2	Bu'r cynllun a'i bolisiau'n destun Gwerthusiad Cynaliadwyedd ac Asesiad Amgylcheddol Strategol.
	<b>Profion Cysondeb</b>
C1	Mae'n gynllun ar gyfer defnyddio tir sy'n gydnaws â chynlluniau, polisiau a strategaethau perthnasol eraill sy'n trafod yr ardal dan sylw neu'r ardaloedd cyffiniol.
C2	Mae'n gydnaws â pholisi cenedlaethol.
C3	Mae'n gydnaws â Chynllun Gofodol Cymru.
C4	Mae'n gydnaws â strategaethau cymunedol perthnasol (a'r Cynllun Rheoli Parciau Cenedlaethol).
	<b>Profion Cydlynus ac Effeithioldeb</b>
CE1	Mae'r cynllun yn cyflwyno strategaeth drefnus sy'n sail resymegol i'w bolisiau a dyraniadau ac/neu wrth drafod materion trawsffiniol y mae'n gydnaws â chynlluniau datblygu awdurdodau cyffiniol.
CE2	Mae'r strategaeth, polisiau a dyraniadau'n ymarferol ac yn briodol am ei bod wedi ystyried pob dewis perthnasol a/neu wedi'i seilio ar dystiolaeth gadarn a chredadwy.
CE3	Mae offerynnau amlwg ar gyfer gweithredu a monitro'r cynllun.
CE4	Mae'n ddigon hyblyg i ymdopi ag amgylchiadau newidiol.
