Vale of Glamorgan Council Funding Formula for Special Schools 2020/21

1. Introduction

The Vale of Glamorgan Council's special school funding formula was revised for the 2017/18 financial year and has been reviewed and revised by the Head of Additional Learning Needs and the Head Teacher of Ysgol Y Deri each year since.

This formula was constructed in accordance with the Vale of Glamorgan Council's Fair Funding Scheme for Schools, the School Funding (Wales) Regulations 2010 and the School Standards and Framework Act 1998.

This formula will continue to be reviewed throughout the 2021/22 financial year and will remain an annual item on the Budget Forum programme of work in order to ensure that it remains relevant and responds to changes in central government funding.

The formula allocation for the 2022/23 financial year is £13,297,480, although this budget is not entirely for the special school and covers a number of areas delegated to Y Deri for management including the Pupil Referral Unit, engagement and outreach to mainstream schools, the Learning and Wellbeing Covid recovery anxiety class and a number of resource bases based at mainstream schools.

The total budget delegated to the special school includes

|--|-------------|
| • Delegated special school budget (Y Deri) | £10,827,099 |

2. Pupil Numbers

In order to ensure schools have sufficient funding to cover the September intake, funding is based on a calculation for adjusted pupil numbers.

Adjusted pupil numbers are calculated as shown below

- Current number on role * 5/12ths (5 months/12 months)
- Plus September projection * 7/12ths (7 months/12 months)

The pupil numbers included in the 2022/23 formula are identified in the table below

	Band A	Band B	Band C	Band D	Band E	TOTAL
Pupils on roll Jan 2022 (5/12 Apr – Aug)	0	85	187	57	12	341
Pupil no. estimated Sep 2022 (7/12 Sep – Mar)	0	91	222	58	9	380
Weighted average	0	88.5	207.4	57.6	10.3	363.8

3. Band Weighted Pupil Unit – (BWPU)

The special school funding formula is primarily allocated based on pupil bands which are dependent on levels of need. Each January, the Complex Casework Management Team will assess the new intake with staff from the special school to ensure that pupils are in the correct banding. 74% of the budget is allocated via the BWPU.
