NOTES FOR THE GUIDANCE OF PARENT(S) / GUARDIAN(S)

Before you complete this form it is important that you read the following:

a. An application may only be made by the parent(s) or legal guardian(s), providing documentary evidence of full parental responsibility where appropriate.

b. Parents can ask to change schools at any stage of their child's education. There may be a variety of reasons for this but unless you are forced to do this because you are moving house, we strongly advise you to discuss such a request with your child's Headteacher in the first instance. There may be strong educational reasons why a transfer should not take place that you need to consider.

c. If there is a place available in the age group at the school you would like your child to attend, your child's admission will be authorised and you will be asked to liaise with the Headteacher regarding the date of admission. If no vacancy exists an alternative school will be offered, or we will suggest that your child remain at their current school. If your application is unsuccessful, you will be given the opportunity for your request to be considered by an Independent Appeal Panel.

d. Where a request relates to a pupil in Year 10 or 11 details of the option courses being taken must be provided in Part D of this form. It is unlikely that these option choices will be able to be matched and parents should therefore consider very carefully the implications for their child's education before making such an important decision.

e. Where a request is made because of a change of address you should ensure that adequate notice is given for the transfer to be arranged.

f. Pupils should continue to attend their present school until an alternative placement has been arranged.

g. In certain cases proof of residency will be required.

h. Where parents give false information in order to obtain the advantage of a particular school for their child to which they would not normally be entitled, they may be guilty of an offence under Section 5(b) of the Perjury act 1911. Where there is evidence of this, any offer of a school place based on this information will be withdrawn.

i. Where parents express a preference for a school other than their catchment area school and the Council is able to agree to their request parents will be expected to meet the full cost of travelling expenses.

j. Admission of a child to a school does not guarantee the future admission of any siblings.

k. A decision will be conveyed to you as soon as possible but you should be aware that this could take up to **10 school days**. Please await written confirmation of the result of your application.

l. If you wish your child to attend a Catholic or Church in Wales Primary School, **other than** Gwenfo C/W Primary School, Peterston C/W Primary School, or St Nicholas C/W Primary School, application forms must be obtained from the appropriate school. The Governing Body of the other Church in Wales Primary schools are the admission authority for those schools and are therefore responsible for considering your application. Applications for Gwenfo C/W Primary School, Peterston C/W Primary School, and St Nicholas C/W Primary School are considered by the Vale of Glamorgan Council. In respect of secondary education applications for Whitmore Comprehensive School, Pencoedtre Comprehensive School, Cowbridge Comprehensive School, Llantwit Major Comprehensive School, St Cyres Comprehensive, Stanwell and Ysgol Gyfun Bro Morganwg are considered by the Vale of Glamorgan Council, and application forms can be obtained from the Civic Offices. However if you would like your child to attend St Richard Gwyn Roman Catholic school, they are their own admissions authority and you will therefore need to contact the school direct in order to apply for a school place.
