Ysgol Llyn Derw

Welcome to the first issue of the Ysgol Llyn Derw project newsletter

## Update

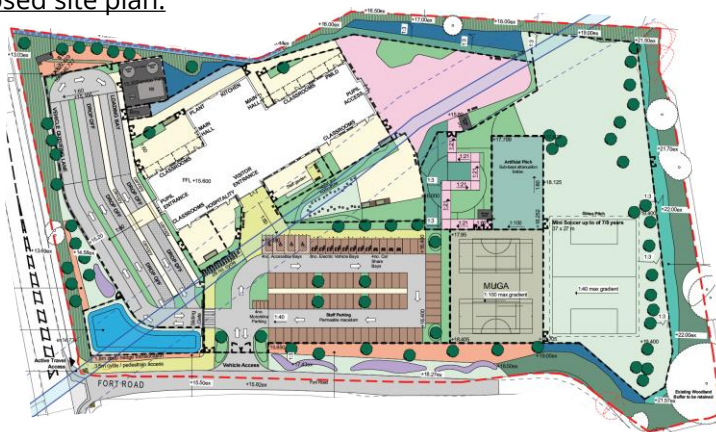

We are Morgan Sindall Construction and we have been appointed to complete an Enabling Works package for the future Ysgol Llyn Derw. This scope is largely highway works, which includes the completion of the Fort Road widening works and the installation of a foul rising main along Lavernock Road to the junction with Upper Cosmeston Farm. The Fort Road works also include the formation of a footpath to connect the new school entrance to Lavernock Road.

There will also be some on site activities taking place during this period, including the installation of solid hoarding, perimeter fencing and

surfacing, in readiness for the Main Works commencing.

We apologise in advance for any inconvenience which may be caused during the completion of these works. The current programme is for the highway works to be completed in May 2025.

## Diweddariad

Morgan Sindall Construction ydyn ni, ac rydyn ni wedi cael ein penodi i gwblhau pecyn Gwaith Galluogi ar gyfer Ysgol Llyn Derw. Gwaith priffyrdd yw'r rhan fwyaf o'r gwaith sydd i'w gwblhau, gan gynnwys lledu Fort Road a gosod prif bibell wastraff sy'n codi ar hyd Ffordd Larnog tuag at y gyffordd gyda Fferm Cosmeston Uchaf. Mae'r gwaith ar Fort Road hefyd yn cynnwys ffurfio llwybr troed i gysylltu mynedfa newydd yr ysgol â Heol Larnog.

Bydd rhai gweithgareddau yn cael eu cynnal ar y safle yn ystod y cyfnod hwn hefyd, gan gynnwys gosod palisau solet, ffensys o amgylch y ffin, ac wynebu - yn barod i ddechrau'r Prif Waith.

Ymddiheurwn ymlaen llaw am unrhyw anghyfleustra a achosir i chi yn ystod y gwaith hwn. Yn unol â'r rhaglen bresennol, dylai'r gwaith priffyrdd fod wedi'i gwblhau erbyn mis Mai 2025.
