MUDIAD YSGOLION MEITHRIN

MYM is the main provider of Welsh medium early years care and education in the voluntary sector. Our early years provision includes:

Cylchoedd meithrin – there are approximately 550 cylchoedd meithrin across Wales offering daily sessional care and education for children 2 – 5 years old. Over 10,000 children are given the opportunity to learn through play through the medium of Welsh in our cylchoedd meithrin.

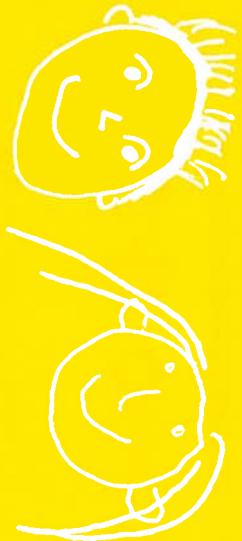

Cylchoedd Ti a Fi – there are over 450 cylchoedd Ti a Fi across Wales. These groups offer children from birth through to school age and their parents an excellent opportunity to meet once a week to socialise, share experiences and to play together in an informal Welsh atmosphere. Parents are given the opportunity to gain access to information on issues relating to parenting skills, children's health and language development.

Day Nurseries – MYM nurseries provide quality full day care and early education for children from six weeks old to school age in an attractive, safe, friendly and Welsh environment.

Referral Schemes – MYM Referral Schemes (Cynlluniau Cyfeirio) offer special support to children with special educational needs.

By working with experts in the field, we can offer extra support to enable children with special needs to take full advantage of the experiences and activities offered in cylchoedd meithrin. This can include an additional assistant in the cyllch, specialist equipment and transport.

Cam wrth Gam – Cam wrth Gam is a subsidiary of MYM and is responsible for developing and delivering training in early years care and education through the medium of Welsh to cylchoedd staff and parents across Wales. It also produces Welsh early years resources to support the training.

Integrated Centres – MYM Integrated Centres offer a wide range of services through the medium of Welsh for children and their families, which include sessional and full day care, before and after school provision, training and advice for parents.

Mabon a Mabli – Mabon a Mabli is a subsidiary of MYM responsible for producing and selling Welsh early years books and resources. The resources can be seen on the website www.mabonamabli.co.uk

MYM employs around 180 staff nationally and over 1,500 members of staff work in our cylchoedd meithrin. MYM Development Officers work at a local level in each county offering guidance and practical advice to the staff, volunteers and parents at our cylchoedd.

As play is integral to every aspect of children's development, the experiences and activities offered across our range of provision are based on learning through play. Special emphasis is placed on language development and the personal, social and emotional development of the children in our cylchoedd.

'Children attending Mudiad Ysgolion Meithrin make considerable progress across a wide range of Welsh language skills.'
