

Dilynwch y daith ddwyieithog trwy ddewis gofal plant ac addysg Gymraeg i'ch plentyn.

Pam?

Gall mwyafrif o blant y byd siarad dwy iaith. Cyntaf i gyd mae'r plentyn bach yn clywed y Gymraeg, gorau i gyd.

Sut?

Gwnewch ffrindiau newydd gyda'ch babi yn eich **Grŵp Cymraeg i Blant** lleol. Bydd cyfle i ddilyn sesiynau tyllino a ioga babi, stori a chân, sblash a chân a mwy.

Cewch groeso draw yn eich **Cylch Ti a Fi** lleol. Dyma gyfle i ddysgu caneuon bach syml, gwrando ar storïau a chwarae gyda theganau, tywod a chlai. Cewch gymdeithasu a rhannu profiadau dros banded neu ddishgled!

Dewch o hyd i'ch **Cylch Meithrin** lleol. Mae'r Cylch yn darparu ystod o weithgareddau a phrofiadau o fewn fframwaith y Cyfnod Sylfaen ar gyfer plant 2+ oed. Bydd eich plentyn yn dysgu trwy chwarae ac yn cael ei drochi yn y Gymraeg tra'n cael hwyl.

Mynd i'r **Ysgol Gynradd Gymraeg** yw'r ffordd fwyaf effeithiol o sicrhau fod gan eich plentyn set gyflawn o sgiliau dwyieithog. Bydd hyn yn arwain at fwy o gyfleoedd gwaith a dewisiadau mewn bywyd.

I Blant
For Kids

Begin your bilingual journey for you and your child by choosing Welsh medium childcare and education.

Why?

Most children across the world speak two languages. The sooner the child hears Welsh the better.

How?

Make new friends with your baby at your local **Cymraeg for Kids Group**. Try our baby massage and yoga, Welsh story & rhymetime, splash & song sessions and more.

You'll find a warm welcome at your local **Cylch Ti a Fi**. Learn simple Welsh songs, listen to Welsh stories, play with toys, water and playdough as well as socialising and sharing experiences over a cuppa!

From 2yrs+ your local **Cylch Meithrin** Welsh-medium playgroup... provides a range activities and experiences within the Foundation Phase framework. Your child will be immersed in the Welsh language and will soon be on their way to becoming bilingual.

Attending a **Welsh-medium Primary School** is the most effective way to ensure that your child acquires the full set of bilingual skills. This will lead to a wider range of employment opportunities and further openings in life.
