

**Public Notice**

Date: 21/12/2022

Ref: Barry Docks Transport Interchange Scheme

Dear Resident

We are writing to inform you that construction works will be commencing from the 9<sup>th</sup> January 2023 at the Dock Office carpark until May 2023. The carpark access from Ffordd y Mileniwm roundabout will be closed to public vehicles with a diversion route to enter the Dock Office and train station upper car park via Subway road. Pedestrian access will still be maintained during this period.

These measures are to allow Jones Bros to safely carry out construction of the Barry Docks Transport Interchange Scheme and will help ensure the safety of our operatives and the travelling public.

We will keep you and Vale of Glamorgan's social media pages updated throughout the project

**I will be available on the phone (07880036811) or via e-mail [garethj@jones-bros.com](mailto:garethj@jones-bros.com)**

Best regards,

*Gareth Jones*
