Team Overview – Community Safety

The Community Safety team undertakes a number of key roles for the Council. The team provides a multi-agency response to reducing crime and disorder and fear of crime, focussing on prevention and providing advice and support to agencies and communities.

The Team's broad functions are:

- Raising awareness of domestic abuse, substance abuse, and anti-social behaviour (ASB)
- Community engagement and crime prevention within the community
- Promote community safety by helping to reduce the opportunity for crime and thereby the fear of it
- Setting the direction for the Safer Vale Partnership through strategic planning and assessments
- Managing the partnership's social media and community messaging presence
- Co-ordinate services with agencies from both the voluntary and statutory sector to implement a unified co-ordinated response for domestic and sexual abuse
- Collates, cleanses and analyses data from all partners and agencies of Safer Vale
- Liaises with agencies from the statutory and voluntary sector to ensure best practice regarding issues relating to substance misuse
- Prevent and reduce incidents of ASB and take enforcement action where appropriate
- Develop and coordinate the implementation of the Vale of Glamorgan's Prolific and Persistent Offender Strategy
- Support for all victims and witnesses of anti-social behaviour and hate crime within the Vale of Glamorgan
- Implement and monitor the National Cohesion Delivery Plan

Our Contribution to Service Plan priorities 2014/15

Our contribution to the Service Plan priorities last year:

- We continued to work with partners to tackle anti-social behaviour through targeted interventions and promoting community safety. Initiatives undertaken include, visits to various communities within the Vale by the TREV vehicle to engage residents on community safety issues such as the clean-up operation that was held in the alley way behind Holton Road where partners including YOS, Police, Fire Service, Anti-Social Behaviour Unit, Probation, local business and youth services removed waste and graffiti from the alleyway behind Holton road. The Community Safety service moved to the Housing Service during the year.[CP/CPS6]
- Working with our partners, we engaged with communities across the Vale on a number of community safety issues to tackle anti-social behaviour and promote community safety. As a result of this work neighbourhood watch schemes have been established e.g. Cowbridge. Safer Vale was praised by the Police for its partnership approach to addressing anti-social behaviour. [CPS/06]
- We worked with partners to tackle anti-social behaviour through targeted interventions and promoting community safety. A programme of intervention work has targeted youth in Penarth, Holton road in Barry and other areas of the Vale to address youth related anti-social behaviour.
- Community Safety moved to Housing and Building Services in 2014.
