BUDGET UPDATE 2012

The Vale of Glamorgan Council,
Civic Offices, Holton Road, Barry CF63 4RU
Tel. 01446 700111
www.valeofglamorgan.gov.uk

Every year in March the setting of the level of Council Tax for the following financial year poses two distinct challenges. On the one hand there is the desire to ensure that the services delivered to the residents of the Vale of Glamorgan are maintained at the highest possible level, particularly as these are often provided for the most vulnerable in our community. On the other is a need to not impose greater and greater burdens on those who pay Council Tax, particularly at a time when the cost of everything is increasing in price.

In 2012/13 the settlement that the council receives from the Welsh Government will increase by only 0.4%, at a time when the level of inflation is at 3.6%. This follows on from the previous year when the level of funding that the council received fell by 1.7%. The settlement, as with last year's includes an element of protection for education budgets of 1.58% which means that the pressures on other council budgets are that much greater.

By modernising the way in which it delivers services and by greater co-operation with other councils and public bodies the Vale Council is continuing to provide an efficient and effective value for money service. This has been reflected in the recent report from the Wales Audit Office which states that 'The Council can demonstrate improvement in most key service areas'.

Plans are in place to invest some £3 million in our leisure centres leading to improvement to both the buildings and the facilities within them. The development of the Penarth Learning Community will start and funding to carry out key improvements at Llantwit Major Comprehensive has been identified.

It is planned to continue the process of making savings by reductions in senior management. Plans are also in hand to take on the responsibility for enforcing parking restrictions throughout the Vale as well as vigorous action against those who litter, fly tip and allow their dogs to foul the pavements and public places.

This year the level of Council Tax will rise by 1.75% the lowest increase since 1997/98. This means that a band D charge will be £940.05. The increase is below the average for Welsh local authorities and means that the band D level in the Vale remains below the Welsh average.

How is your Council Tax calculated?

The total Council Tax for each community area in Band D is found by adding to the Town/Community Council levy the charges from:

The Vale of Glamorgan Council	£940.05
South Wales Police Authority	£169.42
Total	£1,109.47

BAND D

Most dwellings are subject to Council Tax. There is one bill per dwelling, whether it is a house, bungalow, flat, maisonette, mobile home, or house boat, and whether it is owned or rented.

Each dwelling has been allocated to one of nine bands according to its open market capital value at 1st April 2003. The Band your dwelling is in will determine the Council Tax you pay as follows:

The total Band D Council Tax for the Barry Town area is £1,158.34

This is found by adding the Town/Community Council levy (**£48.87**) to the charges for the Vale of Glamorgan (**£940.05**) and the South Wales Police Authority (**£169.42**).

The National Assembly for Wales sets a **Standard Spending Assessment (SSA)** for each Council. This figure is used to distribute Revenue Support Grant to Councils.

This year our SSA is **£205,294,361** and our Net Budget is **£202,906,490** (including use of reserves). This represents a Band D equivalent for Council Tax of **£940.05** after all grants etc.

Your Council Tax Bill shows the band for your dwelling...

Are you on a low income (with savings of less than £16,000, unless you are on Guarantee Pension Credit), having difficulty paying some of your bills and using your capital to support your living standards? Council Tax Benefit could help pay towards your Council Tax bill and Housing Benefit could help towards your rent. The Council would like to assist our residents to apply for help - why not apply today? To find out if you qualify, we need to take into account your circumstances, including income, savings, age and how many people live with you.
