Annual Welsh Language Report 2021 – 2022

1. Introduction

The Council is committed to the provision of an excellent service to Welsh speakers in the area and strives year on year to improve on its provision.

During 2015 we were issued with a legal Compliance Notice by the Welsh Commissioner specifying which Standards apply to the Council.

To achieve the 174 standards within the notice, the Council developed an Action Plan which is published on our website. We monitor progress on a regular basis and have included a summary within this report.

We also published a 5-year Promotion Strategy for 2022-27 as part of the compliance process. This is available on our website. Details of progress are included in Appendix 2.

2. Main achievements 2021 – 2022

- **Website**

The website editor prompts to a Welsh translation before English pages can be updated, ensuring the website is fully bilingual. A system has also been devised which generates reports and identifies pages where the English and Welsh content does not match. This enables an audit to be carried out annually to ensure content is fully bilingual. Progress continues to be made with the Digital Strategy

- **Social Media accounts**

The Council's main social media accounts as well as all other Twitter, Facebook and Instagram accounts are fully bilingual.

- **Internal communications**

As well as Staffnet on corporate computers, Staffnet+ was made available to staff on personal devices allowing access to information on internal news items, payslips, internal job vacancies, and some policies. This has been well used and is also available bilingually.

We also send all staff a weekly message and round-up of news from the Managing Director at the end of every week, which is sent in both Welsh and English.

- **Contact Centre and Main Reception Areas**

The Council continues to offer all callers an option to undertake their enquiries through the medium of Welsh. The total number of callers to the contact centre who used this option during 2021/22 was 1074, which is a slight increase from 2020/21 (1013). Calls in Welsh during 2021/22 represent approximately 8% of the total calls made (134,373).

The number of bilingual staff at the contact centre has varied throughout 2021/22, but on average there have been 5 bilingual members of staff, representing 13% of the contact centre workforce. Recruitment of bilingual staff has been difficult. As a result of these resource issues, Chatbot and Webchat services were suspended during this period.

Wait times for all calls, including Welsh language calls, increased in this period. This is partly due to resource and staff issues. On average callers using the Welsh language option in 2021/22 waited for 304 seconds, compared to an overall average of 334 seconds across the call centre. This has increased from the average wait time in 2020/21 (169 seconds).

Face to face services have fully resumed and the main reception is manned daily by Welsh speaking customer service representatives.

- **Welsh Language training**

The Council has continued to support Welsh language training for staff. All Council staff are entitled to access courses provided by Learn Welsh the Vale free of charge and during working hours.

There are currently 44 members of staff enrolled in courses with Learn Welsh the Vale. This is made up of 12 Entry level/Mynediad, 7 Foundation level/Sylfaen, 15 Intermediate/Canolradd, 5 Higher/Uwch, and 4 Proficiency/Gloywi. Courses are provided in person, on Zoom, and blended.

Learn Welsh the Vale runs a full programme of events and additional learning opportunities including Saturday schools, Christmas and Easter family events, St David's Day lunch, online social groups, and in-person coffee groups.

- **Welsh language awareness module**

Online Welsh awareness training via iDev is due to be rolled out in Summer 2022 for all staff. We will be using a module developed and successfully rolled out by Cardiff Council, which has been adapted for the Vale.

- **Work Welsh and Welsh learners**

The National Centre for Learning Welsh continue to offer free Work Welsh courses for all staff online via their website, including courses for specific sectors like health and social care, sport and leisure, and tourism.

140 learners from the Vale of Glamorgan Council are currently enrolled in Welcome and Welcome Back courses with the National Centre for Learning Welsh.

A new grant has been awarded to Learning and Skills but the National Centre for Learning Welsh to employ a full-time Work Welsh co-ordinator for the Council. This post is due to be appointed by the end of June 2022 for an initial twelve months.

- **Agreement with Menter Bro Morgannwg**

The Council provides funding for Menter Bro Morgannwg to offer opportunities for Welsh speakers in the Vale of Glamorgan to enjoy social activities as well as supplementing pre-school and after-school activities for young people. This has involved liaison with youth, adult education, and schools' teams. Some activities and workshops are held online whilst others have moved back to in-person as covid restrictions are lifted. The agreement with Menter Bro Morgannwg has been refreshed in 2022.

Menter Bro Morgannwg use various digital platforms to share, promote and encourage residents to take part in a range of Welsh language activities in the Vale. They also provide daily/weekly information on the organisation's Bwrlwm holiday playscheme in Penarth, Barry and Llantwit Major; after-school activities; Welsh learner events; and adult activities. They also use their digital platform to advertise events and projects by partner organisations including the Urdd and Learn Welsh the Vale.

Menter Bro Morgannwg staff worked with Menter Caerdydd to produce a digital / limited crowd Tafwyl in June 2021. This was very well received and was viewed by over 45,000 viewers on various digital platforms and social media.

Menter Bro Morgannwg has a good relationship with the Urdd to deliver a range of sporting activities on a weekly basis throughout the year, including swimming in Penarth Leisure Centre, and football and rugby sessions throughout the Vale.

Amser Stori sessions take place regularly in Penarth, Barry and Llantwit Major libraries throughout the year, attracting children and parents wanting to hear and improve their Welsh language skills, and a chance to meet other parents.

- **Learn Welsh the Vale**

Learn Welsh the Vale works in partnership with Menter Bro Morgannwg and supports the Adult Community Learning team to provide Welsh-medium adult education. Vale of Glamorgan Adult Community Learning runs Coffi Cymraeg at Barry Library on Saturday mornings and a Welsh-medium Digital Workshop at Palmerston Centre on Wednesdays during termtime.

Learn Welsh the Vale supports the Cynllun Siarad scheme, coffee groups in towns across the Vale as well as partnership events including Gwyl Fach y Fro and Welsh-medium adult learning such as cookery and pilates.

The grant which supported the Welsh homework club for families with children in Welsh-medium schools, Clwb Ni, ended after the pandemic and the club no longer runs. Learn Welsh the Vale are investigating other sources of funding to restart and promote this facility.

- **Translation agreement with Cardiff Council**

The Council signed a contract in 2017 with Cardiff Council for all Welsh translation work following a successful period with a Service Level Agreement. The contract was renewed in September 2021 for a further three years. During 2021/22, 3,765 documents were translated for the Vale of Glamorgan Council. A total of 2,719,763 words were translated, which is an increase of 44% on the previous year and indicates the volume of work that is produced bilingually.

- **Linguistic Skills Assessment**

A Council-wide linguistic skills assessment is planned for 2022 to update the picture of the numbers and level of proficiency in Welsh of staff in all areas of the Council,

including school staff. It is anticipated the new Welsh Language Co-ordinator will assist with this and following actions.

- **Welsh speaking spellchecker and email footers**

All Council staff have received a copy of 'Cysgair' on their computers. The latest version of this software has been installed on all council computers enabling staff to communicate more easily in Welsh and to feel confident about their grammar.

We have arranged for all council staff to have bilingual footers with their job titles and to have bilingual out-of-office messages. A prominent logo has also been added to the names of those who speak Welsh fluently and a separate logo to indicate members of staff who are learning Welsh. This has proved particularly helpful during the current period of working from home. In addition, Welsh speaking staff and learners can wear lanyards to indicate their skills when in the office.

- **Page on Staffnet for Welsh speakers**

There is a dedicated page on our Staffnet that provides useful information for Welsh speakers and learners as well as setting out their rights regarding internal documentation and standards. Staff are also directed to suitable Welsh courses.

- **Mwy Na Geiriau**

This regional group which was originally set up to implement the Welsh Government action plan has started to meet again. Those involved include representatives from Cardiff Council Social Services and the Vale Social Services as well as a representative of the Health Board. The purpose is to share good practice and to jointly develop ideas for increasing the use of the language. Several initiatives have been progressed including a pilot project for recruitment of Welsh speakers. Future plans include raising awareness via attendance at joint jobs fairs and promoting the Welsh language offer on a new staff social media channel (YAMA).

4. Information on performance

The Council collects and reports information on all measures that are national statutory measures and sets targets for them. We have adopted a limited number of local indicators which assist in measuring progress against this scheme. This information is publicly available via the Council's Improvement Plan and service plans, which are published annually and is available on the Council's website www.valeofglamorgan.gov.uk or www.bromorgannwg.gov.uk

In addition to this, the Council published this report on the Equalities section of the Council website along with other data on language matters.

Information below relates to indicators requested by the Welsh Commissioner.

<p>Standard 158 (2) 164 (2) 170 (2d)</p> <p>Number of complaints about implementation of the Welsh Language Scheme.</p> <p>This performance indicator will be measured on the basis of the number of those complaints about the content or implementation of the Welsh language Standards.</p>	<p>We have received a number of informal comments from members of the public and have also received one complaint via the Welsh Commissioner which relates to third-party applications on the website. The investigation has been completed and we are awaiting the Commissioner's comments.</p>
