Welsh Language Standards

Annual Monitoring Report

2019-20

1. Introduction

The Council is committed to the provision of an excellent service to Welsh speakers in the area and strives year on year to improve on its provision.

During 2015 we were issued with a legal Compliance Notice by the Welsh Commissioner specifying which Standards apply to the Council.

In order to achieve the 174 standards within the notice the Council developed a comprehensive Action Plan which is published on our website. Progress is monitored on a regular basis and a summary is included within this report.

We also published a 5-year Promotion Strategy as part of the compliance process which is widely available in hard copy as well as on our website. Details of progress have been included as Appendix 2.

2. Main achievements 2019/20

- **Website**

During 2019/20 the Council continued to review the content of its website. We have now devised a system which will generate reports and identify any pages where the English and Welsh content does not match. This will allow us to undertake an audit of the website annually to ensure that the content is fully bilingual. Progress continues to be made with the Digital Strategy and the procurement of third- party applications.

- **Social Media accounts**

The Council's main social media accounts have always been bilingual but following an enquiry from a member of the public in September 2019, guidance was issued to

ensure that all 40 Twitter accounts and 26 Facebook accounts are fully bilingual as well as any Instagram accounts.

- **Contact Centre and Main Reception Areas**

The Council continues to offer all callers an option to undertake their enquiries through the medium of Welsh. The total number of callers who used this option during 2019/20 was 678. Calls through the medium of both Welsh and English are showing a reducing pattern as the Council implements its digital strategy of offering an increasing number of self-service options via its website and mobile app. These services are and continue to be offered in both Welsh and English.

On average callers using the Welsh language option in 2019/20 waited for 172 seconds to have their call answered while callers using the English language option waited for 220 seconds. Wait time performance was impacted to an extent by a relatively high staff turnover during the year and reflects the fact that recruitment and retention of Welsh speaking staff for customer services roles is becoming increasingly difficult.

At the end of the reporting period the percentage of bilingual staff at the contact centre increased slightly from 23% to 27%. Training plans are in place to increase the range of enquiries that the bilingual staff cohort can resolve at the first point of contact. The service continues to provide a face-to-face Welsh language service at main corporate receptions.

During the year the Council procured a new contact centre platform that will enhance operational efficiency and offer additional contact channels for customers, including web chat, which will be offered through the medium of Welsh. Deployment of this new functionality was delayed until January 2020 and is now expected to deliver a significant improvement in both online and contact customer experience during 2020/21.

- **Welsh language training**

The Council has continued to support formal Welsh language classes for staff in the workplace as well as providing regular 'Blasu' sessions in various locations. This has helped to sustain the number of staff enrolments this year at 63. In addition we have continued to allow staff to attend classes during worktime with courses being paid for by the Equalities team and the Adult Education team.

The Work Welsh programme funded by the Welsh Government includes a 'Welsh Welcome' course which can be accessed on workstations via our internal Staffnet.

- **Agreement with Menter Bro Morgannwg**

A framework for partnership working was agreed in 2019 for a further three years. The aim is to provide a range of community activities for local residents, including children, young people, families and adult learners in order to promote the use of Welsh. A significant proportion of this work contributes to our 5-year strategy plans – see Appendix 2.

- **Translation agreement with Cardiff Council**

The Council signed a contract with Cardiff Council for all Welsh translation work in September 2017 following a successful period with a Service Level Agreement. During 2019/20 a total of 2,229,443 words were translated. This represents an increase of more than 20% on last year and indicates the volume of work that is produced bilingually.

- **Linguistic Skills Assessment**

The Council carried out a second Linguistic Skills Audit in September 2018. Computer users provided information on their Welsh language skills. This was rolled out by means of Metacompliance software. We have been able to update details of

nearly 1600 staff and this enables us to target information at Welsh speakers as well as providing an updated list for internal use.

- **Welsh speaking spellchecker/email footers etc**

All Council staff have received a copy of 'Cysgair' on their computers. We have recently purchased licences for the latest version of this software and this has been installed on all council computers enabling staff to communicate more easily in Welsh and to feel confident about their grammar.

We have arranged for all council staff to have bilingual footers with their job titles and to have bilingual out-of-office messages. In a recent development a prominent logo has been added to the names of those who speak Welsh fluently and a separate logo to indicate members of staff who are learning Welsh. In addition Welsh speaking staff and learners are able to wear lanyards to indicate their skills.

- **Page on Staffnet for Welsh speakers/Reminders**

A dedicated page on our Staffnet provides useful information for Welsh speakers as well as setting out their rights regarding internal documentation. We recently ran a campaign entitled 'Think Cymraeg' which encouraged staff to be aware of the most important areas of their work where use Welsh can make a big difference. The Managing Director sent out an EMail including the 'Think Cymraeg' poster which was in the format of a '7-minute read'.

- **Work with Learners and Welsh Speakers in the Vale**

During the year many events have taken place to encourage learners including trips to St Fagan's, entertainment evenings and singing events as well as workshops for the family.

These events were organised by the LearnWelsh team and they have also held celebrations at Christmas, Mid Winter and St David's Day. Regular events also

include revision classes for learners, coffee mornings and 'Sadwrn Siarad' which can attract up to 40 people.

Classes have also been held in Welsh teaching Digital Skills as well as reading classes for learners and fluent speakers.

A new podcast will be broadcast in April in partnership with Bro Radio.

Welsh Rights Day - 'Mae gen I Hawl'

We celebrated this day in December when we had a presence in the main civic office reception in Barry. We were helped by Menter Bro Morgannwg and the LearnWelsh team who were able to explain to members of the public the availability of family activities in Welsh and learning opportunities.

We provided Welsh cakes and chatted to visitors about ways of contacting us in Welsh. At lunchtime we sang together in a small choir and one of our colleagues sang a selection of Welsh songs. The whole day was very well-received and visitors went away with information and cards with basic useful Welsh phrases.

We had an ongoing campaign on social media leading up to the day and articles on staffnet. An article was published in the Penarth times and the Barry Gem.

4. Information on performance

The Council collects and reports information on all measures that are national statutory measures and sets targets for them. We have also adopted a limited number of local indicators which assist in measuring progress against this scheme. This information is publicly available via the Council's Improvement Plan and service plans, which are published annually and is available on the Council's website www.valeofglamorgan.gov.uk or www.bromorgannwg.gov.uk.

In addition to this the Council publishes this report on the Equalities section of the Council website along with other data on language matters.

Information below relates to indicators requested by the Welsh Commissioner

<p>Standard 158 (2) 164 (2) 170 (2d)</p> <p>Number of complaints about implementation of the Welsh Language Scheme.</p> <p>This performance indicator will be measured on the basis of the number of those complaints about the content or implementation of the Welsh language Standards.</p>	<p>We received only one complaint via the Welsh Commissioner which was subsequently cancelled.</p> <p>We received two comments via Twitter which we have recorded and which have prompted us to change our systems.</p>
<p>Standard 170 (2a)</p> <p>Number of staff with Welsh skills in the Council.</p> <p>This indicator has been measured as part of the Linguistic Skills Survey in September 2018.</p>	<p>A linguistic skills survey took place at the end of 2018 of all computer users. This indicated that 122 members of staff consider themselves 'good' or 'fluent' of 1572 responses. This represents a percentage of 6%.</p>

<p>Standard 170 (2b)</p> <p>Number of staff undertaking training and to what level/degree of proficiency.</p> <p>This will be based on the number of staff undertaking Welsh language training provided by the Council. This measure will be reported as a number under each of the categories: Entry and Foundation; Intermediate; Advanced; Advanced/Mastering.</p>	<p><u>2019-2020</u></p> <p>Entry Level 24</p> <p>Foundation 21</p> <p>Intermediate 10</p> <p>Advanced/Mastering 8</p> <p>Total 63</p>
<p>Standards 154,170 ch)</p> <p>The number of new and vacant posts which were categorised as Welsh essential and desirable.</p>	<p>April 2019 – March 2020 - 535 adverts were logged:</p> <ul style="list-style-type: none"> • 27 Welsh essential • 508 Welsh desirable <p>All advertisements are either Welsh essential or Welsh desirable.</p>

The Council's continued priority for 2020/21 is to increase the number of Welsh speakers in the workforce and to promote the use of the language in the Vale.
