

Cosmeston Country Park Play Area

The play area today

Notes

The Vale of Glamorgan Council has allocated a sum of £240,000 to upgrade the play area in Cosmeston Country park which is in a poor condition and offers limited play value.

Much of the existing equipment, bins, picnic tables and fencing are in very poor condition and require replacement urgently.

The surfacing at the entrance and within the play area has worn away and is muddy for much of the year.

Cosmeston Country Park Play Area

Proposed design

Play area: Key features

The Council invites the views and opinions of local residents to help develop enhancements for this area.

Please complete the questionnaire. Questions to consider include:

- Do you agree that the play area should be upgraded and designed for children aged between 2-12 years old?
- What type of equipment would you like to see here? Timber / Steel?
- A mainly Medieval theme to complement the mediaeval village is proposed; do you agree? Would you prefer to see a different theme to the new play area, if so, what would this be?
- Should the play area be fenced ?
- Would you like to see a picnic area with space for small refreshment facilities?
- Do you have any other comments?

Proposals to upgrade the play area include:

- Removal of existing play equipment and surfacing (Viper swing unit may be kept)
- Design using a Medieval theme with a range of play equipment in timber and metal suitable for children aged between 2-12 years old.
- New seats, picnic tables and bins to be installed
- 1 metre high new bow top fencing to be installed around the play area to replace the current timber fence
- Planting of native trees, shrubs or wildflower meadow
- Access path to play area to be resurfaced
- New picnic tables and base for small refreshment facilities
