Next Steps

Following your feedback we will be reporting back to the Study Review Group, who will consider the report and recommend what should happen next to the Vale of Glamorgan Council.

If one or more of the options go forward, and there is funding available, the next stage will be the preparation of a Full Business Case (WelTAG Stage Three).

The purpose of Stage Three is to make a full and detailed assessment of the preferred option to inform a decision as to whether or not to proceed to implementation.
