QR Codes

Penarth society are discussing installing a series of QR Codes around town.

Edwardian

To clarify the shelter is Edwardian. Not on the 1899 town map, but it is on the 1920 version.

Large Grand Buildings

There used to be a series of large grand buildings, built in the Victorian and Edwardian Style, located in close proximity to the shelter. One example is Penarth House which is now knocked down. More millionaires than Cardiff.

(Follow Up With Alan Thorne)

Guglielmo Marconi

His breakthrough was at nearby Lavernock, but Penarth claims it!!

Town Covered in Black

Coal, coal built the town, it's the reason for the docks and growth. Town covered in black.
