

The Grange Play Area and footpaths, Wenvoe

The Grange Play Area

Proposals include:

- Remove all existing play equipment including youth shelter, basket swing, multi-unit and fencing.
- All new play equipment to be mainly metal (not timber) suitable for children between 2-12 years old. Equipment to include 1 multi unit for younger children and one for older children and a variety of other equipment
- Rubber 'Wetpour' safety surfacing to be used (natural colours such as dark green, orange and yellow)
- 1 metre high metal fencing to be used around the play area (dark green RAL: 6005 Moss Green) with two yellow gates
- Two seats, two picnic tables and two bins

Footpath

To be 2m wide with macadam surfacing. Works will include improvement to ramp to Old Port Road and could potentially improve access into Tarrws Close.

Notes

The Vale of Glamorgan Council has secured funding through Section 106 monies received by nearby new developments to improve public open space and recreational facilities in the area. The existing play area at The Grange is in a poor condition and offers limited play value. The Council therefore propose completely upgrading the facility.

The Council invites the views and opinions of local residents to help develop enhancements for this area.

Questions to consider include:

- What type of equipment would you like to see here?
- Is there a specific theme or design you would like to see?
- Do you have any other comments?
