## YSGOL BRO MORGANNWG

Sparkles Cleaning company have been working at Ysgol Bro Morgannwg site since April 2019. In total, we have employed 14 staff from Sparkles (all living locally in Barry and Vale of Glamorgan).

## CHARLOTTE COOK - SPARKLES SENIOR STAFF:

"It has been an exciting experience for Sparkles Cleaning working with ISG. The ISG team at Ysgol Bro Morgannwg have helped and supported us to grow as a business.

We have worked closely with the Job Centre to get local people back into work and overcome any barriers to employment, as well as supporting our existing team through training such as IPAF and PASMA. We have taken on six new people who were supported by work mentors. Three of our team members have gained CSCS cards and one team member has completed the SSSTS Training. I have booked to complete the SMSTS training in November.

We are proud to be working with such a fantastic organisation and we are looking forward to our future working relationship with ISG."

## TRAINING ON SITE

**NAME: Kezia Reed**  
**ROLE: Supervisor**

Before joining us, Kezia had never worked on a construction site before. She has now completed her **PASMA**, **CSCS** and **IPAF** since working at Ysgol Bro Morgannwg with ISG.

These new qualifications have vastly expanded her experiences and role on site. Kezia now confidently leads a small team, whilst continuing her own training.

*"The ISG and Sparkles team have been so kind and welcoming. Before joining Sparkles, I was put on furlough from my previous work. An opportunity came up to work with Sparkles on a temporary offer, however this quickly extended to a full time position! Thank you to Sparkles and ISG for their support during these difficult times."*  
– Janice, Sparkles cleaner.

*"When I joined Sparkles, I was initially offered a contract for 2 days. However with the busy handover of Ysgol Bro Morgannwg my contract was expanded to 3 weeks! I'm so grateful for Sparkles and ISG for this busy work period! This project gave me such good experience that I hope to continue going forward with Sparkles"*  
– Lewis, Sparkles cleaner.

*"These last few weeks have been such a busy period. I must admit that getting thrown in at the deep-end was challenging, but a great learning curve as I got to get much-needed training and experience working on the job."*  
– Phil, Sparkles cleaner.
