EXPLANATION OF TERMS USED IN THIS DOCUMENT

'AN' (Admission Number) - All maintained schools must admit pupils up to at least their published admission number. The admission number is the number of pupil places available in each year group.

'ALN' (Additional Learning Needs) - A pupil has additional learning needs if they have a learning difficulty or disability (whether the learning difficulty or disability arises from a medical condition or otherwise) which calls for additional learning provision.

'Capacity' – The capacity of a school is the total number of statutory aged pupil places available; it excludes nursery places.

'Catchment Area' - The geographic area from which students are eligible to attend a local school. Catchment children will always take priority over applications from outside the catchment area however there is no guarantee that any child will be admitted to their chosen school.

'Denominational' - Schools with a designated religious character e.g. Church in Wales.

'EA' (Equality Act) - The Act covers all aspects of school life to do with how a school treats pupils and prospective pupils, parents and carers, employees, and members of the community. Everything a school does must be fair, non-discriminatory, and not put individuals or groups of people at a disadvantage. In particular, a school must not discriminate, harass, or victimise a pupil or potential pupil in relation to; admissions, the way it provides education for pupils, how it provides pupils access to any benefit, facility, or service, and excluding a pupil or subjecting them to any other detriment.

'EIA' (An Equality Impact Assessment) - EIA is a process designed to ensure that a policy, project, or scheme does not discriminate against any protected groups.

'EM' (English Medium) – A school where teaching and learning is primarily conducted through the medium of English.

'LA' (Local Authority) - The Local Authority referred to in this document means the Vale of Glamorgan Council unless otherwise stated.

'NOR' (Number on Roll) - The number of pupils attending a school. Nursery places are excluded.

'PLASC' (Pupil Level Annual School Census) - In January of every year, verified information is collected by schools for submission to the Welsh Government. This includes the number of pupils

enrolled in each school, their age groups, home addresses, ethnicity and data on Welsh language, free school meals eligibility, special education needs and first language.

'SA' (School Action) - When a class or subject teacher identifies that a pupil has ALN they provide interventions that are additional to or different from those provided as part of the school's usual curriculum.

'SA+' (School Action +) - When a class or subject teacher and the ALN Co-ordinator are provided with advice or support from outside specialists, so that alternative interventions additional or different to those provided for the pupil through SA can be put in place.

'Section 106' - The Section 106 contribution is sought from anyone who has an interest in the building of a housing development, towards the costs of providing community and social infrastructure, educational provision, open space / play equipment, transport, or healthcare for those occupying the new homes.

A learning difficulty means that the child has significantly greater difficulty in learning than most children of the same age or that the child has a disability that needs different educational facilities from those that the school generally provides.

'WM' (Welsh Medium) - A school where teaching and learning is primarily conducted through the medium of Welsh.

1. INTRODUCTION

1.1. BACKGROUND

The Vale of Glamorgan Council is committed to ensuring that all pupils within the Vale have every opportunity to attain the best possible outcomes. In order to achieve this ambition, it is essential that we ensure schools remain sustainable, reflect the needs of our local communities, and are equipped with the best possible learning environments.

The Council's Cabinet authorised the Director of Learning & Skills to undertake a **consultation from 13th July 2022 to 22nd September 2022** on a proposal to establish a specialist resource base at Ysgol Y Ddraig.

1.2. THE PROPOSAL

This document outlines the Council's proposal to permanently relocate the specialist resource base from Llandough Primary School to Ysgol Y Ddraig from January 2023.

This proposal is considered under section 2.3 of the School Organisation Code (2018). Section 2.3 of the School Organisation Code refers to Regulated Alterations of a school, which includes the transfer of any school to a new site.

1.3. RESPONDING TO THE PROPOSAL

The Vale of Glamorgan Council is committed to ensuring that consultations are meaningful, relevant, and appropriate for the communities that are involved, and the Council has a duty of care to ensure that proposals are clear, transparent, and reflective of those affected. This is a vision that can only be realised by working in partnership with schools, governors, parents, and the wider communities we all serve.

This consultation gives you the opportunity to ask questions and make comments that will be considered when the Council's Cabinet decides how to proceed.

Further information regarding planned stakeholder engagement sessions and how you can respond to the consultation is detailed in [Section 7 "Involving stakeholders and responding to the consultation"](#). This section also contains a link to the online survey and a free post address if you would like to submit a response via post. The response form can be found under [Section 8](#).

Under the School Organisation Code (2018), it is vital that any feedback be received by 22nd September 2022 in order to be considered as part of this consultation. Any items received after that date cannot be considered.

2. THE PROPOSAL

2.1. SUMMARY

The proposal is to relocate the existing Specialist Resource Base (SRB) at Llandough Primary School to Ysgol Y Ddraig.

This proposal is considered under section 2.3 of the School Organisation Code (2018). Section 2.3 of the School Organisation Code refers to Regulated Alterations of a school. The element within this section which is relevant to the proposal is the relocation of SEN provision to a new site beyond 1 mile from the main entrance of the existing site.

2.2. WHAT WOULD THIS MEAN?

The proposal would mean specialist educational provision for pupils aged 4-11 year with Speech, Language and Communication Needs would be relocated from Llandough Primary School to Ysgol Y Ddraig.

Llandough Primary School has hosted the Local Authority provision for pupils with Speech and Language barriers to learning since 2002. The provision is made up of classes for pupils aged 4-11 year with Speech, Language and Communication Needs. The staff are employed by the local authority and the school receives a resource budget based on the number of pupils attending the provision.

The pupils are dual registered with their home schools and spend 3 days in the resource base and 2 days in their home school. This model enables pupils to be taught and practice specific speech and language skills within the base and practice them through the week, in their home schools.

The pupils are supported in their mainstream schools by the resource base LSAs and teachers. By supporting pupils in their mainstream schools this allows speech and language skills demonstrations, support, and training to go into schools on a weekly basis, allowing specialist staff to model strategies, and enabling schools to build expertise in working with pupils with speech and language needs.

It also allows children to be fully included in their mainstream school. The model was designed in conjunction with the NHS Speech and Language Therapy Service.

Ysgol Y Ddraig is an English medium community school located in Llantwit Major which currently caters for 3–11-year-olds. An area of the building has been allocated for the SRB. It is proposed that the SRB would follow the same model as described above, maintaining its focus on pupils with Speech, Language and Communication Needs.

This model was adapted due to Covid restrictions in order to manage the contacts of pupils from different settings and to mitigate the risk of spreading infection between schools. As a result pupils have been spending alternate weeks in the base and their mainstream schools, rather than 3 days in the resource base and 2 days in school on a

weekly basis. Now restrictions have eased and because of the facilities available at Ysgol y Ddraig, it will be possible to revert to the original model which will provide the optimal support for the needs of the pupils.

2.3. WHY ARE WE PROPOSING THE CHANGES?

The SRB provision at Llandough Primary School was moved to Ysgol Y Ddraig during the Covid-19 pandemic. The space at Llandough was considered to be too small for social distancing with insufficient ventilation to prevent the spread of the disease. Pupils from the resource base also shared toilets with year 1 pupils from the mainstream school which added to the risk of increased infection as pupils were not able to be contained in “bubbles” which were operating at this time.

The Council reviewed the SRB at Llandough Primary School to explore if any measures could be taken to make the space useable under Covid regulations. Though ventilation could be improved, and the social distancing eased by rotating pupils in and out of the SRB, this would not have been sufficient to meet the guidance at the time. Additionally, the use of toilets by more than one class was seen as an infection risk and this risk could not be mitigated. A number of options were considered which would keep all pupils and staff safe in both the SRB and school, whilst allowing access to the specialist provision. However, no solutions were found to ensure that all the pupils could access learning safely.

As a consequence, the Council investigated alternative options to deliver the provision from an alternative school site which had the space that would allow social distancing, good ventilation, and safe use of pupil toilets. This space was found at Ysgol Y Ddraig Primary School in Llantwit Major. Two full time classrooms with break out space, separate outside space, and separate toilets were accessed. The base could also be entered through a separate entrance. Thus, the base was self-contained, ensuring that pupils and staff were safe and compliant with Covid regulations.

The agreed arrangement was temporary and reviewed regularly, with the intention that the base would return to Llandough Primary School when Covid restrictions eased. It is only very recently that Covid restrictions have eased sufficiently to consider a return to Llandough Primary School. However, despite the easing of restrictions it is still evident that the accommodation available at Llandough Primary School is no longer fit for purpose and is not comparable with that available at Ysgol y Ddraig.

Local authority officers have surveyed the accommodation at Llandough and concluded that extensive re-modelling of the ground floor section of the school would be required in order to provide a functional space for the provision going forward. This re-modelling would cause significant disruption to the wider school and would also require additional funding to complete the works required. This is estimated as being a minimum of £50,000. In addition, because of the limitations of what is a relatively old building on a limited site, it would be impossible for any re-modelling to create the same standard of environment as

can be offered at Ysgol y Ddraig which is a newly built facility with all the benefits of a 21st century school.

As a result of the success of the temporary relocation and the availability of improved facilities at Ysgol Y Ddraig, it is therefore considered that the SRB would benefit from a permanent relocation to Ysgol Y Ddraig. This would allow the SRB to continue to benefit from the facilities available at the school and allow this group of children access to the best possible specialist provision for Speech, Language and Communication Needs.

3. IMPLICATIONS OF PROPOSAL

3.1. SCHOOL INFORMATION

The following section discusses potential implications of the proposal, including educational outcomes, finance, human resources, and transport.

The Council has collated information about the schools to help inform these potential implications. This includes the most recent Estyn inspections where available, National Categorisation of school report, and internal assessments of the buildings condition and suitability of Ysgol Y Ddraig.

3.2. EDUCATIONAL OUTCOMES

STANDARDS AND PROGRESS

The SRB would ensure pupils with Speech, Language and Communication Needs have access to specialist learning & resources in an improved environment. The base would also provide a safe environment for pupils to access during lunch and break times. Support would be targeted to meet the individual needs of pupils within the SRB. The specialist work of the resource provision would influence practice throughout the wider school which would benefit all staff and pupils.

Skilful and creative planning ensures a clear structure to lessons and a wide range of activities and approaches within the SRB. This has a positive impact on pupils' learning and progress. Strategies to identify and share effective practice are successful in improving learning and teaching across the school, for example, in developing authentic experiences for pupils.

Self-evaluation is a strong feature of Ysgol Y Ddraig, being comprehensive, robust, and involving all members of staff. The school has a clear timetable of monitoring activities and draws upon a range of first-hand information to inform their judgements. Self-evaluation makes a strong contribution to improving and maintaining good standards, as well as the quality of teaching and learning. Improvement planning is highly effective and takes account of local and national priorities.

The school's leaders give a high priority to developing the workforce and are highly effective in creating a culture and ethos of a 'learning organisation'. Performance management is closely aligned to pupil outcomes and school priorities. Robust and

comprehensive arrangements are in place for supporting the professional development of staff at all levels. All teachers are engaged in meaningful and planned professional development and undertake beneficial action research.

WELLBEING AND ATTITUDES TO LEARNING

The SRB would provide a safe environment for pupils with Speech, Language and Communication Needs to access throughout the school day. Access to an outdoor area is important for both classes; there are children with ALN in each class who need a space to explore and to regulate themselves in order to be in a ready state to learn. Providing an outdoor space is a crucial part of the universal provision within the SRB. Adults playing alongside the children in this environment provides a wealth of opportunities to develop play and language skills. There is an enhanced range of outdoor activities available.

In Ysgol y Ddraig there is a positive relationship with parents and carers who have appreciated the support for well-being, strong communication during the pandemic and access to blended learning provision of high quality.

With regard to Recruit, Recover, Raise Standards: the accelerating learning programme grant is being suitably deployed, focussing on the most vulnerable learners to ensure they continue to make progress and catch up accordingly. Similarly, the Pupil Development Grant is appropriately targeted at pupils in receipt of free school meals, with a strong emphasis on providing additional literacy and wellbeing interventions.

TEACHING AND LEARNING EXPERIENCES

Curriculum development is strong, and Ysgol Y Ddraig has worked effectively with cluster schools to develop the capacity across all the schools. The school is well-prepared for the implementation of the Curriculum for Wales (CfW) in line with national expectations. The school continues to reflect on and refine the school curriculum model using the four purposes as key drivers to inform practice and pupils' learning experiences.

Consideration of the progress made by vulnerable pupils, including those with additional learning needs has been an integral part of the planning for the CfW, ensuring that these pupils will be able to fully access the new curriculum as it becomes embedded. The school has a clear vision for the development of their assessment processes in line with the new curriculum.

The SRB at Ysgol Y Ddraig would provide a 21st century learning environment, including improved ICT infrastructure, collaborative breakout areas, and effective circulation. This would enable a teaching and learning environment to better meet the needs of learners. Ysgol Y Ddraig was delivered within Band A of the 21st Century Schools programme and has created nature areas with ponds, bug hotels and planting as part of their outdoor learning space. The proposed permanent relocation would allow for further development of a curriculum filled with rich experiences that challenges children, raises attainment, and supports pupils' wellbeing.

The ALN of the children attending the SRB means that they all need access to experiential learning and real-life situations to develop their language and vocabulary in a functional way. Being able to provide opportunities to develop language through play is crucial for the children. Play enables children to practise the language skills they have learnt and extend their expanding vocabulary. Interacting with adults and peers also enables children to refine their speech sounds through listening to others.

CARE, SUPPORT AND GUIDANCE

Ysgol Y Ddraig currently does not have an Estyn Report. The Report is due on 20th July 2022, however Llandough Primary School does have an available [Estyn Report](#) from March 2022. The relocated SRB at Ysgol Y Ddraig will benefit from the same staff, resources and school arrangements as Llandough Primary School but within an improved setting. It is noted in the most recent Estyn inspection for Llandough Primary School, 'Pupils from mainstream classes have benefited from specialist support in the learning resource bases to improve their communication skills.' The proposal would continue to build on this support with the same dedicated team overseeing the SRB.

The relocation of the SRB would improve the learning environment and increase facilities to support wellbeing, and the provision.

LEADERSHIP AND MANAGEMENT

The interim executive headteacher and head of school of Ysgol y Ddraig lead the school very effectively and have skilfully developed a shared vision and strategy to improve outcomes for learners with a strong emphasis on wellbeing of learners and raising standards.

The wider leadership team contributes effectively to school improvement and monitoring activities, and the school continues to maintain a strong focus on leadership development. This focus has improved the school's capacity to manage change very effectively. The roles and responsibilities of leaders and staff are well defined and communicated clearly. Senior leaders have a good track record for improving performance and quality of education. Together, leaders continue to refine and embed effective practices and processes.

Governors, through committees, have a very good understanding of the school's strengths and areas for improvement and effectively hold leaders to account in their role as critical friends. Their work to support and challenge the school's performance is very strong. Governors are developing a clear understanding of the school curriculum reform through regular sessions of professional learning. Governors make a valuable contribution to the school's improvement planning and self-evaluation.

3.3. WELSH LANGUAGE PROVISION

The Council's School Investment Programme reflects the Council's commitments in the Welsh in Education Strategic Plan (WESP), which aims to ensure that demand for Welsh medium education can be met in the long-term. In line with Welsh Government's National Cymraeg 2050 strategy and contributing to its ambitious target of 1 million Welsh speakers by 2050.

Although Ysgol Y Ddraig teaches predominantly through the medium of English, Welsh language is part of the curriculum contributing to the Council's commitment to encouraging bilingual speakers. Ysgol Y Ddraig will continue to seek to improve Welsh language provision through its existing curriculum framework.

3.4. ADDITIONAL LEARNING NEEDS (ALN) PROVISION

There would be a positive impact regarding ALN as the proposal would result in improved provision available for pupils with Speech, Language and Communication Needs, not only for pupils with complex needs from throughout the Vale, but also for pupils from Ysgol y Ddraig who would benefit from the increased on-site expertise.

- A key role of the SRB would be to support the implementation of school-wide policies and procedures to strengthen support available to all pupils at Ysgol Y Ddraig.
- The school has robust and effective processes to track pupils' progress. Senior leaders analyse information well to hold teachers to account through termly progress meetings. There is a very strong focus in place on raising the achievement of all pupils, including vulnerable learners. The school works closely with external agencies to support vulnerable learners. The school has prepared staff well for the changes under the new ALN Act.

3.5. IMPACTS UPON OTHER SCHOOLS

The relocation of ALN provision will result in the loss of the Speech, Language and Communication Needs SRB at Llandough Primary School. However, the relocation of the SRB would provide additional space at Llandough Primary School allowing the school to accommodate the anticipated increase in pupil population arising in the area. It is forecast that 209 pupils will attend Llandough Primary School in 2025 which is near the threshold of the school's capacity of 210 places. The relocation will also support a more equitable distribution of specialist resources across the Vale of Glamorgan.

ADMISSIONS ARRANGEMENTS

All admission to the SRB at Ysgol Y Ddraig would be via the Local Authority Panel.

3.7. LAND AND BUILDINGS

Ysgol Y Ddraig is an existing school with associated building which was constructed as part of Band A of the 21st Century Schools programme (now known as Sustainable Communities for Learning). An area of the building would be allocated for the SRB unit.

Figure 1: Image of Ysgol Y Ddraig building (outside view)

Ysgol Y Ddraig benefits from suitably sized classrooms, a main hall for sport and dining, offices for headteacher and administration, a staffroom, and break out areas for pupil interventions. The school is fenced to safeguard pupils with intercom access for visitors. Within the grounds, there are external play areas, a multi-use games area (MUGA) and habitat areas to enhance pupil wellbeing.

The SRB would be accommodated within two adjacent classrooms with access to outdoor space. Staff would utilise the existing staff room within Ysgol Y Ddraig to help foster a strong connection between the SRB and Ysgol Y Ddraig improving integration.

The proposed new location would provide:

- A high-quality IT rich learning environment for pupils meeting the educational curriculum needs of the 21st Century
- Unobstructed access between all internal areas for children and staff
- Enhanced safeguarding and site security for pupils and staff
- Improved outdoor sports facilities for ALN pupils
- Specialist provision to provide a curriculum that best meets the needs of learners
- Full access for the whole community with full disabled access to internal and external areas.

3.8. FINANCE

CAPITAL FUNDING

No capital funding is required to undertake the relocation. The implementation of the proposal does not require amendments to the Ysgol Y Ddraig school building.

REVENUE FUNDING

The funding for the SRB for 22/23 is £223,525 and is held centrally within the Learning & Skills Directorate. This funds two full time teachers plus four full time learning support assistants. The school will also receive £11,488 via the mainstream funding formula which covers additional costs in relation to the pupils within the SRB such as resources.

Transport costs to the SRB at Ysgol Y Ddraig are currently approximately £44,000 per annum including the transportation of staff. The transport costs to Llandough prior to the temporary move were £48,000 per annum. Transport costs can fluctuate considerably depending on the home address of the pupils attending the SRB therefore no saving or increase to transport costs cannot be accurately forecast in the longer term. Pupils can attend for all areas of the Vale of Glamorgan.

3.9. HUMAN RESOURCES

The existing staff would continue to be employed at the new location of Ysgol Y Ddraig. No redundancies would be necessary as part of the relocation or additional staffing requirements.

The SRB unit would be managed centrally by the Directorate of Learning & Skills. The Directorate of Learning & Skills would work collaboratively with the headteacher and governing body of Ysgol Y Ddraig to ensure the SRB is able to operate within the school framework.

The SRB area at Ysgol Y Ddraig will accommodate up to 20 learners. It is proposed that the base is established from January 2023. Staff from the existing SRB at Llandough Primary School would be formally relocated to Ysgol Y Ddraig to support learners within the SRB.

Any proposed future changes to staffing would be subject to full consultation with staff and the relevant trade unions where necessary.

3.10. TRANSPORT AND LEARNER TRAVEL ARRANGEMENTS

The Council has a statutory duty to provide free school transport for pupils of statutory school age who reside beyond walking distance to the nearest appropriate school. In accordance with 'The Learner Travel (Wales) Measure 2008'.

Mainstream primary aged pupils are provided with free school transport if they live 3 miles or further from their nearest suitable school.

ALN pupils with specific travel requirements which cannot be met with reasonable adjustment on mainstream transport will have their eligibility determined by the ALN Team.

ALN pupils will be eligible for free transport if they are assessed as having severe and/ or complex difficulties and are attending a special school or specialist resource base as directed by the Complex Needs Team or a class in a mainstream school which is 2 miles or further (primary aged pupils) from the parental home address as measured by the shortest available walking route.

Consideration will be given for free school transport for ALN pupils living within the 2-mile limit on an individual basis, complying with Section 9 of the Learner Travel (Wales) Measure 2008, ensuring fairness and compliance with relevant equality legislation to ensure no unlawful discrimination between learners. This decision will be made in consultation with all relevant parties. If a pupil cannot walk to school (either with the support of an appropriate adult or independently depending on their age/ability) because of the nature of their additional learning needs or disability, the council will provide free home to school transport even if the distance is less than the statutory limit. The decision on this will be made by the Passenger Transport Team in conjunction with schools and the Complex Needs Team. If possible and in conjunction with the agreement of the learner, parent/carer, the school and School Improvement and Inclusion Service, escort provision may be provided, instead of transport, to enable the pupil to get to school independently. This promotes sustainable modes of travel and encourages independent living as well as health and well-being.

4. OTHER CONSIDERATIONS

4.1. POTENTIAL BENEFITS OF THIS PROPOSAL COMPARED TO THE STATUS QUO

The Council:

- Continues to provide targeted support for pupils with Speech, Language and Communication Needs within a mainstream primary school environment.
- Provides improved learning environments which are adaptable to change and will challenge and support children to reach their full potential.
- Provides continuity of provision within the Vale of Glamorgan for pupils with Speech, Language and Communication Needs.
- Provides opportunities for professional development throughout Ysgol Y Ddraig.
- Ensures that pupils with Speech, Language and Communication Needs can have their needs met within the local authority and can be supported to remain in their mainstream school.

4.2. POTENTIAL DISADVANTAGES OF THIS PROPOSAL COMPARED TO THE STATUS QUO

- Management of staff and resources may be disrupted during the implementation of the proposal. As the base is already at the proposed site, this would be minimal.
- Pupils maybe further disrupted due to the proposal. It is noted that the SRB has temporarily moved to Ysgol Y Ddraig which would limit any additional disruption if the proposal were approved.
- Some staff and pupils will have further to travel to the relocated base.

4.3. POTENTIAL RISKS OF THIS PROPOSAL AND MEASURES TO MITIGATE IDENTIFIED RISKS

Table 3: Potential risks and mitigation measures

Risk	Mitigation
------	------------

<p>Inadequate facilities at Llandough Primary School to provide an SRB in light of pandemic restrictions</p>	<p>The SRB would maintain its existing capacity of 20 pupils. The aim of the SRB is to support learners with Speech, Language and Communication Needs. The new location of the SRB would be able to provide an improved learning environment to the existing location. The facilities available at Ysgol Y Ddraig are appropriate for 21st century learning and allow for adequate space to comply with potential future pandemic restrictions ensuring continuity of learning.</p>

4.4. EQUALITY IMPACT ASSESSMENT

An Equality Impact Assessment will be carried out as part of the consultation process.

An Equality Impact Assessment (EIA) is a process that looks at a policy or scheme to make sure it does not discriminate against anyone based on the protected characteristics set out in the Equality Act 2010 (age, disability, gender reassignment, marriage & civil partnership, pregnancy & maternity, race, religion/belief, sex, sexual orientation).

The assessment will be reviewed after the consultation and at key points if the proposal proceeds.

4.5. COMMUNITY IMPACT ASSESSMENT

A Community Impact Assessment has been undertaken to determine any impacts this proposal would have on the local community.

The impact assessment identified that the proposal would likely have a neutral impact on the local community across 8 of the 8 measures assessed.

The proposal would provide targeted support for pupils with Speech, Language and Communication Needs within a suitable mainstream primary school environment in order to ensure that pupils reach their full potential. Additionally pupils and staff would have access to improved learning environments which are adaptable to change and will challenge and support children to reach their full potential.

It is concluded from the Community Impact Assessment that the proposal would have a neutral impact upon the local community.

The full Community Impact Assessment can be viewed via the following link:

<https://www.valeofglamorgan.gov.uk/en/living/schools/Consultations/Consultation-on-SRB-re-location-to-Ysgol-Y-Ddraig.aspx>

4.6. CONTRIBUTIONS TO THE WELLBEING OF FUTURE GENERATIONS

[The Wellbeing of Future Generations \(Wales\) Act 2015](#) requires the Council to think about the long-term impact of their decisions, to work better with people, communities, and each other and to prevent persistent problems such as poverty, health inequalities and climate change.

To make sure we are all working towards the same purpose, the Act puts in place seven Wellbeing goals and five ways-of-working which must inform the decision-making processes of public bodies.

The proposal has been appraised in terms of how it contributes to delivering upon the aspirations of the Act, the Wellbeing goals, and the ways-of-working. This is does not form part of the statutory consultation process but was considered beneficial to meeting the spirit of the Act.

4.7. ALTERNATIVES CONSIDERED

OPTION 1: DO NOT RELOCATE THE SRB AND CONTINUE TO PROVIDE SPECIALIST EDUCATION FROM LLANDOUGH PRIMARY SCHOOL.

Why was this option discounted?

The Local Authority has looked at options around how to accommodate the Speech and Language and Communication Resource Base at Llandough Primary School.

Plans were drawn up by the Council's Buildings Services team which would provide an appropriate space for the Resource Base going forward in Llandough Primary School. This plan requires extensive re-modelling to a ground floor section of the school. The cost of this re-modelling was estimated to be a minimum of £50k and while this would provide a functional space, it would not provide the same standard of accommodation as that available at Ysgol y Ddraig which is a relatively new building.

OPTION 2: ESTABLISH AN SRB AT ANOTHER SCHOOL WITHIN THE VALE OF GLAMORGAN.

Why was this option discounted?

Other potential schools were reviewed. However, these schools either did not have the available space to accommodate the SRB, were in a similar condition to Llandough Primary School or would have required extensive capital cost to provide the SRB on site. Consequently it was considered Ysgol Y Ddraig represented the most cost effective option which provided improved facilities and an enhanced learning environment.

5. THE STATUTORY CONSULTATION PROCESS

Table 4: Outline of the statutory consultation process

The consultation document must be published on a school day and consultees must be given at least 42 days to respond to the document, with at least 20 of these being school days. Stakeholders identified in section 3.4 of the School Organisation Code (2018) must be notified by letter/email.</p> <p>The consultation period for this proposal starts on 13th July 2022 and ends on 22nd September 2022. If the Council decides to continue with the proposal, it must publish a statutory notice.</p>
Step 4: Consultation response report	Feedback submitted during the consultation period will be considered and a response report will be developed and presented to Cabinet for consideration.
Step 5: Cabinet consideration	Cabinet will consider the consultation response report and determine whether to publish the report and to approve the publication of the proposal in the form of a statutory notice.

Copies of the notice would be distributed to pupils, parents, guardians, and staff members. The school may also distribute the notice by email. The notice would set out the details of the proposals and invite anyone who wishes to object to do so in writing within the specified period.</p>
<p>Step 7: Objection period</p>	<p>Anyone wishing to make objections to a proposal has the opportunity to do so. Objections must be made in writing or by email and sent to the proposer before the end of 28 days beginning with the day on which the notice was published.</p>
<p>Step 8: Objection report</p>	<p>Under section 49 of the School Standards and Organisation (Wales) Act 2013 when objections have been received proposers must publish a summary of the statutory objections and the proposer’s response to those objections (“the Objection Report”).</p>

6. FREQUENTLY ASKED QUESTIONS (FAQS)

What is the intended timescale of the proposal?

The permanent relocation to Ysgol Y Ddraig school building is due to be completed for January 2023.

How would pupils be allocated a place at the SRB?

The Council would allocate pupils to the SRB in consultation with the leadership of the SRB at Ysgol Y Ddraig. This would be based on an assessment of the individual needs of the pupils.

Who would manage and support learners attending the SRB?

Ysgol Y Ddraig would receive additional funding for the SRB to ensure the appropriate support is available. The school would appoint a leader to manage the SRB with staff from the original SRB at Llandough Primary School relocating to Ysgol Y Ddraig to support individual learners. The purpose of the SRB is to provide additional support to pupils to ensure they can access mainstream education.

How will pupils travel to the relocated SRB?

Mainstream primary aged pupils are provided with free school transport if they live 3 miles or further from their nearest suitable school.

However, ALN pupils who have specific travel requirements which cannot be met with reasonable adjustment on mainstream transport will be eligible for free transport if they are assessed as having severe and/ or complex difficulties and are attending a special school or specialist resource base as directed by the Complex Needs Team or a class in a mainstream school which is 2 miles or further (primary aged pupils) from the parental home address as measured by the shortest available walking route.

Ysgol Y Ddraig supports travel to the school by active modes of travel such as walking and cycling where possible. This would extend to ALN pupils where appropriate.

Will the proposal have a negative impact upon existing pupils at Ysgol Y Ddraig?

Ysgol Y Ddraig is a 2-form entry school and has capacity for 420 pupils. Currently there are 289 pupils attending the school set over 14 classrooms. Due to the surplus capacity at the school, not all the classrooms are utilised. The SRB would occupy 2 vacant

classrooms on the ground floor of the school. As these rooms are not currently used by pupils it is not considered that this will detract from their learning environment.

Furthermore, the SRB will be incorporated into the operations of Ysgol Y Ddraig allowing for sharing of knowledge between staff, helping to improve best practice at the school. Overall, the inclusion of the SRB at Ysgol Y Ddraig will benefit both staff and pupils in the long term.

Any further Frequently Asked Questions posed during the consultation will be added to the consultation webpage.

7. INVOLVING STAKEHOLDERS AND RESPONDING TO THE CONSULTATION

Our consultation process follows Welsh Government guidelines outlined in the School Organisation Code (2018). A range of individuals and groups are being asked for their views about these proposals.

Before any decisions are made, the Council needs to ensure that it offers a number of opportunities for individuals and interested groups to make their views and opinions on the proposals known to enable Cabinet to consider these views as part of the decision-making process.

The Council is consulting with the following groups:

7.1. INVOLVING CHILDREN IN THE CONSULTATION

It is important that when bringing forward proposals, Councils must make suitable arrangements to consult with pupils and, where possible, those pupils likely to attend the school. The Council firmly believes that the pupils of Ysgol Y Ddraig and Llandough Primary School should be given the opportunity to make their views known about this proposal.

It is intended that a consultation workshop will be held with pupils at Ysgol Y Ddraig and Llandough Primary School to gather their views about the proposal. The information gathered at these sessions will be included in the final consultation report. The full report will be submitted to Cabinet for consideration following the consultation period.
