The school is maintained by the Vale of Glamorgan Council and Llandaff Diocese.

The Governing Body undertook a period of consultation before deciding to publish this proposal. It is proposed to implement the proposal on **1<sup>st</sup> September 2016**.

The school will remain a Voluntary Controlled school and will continue to admit pupils of both sexes.

The Vale of Glamorgan Council will be the admission Authority. #### **EXPLANATORY NOTE – which does not form part of the statutory notice**

It is proposed that that the age range of Gwenfo CiW Primary School is extended from 4-11 to 3-11 by incorporating a nursery for 48 part time (PTE) nursery places.

A separate nursery unit will be established within the school with a walkway linking the existing school buildings with the new unit.

A nursery will enable up to 48 children aged 3-4 (from the term following their third birthday until they enter a reception class) to receive part time nursery education at Gwenfo CiW Primary School.

The Council is the admission authority for the school. The school will provide 48 nursery and 30 primary school places. The admissions criteria for the nursery and primary school will be made available to parents in the Vale of Glamorgan's Parental Guide to School Admissions in the Vale booklet.

Attendance at the nursery does not guarantee a child a reception class place at the school. Children attending the nursery class will not have an automatic right to continued education at the same school when moving up to a reception class, whether residing within the catchment area or outside it. Parents will be required to complete an application for their chosen school. Where there are more applications than there are places available in the reception class, places will be allocated applying the Council's oversubscription criteria that prioritise children living in the school's catchment area ahead of others.

If the governing body receives objections to the proposal at the Statutory Notice stage then the final decision on determination of the proposal will be made by the local authority.
