Skills Offered

Set on a 160 acre lowland site in the middle of the Vale of Glamorgan, we are a working farm with a variety of livestock that gives free access to anyone who wishes to enjoy the tranquillity of the countryside. The Trust is used on a daily basis by young people who travel from across South Wales to develop confidence and experience positive changes to their lives. Visitors are welcome to explore the farm, surrounding play areas and nature walks, with the possibility of pre-booking barbeque sites or hiring the use of other facilities, we also have a self-catering bunkhouse for those who wish to make a longer stay. Visitors are welcome any time within daylight hours
