Skills Offered	<p>The People Business-Wales Ltd provides a range of training options for young people and adults. We specialise in working with learners that need additional help and support to engage with and access mainstream education, training or employment. We offer learning in Information Technology, Administration, Customer Service and Retail, as well as offering a wide selection of work experience options and placements in most vocational areas. PBW also delivers a range of support packages that build confidence, self-esteem and motivation. All learners will undergo intensive support to develop their Employability skills. Our Services to pre-16 young people not attending school is charged at £25 per day or pro rata half day. Any bespoke package can be delivered and cost agreed by arrangement Some of the qualifications that PBW offers are ECDL Essentials and Extra, ITQ Certificates in IT User Skills, NVQs, all the Essential Skills Wales/Key Skills at Levels 1 and 2, Diploma in Employability and Personal Development, the Welsh Bacculaureate at Foundation Level, Certs in Personal Life Skills etc. All learning is fully funded by the Welsh Government for eligible learners PBW also runs an 18-24 Employment Support project funded by Jobcentre Plus and a range of courses run in partnership to address the NEETs issue in the Vale of Glamorgan</p>
