Skills Offered

Vale Volunteer Bureau-Young People's Project provides a one stop resource for information, advice and guidance on all aspects of volunteering for both volunteers and recruiting organisations. We aim to link the skills, experience, time and enthusiasm of local people looking to volunteer with organisations seeking to develop their services. Offering over 650 local volunteering opportunities, also provide information on over 1,000 overseas opportunities and 30+ residential opportunities. The VVB is the local co-ordinating partner for the millennium volunteering programme that encourages young people (16 - 25 yrs) into voluntary work. We also employ a youth volunteering officer whose aim is to recruit, interview, guide and place young people into their chosen opportunities. They also work with recruiting organisations to develop new innovative volunteering opportunities that would appeal to young people aged 14-24 years.
