This document is available in Welsh / Mae'r ddogfen hon ar gael yn Gymraeg

Q. What are Empty Property Owner - Occupier Loans?

Empty Property Occupier Loans are being made available through the Home Improvement Loan Scheme. Loans are available to owner-occupiers who wish to occupy an empty property. It can be used to assist in **essential repairs** or to **support the installation of energy efficiency measures** to make their home safe, warm and secure.

Q. What repairs or improvements will qualify for assistance?

Repairs or improvements which will make a home **safe, warm and secure**. Some examples include:-

- Replacement of central heating systems
- Repairs to electrics
- Energy efficiency works, e.g. loft insulation, cavity wall or external wall insulation.
- Repairs to remedy dampness.
- Renewal of old/ defective windows and doors.

This list is not exhaustive. Please contact the local authority loan officer if you would like clarification of other works which may qualify for assistance.

Q. Who can apply for a loan?

Individuals can apply for a loan, if they already own an empty property or are considering buying an empty property in Wales which they intend to move into.

Q. For how long must a property have been empty before I can apply for a loan?

Loans can only be made available for properties that have been empty for at least six months or more.

Q. What is the minimum and maximum amount of loan I can apply for?

The minimum loan amount you can apply for is £1000 and the maximum loan amount you can apply for is £35,000.

The actual amount of loan that will be approved will be dependent on the actual cost of the works, e.g. if the works are calculated to cost £10,000 this is the most the loan will be approved for.

Please note that any loan offered, taking into account any existing mortgage cannot exceed 80% of the **current** property value. Therefore, if you have an existing mortgage of £65,000 on a property with a current market value of £100,000, then the maximum loan that can be approved is £15,000,

Current Value £100,000

Mortgage & Loan £65,000 & £15,000 = £80,000 (Maximum 80% Loan to value)

It is possible in certain cases for another property to be used as security for the loan.

Where the costs of the works exceed the value of the loan, then the applicant must be able to show that they have adequate funds to complete the repairs.

Q. What do I have to do with the property after completion of the works?

On completion of the works you will be required to reside at the property for the duration of the term of the loan. In the event that you do not continue to reside at the property during the loan period, e.g. you sell or transfer the ownership of the property, the loan must be repaid immediately.

Q. Do the works have to be carried out to any sort of standards?

Yes. All work must be carried out in accordance with any planning permissions or building regulation approvals made in respect of the property. A schedule of works will be agreed with the applicant prior to the offer of any loan and will form part of the loan conditions. The property must be renovated/converted to a reasonable standard, free from any serious hazards (as a minimum), so that it is suitable for immediate occupation.

Q. Are there any conditions attached to approving the loan?

Yes: -

- You must carry out the work within an agreed time period.
- The loan must be repaid either on or before the date as specified in your Loan Facility Agreement.
- A financial charge will be made on the property for the lifetime of the loan.
- More information about the conditions can be found in the loan information booklet or contact the Empty Homes and Loans Officer for further clarification.
- You must occupy the property once works are completed.

Q. Are the loans secured loans?

Yes. All loans approved must be secured by a first or second financial charge being secured against the property. If there is an existing mortgage on the property, we will need the lenders consent to secure our charge. The lender will also be required to enter into a Deed of Priority with the Council.

Q. What is the interest rate for the loan?

The loans are interest free, providing there is no default on the loan.

Where any sum is required to be paid but is not repaid in accordance with the loan conditions, a breach of conditions will have occurred. In such instances, The Vale of Glamorgan Council may demand immediate repayment of the loan and interest at 6%.

Q. Are there any fees attached to the loan?

Yes. An administration fee is required as a contribution towards the cost of processing an application. The cost of processing an application is £590, however, subject to funding, half of the cost is subsidised by the Vale of Glamorgan Council and the amount payable by an applicant is **£295**.

In some circumstances, it will be necessary for the Council to determine the current market value and the potential value of the property on completion of the repairs. The need for a valuation survey (RICS) will be determined by the Empty Homes and Loans Officer on receipt of a valid application form. In most cases the applicant will cover the cost of the valuation but there may be some exceptions which will be dependent on personal circumstances. The fee for the valuation will be dependent on the property in question and is likely to be in the region of £150 - £350 +VAT at the prevailing rate.

Q. When will I have to repay the loan?

The loan is repayable over a five-year period. You will be required to make monthly repayments which will be taken by direct debit. The amount payable per month will depend on the total amount of the loan (see Q. above). All loans can be repaid earlier if the applicant wishes to do so.
