

Meeting of:	Cabinet
Date of Meeting:	Monday, 11 January 2021
Relevant Scrutiny Committee:	All Scrutiny Committees and Cabinet
Report Title:	Annual Delivery Plan Monitoring Report: Quarter 2 Performance 2020/21
Purpose of Report:	To present quarter 2 performance results for the period 1st April 2020 to 30th September 2020 in delivering our Annual Delivery Plan commitments as aligned to our Corporate Plan Well-being Objectives. The report also presents the Certificate of Compliance notice issued by Audit Wales following its audit of the Council's published assessment of 2019/20 performance.
Report Owner:	Leader and Cabinet Member for Performance & Resources
Responsible Officer:	Rob Thomas, Managing Director
Elected Member and Officer Consultation:	Consultation has been undertaken with Directors and the Senior Leadership Team. The performance report applies to the whole authority. Quarterly performance reports covering the Corporate Plan Well-being Objectives will be considered by all Scrutiny Committees and Cabinet. The Certificate of Compliance notice is issued annually by the Auditor General Wales following audit of the Council's published assessment of its performance and applies to the whole authority.
Policy Framework:	This is a matter for Executive decision by Cabinet.
<p>Executive Summary:</p> <ul style="list-style-type: none"> • The performance report presents our progress at quarter 2 (1st April to 30th September 2020) towards achieving our Annual Delivery Plan (2020/21) commitments as aligned to our Corporate Plan Well-being Objectives. • Despite the ongoing challenges of responding to the global COVID-19 pandemic, we have made positive progress in delivering our in-year commitments in relation to our Annual Delivery Plan (2020/21). This performance has contributed to an overall AMBER status for the Plan at quarter 2 (Q2). • All four Corporate Plan Well-being Objectives were attributed an Amber performance status at Q2 to reflect the progress made to date. This is positive given the unprecedented challenges we continue to face. 	

- 66% (152 out of 231) of planned activities outlined in our Annual Delivery Plan have been attributed a Green performance reflecting the positive progress made during the quarter, under challenging circumstances. 25% (58) of planned activities were attributed a Red status.
- Of the 58 actions attributed a Red performance status during the quarter, 90% (52) were directly as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. In relation to these areas, where appropriate, work is now recommencing as part of our recovery plans and strategy going forward. Progress in relation to Coronavirus recovery has been reported to members in the presentations accompanying the Q2 performance reports at Scrutiny Committees and focus on highlighting issues pertinent to the Committee's remit. The Coronavirus recovery update will form part of quarterly performance reporting going forward to ensure members maintain an oversight of the recovery issues impacting on the work of their respective Committees and across the Council in general.
- Of the 64 quarterly performance measures aligned to our Corporate Plan Well-being Objectives, data was reported for 33 measures where a performance status was applicable. 64% (21) measures were attributed a Green performance Status, 15% (5) an Amber status and 21% (7) a Red status. Data was unavailable for 9 quarterly measures due to reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. A performance status was not applicable for 121 measures including a number of annual indicators (104) and those establishing baseline performance for the year (8).
- In relation to the 6 measures attributed a Red performance status during the quarter, the impact of COVID-19 has contributed to missing target.
- All 5 Scrutiny Committees have reviewed quarter 2 performance reports between 8th and 16th December 2020 and upon consideration, have noted the performance results and progress to date in relation to the Annual Delivery Plan 2020/21 and Coronavirus recovery.
- This report seeks Cabinet's consideration of the views and recommendations of Scrutiny Committees in relation to Q2 performance and approval of identified remedial actions as the basis to address areas of underperformance and to tackle the key challenges identified.
- In addition, Cabinet is requested to note overall service performance results to date and progress made towards achieving the priorities in our Annual Delivery Plan 2020/21 and in relation to Coronavirus recovery.
- Cabinet is also requested to note the Certificate of Compliance issued by Audit Wales following its audit to determine whether the Council has discharged its duty to publish an assessment of performance for 2019/20 in line with statutory guidance.

Recommendations

1. That Cabinet consider performance results and progress towards achieving the Annual Delivery Plan 2020/21 commitments as aligned to our Corporate Plan Well-being Objectives as presented in this report and appendices.
2. That Cabinet consider the views and recommendations of all Scrutiny Committees in relation to Q2 performance results and approve identified remedial actions as a basis to address areas of underperformance and to tackle the key challenges identified.
3. That Cabinet note the progress being made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.
4. That Cabinet note the Certificate of Compliance issued by Audit Wales following its audit to determine whether the Council has discharged its duty to publish an assessment of performance for 2019/20 in line with statutory guidance.

Reasons for Recommendations

1. To ensure the Council clearly demonstrates the progress being made towards achieving its commitments in the Annual Delivery Plan 2020/21 aimed at making a positive difference to the lives of Vale of Glamorgan citizens.
2. To ensure the Council is effectively assessing its performance in line with the requirement to secure continuous improvement outlined in the Local Government Measure (Wales) 2009 and reflecting the requirement of the Well-being of Future Generations (Wales) Act 2015 that it maximises its contribution to achieving the well-being goals for Wales.
3. To ensure Cabinet maintain an oversight of the recovery issues impacting on the work of the Council and their respective Scrutiny Committees.
4. To ensure that Cabinet is aware of the outcome of the performance audit, which certifies that the Council has discharged its duty to publish an assessment of performance for 2019/20 in accordance with the statutory requirements set out in section 15 of the Local Government (Wales) Measure 2009 and statutory guidance.

1. Background

Annual Delivery Plan Monitoring Report: Quarter 2 Performance 2020/21

- 1.1 The Council's Performance Management Framework is the mechanism through which our key priorities and targets are monitored and realised in order to secure continuous improvement.
- 1.2 As part of the review of its Performance Management Framework, the Council has adopted a Corporate Plan (2020-25) which reflects the requirements of the Well-being of Future Generations (Wales) Act 2015 and identifies 4 Well-being Objectives for the Council.
- 1.3 A new performance framework has been developed and aligned to our Corporate Plan to enable us to track our progress on well-being objectives and

demonstrate how the steps we intend to take will contribute to achieving multiple well-being objectives.

- 1.4** In line with our performance arrangements, on a quarterly basis, Cabinet and all Scrutiny Committees consider a single report that provides a high-level overview of our performance for each Well-being Objective including highlighting areas of improvement that may require greater scrutiny by members. This approach enables Cabinet and Scrutiny Committees to look at the achievement of the Corporate plan holistically, from the perspective of their Committee's remit. In addition, it enables Cabinet and Scrutiny Committees to flex their work programme to reflect any emerging performance issues that may require more intensive consideration.
- 1.5** Work will continue with Officers and a Member Working Group to further develop and enhance our performance monitoring and reporting arrangements in line with our duties as outlined in the WCFG (Wales) Act and the LGM with reference to the wider local government agenda, in particular the changes being introduced by the forthcoming Local Government & Elections (Wales) Bill. These discussions will consider the best way to present information to the Committee to facilitate scrutiny and identify and explore areas of interest.
- 1.6** [Appendix A](#) outlines our performance for the period 1st April to 30th September 2020 against our Annual Delivery Plan commitments for 2020/21. The quarterly performance report presents the reader with a more accessible view of performance in relation to our annual commitments and demonstrates the progress we are making towards achieving our Corporate Plan Well-being Objectives.
- 1.7** **Section 1:** States the overall RAG (performance) status attributed to the Annual Delivery Plan reflecting the progress made in delivering our priorities as aligned to our four Corporate Plan Well-being Objectives. It also provides an explanation of the performance terms used within the report. The performance report uses the traffic light system, that is, a Red, Amber or Green (RAG) status and a Direction of Travel (DOT) to aid performance analysis. Progress is reported for all key performance indicators and actions by allocating a RAG performance status.
- 1.8** **Sections 2 - 5:** Provides an overview of progress for each of the four Corporate Plan Well-being Objectives including:
 - Performance Snapshot: Provides an overview for each Well-being Objective, describing the status of Corporate Plan actions and performance indicators. A RAG status is attributed to actions and measures under each Well-being Objective to reflect overall progress to date and contributes to the overall RAG status for the Well-being Objective.
 - Performance Exceptions: Provides key highlights of our achievements and areas we need to improve in relation to our Annual Delivery Plan activities as aligned to the Corporate Plan Well-being Objective.
 - Appendices: A hyperlink is provided from each section linking to the following Appendices.

- **Appendix 1:** Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments contained in the annual Delivery Plan 2020/21.
 - **Appendix 2:** Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2020 as part of the Council's revised Performance Management Framework will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan Well-being Objectives. This appendix includes information for each action/indicator to indicate which Scrutiny Committee's remit it aligns with.
- 1.9 Section 6:** Provides links to five presentations covering all Scrutiny Committees. These explore the cross-cutting aspects of service activity related to our Corporate Plan Well-being Objectives as aligned to the scope of each of respective Scrutiny Committee. The presentations identify the key achievements and challenges as aligned to the remit of each committee and also provide members with an update on Coronavirus recovery. The section also provides links to various corporate health reports to help members maintain an oversight of issues that may impact on the work of the Council and their respective scrutiny committees.
- 1.10 [Appendix B](#)** provides a summary of the key achievements and challenges as aligned to the remit of respective Scrutiny Committees and also provides members with an update on Coronavirus recovery. For ease of reference, all actions or PIs that have been attributed a Red performance status are presented at [Appendix C](#) including a direction of travel and commentary on the performance.

Audit of Vale of Glamorgan Council's assessment of 2019-20 performance

- 1.11** Under the Local Government (Wales) Measure 2009, the Council is required to annually publish an assessment of its performance by 31st October in the financial year following that to which the information relates, this 2019/20.
- 1.12** As the Council's auditor, the Auditor General Wales is required under sections 17 and 19 of the Measure to carry out an audit to determine whether the Council has discharged its duty to publish an assessment of performance, to certify having done so, and to report whether the Council has discharged its duties in accordance with statutory requirements set out in section 15 and statutory guidance.

2. Key Issues for Consideration

Annual Delivery Plan Monitoring Report: Quarter 2 Performance 2020/21

- 2.1** It is important to note that our performance report for the second quarter of 2020/21 has been written at a time of ongoing challenge as the council continues to respond to the global pandemic (COVID-19). We have assessed progress in relation to our planned activities as outlined in our Annual Delivery Plan for 2020/21 and used local performance data where available. Our statutory statistical obligations from the Welsh Government and the Welsh Local Government's Public Accountability Measures have been suspended indefinitely to enable us to focus on our response to ongoing pandemic. However, we are endeavouring to collect performance indicator information to support our performance reporting where possible, although this will not be possible in all service areas.
- 2.2** An overall **AMBER** performance status has been attributed to the Annual Delivery Plan 2020/21 at Q2. This is positive given the challenges we continue to face as the impact of the pandemic continues to unfold.
- 2.3** All four Corporate Plan Well-being Objectives were attributed an Amber performance status at Q2 to reflect the progress made to date despite the challenging past few months.
- 2.4** 66% (152 out of 231) of planned activities outlined in our Annual Delivery Plan have been attributed a Green performance reflecting the positive progress made during the quarter, under challenging circumstances. 25% (58) of planned activities were attributed a Red status.
- 2.5** Of the 58 actions attributed a Red performance status during the quarter, 90% (52) were directly as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. In relation to these areas, where appropriate, work is now recommencing as part of our recovery plans and strategy going forward. Progress in relation to Coronavirus recovery is being reported to members in the presentation accompanying this performance report at Scrutiny Committee and will focus on highlighting issues pertinent to the Committee's remit. This Coronavirus recovery update will form part of quarterly performance reporting going forward to ensure members maintain an oversight of the recovery issues impacting on the work of their respective Committees. From this perspective, members are requested to note the progress to date in relation to Coronavirus recovery.
- 2.6** Of the 64 quarterly performance measures aligned to our Corporate Plan Well-being Objectives, data was reported for 33 measures where a performance status was applicable. 64% (21) measures were attributed a Green performance Status, 15% (5) an Amber status and 21% (7) a Red status. Data was unavailable for 9 quarterly measures due to reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic. A performance status was not applicable for 121 measures including a number of annual indicators (104) and those establishing baseline performance for the year (8).
- 2.7** In relation to the 6 measures attributed a Red performance status during the quarter, the impact of COVID-19 has contributed to missing target.
- 2.8** A detailed report outlining the progress made this quarter towards achieving our Annual Delivery Plan commitments is provided at [Appendix A](#).
- 2.9** [Appendix B](#) provides a summary of the key achievements and challenges as aligned to the remit of respective Scrutiny Committees and also provides

members with an update on Coronavirus recovery. For ease of reference, all actions or PIs that have been attributed a Red performance status are presented at [Appendix C](#) including a direction of travel and commentary on the performance.

- 2.10** Scrutiny Committees were asked to consider the Q2 performance results and the proposed remedial actions to address areas of identified underperformance. Upon consideration, the Scrutiny Committee were recommended to refer their views and any recommendations to Cabinet for their consideration.
- 2.11** Committees were also asked to note progress being made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.

Audit of Vale of Glamorgan Council's assessment of 2019-20 performance

- 2.12** The Auditor Wales has issued the Council with a Certificate of Compliance in November 2020 which states that the Council has discharged its duties under sections 15(2), (3), (8) and (9) of the Measure and has acted in accordance with Welsh Government guidance sufficiently to discharge its duties in assessment of its performance for 2019/20.
- 2.13** The Compliance Notice issued by Audit Wales is provided at [Appendix D](#). It is recommended that Cabinet note the Compliance Notice.

Summary of Scrutiny Committee Recommendations

- 2.14** Quarter 2 performance in relation to the Annual Delivery Plan for 2020/21 has been discussed at all 5 Scrutiny Committees between 8th and 16th December 2020, including an update on Coronavirus recovery and is now being presented to Cabinet for approval. The outcome of Scrutiny Committees discussions is detailed below:
- 2.15** The Healthy Living & Social Care Scrutiny Committee (8th December 2020) noted quarter 2 performance results and progress to date. It also noted the progress made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.
- 2.16** The Homes & Safe Communities Scrutiny Committee (9th December 2020) noted quarter 2 performance results and progress to date. It also noted the progress made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.
- 2.17** The Learning & Culture Scrutiny Committee (10th December 2020) noted quarter 2 performance results and progress to date. It also noted the progress made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.
- 2.18** The Environment & Regeneration Scrutiny Committee (15th December 2020) noted quarter 2 performance results and progress to date. It also noted the progress made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.
- 2.19** The Corporate Performance & Resources Scrutiny Committee (16th December 2020) noted quarter 2 performance results and progress to date. It also noted the progress made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.

- 2.20** All 5 Scrutiny Committees have reviewed quarter 2 performance reports between 8th and 16th December 2020 and upon consideration, have noted the performance results and progress to date in relation to the Annual Delivery Plan. They also noted the progress made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.
- 2.21** It is recommended that Cabinet consider the views and recommendations of all Scrutiny Committees in relation to Q2 performance results and approve identified remedial actions as a basis to address areas of underperformance and to tackle the key challenges identified.
- 2.22** It is also recommended that Cabinet note the progress being made through our recovery strategy and Directorate Recovery plans in response to the ongoing Coronavirus pandemic.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1** Performance Management is an intrinsic part of corporate governance and integrated business planning which underpins the delivery of the Council's Corporate Plan and its Well-being Objectives and associated annual commitments in its Annual Delivery Plan 2020/21. Our Corporate Plan has been structured around the Well-being of Future Generations (Wales) Act 2015, through the development of four Well-being Objectives. By aligning our Well-being Outcomes in the Corporate Plan with the Well-being Goals of the Act, this will enable us to better evidence our contribution to the Goals.
- 3.2** Performance reporting is an important vehicle for showing our progress, not only in terms of impacts across the national well-being goals through achievement of our well-being objectives but also in terms of the changes and improvements made in our approach to integrated planning.
- 3.3** The five ways of working are a key consideration in our corporate Performance Management Framework ensuring that we continue to focus on working differently and in an inclusive way to challenge why, what and how we respond to our key performance challenges.

4. Resources and Legal Considerations

Financial

- 4.1** There are no additional budgetary implications arising from this report, although underperformance in some areas may have a negative impact on external assessments of the Council and could put certain funding opportunities at risk.

Employment

- 4.2** There are no direct workforce related implications associated with this report. However, there are a number of issues contained within the performance report that if not effectively managed have the potential to impact on our staff establishment and performance overall. This may in turn impact adversely on

achievement of key outcomes associated with the Corporate Plan and our Corporate Health priorities.

Legal (Including Equalities)

- 4.3** The Local Government (Wales) Measure 2009 requires that the Council secure continuous improvement across the full range of local services for which it is responsible.
- 4.4** The Well-being of Future Generations (Wales) Act 2015 requires the Council to set and publish annual Well-being Objectives that maximise its contribution to achieving the Well-being goals for Wales and report its progress in meeting these.

1.0 Performance Summary Annual Delivery Plan 2020/21

Our overall RAG status for the Annual Delivery Plan is AMBER

Our Well-being Objective Summary Status

Presented below is a summary of our performance in relation to each of the Well-being Objectives outlined in our Corporate Plan. Against each of the Well-being Objectives an overall RAG Status and Direction of Travel is given, as well as an overall RAG status and Direction of Travel for the Annual Delivery Plan as a whole. The Direction of Travel provides an indication of the direction of performance when compared with a previous quarter. For instance, where our RAG status (performance) has improved it is indicated by , where our RAG status has remained the same compared with previous quarter it is shown by  and where our RAG Status has declined it is represented with .

Performance Key

Measures (RAG)	Direction of travel (DOT)	Actions (RAG)	Overall (RAG) status Well-being Objective
Green: Performance is on or above target	↑: Performance has improved on the same quarter last year	Green: Action completed or on track to be completed in full by due date.	Green: Indicates that we are well on track to deliver the key outcomes relating to the Well-being Objective as set out in the Corporate Plan.
Amber: Performance is within 10% of target	↔: Performance has remained the same as the same quarter last year	Amber: Minor delay but action is being taken to bring action back on track.	Amber: Indicates that at this stage, we are on target to deliver the Well-being Objective, but some aspects need to be addressed in order to ensure we remain on track to fully achieve the Well-being Objective.
Red: Performance missed target by more than 10%	↓: Performance has declined compared to the same quarter last year	Red: Action has slipped with limited progress made and an explanation must be provided including any planned remedial action(s) and where appropriate a revised completion date.	Red: Indicates that at this stage, we are not on target to deliver key outcomes relating to the Well-being Objective as set out in the Corporate Plan.

2.0 Well-being Objective 1: To work with and for our communities

Our overall RAG status for 'Working with and for our communities' is **AMBER**

2.1 Performance snapshot

The report highlights our progress at quarter 2 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 1 for the period 2020/21. There are 25 ADP actions aligned to the 7 Corporate Plan commitments within Well-being Objective 1, 'To work with and for our communities'. In total, 95 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

ACTIONS					PERFORMANCE MEASURES				
Our performance against Annual Delivery Plan actions gives us an overall AMBER RAG status for this Well-being Objective.					Our performance against key measures gives us an overall AMBER RAG Status against this Well-being Objective.				
Service Plan Actions Well-being Objective 1: To work with and for our communities					Performance Measures Well-being Objective 1: To work with and for our communities				
			N/A	Total				N/A	Total
			0	99				27	40

Of the 30 actions contributing to the Well-being Objective, where limited progress has been reported during the quarter and therefore attributed a Red performance status, 28 (93%) were as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic.

Actions and Measures Contributing to this Well-being Objective		Number slipped and attributed 'Red' Performance status		Reasons for slippage: COVID-19 related		Reasons for slippage: Other/ Non-COVID related	
Actions	Measures	Actions	Measures	Actions	Measures	Actions	Measures
95	35	30	3	28	3	2	0

2.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2020/21.

2.2.1 What have we done well?

We have continued to make significant progress this quarter in maximising use of digital platforms to enhance our reach and engagement with customers for communication purposes and to enable access to key council services. This activity has progressed more quickly in the circumstances of the COVID-19 pandemic and we continue to invest in new technology, review and refine digital platforms as the pandemic continues. During the quarter, results from a customer feedback exercise undertaken in 2019/20 were received into the Shared Regulatory Service which revealed that customer satisfaction was excellent, and no areas of concerns were identified in relation to access to the service.

During quarter 2 we have continued to focus on engagement with citizens and stakeholders, especially those who are vulnerable, to meet immediate needs and to help inform and develop provision in the future. A range of consultations are underway to seek the views of service users on current additional learning needs (ALN) provision including consultation around ALN in relation to developing more centralised provision for wellbeing and trauma involving a resource base at Gladstone School, and a new Centre for Learning and Well-being and increased capacity for Ysgol Y Deri pending further consultation on an additional school building. Consultation on an Autism Spectrum Disorder (ASD) specialist resource base at Whitmore High School and the additional accommodation for Ysgol Y Deri are on track to commence in Q3. A School Accessibility Strategy that will allow pupils and parents to be involved in informing strategy on access to physical learning environments was approved in September and consultation is programmed for quarter 3.

All community libraries are now offering a Click and Collect service in the same way as Council libraries. Books are circulated between all libraries via a courier service to supply new stock and requested items as per a usual service. The peripatetic library officer has worked with libraries to help start activities where this advice has been needed and opportunities for online activities have also be circulated to community libraries. Community libraries have also been using social media to keep in contact with their users and with central Council libraries.

Building on the progress made in quarter one, we have continued to make progress with Telecare installations, and commenced a review of the service in order that we can adapt the plans we offer to meet the needs of our customers and continue to support adults to achieve their own personal outcomes. The review will help us to identify the best service model going forward and is anticipated to be completed by the

end of the financial year, with a costing model presented to Cabinet for consideration in the final quarter and implementation in 2021/2022.

Despite the restrictions of lockdown, we have continued to provide a range of local youth services in the medium of English and Welsh for young people aged 11-25 which support their well-being. This has involved digital platforms where appropriate including an increased social media presence, a weekly timetable of virtual group and other activities, door step sessions, information and service signposting. Special emphasis has been placed throughout on supporting those who are more vulnerable ensuring they have the support they need including care and food packages and regularly visiting young people on the vulnerability list. All targeted project workers are back in schools or undertaking their roles in supporting vulnerable learners, this includes Inspire to Achieve, Wellbeing, Homelessness and also Inspire to Work. We have seen a rise in referrals for those classed as unemployed or not in employment, education or training (NEET) this quarter and we have provided additional support in this area as required.

In line with the priorities in our Strategic Equality Plan, we have continued to work regionally and with Cardiff Council to support the needs of refugees during this period. All settled refugees in the region have continued to be supported remotely with integration, employment, housing and education support. The pandemic has meant that we have been limited in meeting face to face, but we have maintained regular remote contact with children, young people and families, including those with protected characteristics, via a variety of digital platforms. During the quarter we have also developed the beginnings of a focus group with parents whose children are the subject of placement with parent regulations. We are pleased to have engaged a parent who will co-run this group when face to face opportunities resume.

In line with our corporate commitment to improve how we involve, engage and communicate with others about our work and our two main social media channels continue to consistently engage large numbers of residents in news and information about the Vale of Glamorgan Council. More people have signed up to Vale Connect during the quarter, over 75k compared to 56K in the same quarter last year. Our average daily Twitter impressions increased to 13,800 against a target of 10,000 and our average daily reach on Facebook also increased to 11,490 compared to 7,000 last year.

Despite being under significant pressure during the pandemic, 95% of customer enquiries to C1V continue to be resolved at first contact, our target for the quarter was 70%. The highest percentage achieved was in the service area of Waste Management with 99% of the 8,561 enquiries resolved at first contact. We also exceeded our target in the area of

Adult Services which are often high complexity and high-risk enquiries. During quarter 2, 84% of 7,082 Adult Services enquiries were resolved at first contact further demonstrating our commitment to good customer service.

We have continued to support residents and their families under the Armed Forces Covenant. During quarter 2, the Veteran Advice service based in C1V signposted customers to appropriate services including Benefits, Adult Social Care and Housing meaning that we were able to support 16 customers identified as Armed Forces personnel in relation to Housing Benefit and Council Tax and allocate social housing to support 4 Service families. Additionally, the Children and Young People service worked in partnership with representatives from Education and Play to provide support to key workers in response to the COVID-19 pandemic. This included the coordination and provision of childcare to keyworkers where 12 families who self-identified as Armed Forces personnel were supported throughout the period. Although childcare was the primary need, supporting services were offered for early intervention where appropriate.

2.2.2 What do we need to improve?

Due to reprioritisation and repurposing of the Council's resources in response to the COVID-19 pandemic, limited progress has been made in taking forward activities such as the assets and income reshaping workstreams. As we transition from a crisis response to recovery, this presents us with opportunities to fundamentally review the way in which the Council operates (including its workforce) and ensure synergy between its recovery strategy and its longer-term transformation agenda. This work will inform our transformation agenda as aligned with delivering the Council's vision of 'working together for a brighter future'.

Work in relation to achieving Age Friendly and Dementia Friendly Status and a more child friendly Vale of Glamorgan is progressing albeit more slowly than planned as the Public Services Board's priorities have been focused on responding to the COVID-19 pandemic. The Council's Strategic Leadership Team have endorsed in principle the Council applying for the status and the requirements are now being considered as part of the work being undertaken by the Council in recovering from COVID-19. Decisions undertaken throughout the pandemic and the evolving recovery strategy have taken into account the needs of older people e.g. Vale Heroes, crisis team, library services, keeping forum meetings going and developing a newsletter, on line activities for older people from the sports team and in the re-opening of public toilets. We have also considered the needs of people with dementia e.g. work with care homes.

A revised timetable for meeting the new Welsh in Education Strategic Plan regulations that came into force in January 2020 has been agreed by the Welsh Government, given the impact of the COVID-19 pandemic on the education sector. Work will now continue on developing the new 10-year strategy which has a new deadline of September 2022 for completion.

A positive impact of the COVID-19 pandemic has been the reduction in carbon emissions from some Council assets. However, there is a need to accelerate our actions on the decarbonisation agenda, contributing to meet Wales' target of carbon neutral public sector by 2030. Further work is required to extend our focus in other areas such as land use, procurement and transport. Again, this work will be considered as part of the wider Council recovery strategy.

A key part of the Council's response to the recent COVID-19 pandemic has seen a significant shift towards greater use of digital technology to prevent spread of infection. However, this may potentially exacerbate the existing digital divide. Potentially, this may significantly disadvantage some of the most vulnerable groups who may not have access to online services. In the longer term this is likely to be a permanent acceleration of the digitisation trend, so additional targeted support may be needed. Given the increased use of digital technology, there is also a need to ensure resilience of our digital infrastructure and public information channels. These issues are being considered as part of the Council's recovery strategy.

We have been unable to re-commence work on creating a sustainable integrated model for single point access to Well-being Matters Services and, as envisaged, the pressures in the system remain. Whilst we are committed to re-establish this project, resources have had to be redeployed to meet other service pressures preventing the capacity to release staff for engagement workshops and dedicate time to this project.

Our workforce is our greatest asset. Initially during the pandemic, the challenge has been centred on keeping our key frontline workers safe whilst continuing to operate our critical services. As we move from crisis towards recovery and more of our operations begin to restart, we will need put in place systems that enable us to safely manage the return of staff to the workplace, especially in those areas where staff are unable to undertake their duties at home. We anticipate that home working will continue to be in place for many staff for several months, but also recognise that for some staff the experience has been challenging as they have had to balance the demands of work with home schooling and/or other caring responsibilities. We have already put in many mechanisms to support staff well-being but recognise that further work is required to enable us to effectively check in and connect with our workforce, whilst supporting their mental health and well-being in the coming months.

Appendix 1: Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2020/21.

Appendix 2: Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2020 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

3.0 Well-being Objective 2: To support learning, employment and sustainable economic growth

Our overall RAG status for 'Supporting learning, employment and sustainable growth' is **AMBER**

3.1 Performance snapshot

The report highlights our progress at quarter 2 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 2 for the period 2020/21. There are 21 ADP actions aligned to the 8 Corporate Plan commitments within Well-being Objective 2, 'To support learning, employment and sustainable economic growth'. In total, 41 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

<p>ACTIONS Our performance against Annual Delivery Plan actions gives us an overall AMBER RAG status for this Well-being Objective.</p>					<p>PERFORMANCE MEASURES our performance against key measures gives us an overall AMBER RAG Status against this Well-being Objective.</p>

			0	40				40	46

Of the 6 actions contributing to the Well-being Objective, where limited progress has been reported during the quarter and therefore attributed a Red performance status, 6(100%) were as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic.

Actions and Measures Contributing to this Well-being Objective		Number slipped and attributed 'Red' Performance status		Reasons for slippage: COVID-19 related		Reasons for slippage: Other/ Non-COVID related

3.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2020/21.

3.2.1 What have we done well?

We remain committed to improving the outcomes for all learners and to reduce inequalities in education. During the quarter we have progressed well with training for early years providers and established good links with early years settings and providers. Alongside this, we are working with alternative providers to ensure we offer a broad range of accessible learning experiences. Pupils whose learning takes place outside of the formal setting (Education other than at school, EOTAS) continue to be well supported during the pandemic through individual wellbeing support and online learning opportunities. The Pupil Referral Unit has continued to engage with learners during quarter 2. The partnership with the Youth Manager and lead officer for Social Inclusion and Wellbeing is strong, resulting in appropriate learning provision which meets individual needs.

We have continued to work with partners through initiatives such as Inspire to Work (I2W) and Inspire to Achieve (I2A) to increase the range of opportunities available to young people and encourage them to remain in education, enter employment or training. In relation to I2W, 207 enrolments were achieved, of which 83 went on to gain qualifications, 79 secured employment and 17 undertook further education or training. In relation to the I2A scheme, 500 enrolments were achieved, of which 107 went onto further education and training, 104 gained qualifications thereby reducing the risk of those not in education, employment or training.

Significant progress has been made towards the delivery of community benefits targets by the 21st Century Schools team. Between January 2019 to September 2020 the Barry Secondary Learning Communities (BSLC) and Western Vale Primaries (WVP) projects delivered:

- Over 5,000 person weeks of New Entrant Jobs with 58 new full-time jobs;
- Over 3,000 person weeks of New Entrant Training, including 26 apprenticeships and 30 work experience placements;
- Nearly 400 hours of School Science Technology Engineering Mathematics (STEM) engagements, reaching over 2,800 pupils;
- 4 supply chain engagement events;
- An average of 99% of construction waste avoiding landfill; and
- An average of 80% construction spend within Wales, with 76% of subcontractors based in Wales and 50% of the workforce coming from the local postcode.

The BSLC procurement project received “highly commended” in the Wales Go Awards, Social Value category and was recognised and short listed for the Welsh Government and UK Go Awards in Social Value.

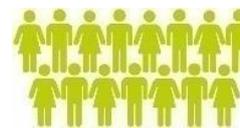

Contractors also worked closely with the Council's Communities 4 Work programme and successfully provided several work placement opportunities.

Despite the pandemic, our 21st Century Schools Programme improvements remain on track to be completed within the agreed timescales and will provide modern and improved learning environments for our learners and improved local facilities for community use. During the quarter we celebrated the completion of five phases of works as part of the £21.5m investment at Ysgol Bro Morgannwg, in Barry. The site is now home to a new 3G rugby pitch, sports hall, three-storey teaching block and bus drop-off. The main entrance building has also been rebuilt and all works were completed ahead of the autumn school term.

Work is progressing to develop proposals for a centre for learning and well-being to support children and young people with identified social and emotional health needs. During the quarter, we consulted on the development of additional specialist resource base and school places to enable us to meet current and future projected needs in the Vale through closure of Ty Deri in order to create additional classroom space. The findings will now inform final proposals to further develop this provision.

During quarter 2 we have continued to support the development of volunteering and time-banking opportunities available within the community for the benefit of our citizens with care and support needs. Our Support Planners in Learning Disability Services have developed a 'Support Planning Pack' and Activity Checklist to ensure people have as much information as possible about community opportunities. Although people with a Learning Disability are not yet able to commence volunteering, we have managed to secure them volunteering opportunities with the Housing Trust, Goods Shed and local Charity shops. We are also promoting Legacy Scope's online work-based learning courses for people with a learning disability to help get people 'work ready' while also raising awareness of all other digital activities and courses available.

The One Stop Shop advice service continues to offer support services to individuals with housing related support needs, including those who are homeless or threatened with homelessness. During the pandemic, support services including money advice offered by the Council have been delivered remotely ensuring that people can access appropriate advice and debt support at a time when it has been most needed. The identified premises at Holton Road, Barry will open once social distancing rules allow.

In June, Welsh Government asked the Cardiff Capital Region (CCR) Local Authorities to consider re-purposing elements of the Targeted

Regeneration Investment Thematic Grants Programme 2020/21 budget allocation to allow a greater degree of flexibility in adapting to the changes and recovery required in town centres as a result of the COVID-19 pandemic. Up to £3.5m of the budget allocation can now be used by the CCR Local Authorities to deliver measures which support the recovery of town centres. The Council agreed to prioritise its share of this investment in the following town and district centre shopping areas High Street/Broad Street, Holton Road, Barry Town Centre; Cowbridge Town Centre, Llantwit Major Town Centre and Penarth Town Centre.

The Wales Illegal Money Lending Unit (WIMLU) has continued to offer support to the victims of illegal money lending across Wales during quarter 2. The COVID-19 restrictions have meant that that regular telephone contact with victims has become the norm in the absence of face to face contact and this has proven successful. The Unit has also made good use of its social media platforms by providing virtual training via Teams and Zoom.

During quarter 2, we have continued to work with partners including Cardiff Airport and Welsh Government to facilitate the development of the Enterprise Zone at Cardiff Airport. A development brief has been prepared in consultation with Cardiff Airport to guide development in the Enterprise Zone and we are currently considering a major planning application at Model Farm which forms part of the Zone. Officers are working with Neighbourhood Services & Transport and Cardiff Capital Region colleagues to appoint consultants to undertake further analysis of the strategic transport network to support growth in the Western Vale around the Enterprise Zone.

Work with developers to support the regeneration of Barry Waterfront and the Innovation Quarter have progressed well with the converted Goods Shed Urban Village now open. The development is expected to create around 150 jobs and attract many visitors to the area. 42 apartments for Newydd Housing Association are due to be physically completed by the end of October 2020 delivering social and private rented homes development as part of this wider scheme. It is hoped it will offer a perfect place for residents to live and work or launch a new venture. Negotiations are ongoing with Cardiff and Vale College regarding land at Innovation Quarter for the proposed college campus.

3.2.2 What do we need to improve?

Whilst some work has taken place during the first 6 months of 2020/21, including the creation of a variety of resources to support schools and governors with the new curriculum, Welsh Government paused the regional professional learning programme for the Curriculum for Wales

to focus on responding to the COVID-19 pandemic. Work has now recommenced and is being aligned with the 'shared expectations' document which has been revised to take account of the current situation.

Limited progress has been made during the quarter to expand our apprenticeship scheme as our focus has been on responding to the pandemic. This remains a key priority and we will continue to work collaboratively with schools, education establishments and local businesses to increase opportunities as part of the recovery strategy for the Council.

Whilst we strive to improve attendance rates and reduce persistent absence in schools the pandemic has had an impact in this area as schools were forced to close to all pupils for nearly all the Summer term. The ongoing COVID-19 regulations are clearly impacting upon parental decisions not to send their children back to school and alternatively to home educate and at present the Emotional Wellbeing Service are not able to operate in any penal way since Welsh Government have indicated there should be no penal action for nonattendance. The Inclusion Service is supporting schools and parents in navigating this period in the best long-term interest of the child, schools and the Local Authority. There will be no rating of schools by their attendance this year and the service continues to adapt to the post COVID-19 scenario by means of supporting in an ever changing context.

In accommodating the shift in strategy for blended learning as we move forward into the new academic year, there will be a need to further upskill staff in order to develop the specialist skills and expertise required to develop tools and strategies within school settings, the local authority and the Central South Consortium. This work has already begun and will continue throughout the year. Maintaining and improving distance/remote learning for all pupils over the coming year presents enormous challenges both human and technical, especially given the overwhelming demands on existing education portals.

Whilst significant work has already been undertaken during the pandemic, a key challenge over the coming year will be to ensure that the mental health and well-being of children and young people remain supported, particularly in the context of the new school attendance (blended learning) arrangements and ongoing pressure on social care and health services.

One of our goals for 2020/21 was to implement a series of actions to improve business trading practises and support the local economy but the pandemic has meant that we have had to take a new focus. During quarter 2 we have continued to provide advice through the Service's

Primary Authority partnerships (in place with a range of different businesses from large super market chains to specialist online traders) and guided partners through the processes of business closure, social distancing and compliance during re-opening. Unfortunately, we have not been able to deliver our full range of business training courses (for example food safety, allergens and Health & Safety) as these are designed for face to face, classroom sessions. We are exploring options to find alternative delivery models for training sessions, including online platforms which have already proven successful.

The immediate lockdown that occurred during quarter 1 continues to have had a slight impact on planning application performance as the team were unable to determine applications or agree extensions for a short period of time. During quarter 2, the percentage of all planning applications determined within 8 weeks (or subject to Planning Performance Agreement or Extension of Time) missed target with 89% of applications received during the quarter determined within 8 weeks against a target of 92%. The percentage of Listed Building Consent (LBC) applications determined within 8 weeks (or subject to Planning Performance Agreement or Extension of Time) has also missed target during quarter 2. Whilst we aim to determine applications within the required timescale, the focus with LBC applications will always be on delivering quality decisions rather than speed of decision.

[Appendix 1:](#) Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2020/21.

[Appendix 2:](#) Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2020 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

4.0 Well-being Objective 3: To support people at home and in their community

Our overall RAG status for 'Supporting people at home and in their community' IS **AMBER**

4.1 Performance snapshot

The report highlights our progress at quarter 2 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 3 for the period 2020/21. There are 36 ADP actions aligned to the 12 Corporate Plan commitments within Well-being Objective 3, 'To support people at home and in their community'. In total, 62 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

ACTIONS					PERFORMANCE MEASURES

Actions	Measures	Actions	Measures	Actions	Measures	Actions	Measures
61	47	16	1	14	1	2	0

4.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2020/21.

4.2.1 What have we done well?

We have further enhanced and developed sustainable travel options via direct provision or by maximising our use of Section 106 contributions. During the quarter, good progress has been made on several sustainable transport schemes across the Vale of Glamorgan including completion of pedestrian crossing upgrades in Wick, a dropped kerb and footpath improvement scheme in St. Athan, a footpath and public transport infrastructure improvement scheme in Treharne Road, Barry and installation of 'Next bike' cycle hire docking stations in Penarth in preparation for the launch of the scheme once COVID restrictions are relaxed. We also remain on track for designing a number of schemes to be implemented in Dinas Powys, Ogmore by Sea, Rhoose and Cowbridge over the coming months. Work has also continued in developing and promoting active travel options which will contribute to the Council's climate change and healthy lifestyles agenda. Examples include; installation of cycle shelters, scooter and cycle pods in schools; 94 balance bikes and 150 helmets have provided to all our primary schools and schemes to help improve pupil movements into and out of school; consultation on an E-bike docking station at Sully which is now awaiting the launch of the Penarth scheme.

Despite the pandemic, positive progress has been made in our work in developing a sustainable approach to meeting the needs of older people in accommodation with care to support greater independence. A recent Housing Learning and Improvement Network report is helping to develop a way forward in terms of sustainable solutions for accommodation with care for older people in the Vale and this has in turn also informed the Vale's wider Housing Strategy.

We have continued to work with partners where possible to promote healthy lifestyles within existing restrictions of the pandemic, in line with Public Health's Move More Eat Well Plan. Our Food Law Enforcement, Communicable Disease and the Health and Safety Service plans were approved during the quarter and work will continue in this respect. Whilst the National Exercise Referral Scheme remains on hold, we are working in partnership to explore options to utilise existing funding to support local sport/ physical activity providers who can impact on the healthy living agenda at this time. We are also planning further recovery initiatives in readiness for when restrictions reduce.

Good progress continues to be made in developing and enhancing new ways of working with children and young people and their families. The development of a strengths-based model for working co-productively with children and their families remains a key priority within Children and Family Services. Developing this approach will enable us to work effectively alongside families and children and young people to identify their strengths and needs in order to co-produce outcomes that will enhance their health and well-being. During the quarter, work has progressed with partners on delivering our agreed priorities in the corporate strategy for Children who need care and support. Through the Vulnerable Groups Team, we have continued to ensure that vulnerable families receive the information they need to enable them to make informed decisions about their child's education.

Enhancing and strengthening our approach to recruitment and retention of foster carers over a regional footprint continues to be a key area of development. At the end of Q2, a regional work plan to address recruitment and retention issues associated with foster caring agreed earlier in the year has been successfully implemented. We continue to promote our services regionally and via our website to enhance our reach and raise awareness of the service.

The development of 'closer to home and strengths-based services' in relation to Adult social care continues to be progressed. Strength based and outcome focussed approaches are seen as fundamental to high quality adult social care. This approach is being supported by the Adult Services Management Team through the development of dedicated training to ensure that this approach can be delivered across all services including case management, day services and in partnership with private providers. Despite the disruption caused by the pandemic, there has been ongoing work in relation to developing a Transition Smart House with the potential to further develop this with First Choice Housing Association. During the quarter, the Castle Avenue property contract has been awarded for refurbishment and it is anticipated work will be completed by March 2021. This facility will help in preventing people leaving the Vale and or bring them back.

Positive progress continues in working towards a new joint model of working with the Health Board to support the commissioning of adult care services. Following on from the successful appointment of a Locality a Manager in Q1, this quarter has seen the development of a draft Adults Advocacy Strategy by the Cardiff and Vale Advocacy Network, that sets out the regional vision for advocacy and Independent Professional Advocacy. We are now engaging with a wide range of stakeholders in finalising the draft strategy which will form the basis of the region's future commissioning of advocacy services for the next 5 years.

Work has continued during the quarter to ensure the Council is prepared for Brexit with appropriate plans in place to manage any impacts. The Council's Brexit preparedness plans have been reviewed by individual service areas. The Corporate Risk continues to be monitored and the Council has participated in a variety of meetings/workshops run by WG and the WLGA to help inform local plans. As further details of the exit from the European Union are announced in the coming months, further work will be undertaken to prepare and respond.

Excellent progress has been made in the quarter in the development of specialist settings to meet the social, emotional and mental health needs of children in Nursery and Primary Schools. A strategy for the future development of provision to this group of pupils has been produced and is subject to key stakeholder engagement and consultation. Further development of the strategy will be ongoing throughout the year.

Safeguarding remains a fundamental focus of our work in ensuring that Wales Safeguarding Procedures are consistently embedded across the whole Council. During the quarter work has continued in ensuring a consistent approach through operational practice, review of policies and procedures and provision of training to support practitioners. A Regional Exploitation Strategy has been launched and a program of awareness raising, and training is currently being developed. At the end of the summer term, there was 100% compliance for level 1 and level 2 safeguarding training across all schools and overall compliance remains high.

Work has been ongoing to deliver the regional Violence Against Women Domestic Abuse Sexual Violence Strategy. The DRIVE programme was launched in the Vale in partnership with Cardiff City Council. The programme is working with high risk perpetrators of Domestic Abuse, which has increased during the pandemic. In order to maximise the outcomes of the project, Atal Y Fro have provided an IDVA (Independent Domestic Abuse Advisor) to work alongside the Drive Co-ordinator which will ensure a timely and focused approach. This is better for the victim and the coordinated approach ensures the process is easier to manage for all agencies. Early indications are that this new way of working is having a positive impact.

Throughout the quarter work has continued with partners to deliver pathways and provide advice and support to people experiencing a host of community safety related issues. The DAARC (Domestic Abuse, Assessment and Referral Co-ordination) Team processed and collected data on 383 domestic abuse PPN incidents (455 in Q1). 129 MARAC

(Multi Agency Risk Assessment Conference) cases were successfully coordinated by the team where all were victims of complex needs, with appropriate pathway support provided from multiple agencies (117 in Q1). Of 129 high risk cases, there were 2 BME victims, 1 LGBT victim, 1 victim registered with a disability and 3 victims that were aged between 16 – 17. Our focus on crime and disorder saw the Anti-social Behaviour (ASB) team working through 1263 ASB incidents during the quarter which generated 532 referrals compared to 361 in Q1. The ongoing changes in COVID-19 restrictions continue to have an impact on the number of ASB incidents and referrals reported and additional CCTV cameras have now been deployed in identified hotspots to help reduce incidents in these areas and early indications are that this is having a positive impact.

In relation to our work with partners across the region to enhance community cohesion, we have developed a Communications Strategy to enhance our engagement with residents on community cohesion-based matters. In line with this strategy, 148 social media posts were made during the quarter across a range of community safety topics. Social media continues to be used to communicate key messages about keeping safe and to disseminate guidance. The Community Cohesion Officer has continued to engage with communities by making use of online polls to gain resident's opinions and utilising zoom to hold meetings with community groups. The Cohesion Officer has worked closely with community leaders from 'at risk' groups to proactively address or prevent any community tensions, particularly the period of Ramadan and the Black Lives Matter protests that occurred at the start of the quarter. During the quarter, 10 Community Tension referrals were received and actioned, less than the 16 reported in Q1 which suggests tensions in communities are reducing. Work is now ongoing to update the Safer Vale Website and also to utilise the Vale Connect App to reach more of the community with community safety information.

We have continued to work collaboratively in utilising the Children and Communities Grant to deliver support to vulnerable children and young people and their families which has been particularly important during the pandemic. Although one to one work has been hindered by the pandemic, innovative methods have been used to keep in contact with and support service users and their families in schemes such as the Families First Holiday Club, Teen Scheme etc. which is helping to improve outcomes for children, young people and families in need.

Despite the disruption of the pandemic, the Brecon Court and Holm View phase 1 development is now ready for new tenants. Land acquisitions have taken place and continue to progress for newly identified sites and in line with the Council's local market assessment.

Opportunities for a partnership package deal continue to be investigated to increase the supply of affordable housing in the Vale of Glamorgan.

We have continued to focus our efforts on increasing the choice and supply of affordable housing in the Vale of Glamorgan. We remain proactive in returning empty properties back into use. During the quarter, it took an average of 19.5 days to let an empty property against a target of 21 days. Whilst still within target, this was slightly longer than the Q1 performance and largely due to the increased number of homes being re-let where works had been refused several times. Good progress has continued in the development of a 5-year Housing Strategy and a draft plan is on track to be presented to the Overarching Housing Forum in December. During Q2, affordable housing was secured in accordance with the Council's Affordable Housing Supplementary Planning Guidance (SPG), comprising 43 dwellings, 100% social rented. 67 further additional affordable homes were also delivered during the quarter in spite of delays caused by the pandemic, double the number delivered in Q1.

During the quarter we have worked effectively with our partners to develop a Housing Support Programme Strategy and associated action plan to prevent homelessness in the Vale of Glamorgan. The annual Housing Support Grant Delivery Plan has also been completed to ensure there is an equality of access to all services. Needs mapping of service requirements continue in order to support the needs of service users and to inform future service development, ensuring also that they remain of a high standard, strategically relevant and provide value for money. We are currently progressing service re-tenders in readiness for commencement in 2021, thus ensuring that we can continue to provide the key services that meet the needs of our clients.

4.2.2 What do we need to improve?

The ongoing pandemic continues to limit our progress in relation to increasing the number of people who access quality sports and physical activity opportunities. Despite ongoing restrictions, we have refocused our efforts on developing online sport and physical activity resources that have been promoted to support families to be more physically active within their own homes/gardens and outdoor environments whilst taking government guidelines into account. We have also been supporting Sport Wales with their emergency funding stream to help local clubs survive the ongoing impact of the pandemic. A collaborative venture with the Healthy Living Team, Social Services, the Prevention & Partnership Team, Education & Vale People First, ensured we successfully delivered a more focused summer play programme during Q2, with a focus on identified vulnerable children/

young people and those being more impacted upon by COVID-19. 131 children attended this provision. In addition, as part of the programme, a virtual national play day event was held, a new Care Inspectorate Wales (CIW) registered provision was created (Vale Play Pavilion) to provide day provision for 29 vulnerable children identified by Social Services (accruing 221 participations) whilst 53 disabled children attended the Families First Holiday Club (488 participations).

The Healthy Living Team also worked in partnership with United Welsh Housing to deliver open access play and sports sessions to children and young people living in Caerleon Road (Dinas Powys) and the surrounding area to help reduce antisocial behaviour that was being experienced in the area. 64 children attended the provision accruing 259 participations over the 12 sessions.

Whilst a lot of developmental work has remained on hold due to COVID-19 restrictions, progress is being made in some areas of the Play Sufficiency plan via some of the projects highlighted above and also in other areas such as feasibility studies on developing a Street Play policy. Plans are in place to reinstate community-based play sessions when current COVID-19 restrictions reduce.

COVID-19 has significantly disrupted the delivery of physical activity opportunities in the Vale of Glamorgan, which has seen the implementation of the Vale Sports and Physical Activity Plan being put partly on hold during the lockdown. Prior to COVID-19 restrictions coming into force, the extension of the management of Leisure Centres was agreed in principle. In light of ongoing restrictions and the current economic situation these conversations continue to remain on hold. Whilst some work is continuing in terms of partnerships and implementation of various strategies these remain limited by the ongoing restrictions which makes significant progress in this area very challenging.

School and library closures due to COVID-19 as well as ongoing restrictions have interrupted our collaborative work with partners on promoting these venues as community hubs for the delivery of leisure and cultural learning opportunities. Despite these challenges, libraries have continued to focus their efforts on making best use of digital technology to provide a greater range of access to reading materials and online activities. The number of opportunities have increased during Q2 as staff have grown in confidence in organising and running virtual activities and it is likely to remain a feature of library services going forward. The Library Service has continued to expand its range of online Library services in the form of e-books, e-audio, eZines and other sources of information. In addition, online arts, crafts activities and weekly story sessions via online book clubs have been regularly

promoted and received encouraging levels of participation, despite the limited number of physical visits to our community libraries. During Q2, the Reading Agency's Summer Reading Challenge was promoted online with participation encouraged via loan of books by click and collect. Overall, take up was positive given the challenging circumstances. Several activities and author events were also run online as part of the summer programme and children could collect their rewards and certificates at the library or online. A highpoint in September was an online talk with Lesley Pearse, a popular author who has sold 10 million books. Vale Libraries were one of 45 services to bid for a chance to host an evening with Lesley Pearse and we were successful along with 4 other services that included the likes of Bristol and Manchester Libraries. We continue to work with community our libraries to maximise digital opportunities for participation in its services.

In relation to implementing an outcomes-based approach to commissioning contracting services for adults who need care and support across both a regional and localised footprint, additional clarification is required regarding the use of the Individual Client Contract and work is currently underway to develop options to resolve the issue. It is anticipated that this work will be completed during Q3.

Whilst Volunteer recruitment to support the running of the Greenlinks Community Transport Service has not been possible during the height of the pandemic. After lockdown measures were reduced, volunteers began offering their services again to drive for Greenlinks or undertake PPE deliveries. A reduced service has since commenced with Greenlinks members being taken on shopping trips, medical appointments and to work. The future of the service will be subject to a Cabinet report in Q3 to consider options for funding the service in 2021/22 and beyond.

Work on developing a new Community Investment Strategy has continued but has been impacted by resource issues. Key priorities have been identified in relation to promoting digital inclusion, strengthening tenant engagement and supporting employability and these will inform the final strategy.

The Council's Events programme remains postponed indefinitely in light of ongoing COVID-19 restrictions. The programme's budget has since been repurposed to support the Vale's town centres through the worst of the pandemic.

The launch of the Regional Carers Strategy has been delayed due to the pandemic. The strategy was in the process of being finalised when the pandemic hit. Work on the strategy has since been put on hold due to the repurposing of key staff to other key projects. It is anticipated that work on the strategy will recommence in the coming months.

Our work with partners to agree a new way of working to enhance young peoples' outcomes informed by the revised National Standards for Children and Young People in the Youth Justice System remains a priority. The National Standards Audit and a benchmarking exercise were presented to the Youth Offending Service Management Board in September 2020 and we are currently developing a single action plan which will identify key leads for each area to progress this work.

The GP Triage pilot has been paused during Q2, as resources continue to be diverted to respond to the pandemic. However, the project team has been working on other models of care and evaluation of the initial phases, and also assisting the cluster in assessing their responses to the pandemic. The pilot will not be re-instated this financial year, but if there is funding available in 2021/22 then a proposal will be submitted for the Regional Partnership Board's consideration to further pilot the project

The ongoing restrictions resulting from the pandemic has prevented officers from visiting households in order to progress DFG grants. Consequently, the average number of days taken to deliver a DFG at 308 days, has fallen well short of our target of 190 days and last year's performance of 186 days in the same period.

Appendix 1: Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2020/21.

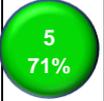

Appendix 2: Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2020 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

5.0 Well-being Objective 4: To respect, enhance and enjoy our environment

Our overall RAG status for 'To respect, enhance and enjoy our environment' is **AMBER**

5.1 Performance snapshot

The report highlights our progress at quarter 2 in delivering the Annual Delivery Plan (ADP) activities aligned to our Corporate Plan commitments that contribute to Well-being Objective 4 for the period 2020/21. There are 21 ADP actions aligned to the 8 Corporate Plan commitments within Well-being Objective 4, 'To respect, enhance and enjoy our environment'. In total, 32 service plan actions across a number of council services contribute to the delivery of these ADP priorities.

ACTIONS					PERFORMANCE MEASURES				
Our performance against Annual Delivery Plan actions gives us an overall AMBER RAG status for this Well-being Objective.					our performance against key measures gives us an overall AMBER RAG Status against this Well-being Objective.				
Service Plan Actions Well-being Objective 4: To respect, enhance and enjoy our environment					Performance Measures Well-being Objective 4: To respect, enhance and enjoy our environment				
			N/A	Total				N/A	Total
			0	31				16	23

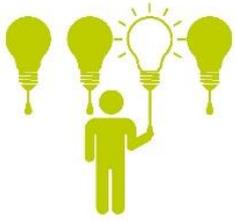

Of the 6 actions contributing to the Well-being Objective, where limited progress has been reported during the quarter and therefore attributed a Red performance status, 4(67%) were as a result of service reprioritisation measures undertaken in response to the impact of the ongoing COVID-19 pandemic.

Actions and Measures Contributing to this Well-being Objective		Number slipped and attributed 'Red' Performance status		Reasons for slippage: COVID-19 related		Reasons for slippage: Other/ Non-COVID related	
Actions	Measures	Actions	Measures	Actions	Measures	Actions	Measures
31	23	6	2	4	1	2	1

5.2 Performance Exceptions

Below are key highlights of our achievements and areas where we need to improve in relation to our ADP activities aligned to this Well-being Objective for 2020/21.

5.2.1 What have we done well?

During the quarter, there continues to be positive examples of work across the Council which is helping to tackle Climate Change, a recovery priority for both the Council and the Public Services Board. Significant progress has been made in relation to agile working as a direct consequence of the pandemic with over 70% of council staff continuing to work from home. In that time (March through to September 2020) a good proportion have reported using more sustainable travel options for getting to meetings where face to face is required, including digital means. The considerable reduction in travel, printing and usage of large buildings will have a positive impact on reducing our carbon emissions.

Some progress has also been made this quarter with our PSB partners to develop a range of position statements to enable the next stage in the discussions around climate change and the development of an action plan. A corporate group has been established and is currently co-ordinating the development of a Corporate Green Infrastructure Strategy which will help identify further opportunities to mitigate the impact of our activities on climate change.

We have continued to investigate opportunities for an affordable housing development which is carbon neutral and includes Modern Methods of Construction (MMC). As part of this work we have consulted with companies able to supply MMC packages as well as local suppliers on supporting the Welsh economy. We have also undertaken work to help improve thermal efficiency in our existing housing stock by ensuring external wall insulation packages are identified and packed into tenders ready for contractor appointment and delivery. A bid was recently submitted to Welsh Government for funding assistance to deliver hybrid boilers to 'off-gas' properties. This project will also support the local economy (including small medium enterprises) if the bid is successful.

Positive progress can be reported this quarter in relation to work on a feasibility study and design of a low carbon building as part of the 21st Century Schools Programme. Minimising the negative impact of our activities on the environment remains a key priority for the Council in response its Climate Change Emergency declaration. Under this programme all new schools are designed to meet the BREEAM (Building Research Establishment Environmental Assessment method) Excellent standard, which includes delivering energy efficient buildings, enhancing biodiversity and reducing the carbon cost of construction. We have made good progress on the design of a low in use carbon school in St. David's with design works also commencing on St. Nicholas and Llancafarn as zero carbon schools, the first in Wales. At the same time, a net zero in use model is being developed to pilot.

In line with our commitment to maintain and enhance biodiversity in the Vale of Glamorgan, work has continued in collaboration with partners aimed at embedding biodiversity across the work of the Council. For example, we are seeking to improve air quality around our schools by planting 500 trees this autumn as part of the 21st Century Schools Programme; maximising biodiversity value of untenanted land by reducing the frequency of cutting hedgerows unless required for health and safety reasons; a local Nature Partnership officer is working with the Council's newly appointed Ecologist to progress the establishment of Local Nature Partnership across the Vale to enhance the Vale's biodiversity.

In delivering our statutory planning function we have committed to protect, preserve and where possible enhance our natural and built environment and cultural heritage. With this in mind, we have ensured that all planning decisions taken during the quarter continue to be done in accordance with relevant Local Development Plan Policies. During the quarter, 272 planning applications have been determined, slightly more than reported in Q1 (262). This has included, 8 LBCs (Listed Building Consent); a further 50 Tree applications were also determined; 33 TCA's (Work to trees in a conservation area) and 17 TPO's (Work to trees covered by a Tree Preservation Order). We also resolved 107 planning enforcement cases. 100% of dangerous structures were inspected within one day of reporting with appropriate action taken.

During the quarter, the Council has continued to invest in a number of open spaces for sport and recreational facilities using developer contributions including completion of a new multi-use games area at King George V Playing Fields, Llandough; upgraded play area at Wenvoe; new interactive equipment installed at Central Park, Barry. Tendering has taken place for a new multi-use games area for Wick playing fields with the contractor commencing work in Q3. This work will ensure that new developments deliver appropriate recreation and sports facilities for our citizens to enjoy whilst contributing positively to their physical and mental well-being.

Work has progressed in establishing an integrated enforcement team (comprising civil parking enforcement, environment enforcement, and public space protection orders) to help minimise the detrimental impact of pollution to our environment and on people's well-being. During the quarter, we have taken delivery of and tested a new camera car which is set to begin operating from 5th October 2020. A back office system is in place and training has been provided to staff to support implementation. The focus this quarter has been on safety around schools. Alongside this,

we have worked effectively in partnership to maintain environmental standards by retaining all of our awards for Green and Blue flags for this year. Our Neighbourhood Services Team have continued to remove reported incidents of fly tipping within target timescales thus ensuring our local environment remains clean, attractive and well managed. It took 215 days to clear 229 fly tipping incidents therefore just 0.93 days against a target of 3 days.

Over 72% of household waste collected by the Council was prepared for reuse and/or recycled during the quarter, similar to that reported in Q1. This performance is positive given the temporary closures of Household Waste Recycling Centres due to COVID-19 restrictions and the temporary relaxation of black bag restrictions. This performance exceeds the statutory target of 64% for 2020/21. We are also on track to implement the new waste blueprint in Barry and Penarth which will be operational from 19th October 2020 and it is anticipated that this will impact positively on future performance.

The Stronger Communities Fund continues to support community capacity building across the Vale. This will play a key part in our recovery from the pandemic. So far at Q2, all funding for this year has been allocated to community projects and the Council is working with projects sponsors to capture outcomes.

Despite the challenges of the pandemic, the Council remains committed to delivering a range of environmental projects through its Community Investment Scheme to enhance the local area and improve neighbourhoods. This is in line with our recovery strategy. During the quarter, a community garden scheme was completed at Margaret Avenue however, it has not yet been possible to open the facility to the public due to ongoing COVID-19 restrictions. A risk assessment is being carried out to establish if this can be done safely in the coming quarter. We have also recently secured £20k of external funding via Natural Resources Wales to erect a wooden 'educational centre' on the site, this will enable the local school to facilitate site-based learning on the environment, sustainability and climate change. It will also be a place where employability and support sessions can be run to assist local people experiencing barriers getting into work. It is anticipated that construction of the facility will be completed by the end of the financial year.

5.2.2 What do we need to improve?

Across the Council there continue to be examples of good work which is helping to tackle climate change. Work to develop a strategic response to the Council's declaration of a Climate Change Emergency has been slower than anticipated given the current focus on responding to the impact of the ongoing pandemic. Some progress has been made

in Q2 in developing a range of position statements to enable the next stage in the discussions around climate change and the development of an action plan.

Whilst we have undertaken a considerable amount of work to develop a more environmentally sustainable fleet including the use of electric and hybrid vehicles, the ongoing COVID-19 pandemic has delayed the roll out of new schemes such as the E-bike scheme. Electric bikes have been purchased, preparatory works completed, and training will commence once restrictions are lifted in Wales.

The inability of clubs and organisations to generate income at the present time presents a significant barrier to any potential transfer of assets. Consequently, with no income available to these organisations, discussions regarding new transfers of assets including sports grounds, parks, open spaces, allotments, public conveniences and clubs continue to remain on hold until recovery from COVID-19 is underway.

Embedding biodiversity across the work of the Council remains a priority. During the quarter, work has commenced in partnership with colleagues in Neighbourhood Services & Transport and National Resources Wales to implement strategies to improve air quality around schools. This had previously been delayed by the pandemic. Over Q3 and Q4, 500 trees from the Woodland Trust are due to be planted as part our 21st Century School projects which will help create wildlife areas and also contribute to improved air quality around schools.

Whilst Salix funding is now available to replace another 3,713 lanterns to LED on strategic routes, this work has been delayed due to the pandemic. At present 68% of the Council's street lighting has been converted to LED, short of the 90% target. The contractor appointed for this work has programmed the work to be completed in 14 weeks, much quicker than the 26 weeks originally allocated for this work. Consequently, it is anticipated that this will work be completed at the end of the financial year as scheduled. Completion of this scheme will contribute towards our goal of reducing the organisation's carbon emissions to net zero before 2030 and minimising the negative impact of our activities on the environment.

Some progress has been made during the quarter in relation to the Llanmaes Flood Risk Management Scheme including additional survey and ground investigations (completed in September) and land negotiations with third party landowners which are continuing. However, no specific agreements over the necessary works has as yet been confirmed or formalised. Detailed design by AECOM has recommenced following agreement of a new contract and the results of ground investigations. Construction is programmed to commence in

Spring 2021, subject to land negotiations and all necessary consents, including future grant application to Welsh Government.

Preplanning application for the construction of a waste transfer station for Barry is complete and a full planning application is pending. Progress in relation to this work has been delayed due to issues around the drainage proposal and new standards introduced. New designs for approval will now be completed during Q3 and planning permission will be submitted during October/November 2020. It is anticipated that construction will now commence in Q4.

Appendix 1: Provides, by Well-being Objective, detailed information relating to the Service Plan actions which have contributed to Corporate Plan commitments outlined in our Annual Delivery Plan 2020/21.

Appendix 2: Provides detailed performance indicator information linked to each Well-being Objective which show for our planned activities, how well we are performing. It must be noted that any annually reported performance indicators will be reported at end of year when data becomes available. In addition, new performance indicators that have been introduced in 2020 aligned to the new Corporate Plan will not have data available until end of year as this year will be used to establish baseline performance. A Not Available (N/A) status will be attributed to all such measures with commentary provided confirming this status. We will continue to develop our key measures within each Well-being Objective to ensure these most accurately reflect our Corporate Plan.

6.0 Scrutiny Committee Presentations: Quarter 2

The cross-cutting aspects of service activity related to our Corporate Plan Well-being Objectives have been explored through presentations aligned to the scope of each of the five Scrutiny Committees. The presentations identify the key achievements and challenges as aligned to the remit of each committee and also provide members with an update on Coronavirus recovery. See below links below to each of these presentations:

[Healthy Living & Social Care Scrutiny Committee \(8th December 2020\)](#)

[Homes & Safe Communities Scrutiny Committee \(9th December 2020\)](#)

[Learning & Culture Scrutiny Committee \(10th December 2020\)](#)

[Environment & Regeneration Scrutiny Committee \(15th December 2020\)](#)

[Corporate Performance & Resources Scrutiny Committee \(16th December 2020\)](#)

6.1 Useful Corporate Health Information

The section provides links to corporate health reports/information to enable members to maintain oversight of issues that may impact on the work of the Council and their respective committees.

[Q1 Corporate Risk Register](#)

(The Q2 Corporate Risk Register is currently being drafted and will be reported to Audit Committee on 14th December and appended to next quarter's performance report)

[Q2 Half Year report: Sickness Absence 2020/21](#)

[Insight Board: Action Tracker November 2020](#)

(incorporating our progress updates against regulatory proposals and recommendations).

Annual Delivery Plan	A	↔	Annual Delivery Plan	A	↔	Annual Delivery Plan	A	↔

WHAT HAVE WE ACHIEVED?

Objective 1: Work with and for our communities:

- Supported learners with ALN through delivering our area plan priorities via the Regional Partnership Board.
- Worked collaboratively to maximise day time opportunities for service users in light of day centres closures.
- Rolled out 'Your Choice' domiciliary care in Golau Caredig.
- Digital learning programme rolled out to support Social Services staff.

Objective 2: Support learning, employment and sustainable economic growth:

- Developed and promoted a 'Support Planning Pack' and Activity Checklist to enable more people to take up community volunteering opportunities to enhance theirs and their community's well-being.
- Introduced a draft transition protocol with therapies developed with health, schools, families etc. to improve services and support for those with additional learning needs.

Objective 3: Support People at home and in their community:

- Delivered and promoted sustainable transport schemes in Wick, St. Athan, Penarth and Barry to increase active travel and physical activity.
- Delivered targeted intervention using innovative methods to keep in touch with service users, especially vulnerable groups assisted by the Children & Communities Grant.
- Awarded the contract for refurbishment of property at Castle Avenue, which will provide closer to home services for Adult social care clients.
- Launched the Regional Exploitation Strategy and training.

Objective 4: Respect, enhance and enjoy our environment:

- Implemented a greener model of working that has seen majority of staff working flexibly from home through digital means. The reduced vehicle travel is helping to reduce our carbon footprint.
- Promoted Public Services Board's Staff Healthy Travel Charter via digital well-being opportunities and a new staff cycle scheme.
- Produced Active Travel plans to encourage and support sustainable changes to travel patterns as part of the response to our Climate Change Emergency declaration.

NON-COVID Related reasons	0 / 2

WHAT DO WE NEED TO IMPROVE?

Objective 1: Work with and for our communities:

- Digital Medication administration system remains on hold due to COVID concerns in residential services.
- Progress work on developing options for income generation as part of our COVID-19 recovery response.
- Development of a single point of access to Well-being Matters services remain on hold due to COVID-19.

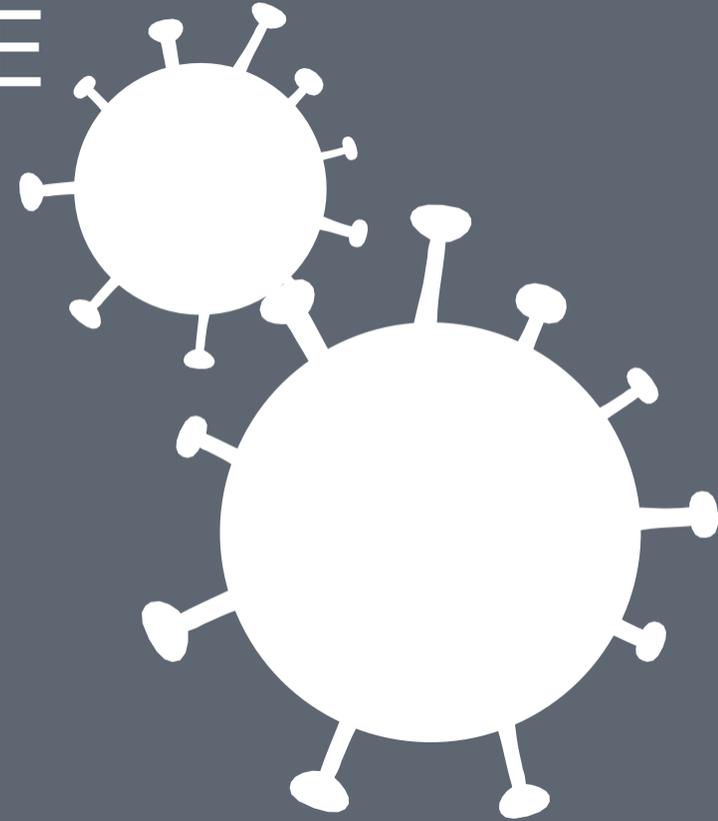

Objective 3: Support people at home and in their community:

- Expanding and promoting a wide range of accessible physical activity opportunities in line with Public Health's Move More Eat Well Plan remains challenging due to COVID-19.
- Focus on addressing the increase in homelessness caused by COVID-19 has slowed progress on the Penarth Village proposal for accommodation with care for older people.
- GP Triage pilot remains on hold as resources continue to be reprioritised in response to COVID-19.
- Time taken to deliver a Disabled Facilities Grant (308 days) is well below the target of 190 days due to COVID restrictions.

CORONAVIRUS RECOVERY UPDATE

- ❖ Introduced a Vulnerable Children Tactical Group, which has supported vulnerable children and young people in accessing school hubs, school holiday play provision, and assisted their return to schools.
- ❖ Supported Legacy Leisure to remain financially viable during the lockdown and transition phases.
- ❖ Introduced rent holidays for sports clubs using Council building assets during the period of restrictions.
- ❖ Collaborated on reducing potential for vulnerable learners to become NEET.
- ❖ Introduced blended approaches to continue to support service users and their families.
- ❖ Ongoing implementation of 'Your Choice' as the default domiciliary care arrangement.
- ❖ Revised service delivery model for VCRS with a focus on increasing staff capacity.
- ❖ Reviewed all placements for CLA with a view to maximising capacity.
- ❖ Increased resources available to service users and professionals on Dewis.
- ❖ Progressing fostering and adoption assessments/ parenting assessments within existing restrictions.
- ❖ Established plans for re-opening some centre based day service activities for the most vulnerable adults.
- ❖ Provided safe and accessible open public spaces in our parks, open spaces, outdoor sports facilities and Coastal resort.
- ❖ Produced Active Travel plans to encourage and support sustainable changes to children, young people and adults travel patterns as part of the response to our Climate Change Emergency declaration.
- ❖ Introduced flexible remote working models to support safe and secure home working which have improved efficiency, reduced travel thereby reducing our carbon footprint.
- ❖ Reviewed impact of repurposing in Adult Services and staffing arrangements for the longer term.
- ❖ Consulted with staff about the learning from the pandemic and application for future service development.

Annual Delivery Plan	A	↔	Annual Delivery Plan	A	↔	Annual Delivery Plan	A	↔

WHAT HAVE WE ACHIEVED?

Objective 1: Work with and for our communities:

- Consulted with communities on developer contributions that will deliver social and economic benefit e.g. Belle Vue Pavilion and Park, Wenvoe Community Library and hub, multi-use games area at Wick and Arcot Triangle arts project.
- 70% of staff continue to work from home embracing digital working practises. Reduction in travel, printing and building use will have a positive impact on our carbon emissions.
- Continued to secure an average 30% affordable housing across the Vale in all relevant planning applications for housing including a scheme for 43 Affordable Dwellings (100% social rented).

Objective 2: Support learning, employment and sustainable economic growth:

- Progressed the design of a low in use carbon school in St. David's with design works also commencing on St. Nicholas and Llancafarn as zero carbon schools, the first in Wales.
- Determined 278 planning applications and dealt with 105 enforcement investigations in Q2.
- Goodsheds development completed on time with support of the Council and the Targeted Regional Investment strategy.
- Embracing Town Centre first approach and worked closely with resilience forums to identify areas for investment.

Objective 3: Support people at home and in their community:

- Completed new multi-use games area at King George V Playing Fields, Llandough; upgraded play area at Wenvoe; new interactive equipment installed at Central Park, Barry.
- Improved thermal efficiency in our housing stock by using external wall insulation packages. Recently submitted a funding bid to WG to deliver hybrid boilers to 'off-gas' properties. This project will also support the local economy (including small medium enterprises) if successful.

Objective 4: Respect, enhance and enjoy our environment:

- Over 72% of household waste was prepared for reuse and/or recycled exceeding the statutory target of 64% for 2020/21.
- On track to implement the new waste blueprint in Barry and Penarth, operational from 19th October 2020.
- 24 parks and green spaces and 2 country parks in the Vale have received the prestigious Green Flag Award and Green Flag Community [Award](#).
- Re-wilded former golf course in Porthkerry and secured funding for greening Gladstone road roundabout.
- Started work on Green infrastructure Strategy and ITree survey.

WHAT DO WE NEED TO IMPROVE?

Objective 1: Work with and for our communities:

- Clubs and organisations have been unable to generate income during the pandemic, presenting a significant barrier to any potential transfer of assets.
- Work to involve the community and businesses in the preparation of our Growth Plan 2020/2025 has been delayed as we now re-focus on a recovery strategy for the County.

Objective 3: Support people at home and in their community:

- The ongoing COVID-19 pandemic has delayed the roll out of the e-bike scheme. Electric bikes have been purchased and training will commence once restrictions are lifted in Wales.
- The Greenlinks service has recommenced but operates on a reduced service. The future of the service is being reviewed.
- The pandemic has hindered us from employing an Activity Based officer to expand opportunities for physical activity at Country Parks.
- Ability to deliver Disabled Facilities Grants has been severely impacted as client base often vulnerable and possibly shielding.

Objective 2: Support learning, employment and sustainable economic growth:

- Momentum on inward investment promotion in the Vale (as part of City Region) has stalled due to COVID e.g. could not promote at MIPIM and other major events.
- Our Events programme remains postponed indefinitely in light of ongoing COVID-19 restrictions.
- Unable to deliver our full range of business training courses and are exploring alternative options.
- The 1st lockdown continues to have an impact on planning application performance during Q2.

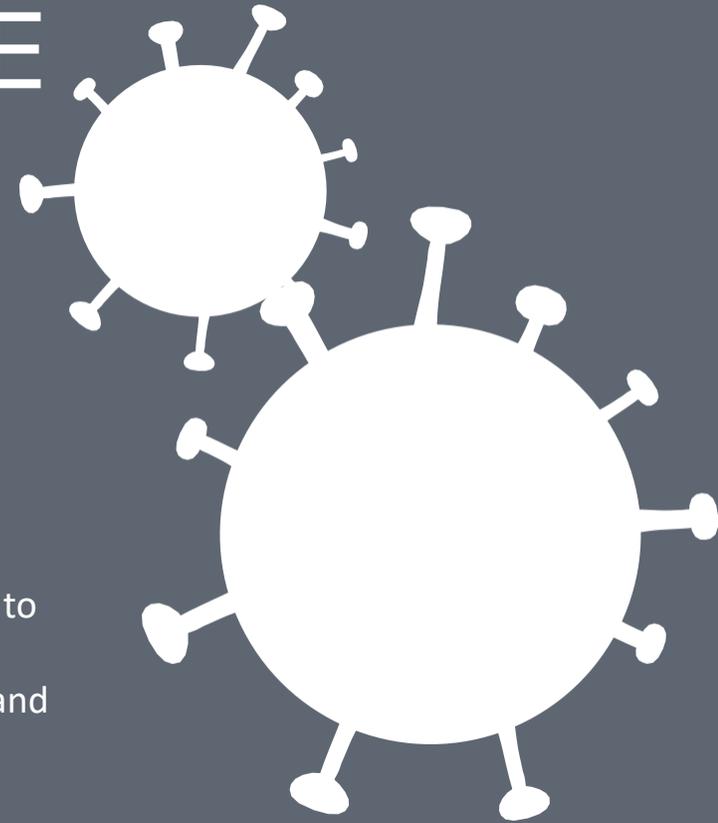

Objective 4: Respect, enhance and enjoy our environment:

- Work to develop a strategic response to the Council's declaration of a Climate Change Emergency has been slower than anticipated given the current focus on responding to the impact of the ongoing pandemic.
- Work to replace 3,713 lanterns to LED has been delayed due to the pandemic however completion is scheduled for the end of the financial year.
- Work to review and implement strategies to improve air quality around schools has been put on a hold as result of the pandemic.

CORONAVIRUS RECOVERY UPDATE

- ❖ Staff have organised and delivered food, PPE, waste and recycling equipment throughout the Vale area.
- ❖ Refuse collections and recycling services have continued with the second phase of the Waste Collection and Treatment Blueprint successfully rolled out in Barry during October. Contamination was reduced by 60% in the first week.
- ❖ New café style licences introduced to allow business to trade on the highway or on Council land.
- ❖ School transport has resumed school routes and new guidance produces have been created based on National Guidance.
- ❖ Emergency transport procedure for Ysgol Y Deri agreed and PPE provided to the contractor.
- ❖ Additional cleaning and infection control taking place at Schools. Cleaning provision also made available to Hwb's that offered childcare during the lockdown period.
- ❖ Working collaboratively with local businesses to ensure they can trade in a COVID-19 safe environment and are adhering to the WG regulations. Enforcement presence in place to monitor non compliance.
- ❖ Rent holidays for hirers / licence holders / businesses / community groups / sports clubs committed to Council buildings during periods when unable to operate or only able to operate at reduced capacity.
- ❖ Clubs and training businesses were permitted to use public open spaces for their activities free of any licence or rental fees when indoor facilities closed.
- ❖ Pedestrian safety controls implemented in town centres to enable business to operate safely and to provide confidence to shoppers. Controls later amended in consultation with the Town Centre Traders.
- ❖ We will continue to hold Town Centre Resilience forums to update and consult local members, retailers, Town Councils and hospitality businesses on latest developments.

ANNUAL DELIVERY PLAN MONITORING REPORT 2020/21

QUARTER 2 – LEARNING & CULTURE SCRUTINY COMMITTEE

PERFORMANCE SUMMARY

ANNUAL DELIVERY PLAN 2020 / 2021

WHAT HAVE WE ACHIEVED?

Objective 1: Work with and for our communities:

- Enhanced ONE's business intelligence model to enable homeworking and support effective joint working to meet needs of all pupils.
- Increased universal services provision for youth services to support young people's well-being with a focus on vulnerable groups.
- Worked with Menter Bro Morgannwg to enhance and promote Welsh language services and learning opportunities including play sessions throughout the pandemic .

Objective 3: Support People at home and in their community:

- Delivered targeted intervention using innovative methods to keep in touch with service users, especially vulnerable groups, assisted by the Children & Communities Grant.
- High take up of training opportunities by schools to develop trauma-informed approaches to meet the needs of all pupils.
- Developed a strategy for future provision of specialist settings to meet the social, emotional and mental health needs of children in Nursery and Primary Schools.

Objective 2: Support learning, employment and sustainable economic growth:

- Positive progress on 21st Century School projects, in challenging times. The Barry Secondary Learning Communities project was short listed for the Welsh Government and UK Go Awards in Social Value.
- Community investment opportunities have created 85FT jobs, 30 work experience opportunities, 26 apprenticeships, and supported 9 community events.
- Increased range of opportunities available to reduce NEET levels (Reduced risk of becoming NEET by over 85% on enrolments to I2A scheme and 79 secured employment in the I2W scheme).

Objective 4: Respect, enhance and enjoy our environment:

- Good progress on design of a low in use carbon school at St. David's and on the first zero carbon schools in Wales at St. Nicholas and Llancarfan.
- Working collaboratively to improve air quality around schools by planting 500 trees this autumn.
- Implemented a greener model of working that has seen staff working flexibly from home through digital means. The reduced vehicle travel is helping to reduce our carbon footprint.

WHAT DO WE NEED TO IMPROVE?

Objective 1: Work with and for our communities:

- The Council's Digital Vale programme has been reprioritised to focus on ICT infrastructure upgrades to meet the demands of remote working and new digital services.
- Work to become more child friendly, Dementia friendly and achieve Age Friendly status will now be considered as part of our Coronavirus Recovery strategy.
- Progress key Welsh language priorities including the More than Just Words Framework in Social Services and the WESP in line with WG's revised timetable.

Objective 3: Support people at home and in their community:

- It has not been possible to promote and generate income from out of hours use of our modern school facilities due to COVID restrictions.
- The consultation on the Council's Arts Strategy has not progressed due to reprioritisation of resources in response to COVID-19 and ongoing restrictions.
- Despite ongoing restrictions, we have collaborated with partners to increase diversity of leisure, art and cultural learning opportunities online.

Objective 2: Support learning, employment and sustainable economic growth:

- Ensure WG's Shared Expectations document informs our ongoing preparations for the new curriculum, which have now re-commenced.
- Although training and a supporting toolkit has been provided to schools, COVID-19 restrictions have delayed the roll out Person-Centred Planning in educational settings for learners with ALN.

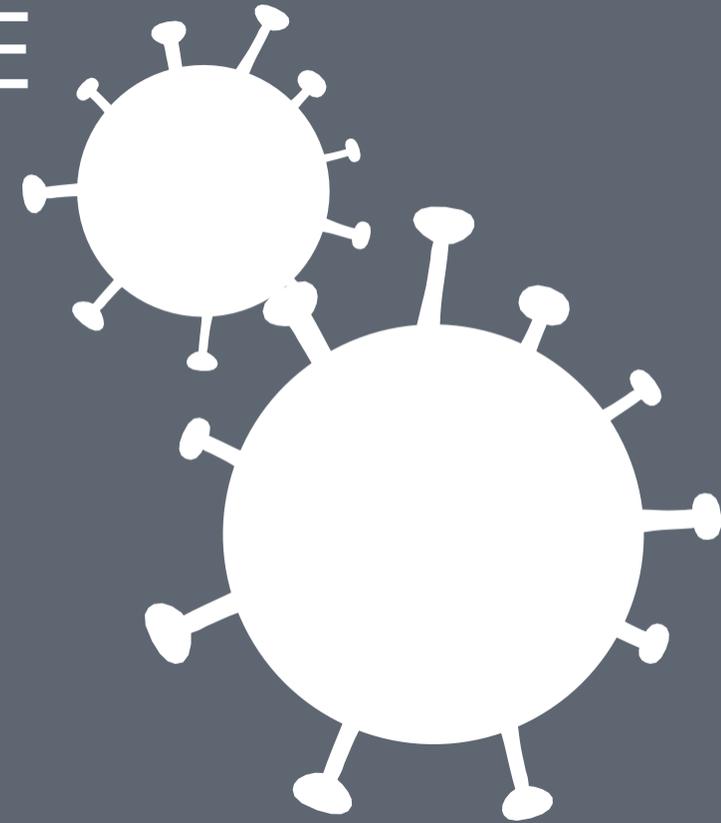

Objective 4: Respect, enhance and enjoy our environment:

- Progress planned work to improve air quality around schools, delayed due to the impact of COVID-19 restrictions.
- Increase diversity and opportunities for community participation in leisure, art and cultural learning online.

CORONAVIRUS RECOVERY UPDATE

- ❖ Introduced a Vulnerable Children Tactical Group, which has supported vulnerable children and young people in accessing school hubs, school holiday play provision, and assisted their return to schools.
- ❖ Collaborated to reduce potential for vulnerable learners to become NEET, including support for transition to post 16 education and training for all vulnerable learners currently in Year 11.
- ❖ A revised programme of ACL for 2020-21 has been submitted to Welsh Government and tutors have continued to teach and support their learners via digital means throughout the pandemic.
- ❖ Focussing on key priorities in preparation for implementation of the ALN Reform ACT, September 2021.
- ❖ Developing sustainable approaches to support pupils eligible for free school meals who are required to isolate as a result of COVID.
- ❖ Collaborated via C4W to secure employment opportunities, work placements and training for clients needing qualifications or training to facilitate employment.
- ❖ Library services have moved online and continue to expand their learning and leisure offer.
- ❖ Introduced a Blended Learning Team to improve wellbeing and support for attendance and engagement.
- ❖ CCG projects continue to provide early intervention services, focusing on supporting the most vulnerable.
- ❖ Revised EOTAS contracts providing alternative arrangements that ensure access to the full curriculum.
- ❖ Developing school projects with low or net zero carbon in-use as part of the 21st Century schools programme.
- ❖ Improving Active Travel routes around schools, including, scooterpods, balance bikes and cycle pods.
- ❖ Established a flexible model of remote working which has improved efficiency, reduced travel thereby reducing our carbon footprint.
- ❖ Supporting schools in managing the WG Accelerated Learning Programme Grant targeted to support year groups 7, 11, 12 and 13.
- ❖ Invested in the network infrastructure across all schools in the Vale, and provided 4000 pupil and teacher devices to support learning.

ANNUAL DELIVERY PLAN MONITORING REPORT 2020/21

QUARTER 2 – HOMES & SAFE COMMUNITIES SCRUTINY COMMITTEE

PERFORMANCE SUMMARY

ANNUAL DELIVERY PLAN 2020 / 2021

WHAT HAVE WE ACHIEVED?

Objective 1: Work with and for our communities

Results from a customer feedback exercise undertaken in 2019/20 were received into the Shared Regulatory Service which revealed that customer satisfaction was excellent.

All building compliance data is up to date and progress has been made in ensuring that Social Services buildings have effective and robust building compliance arrangements in place.

Objective 3: Support People at home and in their community

The One Stop Shop advice service continues to offer support services to individuals with housing related support needs, including those who are homeless or threatened with homelessness.

The ASB team worked through 1,263 ASB incidents generating 532 referrals. Additional CCTV cameras have now been deployed in identified hotspots to help reduce incidents in these areas and early indications show a positive impact.

Brecon Court and Holm View phase 1 development is now ready for new tenants.

Objective 2: Support learning, employment and sustainable economic growth

The Barry Secondary Learning Communities procurement project received “highly commended” in the Wales Go Awards, Social Value category and was short listed for the Welsh Government and UK Go Awards in Social Value.

Supported the development of volunteering and time-banking opportunities available within the community for the benefit of our citizens with care and support needs.

Objective 4: Respect, enhance and enjoy our environment

Continued to investigate opportunities for an affordable carbon neutral housing development and have undertaken work to help improve thermal efficiency in our existing housing stock.

Work has progressed in establishing an integrated enforcement team to help minimise the detrimental impact of pollution to our environment and on people’s well-being.

The environmental scheme at Margaret Avenue has been completed however it has not yet been possible to open the community garden to the public in light of the current Covid restrictions.

PERFORMANCE MEASURES SLIPPED	
COVID-19 Related reasons	1 / 1 (100%)
NON-COVID Related reasons	0 / 1 (0%)

WHAT DO WE NEED TO IMPROVE?

Objective 1: Work with and for our communities

The Council's significant shift towards greater use of digital technology to prevent spread of infection may exacerbate the existing digital divide and increase social exclusion.

Development of the Tenant and Leaseholder Engagement Strategy has been impeded by the absence of the project lead.

Limited progress made in identifying a suitable site for the Gypsy and Traveller community.

Objective 3: Support people at home and in their community

Work on developing a new Community Investment Strategy has continued but has been impacted by the absence of the project lead.

The ongoing restrictions resulting from the pandemic has prevented officers from visiting households in order to progress Disabled Facility Grants.

Progress on the development of an Older Person Accommodation with Care, Care Ready and Support Strategy has been impeded as we focus on additional housing presentations caused by the pandemic.

Objective 2: Support learning, employment and sustainable economic growth

We have suspended the majority of face to face Community Investment interventions and projects in line with Covid-19 regulations.

The SRS have been unable to implement actions to improve business trading practises due to the pandemic and redirection of resources. Training courses have not been delivered due to social distancing restrictions but business owners continue to be supported with Covid-19 compliance.

Objective 4: Respect, enhance and enjoy our environment

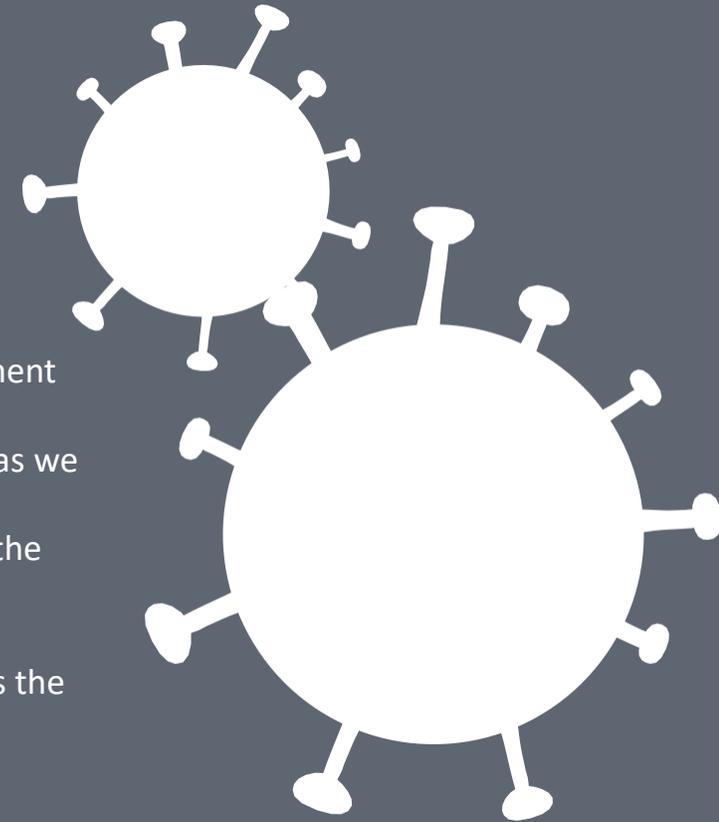

Work to develop a sustainable alternative sewage arrangement for residents at Channel View, Marcross has been delayed by 6 weeks as a staff member that was leading the tender exercise has left the team.

The environmental scheme at Margaret Avenue has been completed however it has not yet been possible to open the community garden to the public in light of the current Covid-19 restrictions.

CORONAVIRUS RECOVERY UPDATE

- ❖ Provision of bed and breakfast accommodation for homeless persons in accordance with the Welsh Government Covid-19 Homelessness Plan.
- ❖ We will submit bids to WG for longer term accommodation to address the increased homelessness demand as we come out of transition and into recovery.
- ❖ Worked with tenants to provide advice and support enabling them to better manage their finances manage the early effects of Universal Credit during the pandemic.
- ❖ Working with partners across the Vale and wider area to address and improve issues of social cohesion.
- ❖ Support provided for the increased instance of anti-social behaviour including preventative measures such as the purchase of mobile CCTV units.
- ❖ Increased enforcement activity ensuring that businesses comply with social distancing and other COVID-19 controls including new alcohol licencing arrangements.
- ❖ SRS have lead on the Track, Trace, Protect project for all three authorities.
- ❖ Expansion of Vale Hero's and Stronger Communities fund to support more community projects with particular emphasis on bringing together funding sources.
- ❖ Continue to deliver affordable housing to meet needs through the planning system.
- ❖ Support Housing Services to deliver new Council House building through planning policy agent support services.
- ❖ Families First has continued to provide full funding to its Young Carers respite service to support vulnerable and isolated young people. A full programme of activities and support has been ongoing.
- ❖ Families First Disability strand services (Families First Holiday club, Integrated Youth Provision and The Index) have continued to provide information and respite services for disabled young people and their families during holiday periods.

ANNUAL DELIVERY PLAN MONITORING REPORT 2020/21

QUARTER 2 – CORPORATE PERFORMANCE & RESOURCES SCRUTINY COMMITTEE

PERFORMANCE SUMMARY

ANNUAL DELIVERY PLAN 2020 / 2021

WHAT HAVE WE ACHIEVED?

Objective 1: Work with and for our communities:

- Accelerated improvements in our use of digital technology to develop online services and in engaging with residents and service users.
- Promoted support available under the Armed Forces Covenant with a focus on access to benefits, schools, homelessness prevention, veterans advice and child care and family support.
- Sickness absence levels improved to 3.40 days per FTE, compared with 4.74 days in the same period last year.
- 50% savings targets achieved despite challenging times.
- 85% customer enquiries to C1V was resolved at first contact (18,015 of 21,184 enquiries).

Objective 3: Support people at home and in their community:

- Despite challenges, we have progressed work to achieve Dementia Friendly status in our libraries by promoting the Reading Well prescription scheme via click and collect.
- Reviewed our Brexit plans to ensure our services and communities are effectively preparing for change.
- Effectively collaborated with key stakeholders to coordinate the Council's response and recovery from COVID-19.

Objective 2: Support learning, employment and sustainable economic growth:

- Increased voluntary organisations and individuals volunteering in response to the pandemic. Worked collaboratively to develop and promote more opportunities within the Council and in our communities.
- Collaborated on a digital learning project for our most disadvantaged communities with a focus on vulnerable people to reduce loneliness, isolation and improve mental health.

Objective 4: Respect, enhance and enjoy our environment:

- Promoted the Public Services Board Staff Healthy Travel Charter via digital well-being opportunities and a new staff cycle scheme – 113 cycles purchased so far.
- Good progress in developing a Green Infrastructure Strategy to help mitigate the impact of our activities on climate change.
- Established a flexible model of remote working across services which has improved efficiency and reduced travel thereby reducing our carbon footprint.

WHAT DO WE NEED TO IMPROVE?

Objective 1: Work with and for our communities:

- Development of a single point of access to Well-being Matters services remain on hold due to COVID-19.
- Work on developing options for income generation as part of our COVID-19 recovery response.
- Programme of engagement planned for Q3 will provide an opportunity to trial new engagement methods to inform our review of the Corporate Consultation and Engagement Strategy and reflect changes to how our communities interact as a result of COVID-19.

Objective 2: Support learning, employment and sustainable economic growth:

- COVID-19 restrictions and the need to reprioritise resources have slowed progress in expanding the Council's Apprenticeship Scheme.
- Whilst we have seen an increase in staff volunteering, the development of a corporate policy remains on hold due to reprioritisation of resources in response to the pandemic.

Objective 3: Support people at home and in their community:

- It has not been possible to promote and generate income from out of hours use of our modern school facilities due to COVID restrictions.
- Expanding and promoting a wide range of accessible physical activity opportunities in line with Public Health's Move More Eat Well Plan remains challenging given ongoing COVID-19 restrictions.

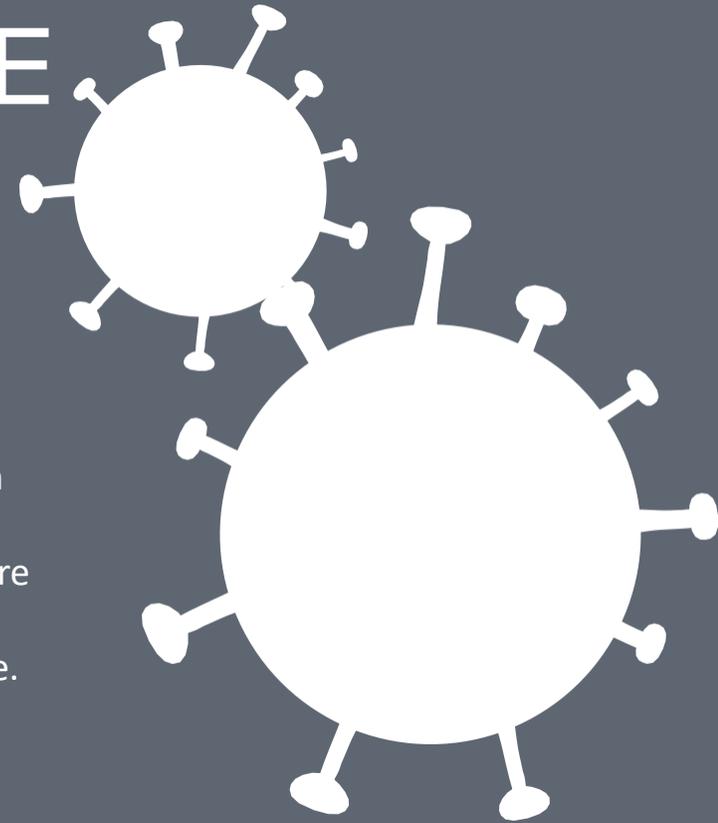

Objective 4: Respect, enhance and enjoy our environment:

- Discussions on potential transfers of assets to clubs and organisations remain on hold due to their inability to generate income at this time.
- Work with the PSB to develop an action plan in response to the Vale's Climate Change Emergency as part of our COVID-19 recovery response.

CORONAVIRUS RECOVERY UPDATE

- ❖ Supported recovery of educational settings with effective communications to pupils, parents, and the wider community highlighting COVID-secure measures in place.
- ❖ Promoting local businesses and town centres whilst observing local and national restrictions in place.
- ❖ Established rolling programme of engagement with local communities, including small businesses, to inform re-focusing of capital programme.
- ❖ Engaging with BAME communities in developing new a regional approach to communicating public health messages.
- ❖ Engaging with local communities and other key stakeholders to inform development of green infrastructure strategy.
- ❖ Developing a long-term communications strategy for promoting commitment to reduce, reuse and recycle.
- ❖ Working collaboratively to develop a new strategy for, and the platforms required to deliver, a new approach to supporting colleagues' development and well-being.
- ❖ Established a flexible model of remote working which has improved efficiency, reduced travel thereby reducing our carbon footprint.

Healthy Living and Social Care Scrutiny Committee

Performance Exceptions

Service Plan Actions	% Complete	Direction of Travel	Commentary
AS/A003: Create a sustainable and integrated model for single point of access to Well-being Matters Services (via the Contact Centre).	15%	↔	We have been unable to re-commence this project in Qtr 2 as envisaged, as the pressures in the system remain. The commitment to re-establish this project remains, however resources have had to be redeployed at present to meet other service pressures, and this prevents the capacity to release staff for engagement workshops and project team to have the space to think innovatively and dedicate the time to this project at this time.
AS/A008: Optimise opportunities for universal and community services to promote active and healthy lifestyles.	35%	↑	The progress to shift our services online has continued to grow over qtr 2. We have been considering how we return to some provision of day services, and anticipate a return to provision during Qtr 3, dependent on the guidance from PHW, WG and local policy at the relevant time. Ensuring that we have Covid-safe spaces and practices to welcome people back to. Support Planners within LD have secured and are developing an allotment space for people who receive Direct Payments to use to grow produce and develop skills in a safe outdoor environment, particularly important during the pandemic.
AS/A011: Development of an 'alliance model' within the Vale locality that will enable us to operate more effectively across organisational boundaries.	30%	↑	The Locality Manager post did not become full time in Q2, and will remain part time for some time yet, due to the need to support testing within the Region. However, some progress has been made towards the development of the Alliance model and further progress is planned for Qtr 3 to regain some of the momentum lost due to the response to the pandemic.
AS/A009: Extend the GP triaging pilot through effective implementation and evaluation.	30%	↑	The GP Triage pilot has remained paused during Q2, as many resources were diverted to respond to the pandemic and remain so. However, the project team has been working on other models of care and evaluation of the initial phases, and also assisting the cluster in assessing their responses to the pandemic. the pilot will not be re-instated this financial year, but if there is funding available in 2021-22 then a proposal will be submitted for the RPB consideration to further pilot the project.
RM/A003: Develop our use of technology to optimise how we contribute to improving the planning and co-ordination of social care services to our citizens.	35%	↑	Progress Q2 in residential services: due to ongoing COVID concerns. Digital Medication administration system 'on hold' until it is possible to facilitate roll out. Digital learning programme for staff has been rolled out and is successful.
RM/A008: Co-ordinate and embed the 'More than just Words' Framework across the Social Service.	35%	↓	Contact has been made with Cardiff Council with a view to re-establish the Regional Forum. A contact with Welsh Government is being sought to ascertain the status of More than Just Words and whether there is a Plan for 2020/21.

Service Plan Actions	% Complete	Direction of Travel	Commentary
RM/A011: Implement an outcomes-based approach to commissioning contracting services across both a regional and localised footprint.	35%	↓	Additional clarification has been required regarding the use of the Individual Client Contract, and the issue is currently being resolved. And so, this action is expected to be completed by the end of October.
CS/A011: Under the direction of the Youth Offending Service Management Board, work in collaboration with our partners to identify and agree a set of priorities for the service that will enable us to enhance outcomes for children and young people.	25%	↑	The National Standards Audit and a benchmarking exercise were presented to the YOS Management Board on 08 September 2020 where a request was made for a single action plan to be developed to enable identification of leads for each area. A new date to discuss the action plan is to be arranged.
NS/A011: Work in partnership with the Health Authority to assist in the implementation of the Move More Eat Well Agenda for 2020/21 including exploring the potential for specific posts.	10%	N/A	These posts are currently on hold due to the Covid situation impacting on this area of work. Also, still waiting for written confirmation from Public Health regarding the duration of the funding, as this will determine the duration of the post. The NERS scheme is not currently being allowed to restart (as determined by Public Health who fund NERS) so it is not an appropriate time to employ a new NERS Officer. Discussions have taken place with Health Authority to try to progress this action and they will continue to be chased to decide on most appropriate time to advertise these posts. Potential ideas have been identified by the Healthy Living Team for use of underspend (to establish a funding programme which would be available to local sport/physical activity providers who can impact on this agenda). Awaiting feedback from Public Health as to whether they are happy to progress with this use for the underspend.
NS/A008: Improve the health and well-being of people in the Vale of Glamorgan by increasing the number of people who have access to quality sports and physical activity opportunities.	10%	↑	Facilities have reopened with significantly reduced capacities. Other activities such as sports development are also looking at practical ways, in partnership with their funding partners, that they can provide services but again these are significantly reduced from previous service standards. Work is continuing to plan how more activities can be offered within the existing restrictions and how the service will implement further recovery initiatives when permitted to do so.
NS/A006: Work with partners to increase levels of participation and physical activity opportunities in the Vale of Glamorgan to encourage active and healthy lifestyles for all.	15%	↑	Whilst Leisure facilities have reopened the long term financial picture is far from clear and as such it is not possible to progress with the contract extension with so many unknowns. Work is continuing in terms of partnerships and implementation of strategies but again the current issues surrounding Covid 19 make significant progress impossible.
NS/A007: Work in partnership to deliver a comprehensive play programme that improves the well-being of children and their families.	25%	↑	Whilst Covid 19 prevented the delivery of the usual summer programme, a more focused programme was delivered, with a particular focus on identified vulnerable children / young people and those being more impacted upon by Covid. Projects included: <ul style="list-style-type: none"> • Delivery of summer provision for identified vulnerable children/young people and disabled children/young people as part of a collaborative approach with Healthy Living Team, Social Services, Prevention & Partnership Team, Education & Vale People First which was funded by Welsh Government Covid funding and Families First funding. 131 children / young people attended this provision. A new CIW registered

			<p>provision was created (Vale Play Pavilion) to provide day provision for 29 vulnerable children identified by Social Services (accruing 221 participations) whilst 53 disabled children attended the Families First Holiday Club (488 participations).</p> <ul style="list-style-type: none"> • Healthy Living Team worked in partnership with Wick Community Council to deliver family- based sessions in the community over a 4 week period. Feedback highlighted in addition to increase access to play/physical activity, the sessions also supported the families and increased their confidence to go back into the community following lockdown. • Healthy Living Team worked in partnership with United Welsh Housing to deliver open access play and sports sessions to children and young people living in Caerleon Road (Dinas Powys) and the surrounding area. The activities were delivered to assist with reducing antisocial behaviour that was being experienced in the area. Members of the South Wales Neighbourhood Police Teams attended some of the sessions and the Youth Service attended a couple of the sessions to distribute free food. 64 children attended the provision accruing 259 participations over the 12 sessions. • Promotion of low cost/no cost activities via online Active August campaign and a virtual National Play Day event. Whilst some areas of development have had to stop due to Covid, progress is being made in some areas of the Play Sufficiency plan via the above projects and also in other areas such as feasibility of developing Street Play policy. Plans are in place to reinstate community-based play sessions if current Covid restrictions do not change.
NS/A014: Review and implement the options for the transfer of assets including sports grounds, parks, open spaces, allotments, public conveniences and clubs to Town and Community Councils and other third parties.	0%	↔	With no income available to clubs / organisations at the present time discussions regarding new transfers have been put on hold after discussions with the Cabinet member. Some informal meetings have been held with a few clubs who are were making plans for transfer but their inability to generate income at the present time has been highlighted as a barrier to any potential transfer until the Covid issue improves significantly.
HS/A009: Develop an Older Person Accommodation with Care, Care Ready and Support Strategy to meet the needs of older people.	25%	↔	The focus continues on the pandemic and additional homelessness presentations and responding to Welsh Government requirements. Priority must be given to continue with implementing Phase 2 & 3 of the Welsh Government guidance to deal with the high number of people in temporary accommodation in the Vale and to find them an appropriate permanent home with support that meets their individual need. Work continues on the Penarth Village proposal and preplanning advice will be sought in the next few weeks. Still awaiting the result of the ICF capital bid for £573k to fund the continued site investigations and planning development.
SL/A016: Promote community use of school facilities and maximise opportunities to generate income from out of hours use of these modern facilities by community and other groups.	25%	↑	This has not as yet progressed initially as a result of school closures and more recently due to covid restrictions on community groups/ meetings.

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	Direction of Travel	Commentary
PAM/017 (LCS/002b): Number of visits to local authority sport and leisure facilities during the year where the visitor will be participating in physical activity per 1,000 population.	5115.5	304.4	11,370	↓	Nil return from key contributors to PI include Schools, Community Centres and Sports Development. Leisure Centre usage only roughly 20% of normal quarter figures.
CPM/094 (CPM/027) (PAM015): Average number of calendar days taken to deliver a Disabled Facilities Grant.	186 days	308 days	190 days	↓	The pandemic has prevented officers from visiting households in order to progress DFG grants. The ongoing lockdown has perpetuated this'

Environment and Regeneration Scrutiny Committee

Performance Exceptions

Service Plan Actions	% Complete	Direction of Travel	Commentary
NS/A010: Continue to support the running of the Greenlinks Community Transport service to transport passengers around the Vale.	25%	N/A	Covid-19 volunteer recruitment has not been possible during the height of the pandemic. However, since lockdown measures were reduced, volunteers have been offering their services again to drive for Greenlinks or undertake PPE deliveries (something the Passenger Transport Team have been assisting with). Greenlinks members are being taken on shopping trips, to medical appointments and work. A report will be presented to Cabinet in Q3 to look at how the service will be funded in 2021/22 and beyond.
NS/A012: Continue to develop a more environmentally sustainable fleet including the use of hybrid and electric vehicles, electrical charge points and expansion of electric bike scheme.	0%	↔	Due to the onset of Covid-19 and inability to progress this scheme, no work has been undertaken in Q1. As we move to a recovery phase this area of work can be picked up. Electric bikes have been purchased but not yet used as training was scheduled for the week Wales went into lockdown.
NS/A013: Implement the main road LED lighting scheme with the use of SALIX finance.	25%	↔	Lanterns, columns and equipment have been ordered but no installation has taken place as yet due to current circumstances/pandemic. However, it is worth noting that originally VoGC allocated 26 weeks for this work, but the appointed contractor has programmed to complete this work in 14 weeks ensuring we get back on track.
NS/A014: Review and implement the options for the transfer of assets including sports grounds, parks, open spaces, allotments, public conveniences and clubs to Town and Community Councils and other third parties.	0%	↔	With no income available to clubs / organisations at the present time, discussions regarding new transfers have been put on hold following discussion with the Cabinet member. Some informal meetings have been held with a few clubs who are were making plans for transfer but their inability to generate income at the present time has been highlighted as a barrier to any potential transfer until the Covid-19 issue improves significantly.
NS/A019: Commence the construction of a Waste Transfer Station for Barry.	25%	↑	Preplanning application is complete, and a full planning application is pending. This is delayed due to issues around the drainage proposal and new standards introduced. New designs for approval will be completed early in quarter 3 and planning permission will be submitted in October/November 2020. Construction is now likely in quarter 4.
NS/A023: Implement the Llanmaes Flood Risk Management Scheme.	25%	↑	Land negotiations with third party landowners are ongoing via Estates team. No specific agreements over the necessary works has yet been confirmed or formalised but at least one land agent has been appointed. Additional survey and ground investigations were completed in September. Detailed design by AECOM has recommended following agreement of a new contract and results of ground investigations. The programme is under review, but construction is now programmed to commence in Spring 2021, subject to land negotiations, all necessary consents, including future grant application to Welsh

			Government.
Service Plan Actions	% Complete	Direction of Travel	Commentary
RP/A012: Continue to develop and promote the Vale of Glamorgan events programme focusing on economic and tourism growth.	15%	↔	All events are postponed until further notice for safety reasons. Budget repurposed to support town centres through the current crisis.
PB/A018: Develop a strategic response (and associated plan) to the Council's declaration of a Climate Change Emergency including supporting the Public Services Board to undertake work to tackle climate change in partnership.	35%	↑	Across the council there continue to be examples of good work which is helping to tackle climate change. This also continues to be a PSB priority and is a recovery priority for the council. Work has been undertaken to develop a range of position statements to enable the next stage in the discussions around climate change and the development of an action plan.

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	Direction of Travel	Commentary
CPM/111: The percentage of reported fly tipping incidents which lead to enforcement activity.	0%	2.8%	10%	↑	Total of 106 incidents of fly tipping, of which 3 tickets were raised for enforcement activity.
CPM/100 (CPM/154): Percentage of Council streetlights that are LED.	67.33%	68%	90%	↑	Salix funding available to replace another 3,713 lanterns to LED on Strategic Routes. Its anticipated work will be completed March 2021.

Learning and Culture Scrutiny Committee

Performance Exceptions

Service Plan Actions	% Complete	Direction of Travel	Commentary
HR/A004: Lead on developing a Talent Attraction Strategy that enables the Council to build and retain a diverse workforce with the right skills for the future.	0%	N/A	No action in Q2 due to pandemic
HR/A005: Contribute to the corporate workstreams associated with creating an inclusive culture and workplace environment for all LGBT employees in the Council.	15%	↔	No further action due to pandemic.
HR/A003: Review recruitment practices to increase diversity within the Council's workforce.	0%	↔	No action in Q2 due to pandemic
PB/A009: Progress work in relation to achieving the Age Friendly Status for the Vale of Glamorgan and take steps to become more child friendly and more dementia friendly.	10%	↔	<p>Work has commenced on this action and a presentation for the PSB and a draft letter to the commissioner has been prepared. This will be considered by the PSB at the October meeting as the priorities for the PSB have been the response to the coronavirus pandemic.</p> <p>SLT have endorsed in principle the Council applying for the status and this will now be considered in light of the work being undertaken by the Council in recovering from coronavirus. Decisions about lockdown, services and recovery are considering the needs of older people (e.g. Vale Heroes, crisis team, library services, keeping forum meetings going and developing a newsletter, on line activities for older people from the sports team and in the re-opening of public toilets). We have also considered the needs of people with dementia e.g. work with care homes. From a children perspective an emphasis has been given during the quarter to developing on line activities through the libraries and play team. play areas opening as soon as possible, work with schools etc and the youth service.</p>
PB/A012: Develop and co-ordinate a range of activities as part of work to improve inclusivity in the workplace.	25%	↑	An online meeting of the Equalities Consultative Forum (ECF) will take place in November. We have added to ECF membership to strengthen engagement with organisations representing the interests of Black, Asian and minority ethnic people. We continue to send relevant information to ECF Members. We will explore engagement with the Forum.
HS/A003: Identify and develop a suitable Gypsy and Traveller site in consultation with Gypsy and Travellers and other stakeholders including Welsh Government to ensure equality of opportunity for all and compliance with the Housing (Wales) Act 2014.	0%	↔	Report written by Planning to seek approval from the Strategic Housing Board (SHB) on how to proceed to try to identify a site to go to next SHB in December for approval as September meeting cancelled due to local lockdown.

Service Plan Actions	% Complete	Direction of Travel	Commentary
RM/A008: Co-ordinate and embed the 'More than just Words' Framework across the Social Service.	25%	↑	Contact has been made with Cardiff Council with a view to re-establish the Regional Forum. A contact with Welsh Government is being sought to ascertain the status of More than Just Words and whether there is a Plan for 2020/21.
AS/A004: Build on the linguistic skills of the Division to support roll out the next stage of the Welsh Language Strategy.	15%	↑	Adult Services is committed to the promotion of the Welsh language throughout our services. All posters and signage in public facing offices/reception areas are bilingual, reception staff answering our phones respond in Welsh and actively offer the call to be conducted in Welsh. Unfortunately, we have minimal Welsh speakers in the department to manage enquiries in Welsh which may lead to a delay. We will seek to review the barriers to us extending the offer in qtr. 2 and develop an Action Plan to remove any delay for people wishing to interact with the department in Welsh. This action is outstanding and will be addressed in Qtr 3.
CS/A003: Explore opportunities for how we better engage and understand the Welsh Language needs of our children, young people and families that use our services.	25%	↑	The current Covid-19 circumstances have not allowed for progression of this work in this area during Q2 other than all posters and signage in public facing offices/reception areas are bilingual, reception staff answering our phones respond in Welsh and actively offer the call to be conducted in Welsh.
SL/A007: Lead on implementing the Vale of Glamorgan Welsh in Education Strategic Plan (WESP), focusing on the six key priority areas.	25%	↑	The new Welsh in Education Strategic Plan (WESP) regulations that came into force in January 2020 laid down the timetable and requirements for the introduction of the new ten-year strategic plans. Welsh Government due to Covid-19 have relaxed the timetable for the introduction of the new ten-year strategic plans. This means that plans will now need to be in place by September 2022, rather than September 2021. All Council's in Wales are awaiting a full revised timetable with more detailed information regarding any proposed changes from Welsh Government.
SL/A016: Promote community use of school facilities and maximise opportunities to generate income from out of hours use of these modern facilities by community and other groups.	25%	↑	This has not as yet progressed initially as a result of school closures and more recently due to Covid restrictions on community groups/ meetings.
ALN/A006: Develop a regional approach to increase the ALN provision available to Welsh medium schools to ensure sufficiency of provision.	25%	↔	No further work has been undertaken on a regional level in relation to this area this term. A meeting with the regional transformation lead is scheduled in October to discuss how this area of work can be progressed.
ALN/A011: Support schools in the introduction of Person-Centred Planning (PCP), Individual Development Plans (IDPs) and further develop Provision Mapping and tracking of the progress of pupils with ALN.	25%	↑	An officer has worked with governor support team to keep Governors abreast of ongoing developments for the ALN Act. Regional work on this area is now recommencing due to current circumstances.

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	Direction of Travel	Commentary
CPM/129: Percentage of I2W young people engaged against target.	N/A	7%	12%	N/A	To date this quarter, we are behind on profile due to COIVD, although we are behind overall the project is 25% over target so no issues moving forward.
CPM/102 (CPM/051) Number of visits to public libraries during the year per 1,000 population.	2711.1	74	4700	↓	9771 physical visits were made to libraries this quarter. Most of the visitors came to collect books which they had reserved online, others came to the door to ask questions. From the 10th August we began to allow users to enter the main 4 libraries to browse shelves and use PCs by appointment. A total of 305 came took up a PC booking and 812 visited to browse and select their own books, all these figures being included in the 9771-visitor total. Not included in the total are the 5041 phone calls answered and the 6180 views or likes of library activities online. The online figure is a rough guide only. We continue to investigate accurate ways to properly record online interactions but hope to find a simple method to record engagement in this new area of work to provide services to our customers. Regular story times and other activities now happen on online channels and there is much activity on social media to keep library users informed and engaged.

Performance Exceptions

Service Plan Actions	% Complete	Direction of Travel	Commentary
HS/A001: Develop a new Tenant and Leaseholder Engagement Strategy to improve how we involve, engage and communicate with our tenants and leaseholders.	35%	↑	The project lead has been off work for the last 6 weeks which has impeded progress. The work will resume shortly when they are back in work and will be accelerated to ensure the lost time is recovered and the original target times are kept.
HS/A002: Contribute towards the Council's Digital Vale programme by developing a Digital Transformation Strategy for Housing and Building Services.	25%	↔	Awaiting the completion of the service specification by the external consultant which will be used to undertake consultation with staff prior to sign off to tender via Sell2Wales website.
HS/A003: Identify and develop a suitable Gypsy and Traveller site in consultation with Gypsy and Travellers and other stakeholders including Welsh Government to ensure equality of opportunity for all and compliance with the Housing (Wales) Act 2014.	0%	↔	Report written by Planning to seek approval from the Strategic Housing Board (SHB) on how to proceed to try to identify a site to go to next SHB in December for approval as September meeting cancelled due to local lockdown.
HS/A005: Continue to promote community investment opportunities to assist Council tenants into volunteering, training and work opportunities.	25%	↔	It has been necessary to suspend the majority of face to face CI interventions and projects in line with the Covid regulations. This has included the Timebanking scheme and Employability initiatives. Recently it has been possible to restart some of the training via the Opportunity Knocks programme, albeit at a lower scale and in a different venue which allows for social distancing. The programme continues to support those tenants furthest from the job market to get back into employment or training.
HS/A008: Develop a new Community Investment Strategy to include initiatives that will build strong resilient communities and improve tenant quality of life and wellbeing.	35%	↑	Work on the Strategy has continued but has been impacted by the project lead being off work. Priorities have been identified to promote digital inclusion, strengthen tenant engagement and continue to support employability.
HS/A009: Develop an Older Person Accommodation with Care, Care Ready and Support Strategy to meet the needs of older people.	25%	↔	The focus continues on the pandemic, additional homelessness presentations and responding to Welsh Government requirements. Priority must be given to continue with implementing Phase 2 & 3 of the Welsh Government guidance to deal with the high number of people in temporary accommodation in the Vale and to find them an appropriate permanent home with support that meets their individual needs. Work continues on the Penarth Village proposal and preplanning advice will be sought in the next few weeks. Still awaiting the result of the ICF capital bid for £573k to fund the continued site investigations and planning development.

Service Plan Actions	% Complete	Direction of Travel	Commentary
HS/A015: Develop a new five-year Local Housing Strategy in consultation with all stakeholders to address local housing needs.	25%	↔	Discussion held at the Overarching Housing Forum on 28th September 2020 on action plan for taking forward the new LHS strategy where it was agreed to retain the 4 aims of the current strategy and update based on the consultation responses received at Planning Day in February. A draft strategy and action plan will be developed with a task and finish group and will be presented to the next Overarching Housing Forum in December.
SRS/A007: Conduct enforcement actions that would remove loan sharks from the communities gradually reducing the incidence of illegal lending.	30%	↑	A number of cases of illegal lending are in the investigation phase, but enforcement has been hampered to some extent by the COVID-19 restrictions. It is hoped that from Quarter 3 on, the Illegal Money Lending Unit will be able to take the necessary enforcement action in a more normal landscape.
CS/A011: Under the direction of the Youth Offending Service Management Board, work in collaboration with our partners to identify and agree a set of priorities for the service that will enable us to enhance outcomes for children and young people.	25%	↑	The National Standards Audit and a benchmarking exercise were presented to the YOS Management Board on 8th September 2020 where a request was made for a single action plan to be developed to enable identification of leads for each area. A new date to discuss the action plan is to be arranged.

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	Direction of Travel	Commentary
CPM/094 (PAM015): Average number of calendar days taken to deliver a Disabled Facilities Grant.	186 days	308 days	190 days	↓	The pandemic has prevented officers from visiting households in order to progress DFG grants. The ongoing lockdown has perpetuated this.

Corporate Performance and Resources Scrutiny Committee

Performance Exceptions

Service Plan Actions	% Complete	Direction of Travel	Commentary
AS/A003: Create a sustainable and integrated model for single point of access to Well-being Matters Services (via the Contact Centre).	15%	↔	We have been unable to re-commence this project in Qtr 2 as envisaged, as the pressures in the system remain. The commitment to re-establish this project remains, however resources have had to be redeployed at present to meet other service pressures, and this prevents the capacity to release staff for engagement workshops and project team to have the space to think innovatively and dedicate the time to this project at this time.
AS/A009: Extend the GP triaging pilot through effective implementation and evaluation.	30%	↑	The GP Triage pilot has remained paused during Q2, as many resources were diverted to respond to the pandemic and remain so. However, the project team has been working on other models of care and evaluation of the initial phases, and also assisting the cluster in assessing their responses to the pandemic. the pilot will not be re-instated this financial year, but if there is funding available in 2021-22 then a proposal will be submitted for the RPB consideration to further pilot the project.
HS/A001: Develop a new Tenant and Leaseholder Engagement Strategy to improve how we involve, engage and communicate with our tenants and leaseholders.	35%	↑	The project lead has been off work for the last 6 weeks which has impeded progress. The work will resume shortly when they are back in work and will be accelerated to ensure the lost time is recovered and the original target times are kept.
HS/A002: Contribute towards the Council's Digital Vale programme by developing a Digital Transformation Strategy for Housing and Building Services.	25%	↔	Awaiting the completion of the service specification by the external consultant which will be used to undertake consultation with staff prior to sign off to tender via Sell2Wales website.
PB/A001: Review the Corporate Consultation and Engagement Strategy to ensure there is clear guidance and principles around how and when to engage with people to ensure that a range of methods are used to meet different needs.	25%	↑	A number of high-profile public engagement activities have been undertaken in Q2 as major projects have come back online. A programme of engagement to run through Q3 that will inform the Annual Delivery Plan and budget setting process is currently being planned and this will provide an opportunity to trial new methods of engagement and review the PE Framework in light of changes to how our communities interact as a result of COVID-19.
PB/A003: Establish mechanisms to ensure that across the Council services, information is shared about planned consultations, engagement and outcomes to reduce duplication and strengthen the Council's evidence-base	25%	↔	A number of high-profile public engagement activities have been undertaken in Q2 as major projects have come back online. A programme of engagement to run through Q3 that will inform the Annual Delivery Plan and budget setting process is currently being planned and this will provide an opportunity to trial new methods of promoting this work, something that now has a heightened importance in light of the continuing decline of the local press.

Service Plan Actions	% Complete	Direction of Travel	Commentary
PB/A009: Progress work in relation to achieving the Age Friendly Status for the Vale of Glamorgan and take steps to become more child friendly and more dementia friendly.	10%	↔	<p>Work has commenced on this action and a presentation for the PSB and a draft letter to the commissioner has been prepared. This will be considered by the PSB at the October meeting as the priorities for the PSB have been the response to the coronavirus pandemic.</p> <p>SLT have endorsed in principle the Council applying for the status and this will now be considered in light of the work being undertaken by the Council in recovering from coronavirus. Decisions about lockdown, services and recovery are considering the needs of older people (e.g. Vale Heroes, crisis team, library services, keeping forum meetings going and developing a newsletter, on line activities for older people from the sports team and in the re-opening of public toilets). We have also considered the needs of people with dementia e.g. work with care homes. From a children perspective an emphasis has been given during the quarter to developing online activities through the libraries and play team. play areas opening as soon as possible, work with schools etc and the youth service.</p>
PB/A012: Develop and co-ordinate a range of activities as part of work to improve inclusivity in the workplace.	25%	↑	An online meeting of the Equalities Consultative Forum (ECF) will take place in November. We have added to ECF membership to strengthen engagement with organisations representing the interests of Black, Asian and minority ethnic people. We continue to send relevant information to ECF Members. We will explore engagement with the Forum.
PB/A018: Develop a strategic response (and associated plan) to the Council's declaration of a Climate Change Emergency including supporting the Public Services Board to undertake work to tackle climate change in partnership.	35%	↑	Across the council there continue to be examples of good work which is helping to tackle climate change. This also continues to be a PSB priority and is a recovery priority for the council. Work has been undertaken to develop a range of position statements to enable the next stage in the discussions around climate change and the development of an action plan.
PB/A017: Lead on and co-ordinate the Council's approach to discharging its duties under the Civil Contingencies Act 2004.	35%	↑	The CPU is currently coordinating, Supporting and advising on the current response and recovery to Covid-19 Pandemic. Including representing on the South Wales Local Resilience Forum (SWLRF) Strategic Coordination Group (SCG) and Recovery Coordination Group (RCG). The re-activation of the SCG response and the Councils stepping back into response. The Civil Protection Officer has been repurposed to support IT for a 3-month period.
RP/A004: Work with colleagues in Estates and Legal Services to develop the Area Based Asset Review Group and identify commercial opportunities from Council land and assets.	15%	↔	This work has temporarily paused as staff have been redirected to COVID efforts but identified assets have been progressing for further development. As and when time allows this work will be picked up.
RP/A006: Work with volunteers to deliver a range of regeneration, rights of way and country parks projects such as Vale Ambassadors and Barry Place Board.	35%	↑	Volunteer engagement has restarted, ensuring safe COVID19 working practices. This has meant that numbers have to be restricted, however sites are trying to accommodate all interested parties where possible. External volunteer groups are still not participating in any activity and are delaying activities until things settle down.

Service Plan Actions	% Complete	Direction of Travel	Commentary
SL/A004: Support delivery of the assets and income generation workstreams of the Council's Reshaping Services Programme by collaborating with partners to optimise use of our assets and maximise income generation opportunities	25%	↑	It has not been possible to progress this work due to school closures and COVID response. Work on this area will be planned as part of COVID recovery in quarter 3 and 4 if this is considered to be feasible.
FS/A004: Support delivery of the income generation and commercial opportunities workstream of the Council's Reshaping Services programme by working with council services to explore and maximise income generation opportunities.	0%	↔	This work has been delayed due to the Covid 19 pandemic. It will be picked up again as work returns to normal.
FS/A006: Lead on embedding the Council's approach to sustainable procurement by working with services to ensure a consistent approach to applying the WBSG Act to our procurement activities.	25%	↑	Work has commenced on reviewing practices within services.
RM/A003: Develop our use of technology to optimise how we contribute to improving the planning and co-ordination of social care services to our citizens.	35%	↑	Progress Q2 in residential services: due to ongoing COVID concerns. Digital Medication administration system 'on hold' until it is possible to facilitate roll out. Digital learning programme for staff has been rolled out and is successful.
RM/A009: Develop and implement an Engagement Action Plan for the Resource Management & Safeguarding Division.	25%	↑	This action has not been prioritised at this time due to the Covid 19 situation.
RM/A011: Implement an outcomes-based approach to commissioning contracting services across both a regional and localised footprint.	35%	↑	Additional clarification has been required regarding the use of the Individual Client Contract, and the issue is currently being resolved. And so, this action is expected to be completed by the end of October.
HR/A001: Support organisational wide change as part of the next stage of the Council's Reshaping Services programme including any HR issues that may arise.	0%	↔	No action in Q2 due to pandemic
HR/A002: Support the development and launch of new corporate service standards to ensure a high standard of customer service for all customers.	15%	↔	No further action due to pandemic. Analysis of information from #itsaboutme will take place from October.
HR/A004: Lead on developing a Talent Attraction Strategy that enables the Council to build and retain a diverse workforce with the right skills for the future.	0%	N/A	No action in Q2 due to pandemic

Service Plan Actions	% Complete	Direction of Travel	Commentary
HR/A005: Contribute to the corporate workstreams associated with creating an inclusive culture and workplace environment for all LGBT employees in the Council.	15%	↔	No further action due to pandemic.
HR/A003: Review recruitment practices to increase diversity within the Council's workforce.	0%	↔	No action in Q2 due to pandemic
HR/A006: Lead on the development and delivery of a Well-being Strategy for the Council.	15%	↑	No further action due to pandemic, however it is planned to commence this work during Q3
HR/A009: Lead on reviewing the Council's Succession Planning scheme to further develop and enhance practices across services to build resilience to meet the challenges of the Reshaping Services Strategy.	25%	↔	No further action due to pandemic.
HR/A018: Develop a strategic workforce plan for the next five years, which identifies skills gaps, growth areas, age profile etc and provides for mitigation.	0%	N/A	No action in Q2 due to pandemic
HR/A008: Create a new Employee Development Programme.	0%	N/A	No action due to delay in #IAM completions and pandemic. Analysis of #itsaboutme data will take place from October.
HR/A011: Implement a Chief Officer Appraisal Scheme as part of the Management Competency Framework to support the development of leadership and management qualities in line with the Reshaping Services Strategy.	0%	N/A	No action in Q2 due to pandemic
HR/A013: Work with our schools, further education establishments, public sector agencies and local businesses to increase opportunities for all, with a particular focus on underrepresented groups and 16-24 year olds to participate in work experience, work placements, apprenticeships and other training opportunities in line with the Council's strategy.	0%	↔	No action due to pandemic. Some work on the Agency provision is planned to take place during Q3 for schools.
HR/A014: Expand the Council's Apprenticeship Scheme to provide a greater number and range of opportunities.	0%	↔	No action due to pandemic and no recruitment of apprentices.
HR/A015: Lead on the development of the Council's approach to supporting its employees to volunteer including the introduction of a volunteering policy	15%	↔	No further action due to pandemic.

Service Plan Actions	% Complete	Direction of Travel	Commentary
SRS/A003: Develop a recruitment strategy together with retention initiatives to address skill gaps within the Shared Regulatory Service.	30%		The strategy approved by the Joint Committee in 2019 has not been developed further during Q2 due to the necessary prioritisation of essential Covid-19 activities together with Test, Trace and Protect responsibilities. Changes to the CIEH professional requirements has resulted in officers being offered opportunities for further development and expressions of interest have been sought. Our commitment to TTP and the expectations being placed on the service has resulted in the creation of three additional temporary COVID Enforcement Supervisor posts to augment the enforcement work we are undertaking across the three Authorities and the recruitment of 11 graduates to backfill posts that have been seconded to TTP and additional enforcement work.
NS/A014: Review and implement the options for the transfer of assets including sports grounds, parks, open spaces, allotments, public conveniences and clubs to Town and Community Councils and other third parties.	0%	↑	With no income available to clubs / organisations at the present time discussions regarding new transfers have been put on hold after discussions with the Cabinet member. Some informal meetings have been held with a few clubs who are were making plans for transfer but their inability to generate income at the present time has been highlighted as a barrier to any potential transfer until the Covid issue improves significantly.

CPM/007 (CPM/214) Spend against approved Council revenue programme.	101.85 %	50.6%	50%	↓	No commentary provided
CPM/008 (CPM/215) Spend against approved Council capital programme.	12.04%	19.9%	50%	↓	No commentary provided
CPM/100 (CPM/154): Percentage of Council streetlights that are LED.	67.33%	68%	90%	↑	Salix funding available to replace another 3713 lanterns to LED on Strategic Routes. Its anticipated work will be completed March 2021
CPM/016 (CPM/223) Percentage of Corporate complaints dealt with within target timescales.	61.17%	59.8%	75%	↓	Performance has declined during the period. However, it is unclear how the move to homeworking has impacted on investigation and / or administration of complaints.

Reference: 2112A2020-21

Date issued: November 2020

Audit of Vale of Glamorgan Council's assessment of 2019-20 performance

Certificate

I certify that I have audited Vale of Glamorgan Council's (the Council) assessment of its performance in 2019-20 in accordance with section 17 of the Local Government (Wales) Measure 2009 (the Measure) and my Code of Audit Practice.

As a result of my audit, I believe that the Council has discharged its duties under sections 15(2), (3), (8) and (9) of the Measure and has acted in accordance with Welsh Government guidance sufficiently to discharge its duties.

Respective responsibilities of the Council and the Auditor General

Under the Measure, the Council is required to annually publish an assessment which describes its performance:

- in discharging its duty to make arrangements to secure continuous improvement in the exercise of its functions;
- in meeting the improvement objectives it has set itself;
- by reference to performance indicators specified by Welsh Ministers, and self-imposed performance indicators; and
- in meeting any performance standards specified by Welsh Ministers, and self-imposed performance standards.

The Measure requires the Council to publish its assessment before 31 October in the financial year following that to which the information relates, or by any other such date as Welsh Ministers may specify by order.

The Measure requires that the Council has regard to guidance issued by Welsh Ministers in publishing its assessment.

As the Council's auditor, I am required under sections 17 and 19 of the Measure to carry out an audit to determine whether the Council has discharged its duty to publish an assessment of performance, to certify that I have done so, and to report whether I believe that the Council has discharged its duties in accordance with statutory requirements set out in section 15 and statutory guidance.

Scope of the audit

For the purposes of my audit work I will accept that, provided an authority meets its statutory requirements, it will also have complied with Welsh Government statutory guidance sufficiently to discharge its duties.

For this audit I am not required to form a view on the completeness or accuracy of information. Other assessment work that I will undertake under section 18 of the Measure may examine these issues. My audit of the Council's assessment of performance, therefore, comprised a review of the Council's publication to ascertain whether it included elements prescribed in legislation. I also assessed whether the arrangements for publishing the assessment complied with the requirements of the legislation, and that the Council had regard to statutory guidance in preparing and publishing it.

The work I have carried out in order to report and make recommendations in accordance with sections 17 and 19 of the Measure cannot solely be relied upon to identify all weaknesses or opportunities for improvement.

Adrian Crompton

Auditor General for Wales

CC: Julie James MS – Minister for Housing and Local Government
Sara-Jane Byrne, Audit Manager
Ian Phillips, Audit Lead

APPENDIX 1: Service Plan Actions contributing to this Well-being Objective

Well-being Objective 1: To work with and for our communities

CP Commitment: 1.1		Improve how we involve, engage and communicate with others about our work and decisions				
Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP1: Improve how we provide information and communicate with people including timeliness, use of technology and face-to-face contact						
AS/A003: Create a sustainable and integrated model for single point of access to Well-being Matters Services (via the Contact Centre).	31/2/2021	15%	We have been unable to re-commence this project in Qtr 2 as envisaged, as the pressures in the system remain. The commitment to re-establish this project remains, however resources have had to be redeployed at present to meet other service pressures, and this prevents the capacity to release staff for engagement workshops and project team to have the space to think innovatively and dedicate the time to this project at this time.	Red	Amber	Corporate Performance & Resources Healthy Living & Social Care
CS/A001: Explore opportunities to maximise our use of digital platforms to enhance our reach and engagement with and for children and young people and their families.	31/2/2021	100%	This exploration has progressed more quickly in the circumstances of the pandemic. We are now using a range of virtual platforms to engage with children and families across the Division. The platforms have been reviewed and refined based on our six month experience of using them. We have invested in technology for staff to support use of these platforms. A process for partially face to face/partially remote CPC's has also been agreed for implementation.	Green	Amber	Corporate Performance & Resources Healthy Living & Social Care
RM/A001: Develop a broad range of engagement and consultation approaches to enable us to effectively engage with our citizens to help shape and define our services.	31/2/2021	75%	This work is ongoing, alternative ways of engagement and consultation in the longer term are being developed. We are currently using virtual approaches for this area of work.	Green	Amber	Corporate Performance & Resources

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
						Healthy Living & Social care
RM/A005: Co-ordinate the implementation of a new Welsh Government Performance Measurement Framework across Social Services.	31/2/2021	50%	Local Authorities will be required to collect and report on all of the metrics in the performance and improvement framework for 2020/21 to the best of their ability given the Covid context. At present WG are not planning on introducing any new Covid specific metrics. The additional SITREP data collected in the weekly reports, including workforce data continue to publish final metric definitions document as soon as possible. Work is progressing with the development of the reports in WCCIS to support the new framework.	Green		Corporate Performance & Resources Healthy Living & Social care
PB/A002: Establish new methods for promoting, monitoring and evaluating the impact of the wide range of communications work undertaken by the Council both internally and externally.	31/2/2021	50%	New methods for gathering insight into the effectiveness of the Council's media relations, social media, and public engagement work are currently being trialled, and the potential for using new software platforms to support this investigated.	Green		Corporate Performance & Resources
ADP2: Improve how we consult and engage with people, focusing particularly on improving engagement with vulnerable groups, those who are seldom heard and those with Additional Learning Needs.						
ALN/A001: Improve the quality and availability of information to parents/ carers, young people and all service users about additional learning needs provision.	31/3/2021	50%	Hwb SharePoint for schools and teachers has nearly been completed to share ALN resources, advice and information. The Website needs further technical IT advice in order to complete and publish information.	Green	Amber	Corporate Performance & Resources Learning & Culture
ALN/A002: Seek the views of service users on current additional learning needs provision and on how to develop provision in future.	31/3/2021	50%	Further consultation around ALN in relation to developing more centralised provision for wellbeing and trauma involving the resource base at Gladstone, PRU and YYD are being undertaken.	Green		Corporate Performance & Resources Learning & Culture

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
SP/A001: Work with Social Services, Central South Consortium Joint Education Service (CSCJES), schools and other external agencies to strengthen our approach to engaging, involving and communicating with vulnerable children and their families to deliver person-centred services that meet their learning needs within all education settings.	31/3/2021	50%	Within the Directorate at end of Q2 compliance for safeguarding training was at 75% for level 1 and 50% for level 2. There continues to be a drive to increase this compliance rate.	Green	Yellow	Corporate Performance & Resources Learning & Culture
SL/A001: Strengthen our approach to communicating, engaging and involving schools, parents and their children and other key stakeholders to ensure all pupils have access to an appropriate learning environment that meets their needs.	31/3/2021	50%	SLY approved a consultation in September on a School Accessibility Strategy that will allow pupils and parents to be involved in informing strategy on access to physical learning environments. This consultation is programmed for quarter 3 and will be reported to SLT in quarter 4.	Green		Corporate Performance & Resources Learning & Culture
HS/A001: Develop a new Tenant and Leaseholder Engagement Strategy to improve how we involve, engage and communicate with our tenants and leaseholders.	31/3/2021	35%	The project lead has been off work for the last 6 weeks which has impeded progress. The work will resume shortly when they are back in work and will be accelerated to ensure the lost time is recovered and the original target times are kept.	Red		Corporate Performance & Resources Homes & safe Communities
SRS/A001: Improve engagement and consultation with stakeholders including service users and residents and review the effectiveness of current mechanisms used to access Shared Regulatory Services.	31/3/2021	75%	Results from customer feedback and associated equalities data for 2019/20 was reviewed and a report produced on the results achieved. Customer satisfaction with the service was excellent and no areas of concern were identified in relation to the public's ability to access SRS services. The mechanisms used to obtain feedback from customers will continue to be reviewed to ensure that they remain effective.	Green		Corporate Performance & Resources Homes & safe Communities

<p>RP/A001: Engage with the community and stakeholders in relation to developer contributions (Section 106) and the planning process to ensure we deliver meaningful social and economic benefits through the planning process.</p>		50%	<p>During Q2, engagement with the communities in the VOG has continued to be difficult in light of the current pandemic. However, the following engagement/consultations have progressed:</p> <ul style="list-style-type: none"> • Belle Vue Pavilion and Park - Community engagement has continued for circa two years. The Vale of Glamorgan Council launched a consultation in 2019 using the Community Mapping Toolkit as a basis, to understand and fully appreciate the views of residents and user groups. Following the feedback from the consultation, the Council applied to Lottery and the “People and Places” grant. This is a two stage application process. The Council has been successful through Stage One and is now preparing the documentation to submit for Stage Two. Subject to approval, the match-funding provided by Lottery could be significant and would help enhance the project. DRAFT plans for Belle Vue Pavilion have been prepared, as a starting point to support discussions going forward. A formal consultation survey is available on the website, and sessions have been held / are being programmed with: The Friends of Belle Vue, Albert Primary School, Belle Vue Bowling Club, Penarth Town Council and other interested parties. • Wenvoe Community Library and hub – S106 Officer currently working with the Community Council to achieve a resolution on this project. • Wick – a scheme for a Multi-use games area has been tendered and it is anticipated that work will start circa December. The scheme has been 	Green		<p>Corporate Performance & Resources</p> <p>Environment & Regeneration</p>

PB/A004: Lead on the 'Connecting Wales' project and how the Contact Centre can provide greater access to services locally and potentially some regional and national services.	31/3/2021	50%	Further Connecting Wales technology was implemented in Vale of Glamorgan during the period. A Chatbot was implemented to support the Vale Heroes initiative ensuring that residents impacted by Covid19 can be self-navigate towards appropriate sources of support on the Councils website. Customer Relations implemented a bilingual webcast service to support customers seeking to access services and information online during the period. A total of 704 webchat interactions were undertaken by 30 September 2020. Work commenced on the integration of email during before end of the financial year. The technology available via the platform continued to be developed during the period with a Microsoft Teams integration being developed. Following successful product demonstrations a proof of concept implementation has been ordered via Shared Resources Services which supports ICT and telephony for Monmouth, Newport, Blaenau Gwent and Torfaen councils. A similar exercise is underway with Rhondda Cynon Taff Council. It is anticipated that commitment will be made to use the technology platform by end of financial year with implementation following. Implementation has commenced for Wrexham Council however this is not due to be completed until February 2021 as a result of significant network upgrades being undertaken. The project is committed to building links with Centre for Digital Public Services	Green		Corporate Performance & Resources

PB/A006: Review the Council's Customer Contact Strategy to maximise the use of digital technology.	31/3/2021	50%	Work has commenced to review the councils Customer Contact Strategy and has identified a new digital customer platform as key to maximising use of digital technology by our residents. The existing Customer Relationship Management (CRM) platform is based on old technology which has prevented the delivery of a positive online experience for our residents and end to end service transformation because of systems integration issues. This CRM will be out of service support in December 2021 and work is underway to identify what will be required from a replacement. Work to complete a detailed functional specification has been commenced in conjunction with colleagues from across all directorates, however key requirements have been identified as – Cloud hosted solution, No/ Low Code configuration, ease of 2-way integration with third party systems, Customer Account so that customers can report, track and update issues. This functionality will allow the council to maximise on-line self-service by residents for high volume, low complexity enquiries while freeing up human resources to deal with enquiries that are low volume but high complexity and high risk, where human attributes add value.	Green		Corporate Performance & Resources
ADP9: Deliver the Council's Reshaping Services transformational change programme for 2020-21.						
AS/A002: Explore alternative care and support models to enable us to effectively support our citizens in their communities	31/3/2021	50%	Due to Covid-19 restrictions the day centres remain closed, but the day centre staff and day centre attendees/carers are working together to find safe ways to reopen the day centres but at the same time explore new ways to open up day time opportunities within the day centre, in people's	Green	Amber	Corporate Performance & Resources Health Living & Social Care

ADP18: Enhance and promote Welsh Language Services and increase the Welsh Language skills of Council staff, with a particular focus on Social Services in response to the More Than Just Words Framework.						
PB/A010: Roll out the next phase of the Council's Welsh Language Strategy with a particular focus on increasing the Welsh Language skills of council staff.	31/3/2021	50%	Advertising took place this week for classes starting on 21st September. Taster sessions will be available online and the Welsh Welcome course continues to be available as well as a specialised one for Social work staff. We are trying to re-start the Mwy Na Geiriau group working with Social services and with Cardiff Council.	Green	Amber	Learning & Culture
PB/A011: Work with council services and partners to identify how Welsh language services and learning opportunities can be enhanced and promoted.	31/3/2021	50%	We continue to work closely with Menter Bro Morgannwg who will be providing play sessions in half term. An online festival took place in the summer which we part-funded.	Green		Learning & Culture
RM/A008: Co-ordinate and embed the 'More than just Words' Framework across the Social Service.	31/3/2021	25%	Contact has been made with Cardiff Council with a view to re-establish the Regional Forum. A contact with Welsh Government is being sought to ascertain the status of More than Just Words and whether there is a Plan for 2020/21.	Red		Learning & Culture Healthy Living & Social Care
AS/A004: Build on the linguistic skills of the Division to support roll out the next stage of the Welsh Language Strategy.	31/3/2021	15%	Adult Services is committed to the promotion of the Welsh language throughout our services. All posters and signage in public facing offices/reception areas are bilingual, reception staff answering our phones respond in Welsh and actively offer the call to be conducted in Welsh. Unfortunately, we have minimal Welsh speakers in the department to manage enquiries in Welsh which may lead to a delay. We will seek to review the barriers to us extending the offer in qtr. 2 and develop an Action Plan to remove any delay for people wishing to interact with the department in	Red		Learning & Culture

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			Welsh. This action is outstanding and will be addressed in Qtr 3.			
LD/A003: Review the house style of the Council's minute production in light of the requirements of the Welsh Language Act.	31/3/2021	50%	The changes currently proposed from September 2020 are considered housekeeping to make the minute preamble more focused without impacting on the recorded decision. This will continue be monitored in line with WG regulations with any plans to significantly amend the format of minutes to be reported to Cabinet for approval. Minutes once published will also be linked to the published recording of the meeting ion acknowledgement of remote meetings taking place (where applicable). Any issues raised as to the accuracy of minutes can be dealt with by any committee at the time of their approval.	Green		Learning & Culture
CS/A003: Explore opportunities for how we better engage and understand the Welsh Language needs of our children, young people and families that use our services.	31/3/2021	25%	The current Covid-19 circumstances have not allowed for progression of this work in this area during Q2 other than all posters and signage in public facing offices/reception areas are bilingual, reception staff answering our phones respond in Welsh and actively offer the call to be conducted in Welsh.	Red		Learning & Culture
ADP19: Implement the Vale of Glamorgan Welsh in Education Strategic Plan (WESP)						
SL/A007: Lead on implementing the Vale of Glamorgan Welsh in Education Strategic Plan (WESP), focusing on the six key priority areas.	31/3/2021	25%	The new Welsh in Education Strategic Plan (WESP) regulations that came into force in January 2020 laid down the timetable and requirements for the introduction on the new ten-year strategic plans. Welsh Government due to Covid-19 have relaxed the timetable for the introduction of the new ten-year strategic plans. This means that plans will now need to be in place by September 2022, rather than September 2021.	Red	Red	Learning & Culture

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			All Council's in Wales are awaiting a full revised timetable with more detailed information regarding any proposed changes from Welsh Government.			
ALN/A006: Develop a regional approach to increase the ALN provision available to Welsh medium schools to ensure sufficiency of provision.	31/3/2021	25%	No further work has been undertaken on a regional level in relation to this area this term. A meeting with the regional transformation lead is scheduled in October to discuss how this area of work can be progressed.	Red		Learning & Culture

CP Commitment: 1.6	Support the development and well-being of our staff and recognise their contribution to the work of the Council

ADP20: Develop a new HR strategy with a particular focus on supporting and improving staff well-being						
HR/A007: Develop a new HR strategy with a particular focus on supporting and improving staff well-being.	31/3/2021	50%	Progress has slipped slightly due pandemic, however has resumed. Consultation will commence during Q2 and into Q3.	Green	Amber	Corporate Performance & Resources
HR/A006: Lead on the development and delivery of a Well-being Strategy for the Council.	31/3/2021	15%	No further action due to pandemic, however it is planned to commence this work during Q3	Red		Corporate Performance & Resources
HR/A009: Lead on reviewing the Council's Succession Planning scheme to further develop and enhance practices across services to build resilience to meet the challenges of the Reshaping Services Strategy.	31/3/2021	25%	No further action due to pandemic.	Red		Corporate Performance & Resources
HR/A018: Develop a strategic workforce plan for the next five years, which identifies skills gaps,	31/3/2021	0%	No action in Q2 due to pandemic	Red		Corporate Performance & Resources

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
growth areas, age profile etc and provides for mitigation.						
HR/A017: Foster collaborative working relationships with all recognised trade unions groups, based on trust, openness, collaboration and mutual respect.	31/3/2021	50%	Regular contact is made with the Trade Unions, with a number of the regular meeting being set up again following a break due to the pandemic. Other meetings such as the Corporate JCF and Corporate H&S meetings will commence in Q3.	Green		Corporate Performance & Resources
ALN/A007: Support the development and well-being of our staff and recognise their contribution to the work of the Council.	31/3/2021	50%	The #itsaboutme process was completed and all identified training has been reflected in learning plans. Managers are attending corporate online engagement sessions again in quarter 2/3. However, as a result of nearly all staff working remotely, planned staff development days have not taken place.	Green		Corporate Performance & Resources
AS/A005: Develop and implement an Engagement Action Plan for the Adult Services Division.	31/3/2021	50%	During quarter two we have continued to engage with staff if they are working from home (which is a significant proportion of our Division) through digital means and organising appropriate socially distanced gatherings in outdoor spaces (as per government and VoGC guidelines) . Whilst we are working from home, we are conscious that some staff deal with this better than others for a variety of reasons - we have been working on opportunities to facilitate access to office space for staff. This is consistent across the Directorate and is based on tasks they are struggling to complete at home, or for wellbeing issues. This is based on individual and service risk assessments. We have regular meetings and prioritise supervision/1-1 sessions. Qtr 2 has seen completion of #itsaboutme plans which will be very useful to assess how staff are coping. A draft engagement plan is in development and will be shared with	Green		Corporate Performance & Resources

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			managers for discussion with team members during October 2020. Additionally, for our staff that remain at work, either in offices or continuing tasks in people's homes (e.g. VCRS, day services provision) we ensure that we are seeking staff regularly to check their wellbeing and offering opportunities for discussions.			
RM/A009: Develop and implement an Engagement Action Plan for the Resource Management & Safeguarding Division.	31/3/2021	0%	This action has not been prioritised at this time due to the Covid 19 situation.	Red		Corporate Performance & Resources
CS/A004: Develop a targeted approach to recruitment of specialist and critical posts and the effective retention of staff within Children and Young People Services to increase service resilience.	31/3/2021	50%	Recruitment activity is continuing although interest through our advert for Social Workers has reduced. Staff retention remains a key priority and staff are being supported.	Green		Corporate Performance & Resources
SP/A003: Promote and involve staff in directorate and corporate engagement initiatives, staff development and well-being activities.	31/3/2021	40%	As with Q1, engagement has been limited due to working remotely. However, there has been an increase in training via Microsoft Teams allowing for development activities to continue. The directorate's planned staff development days have not taken place.	Amber		Corporate Performance & Resources
SL/A008: Further develop directorate development days in order to provide opportunities for skills development, knowledge transfer and disseminate good practice.	31/3/2021	50%	The #itsaboutme process was completed and all identified training has been reflected in learning plans. Managers are attending corporate online engagement sessions again in quarter 2/3. However, as a result of nearly all staff working remotely, planned staff development days have not taken place.	Green		Corporate Performance & Resources
PB/A012: Develop and co-ordinate a range of activities as part of work to improve inclusivity in the workplace.	31/3/2021	25%	An online meeting of the Equalities Consultative Forum (ECF) will take place in November. We have added to ECF membership to strengthen	Red		Corporate Performance & Resources

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			engagement with organisations representing the interests of Black, Asian and minority ethnic people. We continue to send relevant information to ECF Members. We will explore engagement with the Forum.			Learning & Culture
SRS/A003: Develop a recruitment strategy together with retention initiatives to address skill gaps within the Shared Regulatory Service.	31/3/2021	30%	The strategy approved by the Joint Committee in 2019 has not been developed further during Q2 due to the necessary prioritisation of essential Covid-19 activities together with Test, Trace and Protect responsibilities. Changes to the CIEH professional requirements has resulted in officers being offered opportunities for further development and expressions of interest have been sought. Our commitment to TTP and the expectations being placed on the service has resulted in the creation of three additional temporary COVID Enforcement Supervisor posts to augment the enforcement work we are undertaking across the three Authorities and the recruitment of 11 graduates to backfill posts that have been seconded to TTP and additional enforcement work.	Red		Corporate Performance & Resources
ADP21: Create a new Employee Development Programme.						
HR/A008: Create a new Employee Development Programme.	31/3/2021	0%	No action due to delay in #IAM completions and pandemic. Analysis of #itsaboutme data will take place from October.	Red	Green	Corporate Performance & Resources
HR/A011: Implement a Chief Officer Appraisal Scheme as part of the Management Competency Framework to support the	31/3/2021	0%	No action in Q2 due to pandemic	Red		Corporate Performance & Resources

FS/A008: Establish a Corporate Governance & Audit Committee to review the Council's response to self-assessment, peer assessment and combined assessment and governance reviews in line with the requirements of the Local Government and Elections (Wales) Bill.	31/3/2021	25%	Delayed by COVID. Awaiting further information from Welsh Government. Internal meetings to be held w/c 12/10/20 to agree way forward .	Red	Amber	Corporate Performance & Resources
LD/A004: Review the work flowing from the Local Government and Elections (Wales) Bill to enable electoral reform and ensure a robust governance framework.	31/3/2021	50%	Although the timescale for debate of the various stages of the Bill have shifted, the work flow has been reviewed by the Electoral Registration Officer in consultation with Electoral Services and the appropriate measures put in place to reflect the associated electoral reform which extends the electoral franchise and changes to voter registration. These have been reflected in work programmes to raise awareness with Vale residents, encourage registration and the Service's operating practices in respect of the 2020 Canvass. In the wider context various Officer meetings have been held and an Action Plan drafted to ensure compliance with the Bill when it becomes enacted and in force.	Green		Corporate Performance & Resources
PB/A013: Introduce and promote a refreshed performance and risk reporting framework to support the implementation of the new Corporate Plan 2020-25 and the changes associated with the Local Government Bill.	31/3/2021	50%	During the quarter preparatory work was undertaken to develop a new Performance Management Framework to reflect the new performance monitoring requirements of the Corporate Plan. The framework has been designed to enable us to extract data and action updates across the breadth of service areas to that can feed into multiple cross-cutting aspects of the Corporate Plan. To complement this a new	Green		Corporate Performance & Resources

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			performance reporting template has been developed in consultation with the Chairs and Vice Group that will enable us to report performance updates against the Council's Annual Delivery Plan in a singular report. The cross-cutting and holistic nature of the report will enable us to better demonstrate how multiple aspects of what we are doing are contributing to the achievement of our Well-being Objectives as outlined in our Corporate Plan and towards the Welsh Government's Well-being Goals. The new report format will be presented to Committees during September. The review of the risk reporting framework be undertaken later this year to reflect the new Corporate Plan and any requirements arising from the Local Government and Elections (Wales) Bill.			
PB/A014: Support the Public Services Board to deliver the Vale Well-being Plan ensuring there is effective scrutiny of progress and a robust Annual Report.	31/3/2021	50%	The PSB Annual Report was approved by the PSB in July and will be published bi-lingually. Progress with regards to the work of the PSB was reported to scrutiny in July and will be reported again in October. The Move More Eat Well Plan has been launched and the initial focus of work will be on workplaces and then schools. Work is continuing with regards to the priorities around climate change, volunteering and engagement and these will be discussed further at the October PSB meeting.	Green		Corporate Performance & Resources
ADP24: Strengthen the Council's approach to information governance to ensure our systems are robust, fit for purpose and compliant with current legislative requirements.						
FS/A010: Strengthen the Council's approach to Information Governance to ensure our systems are robust, fit for purpose and	31/3/2021	50%	Due to Covid 19 changes to working arrangements have had to be made very quickly. Checks on security have been undertaken and advice given to services as these have been enabled.	Green	Green	Corporate Performance & Resources

APPENDIX 2: Performance Indicators

Well-being Objective 1: To work with and for our communities

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
WO1.1 Improve how we involve, engage and communicate with others about our work and decisions							
CPM/001 (CPM/086) Average daily reach of Vale of Glamorgan Life Facebook page	N/A	11,490	7,000	Green	N/A	The two main social media channels continue to consistently engage large numbers of residents in news and information about the Vale of Glamorgan Council. There is considerable variation between posts but the average as well as total post reach for each account continues to rise.	Corporate Performance & Resources
CPM/002 (CPM/084) Average daily impressions achieved by @VOGCouncil Twitter account	13,000	13,800	10,000	Green	↑	The two main social media channels continue to consistently engage large numbers of residents in news and information about the Vale of Glamorgan Council. There is considerable variation between posts but the average as well as total post reach for each account continues to rise.	Corporate Performance & Resources
CPM/003 (CPM/076) Percentage residents who are satisfied with communications from the Council.						This performance indicator is monitored annually.	Corporate Performance & Resources
CPM/004 (CPM/065) The total number of subscribers to Vale Connect.	58,217	75,315	60,000	Green	↑	Subscribers to the email service continues to grow with the September 2020 figure representing a 29.37% growth over the 12-month period. Overall engagement rate stands at 66.2%	Corporate Performance & Resources

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/005 (AD/0010) The number of contacts for adults received by statutory Social Services during the year.	N/A	N/A	N/A	N/A	N/A	N/A	Corporate Performance & Resources Healthy Living & Social Care
CPM/006 (CH/002) The number of contacts for children received by statutory Social Services during the year. Of those identified: the number where advice and assistance was provided.	N/A	1,849	No Target	N/A	N/A	3911 referrals opened.	Corporate Performance & Resources Healthy Living & Social Care
CPM/118 Percentage of Annual canvass returns (including secondary checks).	N/A	N/A	N/A	N/A	N/A	This performance indicator is monitored annually.	Corporate Performance & Resources
WO1.2 Work innovatively, using technology, resources and our assets to transform our services so they are sustainable for the future							
CPM/007 (CPM/214) Spend against approved Council revenue programme.	101.85%	50.6%	50%	Red	↓	This is not a positive variance and should be red	Corporate Performance & Resources
CPM/008 (CPM/215) Spend against approved Council capital programme.	12.04%	19.9%	50%	Red	↓	No commentary provided	Corporate Performance & Resources
CPM/009 (CPM/216) Performance against savings targets.	80.59%	50%	50%	Green	↓	No commentary provided	Corporate Performance & Resources
CPM/010 (CPM/217) Performance against agreed Reshaping Services targets.	80%	50.6%	50%	Green	↓	No commentary provided	Corporate Performance & Resources
CPM/011 (AD/029) The number of adults who paid the maximum weekly charge towards the cost of care or support for carers during the year						This performance indicator is monitored annually.	Corporate Performance & Resources Healthy living & Social Care

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/012 (AD/030) The number of adults who paid the flat-rate charge for care and support or support for carers during the year						This performance indicator is monitored annually.	Corporate Performance & Resources Healthy living & Social Care
CPM/013 (AD/031) The total number of adults who were charged for care and support						This performance indicator is monitored annually.	Corporate Performance & Resources Healthy Living & Social Care
WO1.3 Develop our strong culture of good customer service aligned to the Council's values of being ambitious, open, together and proud							
CPM/014 (CPM/002) The percentage of customers who are satisfied with access to services across all channels.	N/A	N/A	N/A	N/A	N/A	No data has been collected for Q2 as project has been delayed due to Covid-19 activities and changes to working arrangements.	Corporate Performance & Resources
CPM/015 (CPM/001) Customer enquiries to C1V resolved at first contact.	82.13%	84.5%	70%	Green	↑	Based on enquires logged on Oracle CRM. Work is underway to include activities not undertaken through Oracle CRM. Performance has stayed consistent during Q1 and Q2 at circa 85%. The highest percentage achieved was for Waste Management at 98.75% on 8561 enquiries. These enquiries are high volume and relatively low complexity. However, even for a high complexity, high risk service such as Adult Services a first contact resolution rate of 84.3% was achieved on 7082 enquiries.	Corporate Performance & Resources

CPM/016 (CPM/223) Percentage of Corporate complaints dealt with within target timescales.	61.17%	59.8%	75%	Red	↓	Performance has declined during the period. However, it is unclear how the move to homeworking has impacted on investigation and / or administration of complaints.	Corporate Performance & Resources
CPM/017 (CPM/226) Number of Ombudsman complaints upheld against the Council (including Social Services).	0	1	5	Green	↓	14 PSOW complaints have been closed during the period only one of which was upheld. 10 were closed as "Not Investigated" and 2 closed as "Premature".	Corporate Performance & Resources
CPM/018 (CPM/222) Percentage of customers satisfied overall with services provided by the Council.						This performance indicator is monitored annually.	Corporate Performance & Resources
Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/019 (CPM/007) Percentage of service desk calls/tickets resolved within agreed timescales.	94.2%	87.6%	95%	Amber	↓	ICT (specifically the Service Desk and the Network Support Teams) were inundated with calls and work tickets in the second quarter of 2020. People returning to work after long absence, new technologies being implemented, changes to working practices, working from home and Office 365 have all contributed to this drop in the target. You can see from the amount that the volumes increased a large amount.	Corporate Performance & Resources
CPM/020 (AD/001) The number of contacts for adults received by statutory Social Services during the year.						This performance indicator is monitored annually.	Corporate Performance & Resources Healthy Living & Social Care

CPM/021 (CH/002) The number of contacts for children received by statutory Social Services during the year. Of those identified: the number where advice and assistance was provided						This performance indicator is monitored annually.	Corporate Performance & Resources Healthy Living & Social Care
WO1.4 Promote equality of opportunity and work with the community to ensure we are responsive to the diverse needs of our customers							
CPM/022 (CPM/077) Percentage of black, minority and ethnic respondents to corporate consultation and engagement exercises.						This performance indicator is monitored annually.	Learning & Culture
CPM/024 (CPM/167a (PAM/046)) Percentage of Year 11 leavers known not to be in education, training or employment (NEET).						This performance indicator is monitored annually.	Learning & Culture
Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/023 (CPM/167c) Percentage of Young people leaving year 13 who are not in education, employment or training.						This performance indicator is monitored annually.	Learning & Culture
CPM/025 (AD/032) The total number of adults during the year where the need for an independent professional advocate was identified						This performance indicator is monitored annually.	Learning & Culture Healthy Living & Social Care
CPM/026 (CH/053) The total number of children during the year who received the "Active Offer" of advocacy						This performance indicator is monitored annually.	Learning & Culture Healthy Living & Social Care
CPM/119 Increase in number of people registered to vote anonymously e.g. victims of Domestic violence, homeless people.						This performance indicator is monitored annually.	Learning & Culture

							Homes & Safe Communities
CPM/120 Number of passenger journeys undertaken on the Greenlinks service	N/A	N/A	N/A	N/A	N/A	Due to Covid 19 the Greenlinks service has been closed	Learning & Culture Environment & Regeneration
CPM/121 Number of Members who used the community transport service over the year.	N/A	N/A	N/A	N/A	N/A	Due to Covid 19 the Greenlinks service has been closed	Learning & Culture Environment & Regeneration
Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
WO1.5 Promote the use of the Welsh Language and contribute to the Welsh Government target of 1 million Welsh speakers by 2050							
CPM/027 (CPM/180) Percentage of Council staff completing Welsh language awareness training or taster sessions to increase the numbers of Welsh language speakers in the Council.						This performance indicator is monitored annually.	Learning & Culture
CPM/028 (CPM/181) Number of adult Welsh learners.						This performance indicator is monitored annually.	Learning & Culture
WO1.6 Support the development and well-being of our staff and recognise their contribution to the work of the Council							
CPM/029 (CPM/019 (PAM/001)) The number of working days/shifts per fulltime equivalent (FTE) local authority employee lost due to sickness absence.	4.74	3.40	4.15	Green	↑	Q2 Sickness absence stands at 3.40 days lost per FTE which is lower than the Q1 target of 4.15 days per FTE. Absence is generally lower in Q1 for 2020/2021 due to the ongoing global pandemic	Corporate Performance & Resources

CPM/030 (CPM/210) Employee turnover (voluntary).	5.29%	2.69%	3.74%	Green	↓	Q2 Voluntary turnover stands at 2.69% which is lower than the target of 3.74%. Turnover in Q2 is historically over the target due to the large number of school leavers at the end of August. This year in Q2, there has been a number of leavers, but this is lower than normal and also under the Q2 target. We believe this is due to the ongoing global pandemic.	Corporate Performance & Resources
Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/031 (CPM/211) Percentage of staff appraisals completed.						This performance indicator is monitored annually.	Corporate Performance & Resources
CPM/032 (CPM/212) The number of working days/shifts per full time equivalent (FTE) local authority employee lost due to short term sickness absence.	1.24	0.57	No Target	N/A	↑	No target is set for short term sickness absence hence a performance status is not possible. On average, 0.57 days per FTE were lost due to short term sickness absence during quarter 2. This is significantly lower than the Q2 figure for the previous year (1.24).	Corporate Performance & Resources

CPM/033 (CPM/213) The number of working days/shifts per full time equivalent (FTE) local authority employee lost due to long term sickness absence.	3.50	2.83	No Target	N/A	↑	No target is set for long term sickness absence hence a performance status is not possible. On average, 2.83 days per FTE were lost due to long term sickness absence during quarter 2. This is lower than the Q2 figure for the previous year (3.50).	Corporate Performance & Resources
WO1.7 Ensure we have robust governance and scrutiny arrangements in place and support our elected members to fulfil their roles							
CPM/122 Percentage of cabinet items with scrutiny input.						This performance indicator is monitored annually	Corporate Performance & Resources
CPM/123 Percentage of scrutiny recommendations agreed by cabinet.						This performance indicator is monitored annually	Corporate Performance & Resources
CPM/124 The percentage of Scrutiny Members who state the Scrutiny Committees have had a positive impact on the work of the Council following Scrutiny involvement.						This performance indicator is monitored annually	Corporate Performance & Resources

APPENDIX 1: Service Plan Actions contributing to this Well-being Objective

Well-being Objective 3: To support people at home and in their community.

CP Commitment: 3.1		Encourage people of all ages to have active and healthy lifestyles to promote better physical and mental well-being.				
Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP47: Work in partnership with the Public Services Board to implement the Move More Eat Well Plan.						
NS/A011: Work in partnership with the Health Authority to assist in the implementation of the Move More Eat Well Agenda for 2020/21 including exploring the potential for specific posts.	31/3/2021	10%	These posts are currently on hold due to the Covid situation impacting on this area of work. Also, still waiting for written confirmation from Public Health regarding the duration of the funding, as this will determine the duration of the post. The NERS scheme is not currently being allowed to restart (as determined by Public Health who fund NERS) so it is not an appropriate time to employ a new NERS Officer. Discussions have taken place with Health Authority to try to progress this action and they will continue to be chased to decide on most appropriate time to advertise these posts. Potential ideas have been identified by the Healthy Living Team for use of underspend (to establish a funding programme which would be available to local sport/physical activity providers who can impact on this agenda). Awaiting feedback from Public Health as to whether they are happy to progress with this use for the underspend.	Red	Amber	Healthy Living & Social Care Corporate performance & Resources
SRS/A006: Encourage healthy lifestyles by delivering the actions set out within the Communicable Disease and Health Service Plan, Health and	31/03/21	50%	The draft Food Law Enforcement Service Plan, The Communicable Disease Service Plan and the Health and Safety Service plans were approved by Joint Committee on 21 September 2020.	Green		Healthy Living & Social Care Homes & Safe Communities

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
Safety Enforcement Service plan and Food and Feed Law Service Plan.						
ADP48: Expand the range of physical activities available to citizens at our country parks, community green spaces, the heritage coast and schools.						
SL/A016: Promote community use of school facilities and maximise opportunities to generate income from out of hours use of these modern facilities by community and other groups.	31/03/21	25%	This has not as yet progressed initially as a result of school closures and more recently due to covid restrictions on community groups/ meetings.	Red	Red	Healthy Living & Social Care Learning & Culture
NS/A008: Improve the health and well-being of people in the Vale of Glamorgan by increasing the number of people who have access to quality sports and physical activity opportunities.	31/03/21	10%	Facilities have reopened with significantly reduced capacities. Other activities such as sports development are also looking at practical ways, in partnership with their funding partners, that they can provide services but again these are significantly reduced from previous service standards. Work is continuing to plan how more activities can be offered within the existing restrictions and how the service will implement further recovery initiatives when permitted to do so.	Red		Healthy Living & Social Care
RP/A010: Expand opportunities for physical activity at Country Parks to encourage people of all ages to have active and healthy lifestyles.	31/03/21	50%	The ongoing COVID19 pandemic has continued to impact visitor numbers and in particular group / organisation numbers are down. However, the sites have seen an increase in footfall as more residents are using the areas for their daily exercise. There are no longer any plans to pilot an Events post this year due to the pandemic. The Council is currently considering parking management proposals for the parks.	Green		Healthy Living & Social Care
ADP49: Work in partnership to facilitate and promote inclusive opportunities for play and sports development with a particular focus on physical and mental well-being and tackling physical inactivity at all ages.						

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
AS/A008: Optimise opportunities for universal and community services to promote active and healthy lifestyles.	31/3/2021	35%	The progress to shift our services on line has continued to grow over qtr 2. We have been considering how we return to some provision of day services, and anticipate a return to provision during Qtr 3, dependent on the guidance from PHW, WG and local policy at the relevant time. Ensuring that we have Covid-safe spaces and practices to welcome people back to. Support Planners within LD have secured and are developing an allotment space for people who receive Direct Payments to use to grow produce and develop skills in a safe outdoor environment, particularly important during the pandemic.	Red	Red	Healthy Living & Social Care
CS/A005: Consolidate our approach to promoting active and healthy lifestyles with children, young people and families who access our services.	31/3/2021	50%	Our support to families has continued, encouraging active and healthy lifestyles through the promotion of a range of virtual materials and interaction, working in partnership with other agencies.	Green		Healthy Living & Social Care
NS/A006: Work with partners to increase levels of participation and physical activity opportunities in the Vale of Glamorgan to encourage active and healthy lifestyles for all.	31/3/2021	15%	Whilst Leisure facilities have reopened the long term financial picture is far from clear and as such it is not possible to progress with the contract extension with so many unknowns. Work is continuing in terms of partnerships and implementation of strategies but again the current issues surrounding Covid 19 make significant progress impossible.	Red		Healthy Living & Social Care
NS/A007: Work in partnership to deliver a comprehensive play programme that improves the well-being of children and their families.	31/3/2021	25%	Whilst Covid 19 prevented the delivery of the usual summer programme, a more focused programme was delivered, with a particular focus on identified vulnerable children / young people and those being more impacted upon by Covid. Projects included: <ul style="list-style-type: none"> • Delivery of summer provision for identified 	Red		Healthy Living & Social Care

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			<p>vulnerable children/young people and disabled children/young people as part of a collaborative approach with Healthy Living Team, Social Services, Prevention & Partnership Team, Education & Vale People First which was funded by Welsh Government Covid funding and Families First funding. 131 children / young people attended this provision. A new CIW registered provision was created (Vale Play Pavilion) to provide day provision for 29 vulnerable children identified by Social Services (accruing 221 participations) whilst 53 disabled children attended the Families First Holiday Club (488 participations).</p> <ul style="list-style-type: none"> • Healthy Living Team worked in partnership with Wick Community Council to deliver family- based sessions in the community over a 4 week period. Feedback highlighted in addition to increase access to play/physical activity, the sessions also supported the families and increased their confidence to go back into the community following lockdown. • Healthy Living Team worked in partnership with United Welsh Housing to deliver open access play and sports sessions to children and young people living in Caerleon Road (Dinas Powys) and the surrounding area. The activities were delivered to assist with reducing antisocial behaviour that was being experienced in the area. Members of the South Wales Neighbourhood Police Teams attended some of the sessions and the Youth 			

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			<p>Service attended a couple of the sessions to distribute free food. 64 children attended the provision accruing 259 participations over the 12 sessions.</p> <ul style="list-style-type: none"> Promotion of low cost/no cost activities via online Active August campaign and a virtual National Play Day event. <p>Whilst some areas of development have had to stop due to Covid, progress is being made in some areas of the Play Sufficiency plan via the above projects and also in other areas such as feasibility of developing Street Play policy. Plans are in place to reinstate community-based play sessions if current Covid restrictions do not change.</p>			
ADP50: Develop a new Community Investment Strategy to improve our tenants' quality of life and well-being.						
HS/A008: Develop a new Community Investment Strategy to include initiatives that will build strong resilient communities and improve tenant quality of life and wellbeing.	31/3/2021	35%	Work on the Strategy had continued but has been impacted by the project lead being off work. Priorities have been identified to promote digital inclusion, strengthen tenant engagement and continue to support employability	Red	Red	Homes & Safe Communities

CP Commitment: 3.2	Provide more opportunities for cycling and walking and develop a range of travel options to encourage people out of their cars.
--------------------	---------------------------------------------------------------------------------------------------------------------------------

			Gallery has been closed throughout the pandemic and the steering group has not met.			
ADP57: Pilot the Makerspace project in Penarth and identify further opportunities to expand the use of local creative spaces in communities across the Vale.						
SL/A018: Pilot a Makerspace project in Penarth to promote opportunities for people to get together and be creative and learn new skills.	31/3/2021	50%	Building work is now on track and this project will be completed in October. However due to the renovation work taking place on the ground floor of the library the launch date will be held back until all works are complete. The target date for completion is the end of January with a launch date to be set for early February subject to installation of equipment and staff training. Recruitment for the project officer post to oversee the makerspace will take place in November.	Green	Green	Learning & Culture
ADP58: Collaborate with partners to promote our schools and libraries as community hubs and increase the diversity of leisure, art and cultural learning opportunities available.						
SL/A014: Work in collaboration with partners to promote our schools and libraries as community hubs and maximise their benefits for learners, their families and communities as a whole.	31/3/2021	40%	All the activities which began in lockdown and at the end of Q1 have continued and strengthened as staff have grown in confidence in running activities online. Much thought and effort has gone into this and it is likely to remain a feature of library services from here on. The Reading Agency's Summer Reading Challenge attracted fewer participants than usual. Some library services decided not to run the challenge this year, but the Vale persevered in promoting reading and encouraging participation online and via the loan of books by click and collect. Several activities and author events were run online as part of the summer programme and children could collect their rewards and certificates at the library or online. The vale comms team supported libraries by retweeting, as did FIZ and other organisations.	Amber	Amber	Learning & Culture

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
SL/A017: Work in collaboration with our partners to develop, support and promote accessible opportunities for participation in arts and cultural events across the Vale of Glamorgan.	31/3/2021	40%	Libraries have continued to promote the role of reading in cultural life. There have been multiple promotions online to eBooks, eMagazines and other sources of information and arts. There have been online craft activities. There has been an ongoing promotion of the library photo collection. Highpoint in September was an online talk with Lesley Pearse, a popular author who has sold 10 million books. Vale Libraries were one of 45 services to bid for a chance to host an evening with Lesley Pearse and we were successful along with 4 other services that included the likes of Bristol and Manchester Libraries.	Amber		Learning & Culture

CP Commitment: 3.4 **Work in partnership to provide more seamless health and social care services.**

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP59: Develop a sustainable approach to meeting the needs of older people in accommodation with care to support greater independence.						
RM/A012: Contribute to the development an Older Person's Accommodation with Care and Support Strategy to provide sustainable solutions that enable our citizens to live independently.	31/3/2021	50%	The Housing LIN report provided an assessment and suggested way forward for accommodation with care for older people. This has in turn informed the wider housing strategy. Changes to Supporting People Grant guidance and RPB governance structures are in process of being reviewed regionally.	Green	Amber	Homes & Safe Communities Healthy Living & Social Care
HS/A009: Develop an Older Person Accommodation with Care, Care Ready and Support Strategy to meet the needs of older people.	31/3/2021	25%	The focus continues on the pandemic and additional homelessness presentations and responding to Welsh Government requirements. Priority must be given to continue with implementing Phase 2 & 3 of the Welsh Government guidance to deal with the high	Red		Homes & Safe Communities Healthy Living & Social Care

			number of people in temporary accommodation in the Vale and to find them an appropriate permanent home with support that meets their individual need. Work continues on the Penarth Village proposal and preplanning advice will be sought in the next few weeks. Still awaiting the result of the ICF capital bid for £573k to fund the continued site investigations and planning development.			
ADP60: Agree a joint contract with the Health Board and other providers to improve outcomes for adults who need care and support.						
RM/A011: Implement an outcomes-based approach to commissioning contracting services across both a regional and localised footprint.	31/3/2021	35%	Additional clarification has been required regarding the use of the Individual Client Contract, and the issue is currently being resolved. And so, this action is expected to be completed by the end of October.	Red	Red	Healthy Living & Social Care Corporate Performance & Resources
ADP61: Support integrated services operated jointly with the Local Health Board as part of the 'Healthier Wales' agenda e.g. the GP triaging project.						
AS/A009: Extend the GP triaging pilot through effective implementation and evaluation.	31/3/2021	30%	The GP Triage pilot has remained paused during Q2, as many resources were diverted to respond to the pandemic and remain so. However, the project team has been working on other models of care and evaluation of the initial phases, and also assisting the cluster in assessing their responses to the pandemic. the pilot will not be re-instated this financial year, but if there is funding available in 2021-22 then a proposal will be submitted for the RPB consideration to further pilot the project.	Red	Amber	Healthy Living & Social Care Corporate Performance & Resources
RM/A010: Contribute to the 'Healthier Wales' agenda to enable our citizens to live well for longer.	31/3/2021	50%	New contracts include the requirement for providers to promote the health and well-being of the clients they support.	Green		Healthy Living & Social Care

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP62: Launch a regional strategy that supports carers and recognises their contribution.						
RM/A013: Deliver a consistent and coherent strategy for carers that recognises the vital contribution they make within their communities and the people they care for.	31/3/2021	50%	The regional strategy work had been suspended due to the impact of Covid-19 and key staff being repurposed to other key roles. Workstream has been reinstated and planned activity for strategy to be finalised is underway.	Green	Green	Healthy Living & Social Care

CP Commitment: 3.5 | **Provide care and support to children and families in need which reflects their individual strengths and circumstances.**

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP63: Utilise the Children and Communities Grant to deliver targeted interventions for children and young people and their families including the Youth Well-being, Young Carers, Families First Holiday Club, Families Vale Life Skills and the Assisted Places schemes.						
CS/A006: In implementing the Children and Communities Grant maximise opportunities for aligning services and minimising duplication in service delivery whilst continuing to deliver in required areas.	31/3/2021	50%	Those involved in receipt and delivery of grants under the CCG have worked effectively together to deliver coordinated services, particularly important during the current pandemic. This has included collaborative delivery of support to vulnerable children during the school holidays.	Green	Green	Healthy Living & Social Care Learning & Culture
ALN/A014: Deliver a variety of targeted projects and interventions to improve outcomes for children, young people and families in need.	31/3/2021	50%	CCG delivers a wide variety of C&YP services. Guidance from WG has been changed to allow temporary suspension of original CCG plan until Sept 2020 and a redrafted CCG delivery plan has been approved by WG. All projects are reporting regularly and delivering what is expected although Covid19 has hindered direct 1-1 work, but projects have used innovative methods to keep in contact with service users . Monitoring has been ongoing and RBA report cards are due October and will reflect how well these have projects have managed in the current crises. FFHC and teen	Green		Learning & Culture Healthy Living & Social Care

ADP75: Implement the Vale of Glamorgan Community Safety Strategy and the Regional Violence against Women, Domestic Abuse and Sexual Violence Strategy (VAWDASV)						
HS/A010: Work in partnership with Cardiff City Council and Cardiff and Vale University Health Board to improve the outcomes of individuals and families affected by violence and abuse.	31/3/2021	50%	Joint work has continued with Cardiff Council and the Health Board to continue to towards agreed outcomes. Within Qtr 2 the Drive Project was launched in the Vale (Perpetrator Programme) that will work with High risk perpetrators of Domestic Abuse. In order to maximise the outcomes of the project Atal Y Fro have provided an IDVA (Independent Domestic Abuse Advisor) to work alongside the Drive Co-ordinator. The impact of Covid on domestic abuse has been comparable to last year's incidents up until September 2020 where there was an increase of High Risk cases. As a result of the increases the Community Safety team working in partnership with agencies has implemented twice weekly discussions on cases. The impact of this will be that a joined up approach is agreed quicker which is better for the victim and the process is easier to manage for all agencies. Early indications are that this new way of working is having a positive impact. Train the	Green	Green	Homes & Safe Communities Healthy Living & Social Care

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			<p>trainer sessions have commenced during Qtr 2 for levels 2 and 3 for the National Training Framework. It is anticipated that within the Vale that this training will go live before the end of the financial year. Due to Covid it has meant that the training can no longer be completed within a classroom setting, so ICT solutions are now being reviewed in order to deliver this training.</p>			
<p>HS/A011: Work with partners across the Cardiff and Vale region to improve the way we engage with communities and enhance community cohesion in the Vale.</p>	<p>31/3/2021</p>	<p>50%</p>	<p>The Safer Vale Strategy and action plan are due to be presented to Cabinet during Qtr 3. Police, Probation, Health and Fire and Rescue Service have formally signed off the Strategy and work has commenced on delivering the actions. Due to the restrictions that Covid 19 have had on agencies, the annual Safer Vale Fun day was cancelled as well as a number of other engagement events that had been planned over the summer months. However there have been 143 social media posts completed across a range of community safety issues. Work to support Neighbourhood Watches continues and attendance at NHW committee meetings (via Zoom) have taken place. The Cohesion officer has received 10 tension monitoring referrals during Qtr 2, which is lower than Qtr 1 which is an indicator that tensions in communities whilst still high are reducing. As a result of high tensions, the Cohesion Officer has met residents in open spaces (as a result of Covid - 19 restrictions) to discuss their issues and to explain next steps. The Community Highlight reports continue to be produced and shared internally and with partners to show the current demands on community safety. During Qtr 3 work</p>	<p>Green</p>		<p>Homes & Safe Communities</p>

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			is planned on updating the Safer Vale Website and also utilising the Vale Connect System to reach more of the community regarding community safety updates/ information.			
HS/A012: Work with partners to deliver pathways and provide advice and support to people who experience abuse, harassment and stalking, hate crime, including women from ethnic minorities, disabled women, women with complex needs, children and young people and men.	31/3/2021	50%	Across the Qtr, the DAARC has processed and collected data on 383 domestic abuse PPN's. The figures have reduced from 455 standard and medium PPN'S received in Qtr 1. However there has been an increase in high risk cases during qtr 2 with 129 cases being discussed via a formal MARAC process, compared to 117 in Qtr 1 and 89 for the same period last year. Out of the 129 cases, there were 2 BME victims, 1 LGBT victim, 1 victim registered with a disability and 3 victims that were aged between 16 - 17. Ongoing work is being developed to capture equalities data for the wider VAWDASV remit. The Police boundary areas changed during Qtr 2, with the Vale now part of a Cardiff and Vale Police region. A meeting took place with the Hate Crime Officer that will be covering the Vale so that closer links can be made. An update regarding Hate Crime will be provided during Qtr 3.	Green		Homes & Safe Communities Healthy Living & Social Care
HS/A013: Improve community safety and well-being for those that live, work and visit the Vale of Glamorgan by working with our partners to reduce crime and disorder.	31/3/2021	50%	The ASB team has worked through 1263 ASB instances during Qtr 2, a substantial reduction from Qt1 figures. However, there was a higher number of incidents that generated an ASB referral, 532 referrals compared to 361 in Qtr 1. The change in Covid 19 restrictions was the main area for a reduction in incidents, however the increase in referrals was mainly due to the nice weather and people socialising more and gathering in open spaces. As a result, the Community Safety	Green		Homes & Safe Communities

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			team purchased 5 deployable CCTV cameras to assist the Council and the Police in manging some of the hotspot areas. The cameras were installed in Maslin Park Barry, Romily Park Barry, Cearwent Gardens Dinas Powys, Rhoose Point and the remaining camera is due to be installed in Ogmored during Qtr 3. Once the Council and Police are satisfied that the issues in these locations have been solved then the cameras will be redolyed to other areas. It is anticipated that some of the cases that are currently being managed through the ASB process will have a long term impact on community cohesion due to the level of neighbour disputes that have been received over Qtr 1 and Qtr 2. These are currently being managed, however are resource intensive. The change in Covid 19 regulations being implemented in the Vale during Qtr 3 will impact on the ASB instances being reported, therefore close working will continue between Council departments and the police. The Community Safety team will continue to use social media in order to highlight areas of concern or information to the public.			
ADP76: Work with partners to agree a new way of working to enhance young people’s outcomes informed by the revised national standards for children and young people in the youth justice system.						
CS/A011: Under the direction of the Youth Offending Service Management Board, work in collaboration with our partners to identify and agree a set of priorities for the service that will enable us to enhance outcomes for children and young people.	31/3/2021	25%	The National Standards Audit and a benchmarking exercise were presented to the YOS Management Board on 08 September 2020 where a request was made for a single action plan to be developed to enable identification of leads for each area. A new date to discuss the action plan is to be arranged.	Red	Red	Homes & Safe Communities Healthy Living & Social Care

In addition the Housing Support Grant Delivery Plan has been developed and circulated to all Members.			Homes & Safe Communities

APPENDIX 2: Performance Indicators

Well-being Objective 3: To Support People at Home and in their Community

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
WO3.1: Encourage people of all ages to have active and healthy lifestyles to promote better physical and mental well-being.							
CPM/063 (CPM/028): Number of sports clubs which offer either inclusive or specific disability opportunities.	55	N/A	56	N/A	N/A	No data. Community clubs are starting to re-open, however, some clubs have indicated that they have not established their disability provision yet due to the increased risk of Covid amongst this group. Clubs are focussing on re-establishing provision as opposed to gaining additional accreditation. Online awareness training has been undertaken by some clubs who have indicated they would like to progress with the in sport accreditation process once some stability has resumed within their clubs.	Healthy Living & Social Care
CPM/064 (CPM/191): Percentage of adults reporting that they participate in sports/ physical activity three or more times a week.						This Performance Indicator is monitored annually.	Healthy Living & Social Care
CPM/065 (CPM/196): Percentage of Council catered schools that offer healthy food options.						This Performance Indicator is monitored annually.	Healthy Living & Social Care Learning & Culture
PAM/042: Percentage of NERS clients whose health had improved on completion of the exercise programme.	74%	N/A	91%	N/A	N/A	No data. Due to COVID-19 restrictions, the service has been temporarily shut down in its normal guise (by Public Health who fund the provision). We have not started any new clients since the 16th of March 2020. The team are	Healthy Living & Social Care

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
						continuing to deliver an online programme of live sessions/videos and contacting clients to offer support. The team have provided an online timetable of sessions for clients who are interested in keeping fit and active prior to 'normal' service resuming. Timetable has 9 weekly classes and caters for ability levels. Viewing figures have dropped since lockdown restrictions have lifted. Sessions are continuing along with the production of additional shorter videos each focussing on different activities / areas.	
PAM/017 (LCS/002b): Number of visits to local authority sport and leisure facilities during the year where the visitor will be participating in physical activity per 1,000 population.	5115.5	304.4	11,370	Red	↓	Nil return from key contributors to PI include Schools, Community Centres and Sports Development. Leisure Centre usage only roughly 20% of normal quarter figures.	Healthy Living & Social Care
WO3.2: Provide more opportunities for cycling and walking and develop a range of travel options to encourage people out of their cars							
CPM/066 (CPM/155): Satisfaction with public transport including a) accessibility and b) road safety.						This Performance Indicator is monitored annually.	Environment & Regeneration
CPM/067 (CPM/258): Satisfaction with public transport in the Vale of Glamorgan.						This Performance Indicator is monitored annually.	Environment & Regeneration
CPM/068 (CPM/017): Percentage of adults 60+ who have a concessionary bus pass.						This Performance Indicator is monitored annually.	Environment & Regeneration
WO3.3: Promote leisure, art and cultural activities which meet a diverse range of needs							

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/069 (CPM/174): Percentage of people attending or participating in arts, culture or heritage activities at least 3 times a year.						This Performance Indicator is monitored annually.	Learning & Culture
WO3.5: Provide care and support to children and families in need which reflects their individual strengths and circumstances							
CPM/070 (CPM/170): Percentage of users showing satisfaction with a Families First service accessed.						This Performance Indicator is monitored annually.	Homes & Safe Communities Healthy Living & Social Care
CPM/071 (CH/006): The total number of new assessments completed for children during the year						This Performance Indicator is monitored annually.	Healthy Living & Social Care
CPM/072 (CH/007a): The total number of assessments completed by the IAA service during the year where: Needs were only able to be met with a care and support plan	N/A	N/A	No Target	N/A	N/A	No update available at this time	Healthy Living & Social Care
CPM/073 (CH019a): The number of reviews completed within statutory timescales that were: child protection reviews	N/A	53	No Target	N/A	N/A	53 completed during the quarter	Healthy Living & Social Care
CPM/074 (CH/019b): The number of reviews completed within statutory timescales that were: looked after reviews (including pathway plan reviews and pre-adoption reviews)	N/A	123	No Target	N/A	N/A	During the quarter - CLA reviews = 119 within timescale, Adoption = 2 & Pathway = 2	Healthy Living & Social Care
CPM/075 (CH/019c): The number of reviews completed within statutory timescales that were: reviews of children in need of care and support						This Performance Indicator is monitored annually.	Healthy Living & Social Care
CPM/076 (CH/039): The number of children looked after at 31st March	N/A	265	No Target	N/A	N/A	No commentary provided	Healthy Living & Social Care
WO3.6: Provide person-centred care and support to adults in need							
CPM/077 (CPM/107): Percentage of Supporting People service users who confirm that the support						This Performance Indicator is monitored annually.	Homes & Safe Communities

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
that they have received has assisted them to maintain their independence.							Healthy Living & Social Care
CPM/078/ (CPM/112): Percentage of Supporting People clients satisfied with support provided.						This Performance Indicator is monitored annually.	Homes & Safe Communities Healthy Living & Social Care
CPM/079 (CPM/206): Percentage of telecare customers satisfied with the telecare monitoring service.						This Performance Indicator is monitored annually.	Healthy Living & Social Care

CPM/081 (AD/015b): The total number of services started during the year where that service is: Domiciliary Care	N/A	611	N/A	N/A	N/A	No commentary provided	Healthy Living & Social Care
CPM/082 (AD/15c): The total number of services started during the year where that service is: Day Care	N/A	4	N/A	N/A	N/A	No commentary provided	Healthy Living & Social Care
CPM/083 (AD/016): The number of care and support plans that were due to be reviewed during the year	N/A	835	N/A	N/A	N/A	No commentary provided	Healthy Living & Social Care
CPM/084 (AD/017): The number of care and support plans that were due to be reviewed during the year Of those, the number whose reviews were completed within the statutory timescales	N/A	544	N/A	N/A	N/A	No commentary provided	Healthy Living & Social Care

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/085 (AD/018): The number of adults supported with direct payments that were due for review during the year	N/A	50	N/A	N/A	N/A	50 supported during the quarter	Healthy Living & Social Care
CPM/086 (AD/019): The number of adults supported with direct payments that were due for review during the year Of those, the number that were completed within statutory timescales	N/A	27	N/A	N/A	N/A	27 completed during the quarter	Healthy Living & Social Care
WO3.7: Work with our partners to ensure timely and appropriate mental health and emotional well-being support							
CPM/136: Percentage of schools rated by Estyn as good or excellent in KQ2 "Well-being"						This Performance Indicator is monitored annually.	Learning & Culture
WO3.8: Undertake our safeguarding duties to protect people from harm							
CPM/087 (AD/020): The total number of reports of an adult suspected of being at risk received during the year	N/A	145	N/A	N/A	N/A	145 reported during the quarter	Healthy Living & Social Care
WO3.9: Work in partnership to develop cohesive communities and promote community safety							
CPM/088 (CPM/124): Percentage of domestic abuse victims that report that they feel safer as a result of target hardening.	100%	100%	100%	Green	↔	A total of 22 target hardening referrals were received during Qtr 2. 3 clients did not require the service due to being rehomed out of area, therefore 19 properties received target hardening. 7 evaluations have been completed, with 7 reporting that they felt happy with the service and it had stopped them from seeking refuge. The referrals have increased since Qtr 1 which is positive however for the same period last year, 24 properties were target hardened. The Council and partner agencies continue to promote the service with clients. The team are in the process of contacting clients for their feedback on outstanding evaluations.	Homes & Safe Communities Healthy Living & Social Care
WO3.10: Keep people safe through strong and resilient emergency planning and regulatory services which protect the public, consumers and business							

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
PAM/023: Percentage of food establishments which are 'broadly compliant' with food hygiene standard.	96.3%	97.35%	94%	Green	↑	Target Exceeded.	Homes & Safe Communities
WO3.11: Increase the supply of good quality, accessible and affordable housing by working in partnership to address housing need							
CPM/091 (CPM/260): The percentage of tenants satisfied with the programmed works.	N/A	N/A	85%	N/A	N/A	This Performance Indicator is monitored annually.	Homes & Safe Communities
CPM/092 (CPM/010): Average number of working days to let an empty property (standard condition). (Housemark)	20.6 days	19.5 days	21 days	Green	↑	The relet performance has deteriorated slightly in Q2 but is still ahead of target. There was an increase in the number of homes being relet and a small number of homes took longer to let (which affected overall performance). These tended to be homes which required extensive repair works, which had been refused several times and where adaptations were required for disabled people. Homes continue to be advertised during the tenancy notice period, but repairs cannot start till the keys have been received. On average, void repairs take 11 days and there are 8 days with Housing post offer. This is because of refusals and down to fact tenancies all start on a Monday.	Homes & Safe Communities
CPM/093 (CPM/026): Percentage of people who have received a Disabled Facilities Grant who feel the assistance has made them safer and more independent in their own home.						This Performance Indicator is monitored annually.	Healthy Living & Social Care Homes & Safe Communities
CPM/094 (CPM/027) (PAM015): Average number of calendar days taken to deliver a Disabled Facilities Grant.	186 days	308 days	190 days	Red	↓	The pandemic has prevented officers from visiting households in order to	Healthy Living & Social Care

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
						progress DFG grants. The ongoing lockdown has perpetuated this'	Homes & Safe Communities
CPM/095 (CPM/064) (PAM/013): The percentage of private sector dwellings that have been vacant for more than six months at 1 April that were returned to occupation during the year through direct action from the local authority.						This Performance Indicator is monitored annually.	Homes & Safe Communities
PAM/045: Number of new homes created as result of bring empty properties back into use.						This Performance Indicator is monitored annually.	Homes & Safe Communities
PAM/037: Average number of days to complete all repairs.	8.3 days	1.8 days	8 days	Green	↑	The demand for repairs has increased but is still below pre-covid demand levels. However there has been some difficulty in obtaining some material lines which has resulted in delays to service speed.	Homes & Safe Communities
PAM/036: Number of additional affordable housing units delivered during the year per 10,000 households.						Annual national performance indicator. To be reported at quarter 4.	Homes & Safe Communities
CPM/137: Number of new accessible/adapted homes delivered	N/A	N/A	No Target	N/A	N/A	There have been no handovers this quarter which had specially adapted properties or which were considered as accessible.	Homes & Safe Communities Healthy Living & Social Care
WO3.12: Provide housing advice and support to prevent homelessness.							
PAM/012: Percentage of households successfully prevented from becoming homeless.	82%	81%	82%	Amber	↓	As a result of the pandemic it has been extremely challenging to identify housing solutions for households presenting in housing need particularly in the private rented sector as movement has been extremely slow. Also whilst the Homes4U advert has	Homes & Safe Communities

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
						continued throughout, allocation of social housing has also been adversely affected although this is now much improved with social housing in most cases being let promptly with the exception of some new development sites. The Housing Solutions Team continue to engage with private sector landlords and agents to help maximise the options available in this sector, offering additional support and advice to help sustain threatened tenancies. Despite these very challenging times and the significant demands on the Homelessness Service homelessness prevention success continues to be very high and the team should be commended.	
CPM/096 (CPM/012): Percentage of all households where a positive prevention action succeeded in preventing/relieving homelessness.	N/A	N/A	80%	N/A	N/A	This Performance Indicator is monitored annually.	Homes & Safe Communities

Additional National Performance Indicator Measures

Performance Indicator	Q1 2019/20	Q1 2020/21	Q1 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
WO3.1: Encourage people of all ages to have active and healthy lifestyles to promote better physical and mental well-being.							
PAM/041: Percentage of NERS clients who completed the exercise programme.	N/A	N/A	N/A	N/A	N/A	Due to COVID-19 restrictions our service has been temporarily shut down in its normal guise. We have not started any new clients since the 16th of March 2020. Public Health Wales have postponed the scheme until further notice.	Healthy Living & Social Care
WO3.3: Promote leisure, art and cultural activities which meet a diverse range of needs							
PAM/040 Percentage of Welsh Public Library Standards Quality Indicators (with targets) achieved by the library service.						This Performance Indicator is monitored annually.	Learning & Culture
WO3.4: Work in partnership to provide more seamless health and social care services.							
PAM/025: Rate of people kept in hospital while waiting for social care per 1,000 population aged 75+	N/A	N/A	No Target	N/A	N/A	This data is not available or published by WG at this time.	Healthy Living & Social Care
WO3.5: Provide care and support to children and families in need which reflects their individual strengths and circumstances							
PAM/028: Percentage of child assessments completed in time.	65%	70.6%	No Target	N/A	↑	No update available	Healthy Living & Social Care
PAM/029: Percentage of children in care who have had to move 3 or more times.	2.3%	3.02%	No Target	N/A	↑	No update available	Healthy Living & Social Care
WO3.11: Increase the supply of good quality, accessible and affordable housing by working in partnership to address housing need							
PAM/038: Landlord Services: Percentage of homes that meet the Welsh Housing Quality Standard (WHQS).	100%	100%	100%	Green	↔	At present the stock is 100% compliant with WHQS. Currently Keystone is reporting 644 properties with acceptable fails (AFs) and 3207 fully compliant properties. This means that 16.7% of the Council's stock is classed as AFs. During the last quarter 3 properties were changed from non-compliant (with one or more	Homes & Safe Communities

Performance Indicator	Q1 2019/20	Q1 2020/21	Q1 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
						<p>component failures) to fully compliant. A total of 13 properties have been made fully compliant since the start of the 20/21 year.</p> <p>As a result of the continued impact of the pandemic a total of 9 component failures were rectified during the last quarter. This included (works completed by the Voids team) such components as Kitchens, rewires, bathrooms and works to increase a properties SAP rating equal to or above EPC rating 65.</p> <p>The Capital Projects and Voids Teams continue to pick up the upgrade of WHQS elements whereby a scheme is packaged, procured and completed, or a property becomes void or a tenant changes their mind and requests for the WHQS works to be completed.</p> <p>At present none of the external and internal works delayed by Covid-19 are failing on WHQS, this is because the calendar year is Jan-Dec on Keystone, so as far as Keystone is concerned, they are still compliant. It is highly likely that the AFs will rise as a result of Covid-19 and the delays in the delivery of the capital programme.</p>	

Performance Indicator	Q1 2019/20	Q1 2020/21	Q1 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
PAM/039: Landlord Services: Percentage of rent lost due to properties being empty.	0.70%	0.47%	N/A	N/A	N/A	The easing of lockdown measures have meant that works could restart in empty homes, however restrictions on the number of people working in voids as well as material supplies, have meant that some properties have remained empty for longer. In addition, it has not been possible to progress contract works in complex voids as some contractors have not been in work or there have been delays letting contracts (as most new contracts were not issued by the Council in light of Covid risks raising viability concerns regarding some contractors.	Homes & Safe Communities

Note: In addition to the above listed Public Accountability Measures, the Welsh Government also require that Social Services reports metrics annually as part of its Performance and Improvement Framework for Social Services aligned to the *Social Services and Well-being (Wales) Act 2014* and the associated Code of Practice. This [Framework](#) contains metrics categorised by Adults, Children and Carers that have been split across the 9 thematic of the *Social Services and Well-being (Wales) Act 2014*.

APPENDIX 1: Service Plan Actions contributing to this Well-being Objective

Well-being Objective 4: To respect, enhance and enjoy our environment

CP Commitment 4.1	Work to reduce the organisation's carbon emissions to net zero before 2030 and encourage others to follow our lead as part of minimising the negative impact of our activities on the environment
-------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Service Plan Actions (will include service plan ref no)	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP83: Work with our Public Services Board partners to develop a strategic response (and associated plan) to the Climate Change Emergency.						
PB/A018: Develop a strategic response (and associated plan) to the Council's declaration of a Climate Change Emergency including supporting the Public Services Board to undertake work to tackle climate change in partnership.	31/03/2021	35%	Across the council there continue to be examples of good work which is helping to tackle climate change. This also continues to be a PSB priority and is a recovery priority for the council. Work has been undertaken to develop a range of position statements to enable the next stage in the discussions around climate change and the development of an action plan.	Red	Amber	Corporate Performance and Resources Environment & Regeneration
FS/A011: Contribute to the Council's evolving response to the Climate Change emergency and its associated workstream.	31/03/2021	50%	Work is being planned on Council buildings to ensure that they are as energy efficient as they can be.	Green		Corporate Performance and Resources Environment & Regeneration
RP/A015: Contribute to the Council's response to the declared climate change emergency and develop specific plans and strategies to support this work.	31/03/2021	40%	A corporate Green Infrastructure working group has been established to help guide the work on the Green Infrastructure Strategy. A presentation providing an overview of the Green Infrastructure Strategy and anticipated time scales will be given to SLT in October. The 2nd AMR has re-confirmed that the relevant LDP policies (e.g. SP1, MG16, MD1, MD2, MD4, MD9) are being implemented effectively and will continue to be monitored in future AMRs.	Amber		Corporate Performance and Resources Environment & Regeneration

Service Plan Actions (will include service plan ref no)	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			A Council wide tree audit (iTree survey) has been commissioned, the survey will provide the Council with a data base of tree coverage and their financial worth and importance to climate change, this data will be seen as a starting point for the development of a formal tree strategy .			
SL/A019: Progress the feasibility and design of a low carbon building as part of the 21st Century Schools Programme.	31/03/2021	50%	St David's a low carbon in use building, St Nicholas and Llancarfan will be next zero carbon schools- the first in wales. We are developing a net zero in use model to pilot.	Green		Corporate Performance & Resources Learning & Culture Environment & Regeneration
HS/A021: Develop a sustainable alternative sewage arrangement for residents at Channel View, Marcross.	31/03/2021	40%	All contract documentation has been produced with the exception of the tender document itself (e.g.) specification, topographical survey, cost plan, etc), the officer developing the tender package has ended their employment with the Council thereby setting the project back a little. The project documentation is now being prepared by others and time lost is approx. six weeks.	Amber		Homes & Safe Communities
ADP84: Develop a more environmentally sustainable fleet including the use of electric and hybrid vehicles.						
NS/A012: Continue to develop a more environmentally sustainable fleet including the use of hybrid and electric vehicles, electrical charge points and expansion of electric bike scheme.	31/03/2021	0%	Due to the onset of Covid-19 and inability to progress this scheme no work has been undertaken in Q1. As we move to recovery phase this area of work can be picked up. Electric bikes have been purchased but not yet used as training was scheduled for the week Wales went into lockdown.	Red	Red	Environment & Regeneration

Service Plan Actions (will include service plan ref no)	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP85: Progress the main road LED lighting scheme with the use of SALIX finance.						
NS/A013: Implement the main road LED lighting scheme with the use of SALIX finance.	31/03/2021	25%	Lanterns, columns and equipment has been ordered but no installation has taken place as yet, this has slipped due to current circumstances. However, it is worth noting that originally VoGC allocated 26 weeks for this work, but appointed Contractor has programmed to complete this work in 14 weeks ensuring we get back on track.	Red	Red	Environment & Regeneration
ADP86: Investigate opportunities for an affordable housing development which is carbon neutral and includes Modern Methods of Construction (MMC) and off-site manufacturing.						
HS/A019: Investigate opportunities for an affordable housing development which is carbon neutral and includes Modern Methods of Construction (MMC) and off-site manufacturing.	31/03/2021	75%	Consultation with Companies able to supply MMC packages are being investigated and local suppliers are being consulted to support the Welsh economy.	Green	Green	Homes & Safe Communities
ADP87: Improve thermal efficiency in our existing housing stock by maximising the performance of the existing components and materials of our homes and looking at alternative fuel supplies to support carbon reduction and reduce fuel poverty.						
HS/A020: Continue to improve thermal efficiency in our existing housing stock by maximising the performance of the existing components and materials of our homes and looking at alternative fuel supplies to support carbon reduction and reduce fuel poverty.	31/03/2021	50%	External Wall Insulation packages continue to be identified and packed into tenders ready for contractor appointment and delivery. A grant funded bid has been submitted to Welsh Government for grant funding assistance to deliver hybrid boilers to off gas properties. this project will also support the local economy SME's if successful.	Green	Green	Homes & Safe Communities

CP Commitment: 4.2	Work with and empower community groups and other partners to sustain local facilities including public toilets, libraries, parks, play areas and community centres
---------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------

ADP91: Develop a Tree Strategy to maintain and increase the number of trees in the Vale.						
NS/A015: Contribute to enhancing biodiversity and addressing climate change sustainability by implementing the relevant actions contained within the Biodiversity Forward Plan, including the drafting of an Interim Tree Management plan and an action plan to manage Ash Dieback.	31/03/2021	50%	Discussion has continued this quarter regarding the capital bid and accompanying strategy for Ash Die Back.	Green	Green	Environment & Regeneration
ADP92: Implement the Biodiversity Forward Plan with a particular emphasis on increasing staff awareness about the importance of embedding biodiversity across the work of the Council.						
SL/A020: Work in partnership with colleagues in Neighbourhood Services and Transport and National Resources Wales to review and implement strategies to improve air quality around schools.	31/03/2021	40%	Work on this has slipped due to Covid 19.500 trees due this autumn from the woodland trust for our 21st Century school projects.	Amber	Amber	Corporate Performance & Resources Learning & Culture Environment & Regeneration
RP/A017: Deliver the statutory planning function in order to protect, preserve and where possible enhance our natural and built environment and cultural heritage.	31/03/2021	50%	All planning decisions protect the built, natural and cultural heritage of the Vale of Glamorgan in accordance with LDP Policies; SP10, MG19, 20, 21 & 27, MD 1 & 2. During Q2 279 planning applications have been determined, including 8 LBCs (Listed Building Consent) a further 50 Tree applications were also determined; 33 TCA's (Work to trees in a conservation area) and 17 TPO's (Work to trees covered by a Tree Preservation Order). No new Tree	Green		Environment & Regeneration

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			<p>Preservation Order have been confirmed. We also resolved 107 planning enforcement cases.</p> <p>Out of the 279 planning applications approved 67 were approved in a Special Landscape Area (SLA) but it was considered that none of the proposed development would have a detrimental impact upon the SLAs by nature of their design and scale. 2 applications were approved in Green Wedges but neither approval impacted upon the openness of the green wedge or the other reasons for their designation. 13 applications were approved within the Glamorgan Heritage Coast. The majority of approvals within the Heritage Coast related to existing dwellings, however, 2 approvals related to new forms of development which were considered to not detract from the character of the Heritage Coast, the remaining approvals related to discharge of conditions and variation of conditions applications which did not impact upon the Heritage Coast. 2 applications were approved in a SSSI. However, one application related to an existing quarry to allow ancillary works to take place on a Saturday and the other approval related to a watercourse diversion which initially raised concerns however these were alleviated through the attachment of relevant conditions as agreed with NRW. Therefore, there would not be a detrimental impact upon the SSSI from either approval. No applications were approved within SINCS.</p> <p>During this Quarter, 1 application has been received which increases the amount of open space within</p>			

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			the Authority by 0.47ha. It is also noted that no applications have resulted in the loss of open space during this Quarter either, resulting in a net increase in the amount of open space available within the Vale of Glamorgan. The remaining applications were approved outside of designations important to protecting and enhancing the historic, built and natural environment of the Vale of Glamorgan. Additionally, the Council has previously adopted the following SPGs to ensure development proposals respect the built and natural environment: Residential and Householder Development SPG; Conversion and Renovation of Rural Buildings SPG; Public Art SPG and; Trees, Hedgerows, Woodlands and Development SPG. The Council also has an adopted Biodiversity and Development SPG and Design in the Landscape SPG, however, these documents are currently under review to reflect changes to national planning policy in edition 10 of PPW.			
FS/A012: Contribute to the Council's response to maintain and enhance biodiversity in the Vale of Glamorgan by incorporating biodiversity gains in new farm business tenancy agreements and renewals as appropriate and maximising the biodiversity value of untenanted land by reducing cutting regime of hedgerows.	31/03/2021	50%	No new farm business Tenancies have been entered into. However, any new FBT's will incorporate biodiversity gain elements. Untenanted land hedgerows have not been cut unless urgently required for H&S requirements.	Green		Environment & Regeneration
ADP93: Establish a Local Nature Partnership to work together to improve the local natural environment.						
RP/A018: Work with partners and identify opportunities to enhance	31/03/2021	50%	LNP officer in post to deliver the Local Nature Partnership and develop the partnership work with	Green	Green	Environment &

the natural environment and biodiversity of the Vale of Glamorgan.			local groups to enhance the Council's biodiversity. New ecologist appointed, this will ensure that new practices for biodiversity improvement and planning obligations are met.			Regeneration

CP Commitment: 4.4	Work with the community and partners to ensure the local environment is clean, attractive and well managed
---------------------------	-------------------------------------------------------------------------------------------------------------------

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP94: Work with the community and our partners to deliver a variety of activities to improve Local Environmental Quality (LEQ) including litter prevention and awareness raising.						
NS/A016: Work with the community and our partners to deliver a variety of activities to improve Local Environmental Quality (LEQ).	31/03/2021	50%	The service continues to work with Keep Wales tidy and a coordinated approach to working to improve Local Environmental Quality. Litter hubs are now operational, and they will continue to receive support from the operational service for the remainder of the year.	Green	Green	Environment & Regeneration
ADP95: Deliver a range of environmental projects through the Community Investment scheme to enhance the local area and improve neighbourhoods including the Margaret Avenue "Everyone's Garden" in Barry and the Llantwit Major Garden Project.						
HS/A022: Deliver a range of environmental projects through the Community Investment scheme to enhance the local area and improve neighbourhoods.	31/03/2021	50%	The environmental scheme at Margaret Avenue has been completed however it has not yet been possible to open the community garden to the public in light of the current Covid restrictions. A risk assessment is being carried out to establish if this can be done safely in the next few weeks, but the official launch has been postponed indefinitely. It has been possible to secure £20k of external funding via Natural Resources Wales to erect a wooden 'educational centre' on the site- this will enable the local school to facilitate site-based learning regarding the environment, sustainability	Green	Green	Homes & Safe Communities

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
			and climate change. It will also be a place where employability and support sessions can be run to assist local people experiencing barriers getting into work. The work is currently going through a procurement exercise but the grant conditions require the money to be spent by the 31 March 2021			

CP Commitment: 4.5 | **Work with the community, developers and others to ensure that new developments are sustainable and that developers mitigate their impacts, integrate with local communities and provide necessary infrastructure**

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP96: Invest in education, sustainable transport and community facilities as a result of negotiating Section 106 payments from developers.						
RP/A019: Ensure new developments deliver appropriate recreation and sports facilities and protect existing facilities where necessary.	31/03/2021	50%	During Q2, the Council continued to invest in a number of open spaces for sport and recreational facilities using S106 contributions. Implementation did become difficult as a number of contractors came off site due to Covid 19 and the restrictions in place, however, steps are now being made to complete schemes. Schemes include: <ul style="list-style-type: none"> • A new multi-use games area has been installed at King George V Playing Fields. • An upgraded play area at Wenvoe has been completed; • New interactive equipment has been installed for Central Park, Barry. • A new multi-use games area has been tendered via Sell2Wales for Wick playing fields. The contractor is due to start in Q3 	Green	Green	Environment & Regeneration

CP Commitment: 4.6 | **Provide effective waste management services and work with our residents, partners and businesses to minimise waste and its impact on the environment.**

Service Plan Actions	In Year Completion Date	% Complete	Progress & Outcomes Description	Service Plan Action RAG status	ADP Action RAG Status	Relevant Scrutiny Committee
ADP97: Deliver a range of improvements to waste management including starting to build the Waste Transfer Station for Barry.						
NS/A019: Commence the construction of a Waste Transfer Station for Barry.	31/03/2021	25%	Preplanning application is complete, and a full planning application is pending. This is delayed due to issues around the drainage proposal and new standards introduced. New designs for approval will be completed early quarter 3 and planning permission will be submitted October/November 2020. Construction is now likely in quarter 4.	Red	Red	Environment & Regeneration
ADP98: Roll out new recycling arrangements across Barry.						
NS/A017: Implement the waste blue print (source segregated recycling) to Barry and Penarth areas.	31/03/2021	75%	The roll out is planned and will be operational from the 19th October 2020. All the equipment has been delivered, the crews have received training and the vehicles are ready, and processing arrangements are in place at the Councils temporary resource recovery facility.	Green	Green	Environment & Regeneration
ADP99: Raise awareness about the importance of reducing the amount of waste, including working with our schools, to increase understanding about the impact on the environment.						
NS/A018: Work towards the National Domestic Waste Recycling Target for 2024 / 2025.	31/03/2021	50%	The service is maintained a recycling rate around 70% that will ensure we achieve the 2024/25 target. This will drop slightly during the later stages of this year due to the Covid-19 measures and the relaxation of the 2-bag rule.	Green	Green	Environment & Regeneration

CP Commitment: 4.7	Minimise pollution recognising the detrimental impact it may have on the environment and people's wellbeing.

			negotiations, all necessary consents, including future grant application to Welsh Government.			
ADP102: Develop a strategy to promote the use and retrofit of Sustainable Drainage Systems (SUD) including an assessment of the benefits of producing new supplementary planning guidance regarding the use of SUDs.						
NS/A025: Develop a strategy to promote the use and retrofit of Sustainable Drainage Systems (SUD) including an assessment of the benefits of producing new supplementary planning guidance regarding the use of SUDs.	31/03/2021	50%	The promotion of the use of SuDS has already been achieved by the mandatory implementation of the Suds Approval Body (SAB) in Wales in accordance with legislation in Schedule 3 to the Flood and Water Management Act 2010. The SAB requires new developments to include Sustainable Drainage Systems (SuDS) features that comply with national standards and LA's now have responsibility to evaluate and approve drainage applications to ensure they comply with appropriate SuDS guidance. It is not practicable, reasonable or cost effective to consider retrofitting SuDs systems in most existing situations and this is not the intention of the SAB legislation. It is accepted that the production of an SPG regarding the use of SUDS and SAB will be advantageous in assessing and determining future planning applications as well as ensuring that prospective developers are fully aware of the legislation and requirements in terms of the dealing with surface water to improve water quality and reduce the risk of flooding as part of any future planning applications submitted. The process of developing a new SPG relating to SAB is at initial stages of development and discussion.	Green	Green	Environment & Regeneration
ADP103: Implement the Shoreline Management Plan including coastal monitoring and working collaboratively as part of the regional coastal groups.

NS/A024: Monitor and assess changes in coastal morphology, including the beach and cliffs, in accordance with the appropriate Shoreline Management Plans.	31/03/2021	50%	The collection of wind, wave and tide data at Penarth Pier is ongoing. A replacement transducer will be fitted in Q3, weather permitting and a temporary update to the processing algorithms in Q2 has maintained the data feed from the remaining transducers. A visual inspection and topographic laser scan survey of Swanbridge Bay was undertaken in September. Visual inspections were also undertaken from Lavernock to Penarth in the current quarter following reports of cliff falls.	Green	Green	Environment & Regeneration

APPENDIX 2: Performance Indicators

Well-being Objective 4: To respect, enhance and enjoy our environment

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
WO4.1: Work to reduce the organisation's carbon emissions to net zero before 2030 and encourage others to follow our lead as part of minimising the negative impact of our activities on the environment.							
CPM/097: Percentage of change in the average Display Energy Certificate (DEC) score within local authority public buildings over 1000 square metres.						This performance indicator is monitored annually.	Corporate Performance & Resources Environment & Regeneration
CPM/098: Percentage change (reduction) in carbon dioxide emissions in the non-domestic public building stock.						This performance indicator is monitored annually.	Corporate Performance & Resources Environment & Regeneration
CPM/099: Percentage increase in mileage undertaken by Council pool car fleet						This performance indicator is monitored annually.	Corporate Performance & Resources Environment & Regeneration
CPM/100 (CPM/154): Percentage of Council streetlights that are LED.	67.33%	68%	90%	Red	↑	Salix funding available to replace another 3713 lanterns to LED on Strategic Routes. Its anticipated work will be completed March 2021	Corporate Performance and Resources Environment & Regeneration

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
WO4.2: Work with and empower community groups and other partners to sustain local facilities including public toilets, libraries, parks, play areas and community centres.							
CPM/101: Number of assets transferred to the community.						This performance indicator is monitored annually.	Corporate Performance and Resources Environment & Regeneration
CPM/102 (CPM/051) Number of visits to public libraries during the year per 1,000 population.	2711.1	74	4700	Red	↓	9771 physical visits were made to libraries this quarter. Most of the visitors came to collect books which they had reserved online, others came to the door to ask questions. From the 10th August we began to allow users to enter the main 4 libraries to browse shelves and use PCs by appointment. A total of 305 came took up a PC booking and 812 visited to browse and select their own books, all these figures being included in the 9771-visitor total. Not included in the total are the 5041 phone calls answered and the 6180 views or likes of library activities online. The online figure is a rough guide only. We continue to investigate accurate ways to properly record online interactions but hope to find a simple method to record engagement in this new area of work to provide services to our customers. Regular story times and other activities now happen on online channels and there is much activity on	Learning & Culture

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
						social media to keep library users informed and engaged.	
WO4.3: Protect, preserve and where possible enhance our natural and built environment and cultural heritage.							
CPM/103: Number of facilitated visits to country parks and heritage coast.						This performance indicator is monitored annually.	Environment & Regeneration
CPM/104: Percentage of customers satisfied with Country Parks						This performance indicator is monitored annually.	Environment & Regeneration
CPM/105: Percentage of Dangerous Structures inspected within 1 working day of receipt.	100%	100%	100%	Green	↔	No commentary provided	Environment & Regeneration
CPM/106: Number of visitors to Barry Island weekender events.						This performance indicator is monitored annually.	Environment & Regeneration
CPM/107: Number of Green Flag Parks.						This performance indicator is monitored annually.	Environment & Regeneration
CPM/108: Number of m2 of Parks, Open Spaces & Highways land that has been sown with wildflowers or being maintained as a naturalised area						This performance indicator is monitored annually.	Environment & Regeneration
WO4.4: Work with the community and partners to ensure the local environment is clean, attractive and well managed.							
CPM/109: The Cleanliness Index						This performance indicator is monitored annually.	Environment & Regeneration
CPM/010: The percentage of highways and relevant land inspected of a high or acceptable standard of cleanliness						This performance indicator is monitored annually.	Environment & Regeneration
CPM/111: The percentage of reported fly tipping incidents which lead to enforcement activity.	0%	2.8%	10%	Red	↑	Total of 106 incidents of fly tipping of which 3 tickets were raised.	Environment & Regeneration

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
CPM/112: Percentage of people satisfied with cleanliness standards.						This performance indicator is monitored annually.	Environment & Regeneration
WO4.5: Work with the community, developers and others to ensure that new developments are sustainable and that developers mitigate their impacts, integrate with local communities and provide necessary infrastructure.							
CPM/113: Value of investment levered into the Council that is dedicated to transport improvement schemes.						This performance indicator is monitored annually.	Environment & Regeneration
CPM/114: Amount of s106 money secured in the financial year.						This performance indicator is monitored annually.	Environment & Regeneration
CPM/115: Amount of s106 money spent in the financial year.						This performance indicator is monitored annually.	Environment & Regeneration
WO4.6: Provide effective waste management services and work with our residents, partners and businesses to minimise waste and its impact on the environment.							
CPM/116: Kilograms of local authority municipal waste that is not reused, recycled or composted during the year per person.	N/A	68.9	115	Green	N/A	As advised last year, measure should be calculated annually.	Environment & Regeneration
WO4.7: Minimise pollution recognising the detrimental impact it may have on the environment and people's wellbeing.							
<i>No Performance Indicators identified</i>							
WO4.8: Work to reduce the impact of erosion, flooding and pollution on our coastal areas and watercourses.							
CPM/117: Number of beach awards achieved.						This performance indicator is monitored annually.	Environment & Regeneration

Additional National Performance Indicator Measures

Performance Indicator	Q2 2019/20	Q2 2020/21	Q2 Target 2020/21	RAG Status	Direction of Travel	Commentary	Relevant Scrutiny Committee
WO4.4: Work with the community and partners to ensure the local environment is clean, attractive and well managed.							
PAM/035: Average number of working days taken to clear fly-tipping incidents.	1.58 days	0.9 days	3 days	Green	↑	Waste Management has removed reported fly tipping within the target timescale and aims to try and maintain this high performing level of service. During quarter 2 it took 100 days to clear 106 fly tipping incidents. This is the first time that the average number of days taken to clear has fallen below 1. This in part could be due to Covid 19 as we have been able to use staff from other resources.	Environment & Regeneration
WO4.6: Provide effective waste management services and work with our residents, partners and businesses to minimise waste and its impact on the environment.							
PAM/030: The percentage of municipal waste collected by local authorities and prepared for reuse and/or recycled, including source segregated bio- wastes that are composted or treated biologically in another way.	73.74%	72.3%	70%	Green	↑	Good performance considering the increase in residual waste. Increase in both Food and Green waste in Q2. Temporary relaxation of black bag restrictions. Statutory target for 2020/21 of 64%	Environment & Regeneration
