- 1.1 Following a partial collapse of the Town Wall in 2008 the Authority made a grant of £60,000 to CCT who administered the works to return the Town Wall to a safe and attractive condition.
- 1.2 Since the award of the initial grant funding successive grants have been made to CCT to ensure the ongoing repair and maintenance of the Grade II listed Town Walls; the last award having been approved by Cabinet on 19th March 2018 (Minute C257) at a value of £902 for 2018/19, 2019/20 and 2020/21
- 1.3 As the previous funding award ended in 2020/21 CCT have now approached the Council for an extension to the funding and licence for the Cowbridge Town Wall.
- 1.4 Due to the demolition of the Cattle pens in the area and the increase in façade to be maintained CCT have requested a 25% increase on the grant award which approximately represents the increase in area.

## **2. Key Issues for Consideration**

- 2.1 It is considered by the Neighbourhood and Transportation Directorate that the extension of this arrangement offers good value for money for the Council.
- 2.2 The arrangement ensures that the Cowbridge Town Wall receives regular maintenance to ensure the wall remains safe and attractive and minimises the capital cost of repairs to the Council.
- 2.3 A three year grant is requested £1,128 per annum in 2021/22, 2022/23 and 2023/24.
