Reasons for Recommendations

1. To facilitate monitoring of the audit function.
2. To enable Cabinet's oversight of the audit programme.

1. Background

- 1.1 As the external auditor, the objective of AW is to carry out an audit which discharges the statutory duties of Auditor General, which include:
 - Audit of Financial Statements
 - Value for money
 - Continuous Improvement
 - Sustainable Development principle.
- 1.2 The [Vale of Glamorgan Annual Audit Plan 2022/23](#) details the work planned by Audit Wales to meet the duties outlined above. The outputs of the Audit Plan are reported regularly to the Council to inform its self-assessment and areas for improvement.

2. Key Issues for Consideration

- 2.1 Appendix A outlines Q2 progress on Audit Wales' work programme and timetable as aligned to the Vale of Glamorgan Annual Audit Plan 2022/23.
- 2.2 Key highlights include:
- 2.3 In relation to financial audit work, the audit of the Council's 2021-22 statement of accounts is underway with work on the audit of grant claims and returns to follow upon conclusion of the statement of accounts.
- 2.4 In relation to performance audit work, reviews of the Council's asset management and workforce planning arrangements as part of the Springing Forward review have been concluded and reports recently finalised, these will be reported to members in due course. Additionally, planned thematic reviews of Unscheduled Care, Digital and a project looking at the application of the sustainable development principle across the Council's services are currently being scoped.

Relevant nominated officers within the Council have been interviewed to inform these studies.

- 2.6** In relation to other regulatory work, Estyn’s reviews of the Inspection Guidance for Local Government Education Services and Curriculum Reform are underway with both due to be concluded in September. The Care Inspectorate Wales (CIW) programme of assurance checks, improvement checks and performance evaluation inspections are in progress as is other planned work including developing its approach to inspection and review of local authorities and joint inspection of child protection arrangements, production of the Deprivation of Liberty Safeguards Annual Monitoring Report for Health and Social Care 2021-22 and the national review of Care Planning for children and young people subject to the Public Law Outline pre-proceedings.
- 2.7** Governance and Audit Committee Members are requested to review and note the progress made on the Vale of Glamorgan Audit Work Programme as at Q2 and upon consideration, to refer the report to Cabinet for their oversight.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1** Performance Management is an intrinsic part of corporate governance and integrated business planning which underpins the delivery of the Council's Corporate Plan and its Well-being Outcomes. Our Corporate Plan has been structured around the Well-being of Future Generations (Wales) Act 2015, through the development of four Well-being Outcomes and eight Well-being Objectives. By aligning our Well-being Outcomes in the Corporate Plan with the Well-being Goals of the Act, this will enable us to better evidence our contribution to the Goals.
- 3.2** External Regulation is an important vehicle for driving continuous improvement across our services. Progressing the improvement areas identified by our regulators not only enables us to demonstrate our commitment to continuous service improvement, but also contributes to further strengthening our impact on the national well-being goals through the achievement of our well-being objectives.
- 3.3** Associated action plans in response to regulatory review findings are developed with the five ways of working in mind. The focus is on developing innovative ways of working that better integrate services, whilst enabling us to work more collaboratively with our partners and citizens to involve them in improving service delivery. Our improvement actions will also focus on preventative actions that will enable us to sustain and future proof our services into the longer term.

4. Climate Change and Nature Implications

- 4.1** There are no implications directly arising from this report, although failure to respond to our regulatory recommendations could have a negative impact on any future external regulatory assessments and could result in a special inspection by the Auditor General for Wales if deemed that the Council is not meeting the performance requirements.

- 4.2** The climate change and nature implications in respect of our regulatory recommendations will be considered as part of the development of our response (action plan) and will identify mitigating actions required to minimise any adverse consequences.

5. Resources and Legal Considerations

Financial

- 5.1** There is an annual audit fee aligned with the Vale of Glamorgan Annual Audit Work Programme. Any proposed changes to this will be discussed with the Section 151 Officer prior to implementation.

Employment

- 5.2** There are no direct workforce related implications associated with this report.

Legal (Including Equalities)

- 5.3** The statutory duties of the Auditor General are contained within the Local Government & Elections (Wales) Act 2021, the Well-being of Future Generations (Wales) Act 2015, the Public Audit (Wales) Act 2004, the Local Government Act 1999 and the Code of Audit Practice.
