COUNCIL CONSTITUTION

SECTION 1

1. INTRODUCTION

1.1 Purpose and Content of the Constitution

1.1.1 The Constitution describes the various bodies that make up the Council, their functions, membership and procedural rules.

1.1.2 In **Section 3** “Getting Information and Getting Involved”) we have provided information for members of the public and Councillors (also referred to as “Members”) on how you can get information about the Council, and how you can get involved. We hope that this will help people who have an interest in the Council’s work, or a particular matter it is dealing with, understand where they can get more information, and how they can contribute to Council activities.

1.1.3 You can get a better understanding of what each of the Council’s bodies do in **Sections 4 to 10** of this Constitution, including Full Council, the Executive (referred to in the Vale of Glamorgan Council as the Cabinet), Scrutiny Committees, Standards Committee, Governance and Audit Committee, Regulatory Committees and the Democratic Services Committee. **Section 12** provides information on the management and Officer structures of the Council. Some Officers have a specific duty to ensure that the Council operates within the law and uses resources wisely. Responsibility for Functions at **Section 14** and Officer Delegations at **Section 26** sets out which Council bodies, and which Officers, have authority to make which decisions.

1.1.4 The Procedural Rules that apply to the different Council bodies are contained in the Sections relating to those bodies, e.g. Full Council (**Section 4**), the Cabinet (**Section 5**) and Scrutiny Committees (**Section 7**). You may find these useful if you want to attend a meeting, particularly if you want to be able to ask questions, have a matter discussed, or put your point of view.

1.1.5 **Sections 19 to 24** contain the Codes of Conduct and Protocols which Officers and Members have agreed to comply with. They set the standards of behaviour.

1.1.6 The Contents pages at the beginning of this Constitution provide a guide on what is in the Constitution and where you can find it.

1.2 How the Council Operates

1.2.1 The Council is comprised of fifty four Councillors elected ordinarily every five years. Each Councillor is democratically accountable to the residents of their electoral division as well as all of those who live in the Vale of Glamorgan. The overriding duty of Councillors is to the

whole community, but they have a special duty to their constituents, including those that did not vote for them.

- 1.2.2 All Councillors have agreed to follow a Code of Conduct, to ensure high standards in the way they undertake their duties. The Standards Committee is responsible for training and advising on the Code of Conduct.
- 1.2.3 All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall Policy Framework and set the budget each year. In accordance with Standing Orders, the Leader(s) of the Council will be a Councillor elected to the position of Leader(s) by the Council (see **Section 6**). The Leader(s) then decides the size and membership of the Cabinet, the role and responsibilities of individual Members of the Cabinet and arrangements for the exercise and delegation of any Cabinet / Executive Functions. The Cabinet is appointed to carry out all of the Council's functions which are not the responsibility of any other part of the Council, whether by law or under this Constitution, together with making decisions within the Budget and Policy Framework set by the Council.

5.10.6 Remote Attendance

- (a) Members will be regarded as present at a meeting where they attend that meeting by remote means in accordance with the Council's Procedure for Multi-Location Meetings.
- (b) For the purposes of section 5.10.6(a), attendance "by remote means" means attendance in a different physical location to that of other participants and participating through an online meeting platform.

5.10.7 How are Decisions to be Taken by the Cabinet?

- (a) Executive Decisions made by the Cabinet as a whole will be taken at a meeting convened in accordance with the Access to Information Procedure Rules in **Section 15** of this Constitution.

How are Cabinet Meetings Conducted?

- (a) consideration of the minutes of the last meeting;
- (b) declarations of interest, if any;

Reports about other matters will set out the details and outcome of consultation as

appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

5.10.12 Who can put Items on the Cabinet Agenda?

The Leader(s) will decide upon the schedule of the meetings of the Cabinet. The Leader(s) may put on the agenda of any Cabinet meeting any matter which he/she wishes, whether or not authority has been delegated to the Cabinet, a Committee of it or any Member or officer in respect of that matter. The Proper Officer will comply with the Leader(s)'s requests in this respect.

Any member of the Cabinet may require the Proper Officer to make sure that an item is placed on the agenda of the next available meeting of the Cabinet for consideration.

There will be a standing item on the agenda of each meeting of the Cabinet for matters referred to it by Council or Scrutiny Committees.

Any Member of the Council may ask the Leader(s) to put an item on the agenda of a Cabinet meeting for consideration, and if the Leader(s) agrees, the item will be considered at the next available meeting of the Cabinet. The notice of the meeting will give the name of the Member who asked for the item to be considered and this individual will be invited to attend the meeting, whether or not it is a public meeting, and will be allowed to address the meeting in relation to that item. However, there may only be up to three such items per Cabinet meeting.

The Monitoring Officer and/or the Chief Finance Officer may include an item for consideration on the agenda of a Cabinet meeting and may require the Proper Officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Chief Executive, Chief Finance Officer and Monitoring Officer are of the opinion that a meeting of the Cabinet needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of a Cabinet meeting. If there is no meeting of the Cabinet soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

SECTION 7

7. OVERVIEW AND SCRUTINY COMMITTEES

7.1 Introduction

7.1.1 The Council is required by law to discharge certain overview and scrutiny functions. These functions are a vital component of local democracy, ensuring transparency, accountability and continuous improvement in local governance. Overview and Scrutiny Committees (this Council's are called "Scrutiny Committees") should play a crucial role in shaping Council policies and holding the Cabinet accountable for its decisions. Additionally, a key part of the overview and scrutiny role is to review existing policies, consider proposals for new policies and suggest new and innovative policies.

7.1.2 Overview and scrutiny should be conducted constructively, aiming to enhance the delivery of efficient and effective services that meet the needs and aspirations of local inhabitants. Scrutiny Committees should be empowered to challenge and question decisions providing constructive criticism to drive improvements.

7.2 Scrutiny Committees

In order to achieve this, the Council has established four Scrutiny Committees each tasked with the following functions:

7.2.1 review or scrutinise decisions made or actions taken in connection with the discharge of any of the Council's functions, whether by the Cabinet or another part of the Council, but with the exception of any matter which is specifically identified in the terms of reference of any other Scrutiny Committee;

7.2.2 make reports or recommendations to the Council or the Cabinet in connection with the discharge of any functions;

7.2.3 review or scrutinise decisions made, or actions taken, by the Public Services Board;

7.2.4 consider any matter which affects the Council's area or its inhabitants; and

7.2.5 exercise the right to call-in for reconsideration of decisions made, but not yet implemented, by the Cabinet and Officers.

7.2.6 Review Council performance biannually in delivery of its Corporate Plan in an integrated manner.

In undertaking the above, Scrutiny Committees shall, in particular, have regard to

- compliance with Council policy;

- consideration of the need for changes to policy and/or practice;
- Continuous Improvement.

7.3 **Role, Scope and Terms of Reference**

The role, scope and terms of reference of the Scrutiny Committees are described in the table below:

7.4 **Specific Functions**

7.4.1 **Policy Development and Review**

The Scrutiny Committees may:

- (a) assist the Council and the Cabinet in the development of its Budget and Policy Framework by in-depth analysis of policy issues;
- (b) conduct research, community and other consultation in the analysis of policy issues and possible options;
- (c) consider and implement mechanisms to encourage and enhance community participation in the development of policy options;
- (d) question Members of the Cabinet and/or Committees and Chief Officers from the Council about their views on issues and proposals affecting the area;
- (e) liaise with other external organisations operating in the area, whether national, regional or local, to ensure that the interests of local people are enhanced by collaborative working; and
- (f) consider the impact of policies to assess if they have made a difference.

7.4.2 **Scrutiny**

The Scrutiny Committees may:

- (a) review and scrutinise the decisions by, and performance of, the Cabinet and/or Committees and Council Officers in relation to individual decisions and over time;
- (b) review and scrutinise the performance of the Council in relation to its policy objectives, performance targets and/or particular service areas;
- (c) question Members of the Cabinet and/or Committees and Chief Officers from the Council about their decisions and performance, whether generally in comparison with service plans and targets over a

period of time, or in relation to particular decisions, initiatives or projects;

- (d) make recommendations to the Cabinet and/or appropriate Committee and/or Council arising from the outcome of the scrutiny process;
- (e) review and scrutinise the performance of other public bodies in the area and invite reports from them by requesting them to address the Scrutiny Committees and local people about their activities and performance; and
- (f) question and gather evidence from any person (with their consent).

7.4.3 Finance

Scrutiny Committees may exercise overall responsibility for the finances made available to them.

7.4.4 Annual Report

The work of Scrutiny will be reported annually to the Full Council highlighting its work in the Municipal year, with recommendations for their future Work Programmes alongside amendments to working methods if appropriate.

7.4.5 Officers

Scrutiny Committees may exercise overall responsibility for the Work Programme of the Officers employed to support their work; it being noted that Officers supporting the scrutiny function also undertake non-scrutiny related duties.

7.5 **Head of Democratic Services**

One of the roles of the Head of Democratic Services under Section 8 of the Local Government (Wales) Measure 2011 “the Measure” is to promote the role of the Council’s Scrutiny Committees and to promote support and guidance to Council Members and Officers generally about the functions of the Scrutiny Committees.

7.6 **Who May Sit on Scrutiny Committees?**

All Councillors except Members of the Cabinet may be Members of the Scrutiny Committees. However, no Member may be involved in scrutinising on decisions in which he/she has been directly involved.

7.7 **Co-Optees**

Each Scrutiny Committee or sub-committee shall be entitled to recommend to Council the appointment of a number of people/organisations as non-voting co-optees (including on a Task and Finish Group). In exercising or deciding whether to exercise a co-option, the Authority must, under Section 76 of the

Measure, have regard to guidance given by the Welsh Ministers and comply with directions given by them.

7.8 **Education Representatives**

The relevant Scrutiny Committee dealing with education matters shall include in its membership voting representatives of religious faiths and of parent governors, as required by law and guidance from the Senedd Cymru as follows:

- (a) One Church in Wales representative;
- (b) One Roman Catholic Church representative;
- (c) Two parent governor representatives (one from each sector - Primary and Secondary); and
- (d) One representative from other faiths or denominations.

Note: The Scrutiny Committee/sub-committee in this paragraph is the Scrutiny Committee or sub-committee of the Authority, where the Committee or sub-committee's functions relate wholly or in part to any education functions which are the responsibility of the Authority's Cabinet. If the Scrutiny Committee/sub-committee deals with other matters, these representatives shall not vote on those other matters and may only attend as Co-Opted Members of the Committee for discussion of those other matters if invited to do so.

7.9 **Who Chairs?**

Chairs of Scrutiny Committees/sub-committees/task and finish groups will be drawn from among the Councillors sitting on the relevant Committee/sub-committee/task and finish group, and subject to this requirement the Committee/sub-committee/task and finish group may appoint such a person as it considers appropriate.

In the case of Scrutiny Committees, the appointment of the Chair of each Committee will take place at the Annual Meeting of the Council and will reflect the requirements under the Measure regarding the allocation of Scrutiny Committee Chair positions.

7.10 **Role of the Chairs of the Scrutiny Committees**

7.10.1 Chairs of the Scrutiny Committees will liaise with the Cabinet and supervise the Work Programme and identify cross-cutting themes arising from the various Scrutiny Committees.

7.10.2 In summary, therefore, the Chairs will:

- (a) be accountable for delivering the way of working for scrutiny;
- (b) meet regularly to monitor Work Programmes;

- (c) liaise with the Cabinet on issues affecting the Scrutiny Work Programme.

7.11 **Work Programme**

The Scrutiny Committees will be responsible for setting their own Work Programme and in doing so they should take into account wishes of Members of that Committee who are not Members of the largest political group on the Council. They may also consider urgent and unforeseen matters not included in the Work Programme.

7.12 **Meetings**

7.12.1 Ordinary meetings of Scrutiny Committees shall be convened in accordance with the Council's timetable of meetings, set at the time of its Annual Meeting unless the Council has previously agreed a programme at an earlier meeting. In addition, extraordinary meetings may be called from time to time as and when appropriate. A Scrutiny Committee meeting may be called by the Chair of the relevant Scrutiny Committee, by any four Members of the Committee or by the Proper Officer if he/she considers it necessary or appropriate.

7.12.2 The quorum of a Scrutiny Committee will be one quarter of its membership (also see **Section 4.16**).

7.13 **Joint Scrutiny Committees**

Under section 58 of the Measure, regulations may be made to require two or more Local Authorities to appoint a joint Overview and Scrutiny Committee. This is set out in the Local Authorities (Joint Overview and Scrutiny) (Wales) Regulations 2013 and Section 58(1) of the Measure, as amended by Section 66(2) of the Local Government and Elections (Wales) Act 2021.

7.14 **Performance Scrutiny**

On a biannual basis, all Scrutiny Committee will be required to come together to review the Council's performance against its Corporate Plan, through both the quarterly report and Annual Self-Assessment report. This meeting will be chaired on a rotational basis between the existing Scrutiny Chairs.

7.15 **Rules of Procedure and Debate**

The Overview and Scrutiny Procedure Rules will apply to meetings of the Scrutiny Committees.

7.16 **What will be the Number and Arrangements for Scrutiny Committees?**

7.16.1 The Council will have four Scrutiny Committees as set out in the table in **Section 7.3** and will appoint to them as it considers appropriate from time to time. The Committees may appoint sub-committees or task and finish groups to carry out detailed examination of particular

topics for report back to them. Such groups may be appointed for a fixed period, on the expiry of which they shall cease to exist.

7.16.2 Each Scrutiny Committee will be chaired by a Chair appointed from the membership of that Scrutiny Committee and in accordance with the requirements of “the Measure”.

- (a) Membership of all Scrutiny Committees will, as far as practicable, reflect political balance requirements;
- (b) the Committees shall undertake the following:
 - (i) investigate or review a particular matter in depth and without delay, reporting their conclusions and making any recommendations to the Council or Cabinet as appropriate;
 - (ii) conduct research, community (and other) consultation for the purposes of analysing issues and developing, where appropriate, possible options, through liaison with the area/community partnerships;
 - (iii) consider and report on mechanisms to encourage and enhance community participation in the development of service delivery options;
 - (iv) question Cabinet Members and Chief Officers about their views and actions on issues and proposals affecting the Vale of Glamorgan;
 - (v) liaise with other external organisations operating in the area, whether national, regional or local, to ensure that the interests of local people are enhanced by collaborative working; and
 - (vi) question and gather evidence from any person (with his/her consent) whilst conducting investigative and reporting processes.

7.17 **Agenda Items**

7.17.1 Any Member of a particular Scrutiny Committee or sub-committee shall be entitled to give notice to the Proper Officer that he/she wishes an item relevant to the functions of the that Committee or sub-committee to be included on the agenda for the next practical available meeting.

7.17.2 On receipt of such a request, so long as it is an appropriate matter to be considered, the Proper Officer will ensure that it is included on the next available agenda.

7.17.3 Any Member of the Council may give written notice to the Proper Officer that he/she wishes an item to be included on the agenda of

that Scrutiny Committee (subject to the Committee's terms of reference). If the Proper Officer receives such a notification, then he/she will include the item on the first available agenda of the relevant Scrutiny Committee for consideration by the Committee.

7.17.4 A Scrutiny Committee shall also respond, as soon as their Work Programme permits, to requests from the Council and/or the Cabinet to review particular areas of Council activity. Where they do so, the particular Scrutiny Committee shall report their findings and any recommendations back to the Cabinet and/or Council.

7.18 **Policy Review and Development**

7.18.1 The role of the Scrutiny Committees in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules in **Section 16**.

7.18.2 In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, a Scrutiny Committee may make proposals to the Cabinet for developments insofar as they relate to matters within their terms of reference.

7.18.3 A Scrutiny Committee may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

7.19 **Reports from the Scrutiny Committees**

7.19.1 Once it has formed recommendations on proposals for development, the Scrutiny Committee will prepare a formal report and submit it to the Proper Officer for consideration by the Cabinet (if the proposals are consistent with the existing budgetary and policy framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed budget and policy framework). If the Scrutiny Committee report to the Council a copy of the report shall be sent to the Cabinet.

7.19.2 If a Scrutiny Committee cannot agree on one single final report to the Council or Cabinet as appropriate, then a minority report may be prepared and submitted for consideration by the Council or Cabinet with the majority report.

7.20 **Making Sure That Scrutiny Reports are Considered by the Cabinet**

7.20.1 The agenda for Cabinet meetings shall include an item entitled

“References”. The reports of Scrutiny Committees referred to the Cabinet shall be included at this point in the agenda (unless they have been considered in the context of the Cabinet’s deliberations on a substantive item on the agenda) within six weeks of the Scrutiny Committee completing its report/recommendations.

7.20.2 Where a Scrutiny Committee or sub-committee prepares a report for consideration by the Cabinet in relation to a matter where the Leader(s) or Council has delegated decision-making power to another individual member of the Cabinet, then the Scrutiny Committee will submit a copy of their report to him/her for consideration. At the time of doing so, the Scrutiny Committee shall serve a copy on the Proper Officer. The Member with delegated decision-making power must consider the report and respond in writing to the Scrutiny Committee within six weeks of receiving it. A copy of his/her written response to it shall be sent to the Proper Officer and the Leader(s). The Member will also attend a future meeting of the Scrutiny Committee to present their response.

7.20.3 Where a Scrutiny Committee or sub-committee prepares a report for consideration by the Cabinet in relation to a matter where the Leader(s) or Council has delegated decision-making power to another individual member of the Cabinet, then the Scrutiny Committee will submit a copy of their report to that individual for consideration. At the time of doing so, the Scrutiny Committee shall serve a copy on the Proper Officer and the Leader(s). If the Member with delegated decision-making power does not accept the recommendations of the Scrutiny Committee then he/she must then refer the matter to the next available meeting of the Cabinet for debate before exercising his/her decision-making power and responding to the report in writing to the Scrutiny Committee. The Cabinet Member to whom the decision-making power has been delegated will respond to the Scrutiny Committee within six weeks of receiving it. A copy of his/her written response to it shall be sent to the Proper Officer and he/she will attend a future meeting to respond.

7.20.4 Scrutiny Committees will, in any event, have access to the Cabinet’s Forward Work Programme for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from a Scrutiny Committee following a consideration of possible policy/service developments, the Committee will at least be able to respond in the course of the Cabinet’s consultation process.

7.21 **Rights of Members of the Scrutiny Committees to Documents**

7.21.1 In addition to their rights as Councillors, Members of Scrutiny Committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in **Section 15** of this Constitution.

7.21.2 Nothing in this paragraph prevents more detailed liaison between the Cabinet and the Scrutiny Committees as appropriate, depending on the particular matter under consideration.

7.22 Members and Officers Giving Account

7.22.1 Any Scrutiny Committee or sub-committee/task and finish group may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the scrutiny role, it, or the respective Chair, may require the Leader(s) and any (other) member of the Cabinet, the Chief Executive and/or any Chief Officer to attend before it to explain in relation to matters within their remit:

- (a) any particular decision or series of decisions; and/or
- (b) the extent to which the actions taken implement Council policy; and/or
- (c) their performance;

and it is the duty of those persons to attend if so required.

7.22.2 Where any Member or Chief Officer is required to attend a Scrutiny Committee/sub-committee/task and finish group under this provision, the Chair of that Committee/sub-committee/task and finish group will inform the Proper Officer. The Proper Officer shall inform the Member or Chief Officer in writing giving at least seven working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, then the Member or Chief Officer concerned will be given sufficient notice to allow for preparation of that documentation.

7.22.3 Where, in exceptional circumstances, the Member or Chief Officer is unable to attend on the required date, then, in consultation with the Member or Chief Officer, an alternative date for attendance will be arranged.

7.23 Attendance by Other Members of the Council

7.23.1 A Scrutiny Committee meeting is a formal meeting of the Council and, as such, only Members of the Committee and the Scrutiny and Democratic Services Officers supporting Scrutiny should sit at the Committee table for the duration of the meeting. Other Officers/presenters/witnesses present will only be invited to the Committee table for the duration of the item(s) for which they are required. This avoids role confusion for invited presenters/witnesses etc. who should be offered seating away from the table in the "public area" until their item.

7.23.2 Members who are not members of the Committee will be allowed to participate fully subject to the agreement of the Committee, subject to certain parameters (**see Section 3.3.4**):

- (a) such Members to be positioned in a location that, again, avoids role confusion (i.e. separate from the Committee itself);
- (b) a presumption that Members of the Committee will be afforded the opportunity of raising issues/questions before any other Members present are afforded the opportunity to do so (other than where a particular Member has called-in a Cabinet decision or requested an item for consideration).

7.23.3 Individuals other than Committee Members who have not been invited to speak at the meeting should, where known, inform the Chair prior to the meeting of their wish to speak at the meeting. Whilst waiting to be called to speak, they should be seated in an area (separate from the Committee itself) to avoid role confusion.

7.23.4 The Chair will decide the appropriate time to call parties to the table (and specify time limit). Once the speaker has finished what they wish to say and the Scrutiny Committee Members, and, subsequently, any other Members have asked their questions, they will be thanked and requested to leave the table.

7.24 **Attendance by Others**

A Scrutiny Committee/sub-committee/task and finish group, or the respective Chair, may invite people other than those people referred to in paragraph 7.22 above to address it, discuss issues of local concern and/or answer questions. It may, for example, wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and shall invite such people to attend.

7.25 **Call-In**

7.25.1 **Rules**

- (a) Where a decision is made by the Cabinet or an individual Member of the Cabinet, the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council, normally within two working days of it being made. All Members of Council will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.
- (b) That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of five working days after the publication of the decision, unless the Chairs of the Scrutiny Committee or any Member of the Council call-in the item.

- (c) During that period the Proper Officer shall call-in a decision for scrutiny by a Scrutiny Committee, if so authorised by the Chair, and shall then notify the decision-taker of the call-in. The Proper Officer shall call a meeting of the Scrutiny Committee after consultation with the Chair of the Scrutiny Committee; the meeting of the relevant Scrutiny Committee (i.e. the Committee identified in the Cabinet report) to take place within twenty working days of receipt of the call-in request (not counting the month of August).
- (d) If, having considered the decision, the Scrutiny Committee is still concerned about it, then it may refer it back to the decision-making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to Full Council. If referred to the decision-maker, they shall then reconsider at the next scheduled Cabinet meeting, amending the decision or not, before adopting a final decision.
- (e) If following an objection to the decision, a Scrutiny Committee does not meet within the period set out above, or does meet but does not refer the matter back to the decision-making person or body, the decision shall take effect on the date of the Scrutiny Committee meeting, or the expiry of that further seven working day period, whichever is the earlier.
- (f) If the matter was referred to Full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. SECTION 14

14. RESPONSIBILITY FOR FUNCTIONS - SUMMARY

The purpose of this Section of the Constitution is to set out who is responsible for making the various decisions in the Council.

14.1 Who can be Decision-Makers?

Under this Constitution, there are a number of different decision-makers:

- (a) Full Council;
- (b) a Committee or Sub-Committee of the Council;
- (c) the Executive Leader(s);
- (d) the Cabinet;
- (e) a Committee of the Cabinet;
- (f) an individual Cabinet Member;
- (g) a Joint Committee;
- (h) a Corporate Joint Committee;
- (i) an Officer.

The Council will issue and keep up-to-date a record of which body or individual has responsibility for particular types of decisions. This record is set out in this Section of the Constitution.

14.2 Principles of Decision-Making

All decisions of the Council will be made in accordance with the following principles:

- (a) proportionately (i.e. the action must be proportionate to the desired outcome);
- (b) due consideration and the taking of professional advice from Officers;
- (c) respect for human rights;
- (d) a presumption in favour of openness;
- (e) clarity of aims and desired outcomes;
- (f) consideration of any alternative options; and
- (g) the giving and recording of reasons for the decision and the proper recording of these reasons.

14.3 **Functions – Categories**

Functions fall into the following categories:

14.3.1 Functions of the Full Council

The Council is the supreme decision-making body and may, with some exceptions, exercise any of the functions vested in the Council by law. It may also delegate many of those functions to a Committee, Sub-Committee or Officer. The functions of the Full Council are set out in **Section 4**.

14.3.2 Non-Executive Functions

These are functions which, by law, may not be the responsibility of the Cabinet. In some cases, only the Full Council meeting may take the decision. In other cases, the Council may delegate the responsibility for taking the decision to a Committee or an Officer.

14.3.3 “Local Choice” Functions

There are some functions which the Council may treat as being the responsibility of the Cabinet (in whole or in part) or as being Non-Executive, at its discretion.

14.3.4 Executive Functions

All other functions are Executive / Cabinet Functions.

14.4 **Other Bodies**

14.4.1 Advisory Bodies

The Council and/or the Leader(s) can also set up Advisory Committees and Joint Advisory Committees.

14.4.2 Scrutiny Committees

Scrutiny Committees are responsible for the overview and scrutiny function. They cannot exercise other functions and make decisions.

Whilst a Scrutiny Committee does not make formal decisions, they are able to make recommendations to Cabinet regarding policy change, which Cabinet should feedback on accordingly.

14.4.3 Officer Delegations

Officer delegations are contained in **Section 26** of the Constitution.

14.5 **Who Decides – Non-Executive Functions?**

14.5.1 The Council may decide whether to delegate Non-Executive Functions to a Committee, sub-committee, delegated Officer or Joint Committee.

14.5.2 Where a Non-Executive Function has been delegated to a Committee, the Committee may further delegate to a sub-committee or delegated Officer.

14.5.3 Where a Non-Executive Function has been delegated to a sub-committee, the sub-committee may further delegate to a delegated Officer.

14.6 **Who Decides – Executive Functions?**

The Leader(s) may decide whether to delegate Executive / Cabinet Functions to a Committee of the Cabinet, an individual Cabinet Member, a delegated Officer or a Joint Committee.

14.7 **Removal of Delegation**

14.7.1 Where a function has been delegated, the body that delegated the function may withdraw the delegation generally or in any particular case, and may exercise the function itself.

14.7.2 Where a function has been delegated, the decision-maker is not required to exercise the delegation and may refer any particular matter to the body that made the delegation or any other body that has power to exercise the function.

14.8 **Who May Exercise Officer Delegations?**

Where a function has been delegated to an Officer(s) (“delegated Officer(s)”) the decision may be taken in the name of (but not necessarily personally by) such delegated Officer(s) (“authorised Officer(s)”) in accordance with arrangements made from time to time by such delegated Officer(s) for this purpose. The Officer with delegated powers can only delegate to a third party if that Officer is given delegated powers to “delegate on” that decision-making.

A full list of Officer delegations is contained within **Section 26**.

14.9 **Responsibility for Functions – Summary of Schedules**

The Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007 and the Amended Regulations 2009 give effect to Section 13 of the Local Government Act 2000 by specifying which functions are not to be the responsibility of the Cabinet, which may (but need not) be the responsibility of the Cabinet (the ‘local choice functions’) and which are to some extent the responsibility of the Cabinet. All other functions not so specified are to be the responsibility of the Cabinet.

The schedules overleaf provide a means of meeting this requirement. **Schedule 1** covers functions not to be the responsibility of the Cabinet. **Schedule 2** covers local choice Executive / Cabinet Functions. **Schedule 3** covers local choice Council functions. **Schedule 4** covers those functions which are not to be the sole responsibility of the Cabinet. **Schedules 5 and 6** set out mandatory Executive / Cabinet and Council functions respectively.

This Planning Protocol supplements and sits alongside the Protocol for Member/Officer Relations and the Council’s Members’ Code of Conduct. Where appropriate Members should refer to the Code of Conduct which is set out in the Council’s Constitution. The Council’s Monitoring Officer’s advice may be sought on the interpretation of the Code of Conduct or this Code. This Protocol applies together with the Council’s Procedure Rules (as set out in the Council’s Constitution) insofar as they relate to Committees.

Membership and Meetings

17 Members (politically balanced) to be appointed by Full Council at the Annual Meeting.

Meetings to normally be held at intervals of 4-5 weeks on a Thursday at 4.00 p.m., other than where other Council meeting cycles or Council business require a deviation from that pattern of intervals with approval from the Chair.

The Size and Composition of Local Planning Authorities Committees (Wales) Regulations 2017 require Local Authority Planning Committees in Wales to be structured and operated in accordance with the following requirements:

- The Planning Committee must contain no fewer than 11 Members and no more than 21 Members, but no more than 50% of the Authority Members (rounded up to the nearest whole number).
- Where Wards have more than one Elected Member, only one Member may sit on the Planning Committee, in order to allow other Ward Members to perform the representative role for local community interests.

Whilst the second bullet point above does not apply to a Local Authority that comprises solely of multiple Member Wards (due to the need to maintain political balance on the Committee), the Vale of Glamorgan Council is one of the Councils to which both of the above provisions do apply.

In addition to the above, the Local Authorities (Standing Orders) (Wales) (Amendment) Regulations 2017 provide that:

- each meeting of the Planning Committee must have a quorum of 50% to make decisions; and
- the use of substitute Members is prohibited.

Planning Committee meetings should be 4 hours maximum, with the Chair having discretion to conclude an agenda (or individual agenda item) if part way through, if considered to be in the best interests of the Committee and the decision making process.

Where necessary in order to progress a matter of Corporate, Strategic or Public importance, a special meeting of the Planning Committee may be convened at any time, by agreement of the Chair of the Committee and / or Chief Executive.

Site visits for the Planning Committee will usually take place on the day of the Planning Committee, in accordance with the guidance set out in the Vale of Glamorgan Council Planning Protocol (Section 14).

15.7 **Access to Minutes etc. after the Meeting**

The Council will make available either electronic or hard copies of the following for a period of six years after the date of a meeting:

- (b) a summary of any proceedings not open to the public, where the minutes open to inspection would not provide a reasonably fair and coherent record;

- (d) reports relating to items when the meeting was open to the public.

15.8 **Background Papers**

15.8.1 **List of Background Papers**

The Officer preparing the report will set out in every report a list of those documents (called background papers) relating to the subject matter of the report which in his/her opinion:

- (a) disclose any facts or matters on which the report or an important part of the report is based; and
- (b) which have been relied on to a material extent in preparing the report

but does not include published works or those which disclose exempt or confidential information as defined in **Rule 15.10**.

15.8.2 Public Inspection of Background Papers

15.9 Summary of Public's Rights

A written summary of the public's rights to attend meetings and to inspect and copy documents will be kept at, and made available to the public at the Civic Offices, Holton Road, Barry, CF63 4RU.

15.10 Exclusion of Access by the Public to Meetings

15.10.1 Public and Private Meetings of the Cabinet

The Cabinet may only make decisions in relation to its functions and conduct formal business in a properly constituted meeting that complies with **Section 15** and these Procedure Rules. This does not prevent the Cabinet from holding informal deliberations in private, with or without officers present, but these meetings shall not take decisions.

15.10.2 Confidential Information – Requirement to Exclude Public

The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted, or the nature of the proceedings, that confidential information would be disclosed.

15.10.3 Exempt Information – Discretion to Exclude Public

- (a) The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted, or the nature of the proceedings, that exempt information would be disclosed.
- (b) Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public, unless a private hearing is necessary for one of the reasons specified in Article 6.

15.10.4 Meaning of Confidential Information

Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

15.10.5 Meaning of Exempt Information

Exempt information means information falling within the following seven categories (subject to any condition):

NOTE: Information is not exempt information if it relates to proposed development for which the local planning authority may grant itself planning

permission pursuant to regulation 3 of the Town and Country Planning General Regulations 1992.

15.11 Public Interest Test

15.11.1 Information which:

- (a) falls within any of paragraphs 1 to 4, 6 and 7 above; and
- (b) is not prevented from being exempt by virtue of the “qualifications” above,
is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

The starting point is that there is a general public interest in release and the public authority has to decide whether in any particular case it would serve the interest of the public better to either disclose or withhold the information.

15.11.2 There is no legal definition of what the public interest is, but the following have been identified as some of the relevant considerations:

- (a) There is a distinction between public interest and what merely interests the public.
- (b) Does it further the understanding of, and participation in, the public debate of issues of the day?
- (c) Does it promote accessibility and transparency by public authorities for decisions taken by them or in the spending of public money?
- (d) Does it allow individuals and companies to understand decisions made by public authorities affecting their lives?
- (e) Does it bring to light information affecting public health and public safety?

15.12 Exclusion of Access by the Public to Reports

If the Proper Officer (i.e. Monitoring Officer) thinks fit, the Council may exclude access by the public to reports which, in his or her opinion, relate to items during which, in accordance with **Rule 15.10**, the meeting is likely not to be open to the public. Such reports will be marked “Not for Publication”, together with the category of information likely to be disclosed and, if applicable, why it is in the public interest it is considered that the information should not be disclosed.

(N.B. If any particular meeting determines that a Part II report should be moved into Part I the item to be deferred to the next meeting of the Committee in the interests of transparency (unless the Committee determines that the matter is urgent.))

15.13 The Forward Work Programme

15.13.1 Period of Forward Work Programme

Forward Work Programmes are a series of documents which list the subject matters of decisions that (a) the Council and (b) the Cabinet intend to take and (c) what business the Scrutiny Committees will be considering and when those matters will be discussed. This does not prevent urgent or unforeseen matters being considered. Each of those bodies will be responsible for their own Work Programmes. Annual Forward Work Programmes will be prepared by the Proper Officer from the beginning of the Municipal Year. They will be supplemented by quarterly updated Work Programmes.

15.13.2 Contents of Forward Work Programmes

- (a) The Forward Work Programmes will contain matters which the Cabinet, Scrutiny Committees and Full Council are likely to consider. They will contain information on:
- (i) the timetable for considering the budget and any plans forming part of the Policy Framework and requiring Council approval, and which body is to consider them;
 - (ii) the timetable for considering any plans which are the responsibility of the Cabinet;
 - (iii) any individual matters on which the Cabinet intends to consult in advance of taking a decision, and the timetable for consultation and decision;
 - (iv) the Work Programme of the Scrutiny Committees, to the extent that it is known"
- (b) The Forward Work Programmes will then be published.

15.14 Consultation on Proposals to be Considered by the Cabinet

15.14.1 At least fourteen days should be permitted in the forward work programme timetable for consultation with relevant Scrutiny Committees and Ward Members where a matter is to be considered by the Cabinet and is not urgent (as defined below) or confidential or exempt (as defined in **paragraph 15.10**).

15.14.2 A decision may only be treated as urgent:

- (i) if it is not practical to convene a meeting of the Full Council (for matters that contravene or amend the budget and policy framework); and
- (ii) the body making the decision obtains the agreement of the Chair of the relevant Scrutiny Committee that the decision is a matter of urgency and cannot be reasonably deferred. If there is no Chair of a relevant Scrutiny Committee, or if the Chair of each relevant

Scrutiny Committee is unable to act, then the agreement of the Vice-Chair of the Scrutiny Committee or in his/her absence the Chair of the Council, or in his/her absence the Vice-Chair will suffice.

Any decisions taken under this urgency procedure will be recorded as such in the decision record. The Chair of the relevant Scrutiny Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. The record of the decision should state if it is a Forward Work Programme item (re: an item on which the Cabinet intends to consult on) whether the decision has been taken in the absence of consultation if it is a Forward Work Programme. In the cases only of decisions that contravene or amend the Budget and Policy Framework, the reasons why it is not practical to convene a quorate meeting of Council should be recorded.

Where decisions contravene or amend the budget and policy framework the decision-taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency. All other instances will be reported to Cabinet.

This procedure is separate from the Chief Executive's powers set out in **Section 16.2** of the Financial Regulations.

15.15 **Record of Decisions of the Cabinet**

15.15.1 **The Decision Record**

- (a) A written record will be made of every Cabinet Decision made by the Cabinet and its Committees (if any) and by individual Cabinet Members, and Joint Committees and Joint Sub-Committees whose Members are all Members of a Local Authority Executive.
- (b) This decision record will include a statement, for each decision, of:
 - (i) the decision made;
 - (ii) the date the decision was made;
 - (iii) the reasons for that decision;
 - (iv) any personal interest declared;
 - (v) any dispensation to speak granted by the Authority's Standards Committee;
 - (vi) any consultation undertaken prior to the decision and, if such consultation has not taken place, the reason why.

15.15.2 Preparing the Decision Record

- (a) The Proper Officer or his or her representative shall attend any meeting of the Cabinet, a Committee of the Cabinet or a Joint Committee or joint Sub-Committee where all its members are Members of a Local Authority Executive, and shall, as soon as reasonably practicable after the meeting, produce a decision record.
- (b) Where an individual Cabinet Member has made any Cabinet Decision:
 - (i) that Member shall as soon as reasonably practicable instruct the Proper Officer to produce a decision record; and
 - (ii) the decision shall not be implemented until that decision record has been produced, subject to paragraph (c) below.
- (c) Where the date by which a Cabinet Decision made by an individual Cabinet Member must be implemented makes compliance with (b)(ii) above impracticable, the decision may be implemented if the decision-maker has the agreement of
 - (i) the Chair of the relevant Scrutiny Committee; or
 - (ii) if there is no such person or that person is unable to act, the Chair of the Council; or
 - (iii) if there is none of the above, then the Vice-Chair of the Council,that the making of the decision is urgent and cannot reasonably be deferred.

15.16 **Decisions by an Individual Member of the Cabinet**

15.16.1 Reports Must Be Taken Into Account

Where an individual Member of the Cabinet receives a report which he/ she intends to take into account in making any decision, then he/she will not make the decision until at least three working days after receipt of that report.

15.16.2 Provision of Copies of Reports to Scrutiny Committees

On giving such a report to an individual decision-maker, the person who prepared the report will give a copy of it to the Chair of the relevant Scrutiny Committee as soon as reasonably practicable, and make it publicly available at the same time.

15.16.3 Record of Individual Decision

The decision recording rules in paragraph 15.15 will apply.

15.17 **Scrutiny Committees and Members' Access to Documents**

15.17.1 Rights of Access

Subject to paragraph 15.17.2 below, Scrutiny Committees will be entitled to access to any document which is in the possession or control of the Cabinet or its Committees and which contains material relating to:

- (a) any business transacted at a meeting of the Cabinet or its Committees; or
- (b) any decision taken by an individual Member of the Cabinet;
- (c) any information will support them in discharging their duties whilst undertaking Task and Finish investigative scrutiny.

15.17.2 Limit on Rights

Scrutiny Committees will not be entitled to any part of a document that contains:

- (a) confidential or exempt information; or
- (b) advice provided by a political advisor or assistant;

unless that information is relevant to an action or decision that is being reviewed or scrutinised or any review contained in a programme of work of the Committee.

15.18 **Additional Rights of Access for Members of Scrutiny Committees**

15.18.1 Rights of Access

All Members will be entitled (except where a Member has a prejudicial interest in any matter) to inspect any document which is in the possession or under the control of the Cabinet or its Committees and contains material relating to any business transacted at a meeting of a decision-making body of the Council or by an individual Member of the Cabinet.

15.18.2 Limitation on Rights

A Member will not be entitled to any part of a document where:

- (a) it would disclose exempt information falling within paragraphs 12 to 18 of Part 4 of Schedule 12A of the Local Government Act 1972; or
- (b) it would disclose advice of a political advisor or assistant.

15.18.3 Nature of Rights

These rights of a Member are additional to any other right he/she may have.

SECTION 16

16. BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

16.1 The Framework For Cabinet Decisions

The Council will be responsible for the adoption of its policy framework and budget as set out in **Section 4.2**. The policy framework and budget adopted by the Council will be based on that proposed by the Cabinet. Once a budget or a policy framework is in place, it will be the responsibility of the Cabinet to implement it.

16.2 Process For Developing The Budget And Policy Framework

The process by which the policy framework and budget shall be developed is:

- (a) The Cabinet will publicise a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework, and its arrangements for consultation after publication of those initial proposals. The Chairs of Scrutiny Committees will also be notified. The consultation period shall in each instance be not less than three weeks.
- (b) At the end of that period, the Cabinet will then draw up firm proposals having regard to the responses to that consultation. If a relevant Scrutiny Committee wishes to respond to the Cabinet in that consultation process then it may do so. As the Scrutiny Committees have responsibility for fixing their own Work Programme, it is open to the Scrutiny Committee to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from a Scrutiny Committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Cabinet's response.
- (c) Once the Cabinet has approved the firm proposals, the Proper Officer will refer them at the earliest opportunity to the Council for decision.
- (d) In reaching a decision, the Council may adopt the Cabinet's proposals, amend them, refer them back to the Cabinet for further consideration, or in principle, substitute its own proposals in their place.
- (e) If it accepts the recommendation of the Cabinet without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.
- (f) The decision will be publicised in accordance with **Section 4.2** and a copy shall be given to the Leader(s).
- (g) An in-principle decision will automatically become effective five days from the date of the Council's decision, unless the Leader(s) informs the Proper Officer in writing within five days that he/she objects to the decision becoming effective and provides reasons why.

- (h) In that case, the Proper Officer will call a Council meeting within a further ten days. The Council will be required to re-consider its decision and the Leader(s)'s written submission at that meeting. The Council may
 - (i) approve the Cabinet's recommendation by a simple majority of votes cast at the meeting; or
 - (ii) approve a different decision which does not accord with the recommendation of the Cabinet by a simple majority.
- (i) The decision shall then be made public in accordance with **Section 4.2**, and shall be implemented immediately.
- (j) In approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of changes to the policy framework which may be undertaken by the Cabinet, in accordance with paragraphs 15.5 and 15.6 of these Rules. Any other changes to the policy and budgetary framework are reserved to the Council.

16.3 **Decisions Outside The Budget Or Policy Framework**

- (a) Subject to the provisions of paragraph 16.5 ("Virement") the Cabinet, an individual member of the Cabinet and any Officers, area committees or joint arrangements discharging Executive Functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by Full Council, then that decision may only be taken by the Council, subject to paragraph 16.4 below.
- (b) If the Cabinet, an individual member of the Cabinet and any Officers, area committees or joint arrangements discharging Executive Functions want to make such a decision, they shall take advice from the Monitoring Officer and the Chief Finance Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those Officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 16.4 ("Urgent Decisions Contrary to the Budget or Policy Framework") shall apply.

16.4 **Urgent Decisions Contrary To The Budget Or Policy Framework**

The Cabinet, an individual member of the Cabinet, area committees or joint arrangements discharging Executive Functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by Full Council if the decision is a matter of urgency. In this case the procedure to be followed is set out in **Section 15.14**.

16.5 Virement

The rules for virement are set out in **Section 17.5** of the Council's Financial Procedure Rules and reference should be made to this. A summary of the virement rules is as follows:

16.5.1 Capital

(a) Steps taken by the Cabinet, an individual member of the Cabinet or Officers, area committees or joint arrangements discharging Executive Functions to implement Council policy, shall not incur greater expenditure on a scheme than the amount included in the Capital Programme (unless the Cabinet, an individual member of the Cabinet with delegated powers to make decisions or an officer is so authorised by financial regulations or other delegations). However, in the following circumstances the Cabinet may:

- transfer resources between schemes, including to a new scheme, up to a limit of £500,000 per scheme;
- transfer resources from revenue to schemes, including to a new scheme, up to a limit of £500,000 per scheme;
- incur capital expenditure where it is being wholly funded by grant and amend the Capital Programme accordingly;
- incur capital expenditure that is funded from a provision or earmarked reserve for the specific purposes that the provision or earmarked reserve was set aside and amend the Capital Programme accordingly;
- transfer resources between years for a scheme, subject to the overall cost of the scheme not increasing.

(b) Provided (in all of the above circumstances):

- that the expenditure is not contrary to any policy as set out in the Policy Framework, and the revenue costs falling on the Council of any new capital scheme does not exceed £100,000 per annum (excluding capital financing costs).

16.5.2 Revenue

(a) Steps taken by the Cabinet, an individual member of the Cabinet or Officers, area committees or joint arrangements discharging Executive Functions to implement Council policy shall not exceed those budgets allocated to each budget head. However, the Chief Executive, Directors and Heads of Service may, in consultation with the Section 151 Officer, transfer budgetary provision from one budget head to another (virement) provided that:

- (i) the budget heads are the responsibility of the same Officer and do not exceed £100,000 per year in aggregate;
- (ii) the transfer will not result in the adoption of a new policy or change to an existing policy;
- (iii) the transfer will not result in additional revenue commitments in future years.

16.5.3 Any transfer of budgetary provision which does not meet the criteria set out in 16.5.2 shall be subject to approval by the Cabinet.

16.6 **In-Year Changes To Budget And Policy Framework**

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Cabinet, an individual member of the Cabinet or Officers, area committees or joint arrangements discharging Executive Functions must be in line with it. No changes to any policy and strategy which makes up the policy framework may be made by those bodies or individuals except those changes:

A number of possibilities are presented below:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

16.7 **Call-In Of Decisions Outside The Budget Or Policy Framework**

- (a) Where a Scrutiny Committee is of the opinion that a Cabinet decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and Chief Finance Officer.
- (b) In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and Chief Finance Officer's report shall be to the Cabinet with a copy to every Member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the Scrutiny Committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.
- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in

accordance with the budget, the Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within twenty one days of the request by the Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may either:

- (i) endorse a decision or proposal of the Cabinet decision-taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way;

Or

- (ii) amend the Council's budget or policy concerned to encompass the decision or proposal of the body or individual responsible for that Executive Function and agree to the decision with immediate effect. In this case, no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way;

Or

- (iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer/Chief Finance Officer.

FINANCIAL PROCEDURE RULES

17.1 General

- 17.1.1 The Council collects and spends large sums of public money. Sound financial control is, therefore, essential in order to maintain accountability at all levels of management.
- 17.1.2 An effective system of financial control must be supported by a written code which sets out a clear framework of financial administration. Financial Procedure Rules (FPRs) provide such control and govern the way in which the Council manages its finances and safeguards its assets.
- 17.1.3 These Rules are intended to be read in conjunction with the Council's Contracts Procedure Rules (CPRs) and will be supported, where necessary, by Financial Procedure Notes which give instructions on specific areas of financial control. These Rules apply to schools, who must also have regard to the Financial Scheme for Schools, which is based on the legislative requirements of the Schools Standards and Framework Act 1998.
- 17.1.4 Compliance with CPRs, FPRs and any associated policies, strategies or procedure notes is mandatory for all Members and employees of the Council. Where a Chief Officer has been issued with delegated powers the application of those powers will still be subject to such compliance.

17.2.3.3 The Chief Executive is the lead director on corporate areas of activity, policy and organisational development.

17.2.3.4 The Chief Executive has overall responsibility for managing and deploying the budget and wider resources in order to meet the Council's current and longer term strategic objectives.

- (a) no changes to agreed procedures or financial systems should be implemented without the prior approval of the Section 151 Officer;

- (b) the Section 151 Officer must be given access to any information necessary in order to comply with his/her statutory duties and the requirements and instructions of the Cabinet and Council;
- (c) no departures from any of the requirements of these FPRs may be made without the express written permission of the Section 151 Officer.

17.2.4.3 All references to the Section 151 Officer in these Rules shall allow for delegation to the Deputy Section 151 Officer in accordance with the Council's official policy on delegation.

17.2.5 Head of Legal and Democratic Services

17.8 **Audit**

17.8.1 Section 151 of The Local Government Act 1972 requires that authorities "make arrangements for the proper administration of their financial affairs and shall ensure that one of their officers has responsibility for the administration of those affairs". In the Vale of Glamorgan Council, that Officer is the Head of Finance.

17.8.2 Part 3 of The Accounts and Audit (Wales) Regulations 2014 (as amended from time to time) concerns financial management and internal control. Regulation 5 directs that:

"The relevant body must ensure that there is a sound system of internal control which facilitates the effective exercise of that body's functions and which includes:

- (a) Arrangements for the management of risk, and*
- (b) Adequate and effective financial management."*

17.8.3 Regulation 7 of the Accounts and Audit (Wales) Regulations 2014 (as amended from time to time) states that "A relevant body (i.e. Council) must maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control". Any officer or member of that body shall, if the body requires;

- (a) Make available such documents of the body which relate to its accounting or other records as appear to that body to be necessary for the purpose of audit; and
- (b) Shall supply the body with such information and explanation as the body considers necessary for that purpose".

17.8.4 Internal Audit in Local Government is required to comply with the Public Sector Internal Audit Standards (PSIAS). Conformance with the Standards, the Definition of Internal Auditing and Code of Ethics is mandatory. The Regional Internal Audit Service (RIAS) which delivers Internal Audit for the Council is committed to meeting the standards laid down in the Public Sector Internal Audit Standards Framework and any

significant deviations from the Standards will be reported to the Governance and Audit Committee.

17.8.5 The scope for Internal Audit work includes the control environment comprising risk management, control and governance.

17.8.6 This effectively means that Internal Audit has the remit to independently review all the Council's operations, resources, services and processes in place to:

- Establish and monitor the achievement of Council objectives;

- Facilitate policy and decision making;

17.8.7 All the Council's activities, funded from whatever source, and indeed the entire control environment fall within the remit of Internal Audit.

17.8.8 Internal Audit will consider the adequacy of controls necessary to secure propriety, economy, efficiency and effectiveness in all areas. It will seek to confirm that management have taken all necessary steps to achieve these objectives.

17.8.9 The scope of Internal Audit work should cover all operational and management controls and should not be restricted to the audit of systems and controls necessary to form an opinion on the financial statements. This does not imply that all systems will necessarily be reviewed, but that all will be included in the audit needs assessment and hence considered for review following the assessment of risk. The Internal Audit activity is free from interference in determining the scope of internal auditing, performing work and communicating results.

17.8.10 The PSIAS require that an Internal Audit Charter (which is a formal document that defines the purpose, authority and responsibility of Internal Audit activities.) is considered and approved by the Governance and Audit Committee of the Council annually. The Charter is split into the following sections;

17.12 **Money Laundering**

17.12.1 Money laundering is the process of concealing sources of money. Money evidently gained through crime is 'dirty' money, and money that has been 'laundered' to appear as if it came from a legitimate source is 'clean' money. Money can be laundered by many methods, which vary in complexity and sophistication. Money Laundering is covered by a number of different pieces of legislation which are referred to in the Council's Anti Money laundering Policy which is available on Staffnet.

17.12.2 Money laundering is the process of channelling 'bad' money into 'good' money to hide the fact that the money originated from criminal activity, and often involves three steps:

- **Placement** - cash is introduced into the financial system by some means;
- **Layering** - a financial transaction to camouflage the illegal source;
- **Integration** - acquisition of financial wealth from the transaction of the illicit funds.

There are two types of offences, which may be committed:

- Money laundering offences;
- Failure to report money-laundering offences.

The main types of money laundering offences are:

- Acquiring, using or possessing criminal property,
- Handling the proceeds of crimes such as theft, fraud and tax evasion,
- Being knowingly involved in any way with criminal or terrorist property,
- Entering into arrangements to facilitate laundering criminal or terrorist property,
- Investing the proceeds of crime in other financial products,
- Investing the proceeds of crimes through the acquisition of property / assets,
- Transferring criminal property.

Obligations of the Council

17.12.3 The law requires those organisations in the regulated sector and conducting relevant business to:

- Appoint a Money Laundering Reporting Officer (MLRO) to receive Suspicious Activity Reports from employees of suspected money laundering activity (see paragraph 17.12.7),
- Implement risk sensitive policies and procedures relating to customer due diligence, reporting, record keeping, internal control, risk assessment and management, the monitoring and management of compliance and the internal communication of such policies and procedures.

17.12.4 Not all the Council's business is 'relevant' for these purposes, it is mainly the accountancy and audit services carried out by the Finance Department and certain financial, company and property transactions carried out by the Legal Department. However, the safest way to ensure compliance with the law is to apply it to all areas of work undertaken by the Council.

17.12.5 Therefore, all employees are required to comply with the Council's Anti Money Laundering Policy in terms of reporting concerns about possible money laundering.

17.12.6 It is extremely important that all members and employees are familiar with their legal responsibilities and are vigilant at all times. Serious criminal sanctions may be imposed for breaches of the legislation. The key requirement on employees is to promptly report any suspected money laundering activity to the Money Laundering Reporting Officer (MLRO).

17.12.7 The key message of the Policy is that if you suspect that money-laundering activity may be taking place or proposed, in relation to

anything you are dealing with, you should immediately disclose those suspicions to the Council's MLRO, who is the Head of Finance / Section 151 Officer. The designated Deputy MLRO is the Council's Deputy Section 151 Officer (Operational Manager – Accountancy). They can be contacted using a confidential email address MLRO@valeofglamorgan.gov.uk.

17.21.2 Accordingly, the Council will create and maintain, as the cornerstones for effective treasury management:

- (a) a treasury management policy statement, stating the policies and objectives of its treasury management activities;

- (c) The content of the policy statement and TMPs will follow the recommendations contained in Sections 6 and 7 of the Code, subject only to amendment where necessary to reflect the particular circumstances of this Council. Such amendments will not result in the Council materially deviating from the Code's key recommendations.

17.21.3 The Council will receive reports on its treasury management policies, practices and activities, including, as a minimum, an annual strategy and plan in advance of the year (which incorporates the annual investment strategy and the prudential indicators for the forthcoming three years), and an annual report after its close, in the form prescribed in its TMPs.

- 17.21.10 All trust funds shall, wherever possible, be in the name of the Council. Officers acting as trustees by virtue of their official position shall deposit all securities etc. relating to the trust with the Head of Legal and Democratic Services unless otherwise provided for in the deed.
- 17.21.11 The Section 151 Officer shall report to Cabinet and where appropriate to Council not less than twice in each financial year on the activities of the Council's Treasury Management operation and on the exercise of the Treasury Management powers delegated to him/her.

- 17.22.1 Chief Officers shall ensure that all procurement arrangements within their service areas must comply with CPRs, the Procurement Code of Practice (PCoP) and these rules.
- 17.22.2 CPRs form part of the Council's Constitution. Compliance with CPRs as well as FPRs, the PCoP and any associated policies, strategies or procedure notes is mandatory for all Members and employees of the Council. Where a Chief Officer has been issued with delegated powers the application of those powers will still be subject to such compliance.

17.23 **Payment of Accounts**

- 17.23.1 Apart from the payment from petty cash and other imprest accounts and purchasing cards, the normal method of payment of money due from the Council shall be by cheque or by an approved electronic instrument such as BACS or CHAPS drawn on the Council's bank account by the Head of Finance.

17.25.3 No income received on behalf of the Council shall be paid into an imprest account, but instead banked or paid to the Council as provided for elsewhere in these Rules.

17.25.4 An Officer responsible for an imprest account shall, as at 31st March each year, and at any other time if so required, provide to the Head of Finance, a certificate as to the state of the imprest account.

17.25.5 Whenever an Officer, who is an imprest holder, leaves the employment of the Council or otherwise ceases to be entitled to hold an imprest advance, the Chief Officer concerned shall ensure that the relevant Officer accounts to the Head of Finance for the amount advanced to that Officer, including, where appropriate, the repayment of any unexpended balance of the account.

17.27.1 An "unofficial fund" shall mean any fund, the management of which involves an employee of the Council, and which may affect any person or property for which the Council has a responsibility, irrespective of the fact that no contributions towards such a fund shall have been made by the Council.

17.27.2 All accounts must be held in the name of the fund and not an individual(s). A minimum of two countersigned signatories of appropriate seniority is required for each account.

CONTRACTS PROCEDURE RULES

18.1 Introduction

These Contracts Procedure Rules (CPRs) are made pursuant to Section 135 of the Local Government Act 1972 and include the Procurement Code of Practice (PCoP) and any other procurement notes made thereunder from time to time.

18.2 Chief Officers

In these CPRs “Chief Officer” means the Chief Executive, Directors and Heads of Service and Operational Managers.

18.3 Basic Principles

18.3.1 All procurement procedures must:

- (a) Realise value for money by achieving the optimum combination of whole life costs and quality of outcome;
- (b) Be consistent with the highest standards of integrity;
- (c) Operate in a transparent manner;
- (d) Ensure fairness in allocating public contracts;
- (e) Comply with all legal requirements;
- (f) Support all relevant Council priorities, policies and strategic and financial plans;
- (g) Have full regard to the Council’s Procurement Policy and Strategy; and
- (h) Comply with the Council’s PCoP, Financial Procedure Rules (FPRs) and the Buying Responsibly Guides.

N.B. These Rules shall be applied to the contracting activities in respect of which the Council is the accountable body unless the Council expressly agrees otherwise.

18.3.2 Chief Officers have the responsibility for all contracts tendered and let under their control. They are accountable to the Cabinet for the performance of their duties in relation to contract letting and management, which are:

- (a) to ensure compliance with English and Welsh legislation and Council Policy;
- (b) to ensure Best Value is achieved in all procurement matters;
- (c) to maintain a departmental scheme of delegation;

- (d) to keep proper records of all contracts, tenders etc., including minutes of tender evaluation panels and other meetings;
- (e) Chief Officers shall have particular responsibility to ensure that all relevant procurements are undertaken within the agreed budgets and that Cabinet approval has been obtained where appropriate.

18.3.3 Officer Responsibilities

18.3.3.1 Officers

- (a) Officers will comply with these CPRs, FPRs, the Council's Constitution and with all UK legal requirements. Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply.
- (b) Officers will:
 - (i) have regard to the guidance in the PCoP and Buying Responsibly Guides;
 - (ii) keep the records required by these CPRs;
 - (iii) take all necessary procurement, legal, financial and professional advice, taking into account the requirements of these CPRs including the PCoP and FPRs;
 - (iv) prior to letting a contract on behalf of the Council, check whether:
 - (A) The Council already has an appropriate contract in place in the Corporate Contracts Register; or
 - (B) An appropriate national, regional or other collaborative contract is already in place:
 - where the Council already has an appropriate contract in place, then this must be used unless it can be established that the contract does not fully meet the Council's specific requirements in this particular case, and this is agreed following consultation with the Ardal Procurement Team and the reasons set out on the Pre-Tender Report Form;
 - where an appropriate national, regional or collaborative contract is available, the same is to be used unless such contract does not offer value for money;

- (v) ensure that when an employee, either of the Council or of a service provider, may be affected by any transfer arrangement, then any Transfer of Undertaking (Protection of Employment) issues are considered and legal and HR advice from within the Council is obtained prior to proceeding with the procurement exercise.
- (c) Failure to comply with any of the provisions of these CPRs, FPRs, the other sections of the Council's Constitution or UK legal requirements may be brought to the attention of the Monitoring Officer, Section 151 Officer, Head of Internal Audit, or relevant Director as appropriate. Depending on the nature of the non-compliance this may result in disciplinary action being taken;
- (d) It shall be a condition of any contract between the Council and any person (not being an Officer of the Council) who is required to manage a contract on the Council's behalf that, in relation to such contract, they shall comply in all respects with the requirements of these CPRs as if he/she were an employee of the Council.

18.3.3.2 Chief Officers

Chief Officers will:

- (a) Ensure their Service complies fully with the requirements of these CPRs;
- (b) Ensure contracts are recorded in the Corporate Contracts Register as held and maintained by Corporate Procurement;
- (c) Ensure that their Service provides the requisite information to allow the Council to maintain the Procurement Work Programme.

18.4 **Waiver / Exemption of these Contracts Procedure Rules**

18.4.1 Except where the Procurement Act 2023 and Procurement (Wales) Regulations 2024 apply, Cabinet has the power to waive any requirements within these CPRs for specific projects.

18.4.2 Additionally, in exceptional circumstances, these Rules may be waived or varied in accordance with Schedule 5 of the Procurement Act where the circumstances are certified in advance by the Section 151 Officer (advised as appropriate by the Officer from time to time with operational responsibility for Internal Audit) and subject to any conditions in relation to any such waiver that the Section 151 Officer advised as meeting any of the following criteria:

- (a) for works, supplies or services which are either patented or of such special character that it is not possible to obtain competitive prices;
- (b) for supplies purchased in a commodity market, public market or auction;

- (c) with an organisation which has won a contract for an earlier phase of work via a competitive process and where the work forms part of a serial programme and has previously been identified and originally advertised as such and in accordance with existing rates or indices;
- (d) with an organisation already engaged by the Council for a similar and related procurement and where there is significant benefit to extending the contract to cover this additional requirement, without exposing the Council to unacceptable risk provided always that there is no breach of any legal requirements and the Procurement Act 2023 and Procurement (Wales) Regulations 2024;
- (e) for works, supplies or services which are of a proprietary nature and only available from one organisation;
- (f) in the event of extreme and unavoidable urgency, where a contract cannot be awarded on the basis of a competitive tendering procedure. The urgency cannot be as a result of any act or omission of the Council and also could not have been foreseen by the Council;
- (g) in relation to time limited grant funding from an external body, where the time limitations will not allow a competitive procurement process to be completed and where the grant conditions allow this;
- (h) where relevant UK legislation not otherwise referred to in these CPRs prevents the usual procurement process from being followed;
- (i) with an organisation undergoing insolvency proceedings and the Council can benefit from advantageous terms;
- (j) user choice contracts supplied for the benefit of a particular individual – see Schedule 5 of the Procurement Act for further information.

18.4.3 The Chief Officer will follow Waiver / Exceptions Guidance issued by the Procurement Team. Where a Waiver / Exception is being relied on, compliance with the Waiver process must be confirmed on the Pre-Tender Report Form.

18.4.4 Every Waiver form will be recorded on a master register.

18.4.5 These CPRs do not apply to contracts:

- (a) for the execution of mandatory works by statutory utility undertakers;
- (b) which have been procured on the Council's behalf:
 - (i) through collaboration with other Local Authorities or other public bodies, where a competitive process which complies with the CPRs of the leading organisation has been carried out;

- (ii) by a National or Regional contracting authority where the process followed is in line with the Procurement Act 2023 and Procurement (Wales) Regulations 2024 (as amended from time to time); or
 - (iii) under the terms of a Strategic Partnership arrangement approved by the Cabinet.
- (c) For an individual care contract. That is a contract for service entered into in pursuance of powers under The Social Services and Well-being (Wales) Act 2014 for the benefit of an individual, where:
- (i) the estimated value is below the *Light Touch* Regime under the Procurement Act (and/or is not a Regulated Below Threshold Contract);
 - (ii) the Council does not have any existing framework or umbrella arrangements in place in respect of the relevant service;
 - (iii) the individual care contract represents value for money; and
 - (iv) where the contract is required to honour the preference of the individual service user; or
 - (v) is required as a matter of emergency in the interest of the welfare of the individual service user.

18.5 **Advertising**

The Chief Officers will ensure that the minimum advertising requirements as outlined in the PCoP, are met.

18.6 **Relevant Contracts**

18.6.1 All Contracts must comply with these CPRs. A Contract is any arrangement made by, or on behalf of, the Council for the carrying out of works, supplies or services. These include arrangements for:

- (a) the supply of goods;
- (b) the execution of works;
- (c) the hire, rental or lease of goods or equipment;
- (d) the delivery of services, including (but not limited to) those related to:
 - (i) The recruitment of staff, e.g. agency staff, estate agents, valuers;
 - (ii) Land transactions;
 - (iii) Financial and consultancy services;

- (iv) Opinions of Counsel obtained by the Head of Legal and Democratic Services.

18.6.2 Relevant Contracts do not include:

- (a) contracts of employment which make an individual a direct employee of the Authority;
- (b) agreements regarding the acquisition, disposal, or transfer of land (to which the FPRs apply); or
- (c) the payment of grants to third parties;
- (d) land transactions.

N.B. While grants are not covered by these CPRs, there are rules on the awarding of grants which do need to be observed including obtaining approval from the External Funding Group. The Council cannot simply choose to treat a procurement as a grant in order to avoid conducting a competitive process.

18.6.3 The Procurement Act 2023 and Procurement (Wales) Regulations 2024 require contracting authorities to maintain the following comprehensive records of procurement activities:

- (a) contract details including value;
- (b) selection decision;
- (c) justification for use of the selected procedure;
- (d) names of bidding organisations, both successful and unsuccessful;
- (e) reasons for selection;
- (f) reasons for abandoning a procedure.

18.7 **Risk Assessments**

18.7.1 All procurement shall follow the process set out in the Council's Project Management Tool Kit including the approved risk assessment matrix.

18.7.2 All procurements via Invitation to Tender, and Requests for Quotation where appropriate, must be supported by a risk assessment. This risk assessment must be carried out at the start of the procurement process.

18.7.3 The risk assessment process will identify where further specialist advice should be sought.

18.8 **Approved Lists and Framework Agreements**

18.8.1 Approved Lists

- (a) .
- (b) Approved lists must not be used where they are prohibited under the Procurement Act 2023 and Procurement (Wales) Regulations 2024.

18.8.2 Framework Agreements.

- (a) Framework Agreements are agreements between the Council and one, or more suppliers for the provision of goods, works or services on agreed terms for a specific period, for estimated quantities against which orders may be placed if and when required during the contract period.
- (b) The Procurement Team maintain a register of contracts and framework agreements in the Supply Directory and can provide advice on their use and any exceptions granted.
- (c) The use of frameworks not listed in the Supply Directory is only permissible once the **Procurement Team** has approved its use (including checking that the framework agreement concerned may be relied upon by the Council). The Procurement Team will be able to advise on the use of “non-Welsh” Frameworks and any additional requirements when using these Frameworks.
- (d) When using framework agreements, all guidance issued in relation to the use of the Framework concerned must be considered by the Service Area and followed. The award criteria, weightings and the terms and conditions of contract specified in the framework agreement must be used.

18.9 **Procurement Valuation**

18.9.1 The Chief Officer must establish the total value of the procurement including whole life costs and incorporating any potential extension periods which may be awarded.

18.9.2 Based on this value, quotations or tenders must then be invited in line with the financial thresholds detailed in the PCoP.

18.9.3 Where the Procurement Act 2023 and Procurement (Wales) Regulations 2024 apply, the Chief Officer shall consult Corporate Procurement to determine the procedure for conducting the procurement exercise.

18.10 **Preliminary Market Engagement**

18.10.1 Before publishing a Tender Notice, the Council may consult potential suppliers in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any potential organisation. Guidance is contained in the PCoP.

18.10.2 When engaging with potential suppliers, the Council must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, and where this may prejudice the equal treatment of all potential bidding organisations or distort competition.

18.10.3 In undertaking any market testing activities, the Officer responsible should refer to any guidance contained in the PCoP. The Procurement Team will be able to advise on Preliminary Market Engagement Notices.

18.11 **Invitation to Tender (ITT) / Request for Quotations (RFQ)**

Above the single quotation threshold outlined in the PCoP, all Invitations to Tender (ITT) and Requests for Quotation (RFQ) including e-tendering must be undertaken in accordance with the procedures set out in the PCoP.

18.12 **Evaluation Criteria and Standards**

18.12.1 **Evaluation Criteria**

(a) In any procurement exercise the successful bid should be the one which either:

(i) offers the most advantageous tender which is a balance between quality and price or

(ii) offers the lowest price;

The Council will use criteria linked to the subject matter of the contract to determine that an offer is the most advantageous. Criteria may include price, quality, technical merit, aesthetic and functional characteristics, environmental characteristics, running costs, cost effectiveness, after-sales service, technical assistance, delivery date, delivery period and period of completion.

(b) Issues that are important to the Council in terms of meeting its corporate objectives can be used to evaluate bids as an element achieving the outcomes set out at 17.12.1 (a) above. The criteria can include, for example sustainability and Future Generation considerations, support for the local economy and community, or the use of sub-contractors. The bidding organisations' approaches to continuous improvement and setting targets for service improvement or future savings could also be included. All criteria must relate to the subject matter of the contract, be in line with the Council's corporate objectives and must be objectively quantifiable and non-discriminatory.

(c) Social value must be a tender requirement at £0.250m for works and above threshold for services. All above threshold tenders are required to have social value as a minimum of 10% of the evaluation criteria.

- (d) The procurement documentation must clearly explain the basis of the decision to bidding organisations, making clear how the evaluation criteria specified in the process will be applied, the overall weightings to be attached to each of the high-level criteria, how the high-level criteria are divided into any sub-criteria and the weightings attached to each of those sub-criteria.
- (e) In all cases the process that must be followed is set out in the PCoP; reference should be made to the PCoP.

18.12.2 Standards

- (a) Relevant British and International Standards which apply to the subject matter of the contract and which are necessary to properly describe the required quality must be included with the contract.
- (b) Officers should refer to any further guidance outlined in the PCoP.

18.12.3 Clarification Procedures

- (a) The Council can ask bidding organisations for clarification of any details submitted as part of their bid. However, any such clarification must not involve changes to the basic features of the bidding organisation's submission.
- (b) When requesting clarification, the Chief Officer must follow any guidance contained in the PCoP.

18.13 **Submission, Receipt and Opening of Tenders / Quotations**

18.13.1 Tenders and Quotations

- (a) Bidding organisations must be given an adequate period in which to prepare and submit a proper quotation or tender, consistent with the complexity of the contract requirements. Where the Procurement Act 2023 and Procurement (Wales) Regulations 2024 apply, the Regulations lay down specific minimum time periods for tenders.
- (b) Where these rules require and even when the rules do not require but it is practicable the Council's electronic procurement system must be used and all tenders submitted by electronic arrangements via the Council's electronic procurement system. After the tender submission deadline has passed tenders submitted electronically must be opened in accordance with guidance issued by the Head of Procurement, and the electronic record kept shall, as a minimum, meet the requirements set out in the guidance document issued by the Head of Procurement on the opening and recording of electronic tender submissions.
- (c) Tenders received after the date and time for receipt of tenders will only be opened and considered with the agreement of the Head of Procurement and Head of Legal and Democratic Services (or their nominated officer, who

should be at Operational Manager level or above) if this was the result of an identified system wide failure of the Council's e-procurement system (and not the bidders' ICT system) and notification has been received by the Council in advance of the tender deadline.

- (d) Chief Officers shall ensure that their staff complete a Quotation Record Form for quotations above £10,000. Further guidance is set out in PCoP.
- (e) For below threshold tenders, the Council shall have power to disqualify from submitting further tenders to the Authority, those tenderers who, in their opinion, have withdrawn tenders unreasonably, who have been in breach of any contract with the Council, or for any reason properly considered as being justifiable and reasonable.

18.13.2 Supplier Selection / Conditions of Participation Any supplier selection must have regard to the economic, financial and technical standards relevant to the contract and the evaluation criteria stipulated. Special rules apply to contracts covered by the Procurement Act 2023 and Procurement (Wales) Regulations 2024. Officers should refer to any further guidance contained in the PCoP.

18.14 **Post-Tender Negotiations**

18.14.1 Where an Open procedure is used, no post-tender negotiations are permitted. The responsible Officer may seek clarification from tenderers where appropriate in consultation with Ardal Procurement. Negotiations on price are never permissible except where it has been expressly allowed for within the competitive flexible procedure.

18.14.2 Where procurements do not exceed the Public Procurement thresholds, the agreement of Corporate Procurement to authorise negotiations must be sought. Such actions must not distort competition.

18.15 **Evaluation, Award of Contract and Debriefing of Organisations**

18.15.1 Evaluation

The procedure for the evaluation of bids is set out at Paragraph 18.12.1.

18.15.2 Award of Contract

- (a) The Council is required to notify successful and unsuccessful bidders of the outcome of a procurement process, in writing, in as timely a fashion as possible.
- (b) Where procurement has been subject to the Procurement Act 2023 and Procurement (Wales) Regulations 2024, the Standstill (an eight working day standstill period before a contract can be awarded to allow an unsuccessful bidding organisation an opportunity to challenge the proposed contract award) will need to be included in the procurement timetable before the

contract can be awarded. Full information regarding the Standstill is contained within the PCoP.

- (c) Chief Officers have been granted delegated authority to accept tenders for the supply of goods or materials and services and for the execution of works to £300,000 subject to:
 - (i) the expenditure being contained within the approved budget;
 - (ii) compliance with the PCoP;
 - (iii) for amounts greater than £75,000, the approval of the relevant Cabinet Member being obtained.
- (d) A record should be maintained of such acceptance by completion of a Contract Award Report. Compliance with reporting requirements to Cabinet and/or of Cabinet Member approval and within the timescales as set out in the PCoP.

18.15.3 Debriefing

The debriefing of organisations must be carried out in line with the requirements of the Procurement Act 2023 and Procurement (Wales) Regulations 2024 and any guidance detailed in the PCoP.

18.16 **Contract Documents**

18.16.1 Format of Contract Documents

Appropriate contract documents as advised by the Head of Legal and Democratic Services or conditions issued by a relevant professional body will be used.

18.16.2 Contract Signature

- (a) All contracts with a value of £75,000 or greater or as determined by the Head of Legal and Democratic Services shall be in the form of a Deed, made under the Council's seal and attested as required by the Constitution.
- (b) Contracts under £75,000 may be executed as a simple agreement and signed by two authorised officers (Director / Head of Service / Operational Manager).
- (c) All other contracts shall be in the form of an agreement, (i.e. not a Deed requiring sealing) either:
 - (i) be signed by at least two Officers of the Council authorised as required by the Constitution; or

- (ii) be formalised by the sending of an award letter confirming that the Agreement will incorporate the Council's terms and conditions and the subsequent issuing of a purchase order.

18.17 Legal Services Review of Tenders and Contracts

To ensure the integrity of the procurement process:

- (a) all proposed Invitations to Tender, where they are not in compliance with the Council's terms and conditions or standard terms and conditions issued by a relevant professional body, will be reviewed by Legal Services;
- (b) any proposed Invitations to Tender, which are subject to the Procurement Act 2023 and Procurement (Wales) Regulations 2024, or which are deemed to be of high risk, in accordance with the Council's Project Management toolkit must be reviewed by Legal Services;
- (c) any proposed contract where there is any deviation from the contract terms included in the Invitation to Tender must be reviewed by Legal Services.

18.18 Prevention of Bribery and Corruption

Rules and regulations pertaining to the prevention of Bribery and Corruption are outlined in the Council's FPRs, Council's Anti-Fraud and Bribery Policy and Employees' Code of Conduct and must be adhered to.

18.19 Declarations of Interests / Conflicts of Interest

Rules and regulations pertaining to the Declarations of Interests are outlined in the Code of Conduct for Employees within the Constitution and must be adhered to.

The Council must undertake a "conflicts assessment" before publishing a tender or transparency notice or a dynamic market notice. If a conflict of interest or potential conflict of interest is identified the Council must set out the steps it has taken or will take to demonstrate that no such conflict of interests exists. APPENDIX 3 TO SECTION 19

LOCAL DISPUTE RESOLUTION PROCEDURE FOR DEALING WITH LOW LEVEL ALLEGATIONS OF BREACHES OF THE MEMBERS' CODE OF CONDUCT AND THE VALE OF GLAMORGAN COUNCIL'S PROTOCOL - STANDARD OF CONDUCT EXPECTED BY MEMBERS

INTRODUCTION

1. The Public Services Ombudsman for Wales' Guidance on the Code of Conduct for Members of Local Authorities in Wales (May 2021) expects Local Authorities throughout Wales to implement a Local Dispute Resolution Procedure to deal with complaints which are made by a Member against a fellow Member which may not otherwise be investigated by the Public Services Ombudsman for Wales ('the Ombudsman') having regard to the Ombudsman's two-stage test.
2. The Vale of Glamorgan Council ('the Council') introduced a Local Dispute Resolution Procedure ('the Procedure') in 2014 to meet the Ombudsman's above expectations, and the Procedure was amended in 2018.
3. Typically the following complaints will fall within the category of complaints dealt with under this Procedure:
 - failure to show respect and consideration for others contrary to paragraph 18.2.4(b) of the Members' Code of Conduct ("the Code") and
 - making vexatious, malicious or frivolous complaints against other Members under paragraph 18.2.6(d) of the Code.
4. Other breaches of the Code may also be determined by the Monitoring Officer to be appropriate complaints to be dealt with under the Procedure.
5. The Procedure is to be read in conjunction with the Code and the Council's Protocol - Standard of Conduct Expected by Members ("the Protocol").
6. The Protocol establishes the behaviour which is acceptable and unacceptable between Members. It sits alongside the Code and fills the gap between behaviour which possibly in itself is not serious, but creates unpleasantness between Members, and behaviour that is approaching the threshold and serious enough for the Ombudsman to hold an investigation. Breaches of the Protocol will also be dealt with under this Procedure.
7. The Ombudsman assumes that where a Member repeatedly breaches this Procedure, the Monitoring Officer will refer the matter to the Ombudsman.
8. Members will continue to be able to complain directly to the Ombudsman where a breach of the Code has occurred. Should the complainant exercise that right then this Procedure will not be used, and any efforts to resolve a complaint using this Procedure will be stopped. The process will only resume if the matter is referred back for local resolution.

9. The Procedure applies to Vale of Glamorgan Council Member complaints against a fellow Vale of Glamorgan Council Member, and not Members of Town and Community Councils. Complaints made by the public and staff will not be dealt with under this Procedure.
10. The key objectives of the Procedure are to:
 - resolve allegations of breaches of the Code and Protocol locally and quickly,
 - avoid unnecessary escalation of the situation which might impact on personal relationships within the Council and damage the Council's reputation,
 - avoid unnecessary involvement of the Ombudsman so that his resources are devoted to the investigation of more serious or repeated complaints.

GENERAL PRINCIPLES

11. Members will make all reasonable efforts to resolve disputes via the Procedure.
12. Group Leaders individually and collectively will work to ensure compliance with the Procedure.

WORKING TO AVOID PROBLEMS

13. To minimise the number of instances of alleged breaches the Council has committed to:
 - a Member Development Strategy; and
 - providing relevant Member training events.

STAGE 1 OF THE PROCEDURE

14. Any Member who wishes to submit a complaint under the Procedure (“the Complainant”) is to complete the pro-forma Local Dispute Resolution Procedure Complaint Form (‘the Complaint Form’) attached at Appendix A to this Procedure and send it to the Monitoring Officer. Following receipt of the Complaint Form, the Monitoring Officer or the Deputy Monitoring Officer will indicate whether the complaint may be dealt with under this Procedure, whether it should be referred to the Ombudsman or whether it is rejected on the basis that there is no case to answer. A decision to reject a complaint by the Monitoring Officer or Deputy Monitoring Officer will be subject to consultation with the Chair of the Standards Committee or in his absence an Independent Member of the Standards Committee as nominated by the Chair of the Standards Committee.
15. If the complaint is to be dealt with under this Procedure the Monitoring Officer or Deputy Monitoring Officer will forward the complaint (including the identity of the Complainant) to the Member who is the subject of the complaint within **seven working days** of submission of the complaint.
16. The Complainant will submit to the Monitoring Officer in writing within **ten working days** of the submission of the Complaint Form any further details relating to the

complaint which are not already detailed in the Complaint Form. The Monitoring Officer will forward the same to the Member who is the subject of the complaint.

17. The Member who is the subject of the complaint will submit to the Monitoring Officer a written response to the complaint within **ten working days** thereafter (having been advised by the Monitoring Officer of the commencement date of the ten working days period) and the Monitoring Officer will forward the same to the Complainant.
18. The Monitoring Officer or Deputy Monitoring Officer will determine whether a Mediation Meeting is convened or whether the complaint is referred directly to a Hearing at Stage 3 of the Procedure.

STAGE 2 OF THE PROCEDURE

MEDIATION MEETING

19. A Mediation Meeting will be held between the Complainant, the Member who is the subject of the complaint, the Leader of the political group for the Complainant and the Member who is the subject of the complaint (for Members that are not in a group they may be accompanied by a colleague or friend) and the Chief Executive (or a nominated Director as determined by the Chief Executive) within **thirty working days** of the Complaint Form being sent to the Member who is the subject of the complaint. The purpose of the Mediation Meeting will be to attempt to resolve the matter. If deemed necessary the Chief Executive or the nominated Director may call on the Monitoring Officer or the Deputy Monitoring Officer for advice and assistance.
20. Where the complaint is made by or concerns a Group Leader the Mediation Meeting will be attended by the Complainant, the Member who is the subject of the complaint, the Chief Executive (or a nominated Director as determined by the Chief Executive) and the Monitoring Officer or the Deputy Monitoring Officer.
21. If the matter is not resolved at Stage 2, the Complainant may elect to stop the Procedure or proceed to Stage 3 of the Procedure subject to notifying the Monitoring Officer in writing within **seven working days** of the Mediation Meeting.
22. Anything said at the Mediation Meeting is privileged and cannot be referred to at Stage 3 of the Procedure.

STAGE 3 OF THE PROCEDURE

HEARING

23. The Hearing will be before three Independent Members of the Standards Committee nominated by the Chair of the Standards Committee. The designated Democratic Services Officer (“the Democratic Services Officer”) will arrange for the Hearing to take place within **six weeks** following the Complaint being referred to Stage 3 of the Procedure

24. Members involved in the complaint have the right to appear before the Independent Members and call witnesses. Once names of witnesses are provided to the Democratic Services Officer the witnesses will be given an overview of the complaint.
25. Only witnesses who have given statements will be able to give evidence at the Hearing and witnesses that provide statements will be required to attend the Hearing, unless both parties agree with the content of the witness' statement and that the witness is not required to attend (the Monitoring Officer is to be advised in writing in such circumstances). The parties if calling witnesses must let the Democratic Services Officer know not less than **five working days** prior to the Hearing of the name of the witness(es) and provide a copy of any witnesses statements to the Democratic Services Officer not less than **five working days** prior to the Hearing, who will provide copies of the witness statement(s) to the other party in advance of the Hearing. Further evidence may be submitted within 5 working days of the Hearing at the discretion of the Panel. Support for witnesses in formatting and typing statements may be provided by officers of the Council as appropriate.
26. The procedure to be followed during the Hearing is set out in Appendix B to this Procedure. It being noted that the Independent Member chairing the Hearing has discretion to vary or supplement the procedure as deemed appropriate.
27. The parties will have the right to be accompanied by only one representative which may be a legal representative or otherwise a colleague, friend, family member or Group Leader. It will be for each of the parties to make their own arrangements regarding representation. The Council will not meet the costs of representation. If either party decides to have legal representation at the Hearing, the Monitoring Officer is to be notified in advance of the Hearing in order to inform the other party to ensure that the opportunity is available to seek legal representation.
28. Neither a representative nor person accompanying a Member will be permitted to give evidence as a witness at the Hearing. However for the avoidance of doubt, a representative or person accompanying a Member will be permitted to speak on behalf of the Member that they are representing/accompanying including asking questions and summing up.
29. If either side wishes not to be present or fails to attend the Hearing the Hearing may be held and determined in their absence.
30. The Independent Members may, in determining the matter on the balance of probabilities, come to one of three conclusions, namely:-
 - there is no basis to the complaint.
 - there is a basis to the complaint but that no further action is required .The Independent Members may also make recommendations to the Council regarding changing any procedures or taking any further action and/or may also direct that an apology be offered to the Complainant and that the Member who is the subject of the complaint attends further training within a specified timescale.
 - There is a basis to the complaint and that the Member be censured. The Independent Members may also make recommendations to the Council regarding

changing any procedures or taking any further action and/or may also direct that an apology be offered to the Complainant and that the Member who is the subject of the complaint attends further training within a specified timescale. Should an apology be directed, this to take the form of a formal apology and to be made in the same way (including the place) as the dispute arose (an apology will only be made in private and confidentially if the Complainant so wishes). A failure by the Member, who is the subject of the complaint, to make an apology in the specified manner is to be referred back to the Standards Committee for consideration.

SUPPLEMENTARY MATTERS

31. Publicity will not be given to the name(s) of the Complainant(s)
32. Publicity will not be given to the name of the Member who is the subject of the complaint unless the Member is censured. Such publicity will take the form of a notice being posted on the Council's website for not less than twenty eight calendar days detailing the name of the Member who is the subject of the complaint, the fact that the Member has been censured pursuant to the Procedure, when the censure decision was made and a summary of the facts as deemed appropriate by the Independent Members presiding at the Hearing. If a formal apology is to be provided, the date when such an apology is provided will be included in the notice.
33. If a formal apology is not provided as resolved by the Panel the matter will be referred to the Standards Committee for consideration and notification of the same will be posted on the Council's website.
34. The Monitoring Officer or Deputy Monitoring Officer will provide advice and support at Stages 2 and 3 of the Procedure but will not determine the matter.
35. The Hearing at Stage 3 will be dealt with in private.
36. There is no right of appeal against the decision made by the Independent Members at Stage 3 of the Procedure.
37. The timescales within the Procedure are a guide to ensure that complaints under the Procedure are dealt with quickly in order to minimise the impact of the complaint; Members and Officers are therefore requested to adhere to the timescales.

LOCAL DISPUTE RESOLUTION PROCEDURE

CONDUCT OF STAGE 3 HEARING

It is to be noted that:

Hearings are to be held in private.

The Member who is the subject of the complaint ('the Respondent') will have received a copy of the Complaint Form and any further submissions by the Complainant in line with paragraph 16 of the Local Dispute Resolution Procedure ('the Procedure').

The parties will have the right to be accompanied by only one representative which may be a legal representative or otherwise a colleague, friend, family member or Group Leader.

Prior to the commencement of the Hearing, the 3 Independent Members of the Standards Committee (nominated by the Chair of the Standards Committee) will elect a Chair for the Hearing ('the Chair').

The Chair will have the discretion to supplement or vary the procedure to be followed at the Stage 3 Hearing as deemed appropriate.

Witnesses will not be permitted to be present in the Hearing room at the outset but will be called individually to give their evidence at the appropriate time and will be required to leave following their evidence.

Where witnesses are to be called, the parties will be required to notify the Democratic Services Officer not less than **five working days** prior to the Hearing. Both parties will need to ensure that their witnesses are in attendance. If both parties agree the written evidence of a witness, the witness is not required to attend (and the Monitoring Officer will be advised of this in writing). Witnesses are required to provide a statement prior to the Hearing and for the statement to be provided to the Democratic Services Officer not less than **five working days** prior to the Hearing.

The Monitoring Officer or Deputy Monitoring Officer will provide advice and support to the Independent Members but will not determine the matter.

The decision of the Independent Members will be based on the standard of proof of the balance of probabilities.

At the Hearing

Step 1

At the Hearing those present will include the Independent Members, the Monitoring Officer or Deputy Monitoring Officer, a representative from Democratic Services, the Complainant, the Respondent and their representatives or person accompanying each party (if required).

The Chair will open the Hearing and establish the identity of all present and will outline the order of proceedings for the Hearing.

The Chair will seek confirmation that all parties have received the relevant documentation and will specify the complaint(s) against the Respondent.

Step 2

The Chair will commence by requesting the Complainant (or their representative) to present their case following which questions may be asked by the Respondent (or Respondent's representative) and the Independent Members.

Complainant's witness(es) to be called to give evidence following which questions may be asked by the Respondent (or their representative) and the Independent Members. The Complainant (or their representative) may seek clarification from their witness(es) on any points arising from the questioning.

Step 3

The Respondent (or their representative) will then be afforded the opportunity to present their case followed by questions from the Complainant (or their representative) and the Independent Members.

Respondent's witness(es) to be called to give evidence following which questions may be asked by the Complainant (or their representative) and Independent Members. The Respondent (or their representative) may seek clarification from their witness(es) on any points arising from the questioning.

Throughout the Hearing the Independent Members, Monitoring Officer or Deputy Monitoring Officer may also seek clarification or ask relevant questions of both parties.

Step 4 – Summing Up

The Chair will then afford both parties (Complainant and Respondent respectively) the opportunity to sum up. A party's representative or person accompanying them may sum up on their behalf.

Step 5

Following the summing up both parties and their representative(s) will be asked to vacate the room in order that the Independent Members can deliberate and decide in private whether the complaint is proved or not proved. The Independent Members will be accompanied only by the Monitoring Officer or Deputy Monitoring Officer and the Democratic Services Officer. The role of officers is to offer advice to the Independent Members but not to determine the outcome of the matter.

The Independent Members' decision will be by majority vote; where necessary the Chair shall have a casting vote.

Step 6

The parties will be called back in and the Chair will advise whether the complaint is proved or not proved. If proved, the Respondent will be asked to give any mitigation which might affect the Independent Members' decision.

Step 7 – Hearing Decision

The Independent Members will consider the mitigation submitted and come to their decision in private.

It will be at the discretion of the Chair whether the Independent Members will reach a decision on the day of the Hearing and how the decision will be communicated (either face-to-face or by telephone). The Complainant and Respondent will both be advised orally of the decision.

The Chair, at the end of the Hearing, will remind parties that there is no right of appeal against the decision made by the Independent Members at Stage 3 of the Procedure.

The Chair will aim for a written decision to be issued within **seven working days** of the decision being made. The written decision will set out the decision of the Independent Members and the reasons for the decision. A copy of the decision letter will only be sent to the Respondent.

The Independent Members may come to one of three conclusions, namely:

- (i) There is no basis to the complaint;
- (ii) There is a basis to the complaint but that no further action is required. The Independent Members may also make recommendations to the Council regarding changing any procedures or taking any further action and or may also direct that an apology be offered to the Complainant and that the Member who is the subject of the complaint attends further training within a specified timescale;
- (iii) There is a basis to the complaint and that the Member be censured. The Independent Members may also make recommendations to the Council regarding changing any procedures or taking any further action and or may also direct that an apology be offered to the Complainant and that the Member who is the subject of the complaint attends further training within a specified timescale.

Should an apology be directed the apology is to take the form of a formal apology and to be made in the same way (including the place) the dispute arose within the timescale specified by the Panel. An apology will only be made in private and confidentially if the Complainant so wishes.

Should the Independent Members determine conclusion (i) or (ii) as outlined above, all parties will be reminded that no publicity will be given to the name of the Members involved in the complaint or any details of the complaint.

Should the Independent Members' conclusion be that there is a basis to the complaint and that the Member be censured, then a statement on the Council's website will be issued

ideally within **seven working days** of the decision letter being issued which will detail the name of the Respondent, the fact that the Respondent has been censured pursuant to the Procedure, when the censure decision was made and a summary of the facts as deemed appropriate by the Independent Members presiding at the Hearing. If a formal apology is to be provided, the date when such an apology is provided will be included in the notice, or alternatively if a formal apology is not provided as resolved by the Panel reference will be made in the notice to the date when the matter will be referred to the Standards Committee for consideration. The statement will appear on the Council's website for not less than **twenty eight calendar days**.

SECTION 20

20. GUIDES TO PUBLIC SPEAKING AT COMMITTEES

20.1 Guide to Public Speaking at Planning Committee

The provisions within this document will apply to all Planning Committee meetings that are determined by the Council / Chair to take place on a virtual only or hybrid (i.e. remote attendance) basis.

Persons considering speaking at a Planning Committee meeting, should have prior regard to the Council's Multi-Location Meeting Policy, which can be found [using this link](#).

N.B. It is important to recognise that meetings determined by the Council / Chair to take place on a virtual only or hybrid (i.e. remote attendance) basis will be subject to live web transmission ("livestream").

Written Representations on Planning Applications which are contained within the Agenda of the latest published meeting and which are to be determined by the Planning Committee

Wherever possible, objections or representations to planning applications should be made in writing. Written representations on planning applications received up until 12.00 noon on the day before Planning Committee (the Wednesday of Committee week where meetings are held on Thursday) will be accepted and made available for public inspection. Written representations are welcome in both English and Welsh.

Representations received too late to be included in the committee report within the published agenda papers but received before 12 noon the day prior to the meeting day will be circulated to Planning Committee Members the evening before the Committee day and labelled as 'Matters Arising.' Hard copies of the Matters Arising will also be available for the public at the meeting itself.

Hard copies of agendas and reports must be available for the public if meetings are held physically and the Council is also required to make public access provision for members of the public who cannot access documents, for example by providing access to computers, limited copies of documents at meetings or via a fee or making documents available for inspection at the Civic Offices, by contacting Democratic and Scrutiny Services via the main reception desk.

The Agenda Papers for the relevant meeting are published electronically at least 9 days (including weekends) prior to the date of the Committee Meeting.

Verbal Representations on Planning Applications which are contained within the Agenda of the latest published meeting and which are to be determined by the Planning Committee

There will be occasions when applicants or objectors, or both, may wish to make verbal representations to the Planning Committee. Verbal representations (public speaking) are welcome in both English and Welsh. Any Representations will be heard by the Committee but not debated upon. In such circumstances, the following procedure will apply.

It is necessary to have sufficient advance warning of speakers to gauge the likely overall public attendance and to offer support and advice to those unsure of how to proceed and/or wishing to address the Committee in Welsh. It may also be necessary to resolve any issues regarding nominating a spokesperson and allowing that person a reasonable timeframe to co-ordinate their response.

Unless you specifically notify Democratic Services otherwise, in registering to speak, you consent to the Council forwarding your contact details to others (of the same opinion) who wish to speak in order to assist you to nominate a single spokesperson.

Please inform the Democratic Services Team, as soon as possible on 01446 709855 or Democratic@valeofglamorgan.gov.uk, if you require any additional support to make your representations. For example, the use of a hearing loop.

The neighbour notification letter and the planning application acknowledgement letter will also both advise respondents and applicants of the right to speak at committee and it will be the responsibility of those wishing to speak to register.

Registering to Speak

The Agenda Papers for the relevant meeting are published electronically at least 9 days (including weekends) prior to the date of the Committee Meeting.

The request to speak notification period will open at 8:30am, the day after the Agenda Papers have been published and will remain open for 6 days (the first day being the day that the registration form opens). The registration period will close 5:00pm on the sixth day. Members of the public who wish to register to speak at a meeting of the Council's Planning Committee, should do so by completing the appropriate public speaking registration form by no later than 5.00pm, 3 clear working days prior to and not including the meeting day.

To register to speak you should complete the online form, which can be found at www.valeofglamorgan.gov.uk/planningcommittee

It is recognised that there will be individuals who will not have access to an electronic facility. Those individuals will be able to register to speak by telephone on 01446 709855 (they will be asked to provide the same information required on the online form) and confirmation of their registration will be provided verbally during the telephone call.

Once you have submitted your Registration Form, you will receive an automatic confirmation email informing you that your registration has been successful. Once

the Registration Deadline has passed, the Democratic Services Officer supporting the Committee will contact you to provide you with a copy of this Guide.

Speaking Time

A maximum period of 6 minutes will be allowed for those registered to speak for **or** against an application to address the Committee. This equates to a maximum of 12 minutes public speaking time per Planning Application.

Each individual speaker will ordinarily be allowed a maximum of **3 minutes** to address the Committee, provided that those speaking for **and** against will be allocated the same amount of time in total. For example, in the event that two or more persons are registered to speak against an application, where there is only one person registered to speak in favour, that person will be allocated 6 minutes to speak. This is to ensure that there is equality of time afforded to those speaking for and against any application.

If more than two people are registered to speak for or against, they are encouraged to nominate one spokesperson as the maximum 6 minutes will be allocated across all persons registered. An individual must be registered before they are able to transfer their allocated speaking time to a nominated spokesperson. The nominated spokesperson does not need to be registered.

If two or more speakers are registered to speak and no spokesperson is nominated, or no agreement is made in respect of the amount of time to be allocated between the speakers then the 6 minutes will be split equally amongst all registered speakers.

If the full 6 minutes are allocated to 2 speakers but one of the individuals does not attend, withdraws during the course of the meeting and/or nominates their speaking time to the other registered speaker then the maximum time will revert to 3 minutes, unless there are 2 speakers in opposition. If there is only 1 speaker in opposition then the opposition speaking time will also revert to 3 minutes. The time limits will be strictly observed.

Example Table:

For	Individual's Allocation	Against	Individual's Allocation	Total Speaking Time
1 Speaker	3 minutes	1 Speaker	3 Minutes	6 Minutes
2 Speakers	3 Minutes each	1 Speaker 2 Speakers	6 Minutes 3 Minutes each	12 Minutes
3+ Speakers	6 Min/No of Speakers	1 Speaker 2 Speakers 3+ Speakers	6 Minutes 3 Minutes each 6 Min/No of Speakers	12 Minutes

Where there are 3 or more speakers registered to speak on one side it is recommended that a single spokesperson be nominated as the maximum speaking time of 12 minutes will have been reached and each individual's allocation of time

will incrementally decrease.

Those persons addressing the Committee will not be allowed to hand out any documentation to Members at the Committee meeting, and no facilities will be provided or made available for presentations.

N.B. Please note that registrations to speak cannot be made on items which relate to Enforcement Action(s). Registrations to speak are only permissible for Planning Applications. However, you still have the ability to provide a written submission to the Committee on an Enforcement Action should you wish to do so subject to the timelines as set out on Page 1 of this Guide.

Who can speak?

Subject to compliance with the registration and procedural requirements set out in this guidance, the following persons are eligible to speak:

- Objectors or those expressing concerns regarding the application or their representative.
- The Applicant and/or their representative and/or at the discretion of the Applicant or their representative such other individuals who wish to support a proposal.
- A Representative of a Town or Community Council; and
- Any Councillor elected to the Vale of Glamorgan Council not on the Planning Committee.

Please note that Vale of Glamorgan Elected Members are not required to register to speak and are afforded a maximum of **5 minutes** speaking time irrelevant of the number of Members wishing to speak.

Town and Community Councillor Representatives must register to speak and are afforded a maximum of 3 minutes speaking time to represent their individual Council irrespective of other persons registered to speak. The individual registered to speak on behalf of the Town or Community Council must be nominated by the Proper Officer of the Council i.e. the Town or Community Council Clerk or acting equivalent by way of an email sent to Democratic@valeofglamorgan.gov.uk. Only one representative from each Town and Community Council may speak on any given application. Where there are cross boundary applications being considered, Town and Community Councillors from each area will have 3 minutes speaking time at the Committee.

School Governors that have registered to speak either for or against a planning application relating to their school should disclose their role as a School Governor to the Democratic Services Officer by midday the day before the Planning Committee meeting. Failure to inform the Democratic Services Officer before the Planning Committee meeting may affect a person's right to speak.

Matters Considered Relevant

Planning decisions should be made based on material planning considerations and should not be based on immaterial considerations. Speakers should have regard to this and can find further relevant information at www.valeofglamorgan.gov.uk/planningcommittee

Running Order of Committee

The running order will be as follows (subject to the provisions set out above applying in the event of there being more than one person registered to speak for or against the application):

- At the meeting, the Planning Officer will present the report and address any Matters Arising.
- Those objecting to the application will be asked to make their representations. Those speaking will not be allowed to ask any questions of Officers or the Committee. Members of the Committee who wish to ask any points of clarification may do so at the end of the allocated speaking period, however, they should not interrupt or otherwise question the speaker(s) in any way. A Point of Clarification relates directly to the representations provided by the Speaker and seeking clarity on what has been said. It is not an opportunity to ask the speaker questions on the merits of the application. The objective is to ensure that Committee members have fully understood the intent and context of the Speaker's representations.
- Any Vale of Glamorgan Councillor that has declared a prejudicial interest is still entitled to speak on a Planning Application in accordance with the Council's Code of Conduct but must withdraw from the meeting prior to Committee debate. A time limit of 5 minutes will apply. N.B. Any Member of the Planning Committee with a prejudicial interest will not be able to vote on the Planning Application itself in line with the Council's Code of Conduct.
- Any Councillors of the Vale of Glamorgan Council not on Planning Committee will then be entitled to address the Committee, subject to a time limit of 5 minutes per Councillor.
- Any Town and Community Council Representatives will then be entitled to address the committee, subject to a time limit of 3 minutes per Councillor.
- Those supporting the application will then be asked to make their representations. Those speaking will not be allowed to ask any questions of Officers or the Committee. Members of the Committee who wish to ask any points of clarification may do so at the end of the allocated speaking period, however, they should not interrupt or otherwise question the speaker(s) in any way. A Point of Clarification relates directly to the representations provided by the Speaker and seeking clarity on what has been said. It is not an opportunity to ask the speaker questions on the merits of the application. The objective is to ensure that Committee members have fully understood the intent and context of the Speaker's representations.

- The Council’s Officers may then comment on the representations made and the merits of the application.
- The Committee will proceed to debate the application and make a decision. The Planning Officer or Legal Officer may be asked by the Chair to address any issues raised during the debate. The minutes of the meeting will include the reasons for the decision.
- There will be no right of reply and no requirement for speaking to be “balanced” if there is no registered speaker in a certain slot.

N.B. Agents/Applicants are requested to consider the merits of speaking at the Committee meeting when the application is recommended for approval and where no one objecting has registered to speak.

Agents/Applicants are encouraged to register to speak during the registration window and then withdraw their registration prior to the meeting, should they only wish to speak if there is a speaker in opposition. Once the registration window has closed, the Democratic Services Officer will be able to confirm the number of registered speakers for the application as a whole but will not provide any specific information on the speakers themselves.

Joining Remotely or Physical Attendance

Planning Committee meetings will be livestreamed over the internet (webcast) allowing members of the public to watch the meeting remotely either live (at the time the meeting takes place) or on-demand (at a later date). Members of the public who have registered to speak will be notified of this fact prior to the meeting.

Hybrid meetings will be held in the Council Chamber of the Civic Office in Barry.

Members of the public that have successfully registered to speak, will be able to join remotely or have the option to attend in person. Members of the public should advise Democratic Services of their joining preference within 24 hours of the meeting start time.

For remote attendees and those that have registered to speak, they should join the Committee meeting 15 minutes before the published start time. Remote attendees will be sent a joining link from the Easy Conference Connect meeting platform for the meeting at least 1 hour before the meeting start time. The joining link will be unique for each individual speaker and participant, so the link should not be shared or forwarded onto to another person.

For physical attendance, registered speakers should arrive at the Council Chamber at least 15 minutes before the published start time. A Democratic and Scrutiny Services Officer will seat the registered speaker accordingly in the Council Chamber and, at the appropriate time, the Chair will ask them to activate their desk microphone so that they may be clearly seen and heard.

On occasions where physical space for attendance at a meeting may be limited or where there may be technological issues, the Chair of a meeting, essential officers

supporting the meeting and simultaneous translators will be afforded priority for attendance in the Council Chamber.

Deferred Applications

If an application is deferred at a Committee meeting on the basis that further information, a site visit and/or analysis is required, the same procedure for public speaking will apply when the application is considered at the subsequent Committee meeting(s). **Therefore, individuals who were registered to speak on an application that has been deferred by the Committee will need to re-register ahead of the next meeting when the application will be re-considered.**

Other information

If a member of the public interrupts proceedings, the Chair will warn the person concerned (section 4.28 Council Constitution). If they continue to interrupt, the Chair will order their removal from the meeting.

This procedure does not apply to Planning Committee site visits, where no public speaking is allowed.

When confidential (“Part II”) items are under consideration by the Planning Committee, the Chair will ask all members of the public and the press to vacate the meeting room (whether by Remote, Hybrid or Physical means) before continuing with the agenda. Any recording of the meeting will also cease.

Planning Meetings will be conducted in line with the Council’s Code of Conduct for Members at Section 19 of the Council’s Constitution and the Conduct of Members – The Principles at Appendix 1 to Section 19.

20.2 Guide to Public Speaking at a Scrutiny Committee Meeting **

The Vale of Glamorgan Council recognises that members of the public can make an important contribution and be a valuable source of information. The Council therefore encourages the active participation of all residents within its Scrutiny function.

This Guide provides information on what members of the public can expect when participating in a Scrutiny Committee meeting.

This Guide has been drafted having regard to the Vale of Glamorgan Council Multi-Location Meetings Policy:

https://www.valeofglamorgan.gov.uk/en/our_council/Council-Structure/Multi-Location-Meetings-Policy/Multi-Location-Meetings-Policy.aspx

[Please note this Guide only covers general business items under consideration by the Scrutiny Committees, and therefore items included within the published agenda.](#)

Where an issue of major public concern/interest arises, separate arrangements will apply. Speaking time will be determined by the relevant Chair of the Scrutiny Committee, based on the level of public interest.

1. What is Scrutiny?

1.1 The Council's Scrutiny function provides an opportunity for Elected Members ("Councillors") to examine the services that the Council provides and to ask questions on how decisions have been made. Scrutiny Committees must also make arrangements to listen to the views of the public and the community. One of the roles of the Scrutiny Committee is to take account of those views when considering the relevant issue and, if considered appropriate, to pass those views on to the Council's Cabinet for their consideration.

1.2 It is important to be aware that the Scrutiny Committees do not deal with individual queries, concerns or complaints and that a Scrutiny Committee meeting is a meeting held in public, but it is not a Public Meeting.

1.3 The Council has four Scrutiny Committees:

Start Well Scrutiny Committee

This Committee deals with areas that support children and young people to achieve the best start in life, such as schools, post 16 education skills and training and Additional Learning Needs (ALN). The Committee's Terms of Reference highlight areas covered by the Committee.

Live Well Scrutiny Committee

This Committee deals with supporting vulnerable people such as Adult Services, Children's Services and homelessness, and improving individual well-being through services such as libraries, arts, culture, leisure and sports.

The Committee's Terms of Reference highlight areas covered by the Committee.

Place Scrutiny Committee

This Scrutiny Committee deals with how we make our area and the wider environment the best it can be, with Waste Management, Leisure Facilities, Highway Maintenance, Planning (but not matters such as planning applications), Transportation and Economic Development. The Committee's Terms of Reference highlight areas covered by the Committee.

Resources

This Scrutiny Committee deals with Corporate Health such as the internal working of the Council and its finances.

2. Where and When do Scrutiny Committees Meet?

- 2.1 Each of the Council's four Scrutiny Committees meet approximately 6 times a year. All Committees also come together twice a year to consider performance against the Corporate Plan. Meetings usually commence at 6:00 pm.

All Scrutiny Committee meetings are held on a remote basis only unless a matter of County wide interest has been determined by the Chair of the Scrutiny Committee in conjunction with the Chief Executive.

For any meeting held face-to-face or on a hybrid basis, individuals that attend physically will meet in the Council Chamber of the Civic Offices in Barry. However, on occasions, an alternative venue may be used (e.g. the Start Well Scrutiny Committee may meet at a school).

A schedule of all the Scrutiny Committee meetings for the current Municipal Year (May to April) is available on the Council website at the following link: https://www.valeofglamorgan.gov.uk/en/our_council/Council-Structure/minutes_agendas_and_reports/minutes_agendas_and_reports.aspx

- 2.2 The provisions within this document will also apply to any Scrutiny Committees that are determined by the Council / Chair to take place on a virtual only or hybrid (i.e. remote attendance) basis.

3. Livestreaming of Meetings

- 3.1 Section 46 of the Local Government and Elections (Wales) Act 2021 requires that Local Authorities shall ensure that meetings of a Principal Council are broadcast live and are available to view electronically save for when the meeting is not open to the public. The livestreaming (webcast) of the meeting shall be published on the Council's website and archived thereafter for future viewing.

- 3.2 Section 47 of the Act requires Local Authorities to make and publish arrangements that ensure that Local Authority meetings are able to be held by

means of any equipment or other facility which enables meeting participants who are not in the same place to attend the meetings (hybrid method) and be able to speak to and hear each other. This provision came into force on 1st May 2021. From 5th May 2022 meeting participants must not only be able to speak to and hear each other but, for meetings which are required to be broadcast, participants actively taking part in the meeting must also be able to see and be seen by each other.

- 3.3 Scrutiny Committee meetings will be livestreamed over the internet allowing members of the public to watch the meeting remotely either live (at the time the meeting takes place) or on-demand (at a later date). Members of the public who have registered to speak will be notified of this fact prior to the meeting.

4. How do I get my Representations Heard?

- 4.1 Your representations at a Scrutiny Committee can be heard via two ways. If you choose, you can request to speak at a Scrutiny Committee or alternatively, you can send in your written representations. The procedure for submitting written representations can be found in section 15 of this Guide.

5. Who Can Speak?

- 5.1 Anyone who lives or works in the Vale of Glamorgan and who has registered in advance, is entitled to speak at a scheduled meeting of one of the Council's Scrutiny Committees.
- 5.2 The meeting is not a question and answer session and speakers will be asked to make their verbal representations relevant to the topic and to avoid repetition.
- 5.3 The number of public speakers will be limited and this will be dependent on the number of registrations received.
- 5.4 In the event that a person aged under 16 years of age wishes to speak at a Scrutiny Committee meeting, they must be accompanied by an adult aged 18 or over.
- 5.5 Where appropriate, Expert Witnesses with specific knowledge or experience can be asked to address the Scrutiny Committee on a particular matter. When a witness is requested to give evidence, then the amount of speaking time allocated will be determined by the Chair. **This will not affect the amount of public speaking time.**
- 5.6 Town and Community Councillor Representatives must register to speak and are afforded a maximum of 3 minutes speaking time to represent their individual Council irrespective of other persons registered to speak. In relation to this Guide, they are considered to be members of the public. The individual registered to speak on behalf of the Town or Community Council must be nominated by the Proper Officer of their Council i.e. the Town or Community Council Clerk or acting equivalent by way of an email sent to

Democratic@valeofglamorgan.gov.uk. Only one representative from each Town and Community Council may speak on any given agenda item.

- 5.7 Officers of the Vale of Glamorgan Council and / or any representatives they have nominated to present reports to the Scrutiny Committee on their behalf are not required to register to speak and are not subject to allocated speaking times.

6. **How Long do I Have to Speak?**

- 6.1 For each agenda item, there will be a **maximum of 15 minutes** speaking time **in total** for members of the public (provided they have registered to speak). In the event of multiple requests to speak, the Chair will usually allow up to a maximum of **5** individual speakers per agenda item (i.e. **3** minutes per speaker). Individual speakers who have registered to speak will be limited to **3** minutes in respect of an agenda item.
- 6.2 Where multiple requests to speak have been received, which is greater than the usually permitted maximum of 5 individual speakers, then the speaking arrangements will be based on the level of public interest and the amount of speaking time determined by the Chair.

This Guide does not apply to Vale of Glamorgan Elected Members, as they are subject to the procedures of the Council's Constitution, which entitles them to speak with the permission of the Committee.

7. **What Can I Speak on at the Meeting?**

A member of the public, speaking on an agenda item must address their speech to the item they have registered to speak upon on the agenda and cannot address other agenda items or unrelated business.

They should ensure that:

- Comments are clear and concise and are directly related to the agenda item on which they have requested to speak;
- Avoid repeating points made previously by any earlier public speakers;
- Views are limited to the advantages or disadvantages of the item and highlight how the item could affect the delivery of services to specific user groups of citizens in the Vale; and
- Comments are not defamatory, discriminatory or contain offensive language.

8. **What Can't I Speak on at the Meeting?**

8.1 The right of the public to speak applies to all items on the agenda with the exception of the following:

- Apologies;
- Declarations of Interest;
- Previous Meeting Minutes;
- If an agenda item has been withdrawn or deferred;
- Any agenda item that is not accompanied by a written report or any agenda item for which the Chair has exercised their discretion to withdraw the right of public speaking, e.g. a presentation; and
- When confidential ("Part II") items are under consideration by the Scrutiny Committee, the Chair will ask all members of the public and the press to vacate the meeting room (whether by Remote, Hybrid or Physical means) before continuing with the agenda. Any recording of the meeting will also cease..

8.2 The right to speak does not include the right to ask any questions of any Elected Member, Officer of the Council, invited attendees / witnesses or any other registered speaker.

8.3 The Chair of the Committee will have the discretion to stop a speaker before their allotted time has concluded if, in the Chair's view, the speaker is making any comments that are, or appear to be:

- defamatory,
- discriminatory,
- contain offensive language,
- are contrary to the procedures laid out in the Scrutiny Public Participation Guide,
- are unrelated to the agenda item under consideration, or
- constitute behaviour otherwise not appropriate for a Scrutiny Committee meeting.

If a member of the public interrupts proceedings, the Chair will warn the person concerned (Section 4.28 Council Constitution). If they continue to interrupt, the Chair will order their removal from the meeting.

9. **Attendance at the Meeting**

- 9.1 Members of the public who have registered to speak, are asked to join the remote meeting room, or arrive at the Council Chamber 15 minutes before the scheduled start time of the meeting and should inform the Democratic and Scrutiny Services Officer of their arrival.

10. **Where Do I Sit?**

- 10.1 For remote meetings, when a registered speaker joins the remote meeting room by clicking the URL joining link sent to them in advance by the Democratic and Scrutiny Services Officer, they will automatically be placed in a virtual waiting room for guests until such time that the Democratic and Scrutiny Services Officer admits them to the remote meeting room.
- 10.2 For face-to-face meetings, the Democratic and Scrutiny Services Officer will seat the registered speaker accordingly in the Council Chamber and, at the appropriate time, the Chair will ask them to activate their desk microphone so that they may be clearly seen and heard.
- 10.3 On occasions where physical space for attendance at a meeting may be limited (e.g. as a result of the COVID pandemic) or where there may be technological issues, the Chair of a meeting, essential officers supporting the meeting and the simultaneous translators will be afforded priority for attendance in the Chamber.

11. **When Will I Speak?**

- 11.1 Normally, agenda items with public speaking will usually be considered first and will take the following format:
- (1) Responsible Officer from the Council to present the report;
 - (2) If applicable, the Cabinet Member portfolio holder to address the Scrutiny Committee;
 - (3) Expert Witness to provide evidence;
 - (4) Members of the public who have registered to speak;
 - (5) Other Elected Members (i.e. not members of the Scrutiny Committee);
and
 - (6) Scrutiny Committee Members.

12. **Can I Hand Out Supporting Documents or Use Visual Aids?**

- 12.1 You cannot hand out any supporting documents at the meeting or use any form of visual aid, such as photographs or diagrams. The deadline for registering to speak or to make written representations is designed to provide

information to the Scrutiny Committee in advance of the meeting in order to allow Members to give full consideration to the points raised.

13. **Once I Have Spoken**

- 13.1 After you have finished speaking, please be aware that you may be asked points of clarification by the Committee Chair and/or Committee Members to clarify some of your comments. You must not enter into a debate with the Committee Members, as this is not a public inquiry; but rather a meeting of the Council. You will then be asked to mute your microphone and, if joining remotely, turn your camera off.
- 13.2 The Committee will then discuss the issue further before making any recommendation(s) to the Cabinet (or Senior Officer with delegated responsibility) they deem appropriate.
- 13.3 If the Chair advises that there are no further queries following your representations, you are free to leave the meeting at any time should you wish to.

N.B. While a Scrutiny Committee will consider the comments made by public speakers and other elected Members when considering matters and forming recommendations, it has a duty to form its own conclusion as it sees appropriate.

14. **How Do I Register to Speak?**

- 14.1 The agendas for Scrutiny Committee meetings are published on the Council's website, at least 5 clear days (which includes weekends) before the date of the meeting.

Hard copies of agendas and reports must be available for the public if meetings are held physically and the Council is also required to make public access provision for members of the public who cannot access documents, for example by providing access to computers, limited copies of documents at meetings or via a fee or making documents available for inspection at the Civic Offices, by contacting Democratic and Scrutiny Services via the main reception desk.

- 14.2 The appropriate application form to register to speak will be available on the Council's website from 8:30 am the day after the agenda is published via the following link:

https://www.valeofglamorgan.gov.uk/en/our_council/Council-Structure/Public-Participation-at-Council-Meetings.aspx.

- 14.3 Members of the public who wish to register to speak at a meeting of one of the Council's Scrutiny Committees should apply by completing the appropriate

application form by no later than 5.00 pm three clear working days prior to and not including the meeting day.

(For example, if the meeting falls on a Tuesday, requests to speak should be received by 5.00 pm on the preceding Wednesday.

EXAMPLE						
Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
			Agenda Published	Registration opens 8:30am		
		Registration closes 5:00pm	Clear Day 1	Clear Day 2		
Clear Day 3	Meeting Day					

It is necessary to have sufficient advance warning of speakers to gauge the likely overall public attendance and to offer support and advice to those unsure of how to proceed and / or wishing to address the Scrutiny Committee in Welsh. It may also be necessary to resolve any issues regarding nominating a spokesperson and allowing that person a reasonable timeframe to co-ordinate their response.

- 14.4 To register your interest you should complete the appropriate application form, which can be found at the following web link:

https://www.valeofglamorgan.gov.uk/en/our_council/Council-Structure/Public-Participation-at-Council-Meetings.aspx

It is recognised that there will be individuals who will not have access to an electronic facility. Those individuals will be able to register to speak by telephone on 01446 709855 (they will be asked to provide the same information required on the online form) and confirmation of their registration will be provided verbally during the telephone call.

- 14.5 Requests must include details of the agenda item and the relevant Scrutiny Committee at which you would like to speak. Members of the public must also indicate in the comments box specific details of the issues they wish to raise.
- 14.6 Accepted applications will normally be dealt with in the order that they have been received.
- 14.7 Once an individual has submitted their Registration Form, they will receive an automatic confirmation email informing them that their registration has been successful. Once the Registration Deadline has passed, the Democratic and Scrutiny Services Officer supporting the Scrutiny Committee will contact the individual to provide them with a copy of this guide and to confirm their allocated speaking time.

14.8 An electronic invitation to the meeting will be sent to participants attending, irrespective of whether the meeting will be undertaken via Hybrid or Remote means, by the Democratic and Scrutiny Services Officer. The invitation is unique to the individual and should not be forwarded to another person as it will prevent the intended recipient from accessing the meeting.

SECTION 21

21. CODE OF CONDUCT FOR QUALIFYING EMPLOYEES OF THE COUNCIL

21.1 General Principles

The public is entitled to expect the highest standards of conduct from all qualifying employees³⁵ of relevant authorities³⁶. The role of such employees is to serve their employing authority in providing advice, implementing its policies, and delivering services to the local community. In performing their duties, they must act with integrity, honesty, impartiality and objectivity.

21.2 Accountability

Qualifying employees of relevant authorities work for their employing authority and serve the whole of that authority. They are accountable to, and owe a duty to that authority. They must act in accordance with the principles set out in this Code, recognising the duty of all public sector employees to discharge public functions reasonably and according to the law.

21.3 Political Neutrality

Qualifying employees of relevant authorities, whether or not politically restricted³⁷, must follow every lawfully expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work. Where qualifying employees are politically restricted (by reason of the post they hold, the nature of the work they do, or the salary they are paid), they must comply with any statutory restrictions on their political activities.

21.4 Relations with Members, the Public and Other Employees

21.4.1 Mutual respect between qualifying employees and Members is essential to good local government, and working relationships should be kept on a professional basis.

21.4.2 Qualifying employees of relevant authorities should deal with the public, Members and other employees sympathetically, efficiently, and without bias.

³⁵ Employees of relevant authorities in Wales who do not fall within any description of employee specified in the Code of Conduct (Non-Qualifying Local Government Employees) (Wales) Regulations 2001 (SI 2001/(W)) are qualifying employees.

³⁶ A relevant authority, in relation to Wales, means a county, county borough or community council, a fire authority constituted by a combination scheme under the Fire Services Act 1947 or a National Park authority established under section 63 of the Environment Act 1995.

³⁷ A qualifying employee who holds a politically restricted post is disqualified from becoming or remaining a member of a relevant authority (see section 1 of the Local Government and Housing Act 1989 (as amended by Schedule 5 to the Local Government and Elections (Wales) Act 2021) and the Local Government Officers (Political Restrictions) Regulations 1990 (SI 1990/851) as amended by the Local Government Officers (Political Restrictions) (Wales) (Amendment) Regulations 1999 (SI 1999/1665)).

21.5 **Equality**

Qualifying employees of relevant authorities must comply with policies relating to equality issues, as agreed by the authority, in addition to the requirements of the law.

21.6 **Stewardship**

Qualifying employees of relevant authorities must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the authority for personal use unless authorised to do so.

21.7 **Personal Interests**

Whilst qualifying employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others. In particular, they must comply with:

21.7.1 any rules of their relevant authority on the registration and declaration by employees of financial and non-financial interests;

21.7.2 any rules of their relevant authority on the declaration by employees of hospitality or gifts offered to or received by them, from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the authority. Qualifying employees must not accept benefits from a third party unless authorised to do so by their relevant authority.

21.8 **Whistleblowing**

In the event that a qualifying employee becomes aware of activities which that employee believes to be illegal, improper, unethical or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure Act 1998, and with the Authority's confidential reporting procedure, or any other procedure designed for this purpose (See **Section 24**).

21.9 **Treatment of Information**

Openness in the dissemination of information and decision-making should be the norm in relevant authorities. However, certain information may be confidential or sensitive and therefore not appropriate for a wide audience. Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a Member, relevant authority employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions. Nothing in this Code can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to divulge certain information.

21.10 **Appointment of Staff**

Qualifying employees of relevant authorities involved in the recruitment and appointment of staff must ensure that appointments are made on the basis of merit. In order to avoid any possible accusation of bias, such employees must not be involved in any appointment, or any other decisions relating to discipline, promotion or pay and conditions for any other employee, or prospective employee, to whom they are related, or with whom they have a close personal relationship outside work.

21.11 **Investigations by Monitoring Officer**

Where the Monitoring Officer is undertaking an investigation in accordance with regulations made under Section 73(1) of the Local Government Act 2000³⁸ a qualifying employee must comply with any requirement made by the Monitoring Officer in connection with such an investigation.

³⁸ The Local Government Investigations (Functions of Monitoring Officers and Standards Committees) (Wales) Regulations 2001 (SI 2001/2281 (W171)).

SECTION 22

22. PROTOCOL ON MEMBER / OFFICER RELATIONS.

22.1 Introduction

22.1.1 The purpose of this protocol is to provide a set of principles to guide Members and Officers of the Council in their dealings with one another. It has been drawn up as part of the proposals for new political management arrangements.

22.1.2 The protocol will be supplemented with practical guidance on Member/Officer relations on a range of issues relating to the new political management arrangements, e.g. support to the Cabinet and the Scrutiny process, in the light of operational experience.

22.1.3 The protocol has been drawn up in the light of the Nolan Committee's report on conduct in local government and the Government's paper "A New Ethical Framework for Local Government in England".

22.2 Principles

Both Members and Officers are servants of the public, and they are indispensable to one another. But their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Members and the Council, and to carry out the Council's work under the direction and control of the Council, its committees and sub-committees.

The following general principles will govern relationships between Members and Officers:

22.2.1 Mutual Respect

Mutual respect between employees and Members is essential to good local government. Close personal familiarity between employees and Members that transcends the normal employer/employee relationship can potentially damage that relationship, and therefore should be avoided.

22.2.2 Standards

In carrying out their duties, Members should always have regard to the Members' Code of Conduct and to the Council's Standing Orders.

In carrying out their duties, Officers should always have regard to the Employees' Code of Conduct.

22.3 **Informed Decision-Making**

In making decisions, Members need to be provided with, and have regard to, proper professional advice from Officers. A decision may be open to challenge if relevant considerations have been ignored, or if irrelevant considerations have been taken into account, or where a decision is one that no reasonable authority could have made.

22.4 **Officer Accountability**

Officers are employed by and are accountable to the whole Council and are required to act accordingly. Officers will be expected to discharge their responsibilities without political bias or favour. The only exceptions are Political Assistants appointed by the Council, to whom separate legal provisions apply. The Council may, from time to time, determine other exceptions to these arrangements, subject to legal provision.

The roles of certain Officers of the Council are defined in law. These include the Head of the Paid Service, the Monitoring Officer and the Chief Finance Officer. These roles and their attendant responsibilities should be respected by Members.

22.5 **Recruitment**

Members must not seek to influence the appointment of Council staff. It is unlawful to make an appointment based on anything other than the ability to undertake the duties of the post.

22.6 **Scrutiny**

The roles and tasks of Scrutiny Committees will be determined by Council and should be discharged by Members in a manner befitting their purpose. The Scrutiny process is intended to be an effective tool for improving the Authority's performance, proactively identify policy areas for improvement and ensuring public accountability.

Officers below the level of Chief Officer will not be required to attend scrutiny meetings to give advice and information except in a supporting role to a Chief Officer.

Certain staff below the level of Chief Officer will however have roles that require them to provide support services to both the Cabinet and to the management and operation of scrutiny bodies. Chief Officers will be required to provide support and advice to Officers in managing this "dual" role effectively.

22.7 **Information for Members**

Members will be provided with appropriate information to support them in carrying out their Cabinet, scrutiny or representative roles. It shall be the responsibility of Chief Officers to ensure that adequate systems are in place to provide such information.

Members should channel specific requests for information, advice and other support through the relevant Chief Officer, or through such other arrangements as might be approved.

22.8 **Members as Customers**

As customers of the Council's services, Members should expect to be treated no more or less favourably than other citizens. They should not use their position to try to obtain advantage for themselves, their families or friends.

23.1 **Introduction**

23.1.1 The Vale of Glamorgan Council is committed to the principles of good corporate governance. Through the development, adoption and continued implementation and monitoring of a Code of Corporate Governance the Council formally confirms its ongoing commitment and intentions.

23.1.2 The Code of Corporate Governance comprehensively describes the Council's commitment to and understanding of corporate governance, and outlines the arrangements that it has put in place to ensure ongoing effective implementation and monitoring.

23.1.3 The Code of Corporate Governance also makes provision for a joint commitment by Members and Officers to the principles it contains, as well as a statement of assurance jointly signed by the Leader(s) of the Council and the Chief Executive. This helps to ensure that the principles of corporate governance are not only fully embedded and cascaded throughout the Council, but that they have the full backing of the Leader(s) of the Council and elected Members as well as the Chief Executive and the Corporate Management Team.

23.2 **Why Adopt A Code Of Corporate Governance?**

23.2.1 Adopting a Code of Corporate Governance is another way in which the Vale of Glamorgan Council shows its recognition of the fact that effective local government relies upon establishing and maintaining the confidence of local people in both elected Members and Council officials. Good corporate governance underpins credibility and confidence in the leadership and forms the foundation from which all Council services are provided.

23.2.2 Adopting, monitoring and complying with a Code of Corporate Governance helps enhance the Council's legitimacy and increases trust placed in the Council by local people.

23.2.3 Strong, transparent and responsive governance enables the Vale of Glamorgan Council to put citizens first by pursuing its aims and priorities effectively, and by underpinning them with appropriate mechanisms for managing performance and risk. In order to maintain citizens' confidence, these mechanisms must be sound and be seen to be sound.

23.2.4 The Vale of Glamorgan Council sees Corporate Governance as doing the right things, in the right way, for the right people in a timely, inclusive, open, honest and accountable manner. It comprises the systems and processes, and also the culture and values, by which the Council is directed and controlled and how it accounts to and engages with its citizens.

23.2.5 Overall, adopting and committing to this Code of Corporate Governance puts in place a basis for a Council wide commitment to the way in which it intends fulfilling its role in leading and representing the community, providing opportunities for all, ensuring that there is a strong customer focus in all the Council does.

23.3 **What Is Corporate Governance?**

23.3.1 The Council has a key role in governing and leading our community. Effective local government relies on public confidence in elected Members and Council Officers.

23.3.2 Effective systems of Corporate Governance provide confidence in public services.

23.3.3 Corporate Governance is a phrase used to describe how organisations direct and control what they do.

23.3.4 For Local Authorities this also includes how a Council relates to the communities that it serves.

23.3.5 Good Corporate Governance requires Local Authorities to carry out their services in a way that demonstrates accountability, openness and honesty.

23.4 **Why Do We Need A Code Of Corporate Governance?**

23.4.1 Corporate Governance is important because it is crucial to:

(a) Providing high quality public services nationally, governance weaknesses have led to service failure and, on occasion, to tragedies. High performing organisations, on the other hand, have effective governance arrangements.

(b) Raising public trust. The public's trust is increased when the quality of services that they and their families experience is high, and when organisations are seen to be open and honest in communicating their performance, and in learning from their mistakes.

23.4.2 The Code of Governance is based upon the “Delivering Good Governance in Local Government: Framework (CIPFA/SOLACE, 2016). The Framework positions the attainment of sustainable economic, societal, and environmental outcomes as a key focus of governance processes and structures. Outcomes give the role of local government its meaning and importance, and it is fitting that they have this central role in the sector's governance. Furthermore, the focus on sustainability and the links between governance and public financial management are crucial – Local Authorities must recognise the need to focus on the long term. Local Authorities have responsibilities to more than their current electors as they must take account of the impact of current decisions and actions on future generation.

23.4.3 The Framework defines the principles that should underpin the governance of each local government organisation. It is based on the following seven Core Principles:

Core Principle	Description
A	Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.

B	Ensuring openness and comprehensive stakeholder engagement.
C	Defining outcomes in terms of sustainable economic, social, and environmental benefits.
D	Determining the interventions necessary to optimise achievement of the intended outcomes.
E	Developing the entity's capacity, including the capability of its leadership and the individuals within it.
F	Managing risks and performance through robust internal control and strong public financial management.
G	Implementing good practice in transparency, reporting, and audit to deliver effective accountability.

23.4.4 Each of these core principles is an important part of the Vale of Glamorgan Council's Corporate Governance arrangements. This Code describes how the Council will meet and demonstrate its commitment to good Corporate Governance in relation to these seven Core Principles.

23.5 **The Vale of Glamorgan Council's Principles of Good Governance**

23.5.1 **Core Principle A**

Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.

Local government organisations are accountable not only for how much they spend, but also for how they use the resources under their stewardship. This includes accountability for outputs, both positive and negative, and for the outcomes they have achieved. In addition, they have an overarching responsibility to serve the public interest in adhering to the requirements of legislation and government policies. It is essential that, as a whole, they can demonstrate the appropriateness of all their actions and have mechanisms in place to encourage and enforce adherence to ethical values and to respect the rule of law.

23.5.1.1 **The Corporate commitment which underpins this Principle.**

- Good governance flows from a shared ethos or culture, as well as from systems and structures. It cannot be reduced to a set of rules, or achieved fully by compliance with a set of requirements. This ethos or spirit of good governance can be expressed as values and demonstrated as behaviour. It depends on building a corporate environment where members and officers alike believe personally in acting in accordance with generally accepted values.
- High standards of conduct and effective governance can only be achieved if those who hold public office have the highest standards of behaviour and encourage others to do so.

- The Council is committed to adopting a culture of behaviour based on shared values, ethical principles and good conduct.

Sub-Principles	Behaviours and Actions that Demonstrate Good Governance in Practice at the Vale of Glamorgan Council
Behaving with integrity	<p>The Council has adopted a Code of Conduct for its elected Members which builds on the seven principles of public life and has arrangements to receive and investigate allegations of breaches of proper standards of conduct which is outlined with the Council's Constitution. The Council has also developed and implemented a Local Dispute Resolution Procedure as well as a Protocol of Standards to support the Members' Code of Conduct that are both contained within the Constitution.</p> <p>The Employee Code of Conduct is well embedded within the Council.</p> <p>The Council's Standards Committee is active and effective in its role of overseeing compliance with the Code of Conduct in conjunction with the Public Services Ombudsman.</p> <p>The Council also maintains and keeps under review the Anti-Fraud and Bribery Policy, the Whistleblowing Policy and Contract and Financial Procedure Rules.</p> <p>These policies will therefore:</p> <p>Ensure that Members and officers behave with integrity and lead a culture where acting in the public interest is visibly and consistently demonstrated thereby protecting the reputation of the Council.</p> <p>Ensure that Members take the lead in establishing a culture and specific values for the Council and its staff and they are communicated and understood. These values build on the Seven Principles of Public Life.</p> <p>Members and Officers will lead by example and using these values as a framework for decision making and other actions this will be demonstrated, communicated and embedded in values through appropriate policies and processes which are reviewed on a regular basis to ensure that they are operating effectively.</p>

<p>Demonstrating strong commitment to ethical values</p>	<p>The Council will seek to establish, understand, monitor and maintain the Council's ethical standards and performance. It will underpin personal behaviour with ethical values, ensuring they permeate all aspects of the Council's culture and operations. The Council will develop and maintain robust policies and procedures which place emphasis on agreed ethical values, ensuring that external providers of services on behalf of the Council are required to act with integrity and in compliance with high ethical standards</p>
<p>Respecting the rule of law</p>	<p>The Council will ensure that Members, Chief Officers and staff demonstrate a strong commitment and respect for the rule of law as well as adhering to relevant laws and regulations.</p> <p>Through its Constitution, the Council will create the conditions to ensure that the statutory Chief Officers, other key post holders, Members and (where appropriate) statutory committees are able to fulfil their responsibilities in accordance with legislative and regulatory requirements, striving to optimise the use of the full powers available for the benefit of citizens, communities and other stakeholders.</p> <p>The Council will deal rigorously with reported breaches of legal and regulatory provisions effectively, particularly ensuring that corruption and misuse of power are dealt with effectively.</p>

23.5.2 Core Principle B

Ensuring openness and comprehensive stakeholder engagement.

Local Government is run for the public good, organisations therefore should ensure openness in their activities. Clear, trusted channels of communication and consultation should be used to engage effectively with all groups of stakeholders, such as individual citizens and service users, as well as institutional stakeholders.

22.5.2.1 The Corporate commitment which underpins this principle.

- The Vale of Glamorgan Council has considered the values that are needed to underpin the work of elected Members and staff and these values describe the professional behaviours that will contribute to the Council's ability to adapt to future demands and deliver the actions contained with the Corporate Plan and achieve

the Council’s vision of strong communities with a bright future. These values are Ambitious, Open, Together and Proud.

Sub-Principles	Behaviours and Actions that Demonstrate Good Governance in Practice at the Vale of Glamorgan Council
Openness	<p>The Council’s vision and priorities in the form of well-being objectives are set out clearly in the Corporate Plan and align to the Public Services Board’s Well-being Plan.</p> <p>The Corporate Plan is underpinned by a set of enabling strategies which together form the Council’s overall policy framework for supporting continuous improvement.</p> <p>The Council’s vision and priorities are articulated in an Annual Delivery Plan and thereafter reflected in Service Plans. These link to team plans and personal development plans for staff.</p> <p>All decisions made by Cabinet are taken on the basis of written reports, which include consideration of financial, employment, legal and equalities implications. Consideration is also given to how proposals demonstrate the five ways of working as detailed in the Well-being of Future Generations Act and contribute to the Council’s Well-being Objectives. The policy framework within which decisions are taken is indicated in any reports as well as including details of those consulted and involved in the production of reports.</p> <p>Links to Corporate objectives and consultation (including ward Member consultation) also form an integral part of the decision-making process. Cabinet meetings are open to the public with the exception of items exempt under the Access to Information Act.</p> <p>Cabinet decisions are subject to scrutiny by five scrutiny committees which support the work of the Cabinet and the Council as a whole.</p> <p>The Council also publishes details of all expenditure over £500 on its website regularly.</p> <p>This will enable the Council to:-</p> <p>Ensure an open culture through demonstrating, documenting and communicating the Council’s commitment to openness.</p>

	<p>Making decisions that are open about actions, plans, resource use, forecasts, outputs and outcomes. The presumption is for openness. If that is not the case, a justification for the reasoning for keeping a decision confidential should be provided.</p> <p>Provide clear reasoning and evidence for decisions in both public records and explanations to stakeholders and be explicit about the criteria, rationale and considerations used. In due course, ensuring that the impact and consequences of those decisions are clear. The Council will use formal and informal consultation and engagement to determine the most appropriate and effective interventions / courses of action.</p>
<p>Engaging comprehensively with institutional stakeholders</p>	<p>The Council is committed to engaging effectively with institutional stakeholders to ensure that the purpose, objectives and intended outcomes for each stakeholder relationship are clear so that outcomes are achieved successfully and sustainably.</p> <p>The Council will develop formal and informal partnerships to allow for resources to be used more efficiently and outcomes achieved more effectively; ensuring that partnerships are based on: trust; a shared commitment to change and a culture that promotes and accepts challenge among partners and that the added value of partnership working is explicit. The Council's commitment to the Public Services Board, Regional City Deal and various other strategic collaborations are examples of this which are regularly reported to the Cabinet and details provided to all elected Members.</p>
<p>Engaging with individual citizens and service users effectively</p>	<p>The Council will establish a clear policy on the type of issues that the organisation will meaningfully consult with or involve communities, individual citizens, service users and other stakeholders to ensure that service (or other) provision is contributing towards the achievement of intended outcomes; ensuring that communication methods are effective and that Council Members, Chief Officers and staff are clear about their roles with regard to community engagement.</p> <p>The Council will encourage, collect and evaluate the views and experiences of communities, citizens, service users and organisations of different backgrounds including reference to future needs and implement effective feedback mechanisms in order to demonstrate how views have been taken into account. Corporately, this information will be regularly collated and used strategically to inform decision making, including the</p>

	<p>incorporation of relevant information in Equality Impact Assessments.</p> <p>The Council will clearly balance feedback from more active stakeholder groups with other stakeholder groups to ensure inclusivity whilst taking account of the impact of decisions on future generations of tax payers and service users.</p>

23.5.3 Core Principle C

Defining outcomes in terms of sustainable economic, social and environmental benefits.

The long term nature and impact of many of local government's responsibilities mean that it should define and plan outcomes and that these should be sustainable. Decisions should further the organisation's purpose, contribute to intended benefits and outcomes, and remain within the limits of authority and resources. Input from all groups of stakeholders, including citizens, service users, and institutional stakeholders, is vital to the success of this processes and in balancing competing demands when determining priorities for the finite resources available.

23.5.3.1 The Corporate commitment which underpins this principle.

- The Council recognises that Public Sector programmes will respond to changes in the current environment, but these responses should always be framed within the Council's long term objectives and aspirations for the service and the resources available;
- The Council understands that all public bodies need to make sure that when making their decisions they take into account the impact they could have on people living their lives in Wales in the future and this is something that the Vale of Glamorgan Council has embedded within its Corporate Plan and is reflected in Equality Impact Assessments, including consideration of the socio-economic duty;
- The Council has incorporated the five things that public bodies need to think about to show that they have applied sustainable development principle introduced as a statutory duty by the Well-being of Future Generations (Wales) Act. The Council acknowledges that following these ways of working will help the Council work better, avoid repeating past mistakes and tackle some of the long-term challenges it faces. These ways of working are:

- **Long Term** – The importance of balancing short-term needs with the need to safeguard the ability to also meet the long-term needs;
- **Prevention** – How acting to prevent problems occurring or getting worse may help public bodies meet their objectives;
- **Integration** – Considering how the public body’s well-being objectives may impact upon each of the well-being goals, on their other objectives, or on the objectives of other public bodies;
- **Collaboration** – Acting in collaboration with any other person (or different part of the body itself) that could help the body to meet its well-being objectives;
- **Involvement** – The importance of involving people with an interest in achieving the well-being goals and ensuring that those people reflect the diversity of the area which the body serves.

Sub-Principles	Behaviours and Actions that Demonstrate Good Governance in Practice at the Vale of Glamorgan Council
Defining outcomes	<p>The Council will have a clear vision, which is an agreed formal statement of the Council’s purpose and intended outcomes containing appropriate performance indicators, which provides the basis for the Council’s overall strategy, planning and other decisions. This will be embedded in its Corporate Plan which sets out how the Council will work towards the delivery of this vision and the promotion of well-being. The Council’s vision is “Strong communities with a bright future”. The vision is delivered through a range of well-being objectives and supported by the organisation’s values through the professional behaviours of its Members and staff which are “Ambitious, Open, Together and Proud”.</p> <p>The Council will specify the intended impact on, or changes for, stakeholders including citizens and service users. This will incorporate balancing short-term needs with the need to safeguard the ability for others to meet needs in the long-term.</p> <p>The Council is committed to delivering defined outcomes on a sustainable basis within the resources that will be available whilst identifying and managing risks to the achievement of outcomes. This is embedded in its corporate framework for financial planning, financial management and control. The Medium Term Financial</p>

	<p>Plan will clearly reflect and link to the priorities outlined in the Corporate Plan to ensure they are financially viable.</p> <p>The Council will continue to manage service users' expectations effectively by having regard to determining priorities and making the best use of the resources available. The Council's transformational change programme is an example of this which aims to enable the Council to continue to deliver a broad range of services to meet residents' needs and take action on wide ranging community issues.</p>
Sustainable economic, social, cultural and environmental benefits	<p>The Council will continue to consider and balance the combined economic, social, cultural and environmental impact of policies and plans when taking decisions about service provision. This is the bedrock on which the Council's Corporate Plan 2020-25 has been based. It encapsulates the five ways of working whilst underpinning the sustainable development principle that is central to the Well-being of Future Generations Act in terms of looking to the long term, taking an integrated approach, involving and working in collaborative ways. This will ensure at all times, residents have fair access to services.</p>

23.5.4 Core Principle D

Determining the interventions necessary to optimise the achievement of the intended outcomes.

Local government achieves its intended outcomes by providing a mixture of legal, regulatory, and practical interventions (courses of action). Determining the right mix of these courses of action is a critically important strategic choice that local government has to make to ensure intended outcomes are achieved. They need robust decision making mechanisms to ensure that their defined outcomes can be achieved in a way that provides the best trade-off between the various types of resource inputs while still enabling effective and efficient operations. Decisions made need to be reviewed frequently to ensure that achievement of outcomes is optimised.

23.5.4.1 The Corporate commitment which underpins this principle:

- The Council recognises that informed decision making is a fundamental part of good governance. It requires Councils to be both rigorous in their examination of options but also open to consider representation and views from all sectors of the community allocated so that it is clear who is accountable for decisions that are made. The Council has adopted a Cabinet structure together with Committees to carry out the Council's

Scrutiny responsibilities. Roles and Responsibilities are defined in the Constitution which is kept under regular review;

- Scrutinising these decisions is also a key part of the Council’s political structure and plays an important role in ensuring that the Council’s services are delivered effectively, efficiently and in the interests of residents and those who work in or visit the Vale of Glamorgan. Scrutiny Committees are able to influence decisions that are taken by Cabinet and to ensure that the views and needs of the community are taken into account.

Sub-Principles	Behaviours and Actions that Demonstrate Good Governance in Practice at the Vale of Glamorgan Council
Determining interventions	<p>The Council will continue to ensure that decision makers receive objective and rigorous analysis of a variety of options indicating how intended outcomes would be achieved and associated risks. This is specifically included within structure of Cabinet / Committee reports and forms a part of the way in which business cases are developed. This will therefore ensure best value is achieved however services are provided.</p> <p>The Council will continue to consider feedback from citizens and service users when making decisions about service improvements or where services are no longer required in order to priorities competing demands within limited resources available including people, skills, land and assets and bearing in mind future impacts.</p>
Planning interventions	<p>The Council will establish and implement robust planning and control cycles that cover strategic and operational plans, priorities and targets.</p> <p>The Council will engage with internal and external stakeholders in determining how services and other courses of action should be planned and delivered.</p> <p>The Council will consider and monitor risks facing each partner when working collaboratively, including shared risks.</p> <p>The Council will ensure that arrangements are flexible and agile so that the mechanisms for delivering goods and services can be adapted to changing circumstances.</p> <p>The Council will establish appropriate key performance indicators (KPIs) as part of the planning process in order to identify how the performance of services and projects are measured whilst ensuring that capacity exists to</p>

	<p>generate the information required to review service quality regularly.</p> <p>The Council will prepare budgets in accordance with objectives, strategies and the medium term financial plan.</p> <p>The Council will inform medium and long term resource planning by drawing up realistic estimates of revenue and capital expenditure aimed at developing a sustainable funding strategy.</p>
<p>Optimising achievement of intended outcomes</p>	<p>The Council will ensure that the medium term financial plan integrates and balances service priorities, affordability and other resource constraints.</p> <p>It will ensure that the budgeting process is all inclusive, taking into account the full cost of operations over the medium to long term.</p> <p>It will ensure the medium term financial plan sets the context for ongoing decisions on significant delivery issues or responses to changes in the external environment that may arise during the budgetary period in order for outcomes to be achieved while optimising resource usage.</p> <p>The Council will ensure the achievement of social value through service planning and commissioning and the regular monitoring of these activities.</p>

23.5.5 Core Principle E

Developing the entity’s capacity, including the capability of its leadership and individuals within.

Local government needs appropriate structures and leadership, as well as people with the right skills, appropriate qualifications and mind-set, to operate efficiently and effectively and achieve intended outcomes within the specified periods. A local government organisation must ensure that it has both the capacity to fulfil its own mandate and to make certain that there are policies in place to guarantee that its management has the operational capacity for the organisation as a whole. Because both individuals and the environment in which an organisation operates will change over time, there will be a continuous need to develop its capacity as well as the skills and experience of individual staff members. Leadership in local government is strengthened by the participation of people with many different types of backgrounds, reflecting the structure and diversity of communities.

23.5.5.1 The Corporate commitment which underpins this principle:

- Effective leadership requires clarity regarding roles of executive (Cabinet) and non-executive Members and respect and recognition for the scrutiny function. In addition to this constructive working relationship between Members and staff, mutual respect for each of these respective roles is vital. Finally the Council needs to ensure that residents understand our role and the level of service they can expect;
- The Council is committed to ensuring that Members and Officers have the necessary skills to operate a multi-million pound organisation that provides a multitude of different services and recognises that this is one of the most important aspects of governance. This can be demonstrated by the Member Development Strategy which provides a framework for supporting elected Members in their onerous roles to enable them to undertake improved scrutiny and challenge for all Council activities.

Sub-Principles	Behaviours and Actions that Demonstrate Good Governance in Practice at the Vale of Glamorgan Council
Developing the entity's capacity	<p>The Council will continue to review operations, performance and use of assets on a regular basis to ensure their continuing effectiveness.</p> <p>The Council will continue to improve the use of resources through appropriate application of techniques such as benchmarking and other options in order to determine how resources are allocated so that defined outcomes are achieved effectively and efficiently. The Council is committed to partnership and collaborative working, recognising the benefits of partnerships and collaborative working where added value can be achieved.</p> <p>The Council will develop and maintain an effective workforce plan to enhance the strategic allocation of resources, supported by workforce planning actions contained within service plans.</p>
Developing the capability of the entity's leadership and other individuals	<p>The Council is committed to developing protocols to ensure that elected and appointed leaders negotiate with each other regarding their respective roles early on in the relationship and that a shared understanding of roles and objectives is maintained.</p> <p>The Council will continue to publish a statement that specifies the types of decisions that are delegated and those reserved for the collective decision making of the governing body, these are clearly set out in the Council's</p>

	<p>Constitution.</p> <p>The Council will continue to ensure the Leader(s) and the Chief Executive have clearly defined and distinctive leadership roles within a structure whereby the Chief Executive leads in implementing strategy and managing the delivery of services and other outputs set by members and each provides a check and a balance for each other's authority again as set out in the Council's Constitution.</p> <p>The Council continues to be committed to developing the capability of Members and senior management to achieve effective leadership and to enable the organisation to respond successfully to changing legal and policy demands as well as economic, political and environmental changes and risks by:</p> <ul style="list-style-type: none"> - Ensuring that Members and staff have access to an appropriate induction tailored to their role and that ongoing training and development matching individual and organisational requirements is available and participation is encouraged; - Ensuring Members and officers have the appropriate skills, knowledge, resources and support to fulfil their roles and responsibilities and ensuring that they are able to update their knowledge on a continuing basis; - Ensuring personal, organisational and system wide development through shared learning, including lessons learnt from governance weaknesses both internal and external; - Ensuring there are structures in place to encourage public participation; - Taking steps to consider the leadership's own effectiveness and ensuring leaders are open to constructive feedback from peer review and inspections; - Holding staff to account through regular performance reviews which take account of training or development needs.

23.5.6 Core Principle F

Managing risks and performance through robust internal control and strong public financial management.

Local government needs to ensure that the organisations and governance structures that it oversees have implemented and can sustain an effective performance management system that facilitates effective and efficient delivery of planned services. Risk Management and internal control are important and integral parts of a performance management system and are crucial to the achievement of outcomes. Risk should be considered and addressed as part of all decision making activities.

A strong system of financial management is essential for the implementation of policies and the achievement of intended outcomes, as it will enforce financial discipline, strategic allocation of resources, efficient service delivery and accountability. It is also essential that a culture and structure for scrutiny are in place as a key part of accountable decision making, policy making and review. A positive working culture that accepts, promotes and encourages constructive challenge is critical to successful scrutiny and successful service delivery. Importantly, this culture does not happen automatically, it requires repeated public commitment from those in authority.

23.5.6.1 The Corporate commitment which underpins this principle:

- The Council recognises that both Financial and Risk Management are an important feature of the Council's Code of Corporate Governance and it is also recognised that successful financial and risk management relies on a corporate approach to ensure that all financial matters and risks are identified and managed systematically and consistently across the Council. An effective corporate framework for financial planning, management and control is in place. A Risk Management Strategy has been adopted by the Council which sets out the Council's approach to the identification of and responses to strategic and operational risks. The roles and responsibilities of both elected Members and officers are identified with Cabinet acting as Risk "champion" for the Council. A comprehensive Risk Register has been established which is reviewed regularly by the Insight Board and monitored by Corporate Management Team, Cabinet and Governance and Audit Committee on a regular basis. Service plans contain specific risks and mitigating actions and together these are monitored and reported quarterly as part of the Council's holistic approach to integrated planning activity.

Sub-Principles	Behaviours and Actions that Demonstrate Good Governance in Practice at the Vale of Glamorgan Council
Managing Risks	The Council recognises and will demonstrate that risk management is an integral part of all activities and must

	<p>be considered in all aspects of decision making.</p> <p>The Council is committed to implementing robust and integrated risk management arrangements and ensuring that they are working effectively. This is illustrated by the corporate risk strategy, monitoring of the corporate risk register and service plan risk management processes.</p> <p>The Council will ensure that responsibilities for managing individual risks are clearly allocated.</p>
<p>Managing Performance</p>	<p>The Council has a well-established Performance Management Framework (PMF) which helps the Council remain focused on achieving its vision and priorities and will continue to be kept under review and developed further. The procurement of performance management software will further strengthen the Council's approach to performance management and will enable the Council to further reinforce a performance management culture within the Council.</p> <p>This will enable the Council to:</p> <p>Monitor service delivery effectively including planning, specification, execution and independent post implementation review;</p> <p>Make decisions based on relevant, clear objective analysis and advice pointing out the implications and risks inherent in the organisations financial, social and environmental position and outlook;</p> <p>Ensure an effective scrutiny or oversight function is in place which provides constructive challenge and debate on policies and objectives before, during and after decisions are made thereby enhancing the organisation's performance and that of any organisation for which it is responsible;</p> <p>Encourage effective and constructive challenge and debate on policies and objectives to support balanced and effective decision making;</p> <p>Provide Members and senior management with regular reports on service delivery plans and on progress towards outcome achievement, associated use of resources and ensuring there is consistency between specification stages (such as budgets) and post implementation reporting (e.g. financial statements).</p>

Robust Internal Control	<p>The Council will align the risk management strategy and policies on internal control with achieving objectives.</p> <p>The Council will evaluate and monitor risk management and internal control on a regular basis.</p> <p>The Council will ensure effective counter fraud and anti-corruption arrangements are in place.</p> <p>The Council will ensure additional assurance on the overall adequacy and effectiveness of the framework of governance, risk management and control is provided by the internal auditor: which will include:</p> <ul style="list-style-type: none"> - A Governance and Audit Committee, which is independent of the Cabinet and accountable to the governing body, provides a further source of effective assurance regarding arrangements for managing risk and maintaining an effective control environment; - Its recommendations being listened to and acted upon.
Managing Data	<p>The Council will ensure effective arrangements are in place for the safe collection, storage, use and sharing of data, including processes to safeguard personal data. The Council will ensure effective arrangements are in place and operating effectively when sharing data with other bodies.</p> <p>The Council is committed to reviewing and auditing regularly the quality and accuracy of data used in decision making and performance monitoring.</p>
Strong public financial management	<p>The Council will ensure that financial management supports both long term achievement of outcomes and short-term financial and operation performance.</p> <p>The Council will continue to ensure that well developed financial management is integrated at all levels of planning and control, including management of financial risks and control.</p>

23.5.7 Core Principle G

Implementing good practices in transparency, reporting and audit to deliver effective accountability.

Accountability is about ensuring that those making decisions and delivering services are answerable for them. Effective accountability is concerned not only with reporting on actions completed, but also ensuring that stakeholders are able to understand and respond as the organisation plans and carries out its activities in a transparent manner. Both external and internal audit contribute to effective accountability.

23.5.7.1 The Corporate commitment which underpins this principle:

- The Council continues to be committed to implementing good practices in transparency, reporting and audit to delivery effective accountability. This can be demonstrated in a number of ways including:
 - There is a mechanism in place for reporting progress against key regulatory recommendations / improvement proposals via the Governance and Audit Committee, all Scrutiny Committees and Cabinet;
 - All Committees have a clear Terms of Reference and work programme.
- Procedures for sign-off of Cabinet Reports ensuring legal and financial implications have been appropriately assessed and are consistent with corporate policy.
- Scrutiny challenge performance to drive improvement in services and focus on decision-making in line with corporate priorities.

Sub-Principles	Behaviours and Actions that Demonstrate Good Governance in Practice at the Vale of Glamorgan Council
Implementing good practice in transparency	<p>The Council continues to be committed to writing and communicating reports for the public and other stakeholders in a fair, balanced and understandable style appropriate to the intended audience and ensuring that they are easy to access and interrogate.</p> <p>The Council will continue to strike a balance between providing the right amount of information to satisfy transparency demands and enhance public scrutiny while not being too onerous to provide and for users to understand, for example through the publication of</p>

	expenditure over £500.
Implementing good practices in reporting	<p>The Council will continue to report at least annually on performance, value for money and stewardship of resources to stakeholders in a timely and understandable way.</p> <p>The Council will ensure Members and senior management own the results reported.</p> <p>The Council will ensure that robust arrangements for assessing the extent to which the principles contained in this framework have been applied and publishing the results on this assessment, including an action plan for improvement and evidence to demonstrate good governance (the annual governance statement).</p> <p>The Council will ensure that this framework is applied to jointly managed or shared service organisations as appropriate.</p> <p>The Council will ensure that the performance information that accompanies the financial statements is prepared on a consistent and timely basis and the statements allow for comparison with other, similar organisations.</p>
Assurance and effective accountability	<p>The Council will continue to ensure that recommendations for corrective action made by external audit are acted upon.</p> <p>The Council will ensure that an effective internal audit service with direct access to Members is in place, providing assurance with regard to governance arrangements and that all recommendations made are acted upon.</p> <p>The Council will welcome and participate in peer challenge, reviews and inspections from regulatory bodies and is committed to implementing any recommendations made in order to continuously improve.</p> <p>The Council will gain assurance on risk associated with delivering services through third parties and that this is evidenced in the annual governance statement.</p> <p>The Council will ensure that when working in partnership, arrangements for accountability are clear and the need for wider public accountability has been recognised and met.</p>

SECTION 24

24. CONFIDENTIAL REPORTING (“WHISTLEBLOWING POLICY”) CODE

24.1 Introduction

At the Vale of Glamorgan Council, we want to make sure that we are providing excellent services to the residents of the Vale. All our staff, permanent and temporary, Councillors, partners, agency workers and contractors have an important role to play in achieving this goal and we expect everyone to be committed to our high standards of service which are based on the principles of honesty, openness, and accountability.

We know that we face the risk that something may go wrong or that someone may ignore our policies, our procedures or the law resulting in some very serious consequences. Experience shows that staff, or others who work on behalf of an organisation, often have worries or suspicions and could, by reporting their concerns at an early stage, help put things right or identify and stop potential wrongdoing.

A Whistleblower is generally a term used for a person who works in or for an organisation and raises an honest and reasonable concern about a possible fraud, crime, danger or other serious risk that could threaten colleagues, service users, contractors, customers, members of the public or the success and reputation of the organisation.

We want you to feel that it is safe and acceptable to speak out about your concerns so that we can investigate and act as soon as possible. We recognise that you may be worried about reporting for a number of reasons:

- fear of reprisal or victimisation (e.g. loss of job)
- too much to lose (reputation, damage to career etc.)
- feelings of disloyalty
- worries about who may be involved
- you have no proof only suspicions
- fear of repercussions if there is no evidence or you are proved wrong.

We welcome all genuine concerns and will treat your issues seriously - this policy explains how to raise a concern, the types of activity you should report, the protection we can provide, confidentiality, our response and how you can take matters further, if necessary.

We want to assure you that there is no reason to remain silent; your decision to speak to us may be difficult but, if you believe what you are saying is true, you have nothing to fear as you are following the Council's Code of Conduct and helping to protect the users of our services and the residents of the Vale. We will

not tolerate any harassment or victimisation and we will take action to protect those of you who raise concerns that you believe to be in the public interest.

UK law protects employees from dismissal, harassment, or victimisation if such treatment occurs as a result of having made a whistleblowing disclosure considered to be **in the public interest**. In addition to the employer's liability, the individual who subjects the employee to such treatment may also be held personally liable.

This policy does not replace our existing employment policies and procedures: grievance, code of conduct and disciplinary. You should use these policies and procedures if you have a personal grievance or are unhappy with the way you are being treated. Our Whistleblowing arrangements are not intended to give you a further opportunity to pursue a grievance or complaint once you have exhausted the relevant employment procedures.

24.2 **Scope**

You can use our Whistleblowing arrangements if you are: a Councillor, Council Employee, employee of a Local Authority School, a School Governor (*if the school has adopted our policy*), a contractor or partner. Our policy also applies to agency staff, contractor staff and suppliers providing goods or services to, or on behalf of, the Council.

Our Whistleblowing arrangements **do not** replace the following:

- Children and Young People Safeguarding reporting
- Adult Care Safeguarding reporting
- Corporate Concerns and Complaints Policy
- Disciplinary Policy
- Grievance Procedure
- Code of Conduct
- Anti-Fraud and Bribery Policy.

You should only consider raising concerns through our Whistleblowing arrangements if:

- you have genuine reasons why you cannot use the above policies and procedures
- you have reason to believe that these policies and procedures are failing or are not being properly applied
- there is a public interest aspect.

24.3 **Protection and Confidentiality**

The Whistleblowing law is contained in the Public Interest Disclosure Act 1998 (PIDA – amended by the Enterprise and Regulatory Reform Act 2013). Public bodies, such as this Council, are required to have a Whistleblowing policy and to ensure that employees are not victimised or dismissed for raising their concerns internally. This also applies to those who, as a last resort, feel the need to take their concerns to an outside body, such as the Local Government Ombudsman.

You may feel that the only way you can raise your concerns is if we protect your identity. If the whistleblower does choose to disclose their identity, we will respect confidentiality as far as possible, but there are times when we cannot guarantee this, for example, where a criminal offence is involved or if there are child protection or adult safeguarding issues.

We will attempt to ensure the whistleblower's identity is not disclosed to third parties and information will not be disclosed unless the law allows or compels us to do so, for example in order to comply with a court order. If the information you provide includes personal information about another person, then that person may be entitled to access it under subject access provisions of the Data Protection Act or General Data Protection Regulations (GDPR). If releasing that information could reveal identifying information about the whistleblower, we will always ask for your consent prior to releasing the information.

We will not tolerate any harassment or victimisation (including informal pressure) and we will take action to protect you when you raise a concern believed to be in the public interest. We will take any disciplinary or corrective action should anyone attempt to victimise the whistleblower or prevent concerns being raised.

If we proceed to a formal investigation, we may require you to give evidence along with other employees and witnesses; we are, in some circumstances, able to do this without disclosing the identity of the whistleblower. A statement from you may also be required as part of criminal proceedings or Employment Tribunal – this depends on the nature of the concern.

If your whistleblowing disclosure results in an internal investigation and you provide a witness statement under that process, your statement may be used for disciplinary purposes. This means your statement may be given to the subject as part of a disciplinary hearing. An employee subject to the disciplinary process can ask to see personal information held about them at any time under the subject access provisions of the Data Protection Act – this may include information within your statement. If it is possible to provide access to personal information within your statement without revealing any information about you, we will do so. If this is not possible, we will always seek your consent before releasing any information.

If your statement is not required for disciplinary purposes it will be:

- held confidentially on our case file (until the case file is destroyed after 7 years)
- released only with your consent or a Police / Court

Order The Council:

- does not expect you to give us your consent – this is your decision alone – but we are required by law to ask you
- does not need a reason should you choose to refuse the request.

If you find yourself the subject of a whistleblowing disclosure and a decision is made to investigate, the Council will follow the appropriate employment procedure: code of conduct, grievance or disciplinary. This means you will have all the rights contained in that procedure, such as, the opportunity to respond to the allegation and representation at the investigatory interview.

24.4 **What You Should Report**

We encourage you to use our whistleblowing arrangements for issues such as:

- conduct which is a criminal offence or breach of law
- a breach of our Code of Conduct for staff or Councillors
- sexual, physical, or verbal abuse of our clients, employees, contractors or public
- dangerous procedures risking the health & safety of our clients, employees, contractors or public
- unauthorised use of public funds
- suspected fraud or corruption
- damage to the environment (e.g. land, buildings, highways, water, air, waste, energy, transport, natural habitat etc.)
- unethical or improper conduct
- services that fall seriously below approved standards or practice
- failure to follow the Council's policies and procedures.

NB. This is not an exhaustive list

24.5 **Anonymous or Untrue Allegations**

We do not encourage anonymous reporting as the concerns are more difficult to investigate and are generally less powerful. We would like you to put your name to the allegations whenever possible and remind you of the protection we can provide if we know who you are.

Anonymous whistleblowing referrals will be considered at the discretion of the officers handling your concern, in consultation with the service area, where appropriate. This discretion will be based on the:

- seriousness of the issues raised
- credibility of the concern
- likelihood of confirming the allegation from an attributable source evidence base.

It may be that our investigations do not confirm your allegation. We take all concerns seriously and can assure you that no action will be taken against you if you have raised a concern in the genuine belief that it is, or may be, true.

If we find that you have maliciously made a false allegation, we will take action and you will not be eligible for protection under PIDA.

24.6 **How to Raise a Concern**

We encourage you initially to raise your concern internally – this allows the Council the opportunity to right the wrong and give an explanation for the behaviour or activity. We also advise staff to report any allegation to their line manager. We recognise that your first actions will depend upon the seriousness and sensitivity of the issues and who you believe to be involved.

We advise that you make it clear that you are raising your concerns under the Council's whistleblowing arrangements – this will help managers respond in line with this policy. (See Flowchart – Whistleblowing Process)

[Speak Out – Report a Concern](#)

The Investigation Officer, who reports to the Head of Regional Internal Audit Service, will monitor this dedicated reporting line. If you call this number out of hours you can leave a message on the answer phone, which is located in a secure area.

Concerns are better submitted in writing – we need the background and history of your concern, giving names, copies of any documents, dates, and places (where possible). We would like you to explain why you are concerned about the situation – we do not expect you to prove the truth of an allegation, but you will need to show that there are sufficient grounds for your concern.

You can write directly to one of the officers named above or you can use the confidential dedicated email address (which is monitored by the Investigation Officer).

Email address: speakout@valeofglamorgan.gov.uk

Staff have the option to seek independent advice from their trade union representative or professional association or can invite a work colleague to raise a concern on their behalf.

Further free and independent advice may be sought from Protect [*formerly known as Public Concern at Work (PCAW)*], the whistleblowing charity, via their email link: protect-advice.org.uk or on their whistleblowing advice line: 020 3117 2520.

Remember – the earlier you raise the concern, the easier it is to take action^{24.7}

24.7 **Guidelines for Managers**

An employee must not be afraid to raise concerns they may have relating to bad practice within the Council and must not suffer any disadvantage as a result of voicing a reasonably held suspicion.

Senior Managers are expected to deal swiftly and thoroughly with such concerns. In following up such concerns, clearly defined procedures will be adopted. When receiving a complaint or concern in relation to bad practice the following steps should be taken:

- the matter should be dealt with promptly.
- advice should be given to the employee, if appropriate that their concerns and any follow-up reports will be treated in the strictest confidence.
- all staff concerns should be treated seriously and sensitively.

- the employee should be questioned sufficiently so that you can be assured that there is a genuine cause for concern.
- managers should make a note all relevant details, obtaining as much information as possible, and if the individual has made his or her own notes, where possible obtain a copy of these or advise the complainant to retain them for future reference.
- ensure that the evidence is Clear and logical, adequately supported, and secure, ensuring that you do not interfere with evidence.
- advise an employee that, if necessary, further information may be sought from them.
- evaluate the allegation objectively to confirm whether any suspicions seem justified.
- be objective when assessing the issue, consider the facts as they appear, based on the information available to you.
- consider that some concerns may be resolved by agreed action without the need for further investigation.
- if you remain in any doubt you should raise the issue with your line manager to identify the next steps.
- take all immediate action necessary to ensure that no individual is at risk of harm or injury.
- verify with your Senior Manager the next steps to be taken if the issue is outside your direct remit/responsibility, take all necessary action to protect the 'whistleblower', any witnesses to the concerns raised and ensuring that any evidence available or produced is not tampered with.
- take all reasonable steps to prevent co-workers and/or an agent of the Council, acting on the Council's authority, from subjecting the 'whistleblower' to a detriment. It is important to record the details of steps taken. You need to remember that employees who victimise whistleblowers can be made personally liable for their own conduct and the Council could be held liable if it has not taken all reasonable steps to prevent the act of victimisation.
- ensure that the employee's identity must not be disclosed unless disclosure is necessary in furtherance of natural or prescribed justice.
- managers should report this matter in confidence to the relevant Chief Officer/Service manager.
- The Officer/Service Manager receiving the whistleblowing allegation will immediately notify the Operational Manager Customer Relations (OMCR) to include the disclosure on a central register.

24.8 How We Will Respond

Our response will depend on the nature of the concern raised and may be:

- advice only
- resolved by agreed action without the need for investigation
- investigated internally (by management, Audit, Investigation Officer, or other independent investigators)
- referred to the relevant safeguarding team (child protection or vulnerable adults)
- referred to the Police if a criminal matter
- referred to the external auditor
- the subject of an independent inquiry.

The officer receiving the whistleblowing allegation will immediately notify the Operational Manager Customer Relations to include the disclosure on a central register.

We may carry out initial enquiries in order to protect individuals or employees and those accused of wrongdoing. We will use the results of these enquiries to decide whether an investigation is needed and if so, what form it should take. If urgent action is required, this will be taken before we start any investigation.

Concerns of fraud, bribery or corruption will be followed up by the Investigation Officer within the Regional Audit Service. If there are other serious concerns of a potentially criminal nature, the complaint will be referred to the Council's Monitoring Officer. They will determine whether the concern should be referred to the Police directly by the Council or whether the complainant should be advised to make such a referral.

If the Monitoring Officer decides that the matter should be referred to the Police by the Council, advice will be sought from the Police to establish if a simultaneous internal investigation can be conducted, and whether or not they consent for the subject of the complaint to be informed of the allegations.

We will acknowledge your whistleblowing disclosure within 5 working days. Within the next 10 working days we will write and explain how we propose to deal with the matter. The whistleblower will be:

- given an estimate of how long it will take to provide a final response
- told if initial enquiries have been made
- told if further investigation is required, and if not, why not (where appropriate)
- given details of support mechanisms

- advised of the investigating officer (where appropriate)
- advised how we will inform you of progress.

The amount of contact between you and the Officer considering your whistleblowing disclosure will depend on the nature of the concerns raised. For example, if further investigation is required, the investigator may need to seek additional information from you.

If a meeting is necessary, this can be held off site if you prefer. If you are an employee, you will have a right to be accompanied – this will be a union representative or work colleague (not involved in the area where the concern exists).

We will help with any difficulties you may experience as a result of raising a concern – we will, for example, provide advice if you are required to give evidence for criminal or disciplinary proceedings. Sometimes, whistleblowers have counter-allegations made against them. The Council has a duty to investigate any concerns that it receives and that will apply in these circumstances. However, this will not detract from the principles, as set out in this policy, which govern how the Council will respond to whistleblowers. **The over-riding objective will be to establish the truth.**

Records will be retained of all work carried out and actions taken to address the concerns raised by the whistleblower, including the investigator's case file, where relevant. All files will be held securely and confidentially, in accordance with the Council's retention of records policy.

At the end of our investigations we will provide feedback to the whistleblower (if known) on actions taken and limited detail on the outcome of investigations. Feedback will be subject to legal constraints, but we do recognise the importance of providing you with assurances that the matter has been dealt with properly.

24.9 **Taking the Matter Further**

If you have genuine concerns about how we have handled your whistleblowing disclosure you can raise this with the Investigating Officer(s) and/or the Monitoring Officer.

24.10 **Monitoring**

The Monitoring Officer will provide an annual report to the Council's Audit Committee which has responsibilities for overseeing the effectiveness of the Council's governance arrangements.

All reporting will be anonymised and will only identify common themes, numbers of disclosures year on year and will highlight actions taken to improve systems and policies.

The Council's Governance Group will monitor the effectiveness of this policy.

24.11 **Final Notes**

If a concern relates to an external organisation you can report the concern to a prescribed person rather than the Council. Attached as **Appendix 1** to this policy is a link to a list of external organisations as per GOV.UK which may help you to identify the appropriate 'prescribed person', depending upon the nature of the organisation and the concerns raised, their responsibilities and how to contact them if you need to make an external disclosure.

You should be aware that the Auditor General for Wales or their appointed auditors will deal with matters about public services in Wales including value for money, fraud and corruption which provide public services'. **Appendix 2** is a copy of the Wales Audit Office Whistleblowing leaflet.

Any concerns about 'the proper conduct of a public business, value for money, fraud and corruption in relation to the provision of public services' can be made to the Auditor General for Wales on telephone number 02920 320522 which has been dedicated for this purpose, via email whistleblowing@audit.wales or by writing to:

*PIDA Officer
The Auditor General for Wales.
24 Cathedral Road
Cardiff
CF11 9LJ*

However, neither the Auditor General for Wales nor their appointed auditors have the power to decide whether a disclosure is protected, or to get involved in employment relations matters and they cannot provide legal advice. The Auditor General for Wales and their appointed auditors have no power to discipline any individuals, or to bring criminal prosecutions after completing any investigations.

Disciplinary action can only be taken by the council/school or relevant professional organisations. Allegations of criminal behaviour are referred to the police for investigation, if deemed appropriate by the police, resulting in any such prosecutions being determined by the Courts.

If it is not possible to make your disclosure internally you should consider whether it is appropriate to report your concerns to others including your MP, Assembly Member, or to the Local Government Ombudsman. This step should be taken only where opportunities to raise matters internally have been fully exhausted.

25.18.2 To assist the Leader in specific duties as required.

25.19 **Member Champion Purpose and Role**

25.19.1 What are Member Champions?

- (a) Member Champions exist to provide a voice for traditionally under-represented groups, or issues which need to be kept at the forefront of Council business, although they may not be the responsibility of any individual or committee.
- (b) Member Champions, (sometimes called Lead Members) are elected Members who, in addition to their other Council responsibilities, make sure that the issue or group that they are championing are taken into account when Council policy is being developed and decisions are made. Members act as Champions in areas such as Children, Homelessness, Equalities, Older People, Young People, Scrutiny, Member Support and Development, Health Improvement and Anti-Poverty. There is a statutory role for a Lead Member of Children and Young People's Services with a responsibility for over-seeing the arrangements made under Sections 25 and 26 of the 2004 Children Act.
- (c) Guidance on undertaking the role with regard to the subject knowledge that Members need is sometimes available from the outside bodies associated with the issue being championed, for example the toolkit for Older People's Champions from the LGA. Otherwise, they will be reliant on their Authority for guidance in the subject they lead on and also their role as Lead Member in this area.

25.19.2 What do they do?

Typically, the Lead Member will:

- (a) make sure that their area of interest is taken into account when developing policy or making decisions;
- (b) ask questions about performance and resourcing for the area;
- (c) raise the profile of the area and make the Authority aware of good practice;
- (d) engage with external bodies who work in the area;
- (e) engage with other Officers and Members in relation to the role;
- (f) engage with community groups with an interest/stake in the area;
- (g) report action to the Council.

25.19.3 How Does Their Role Fit Within the Corporate Structure?

- (a) This will vary according to the area/issue that is being championed and how the Authority functions. There is potential for confusion and overlap between the role of the Member Champion and those of the relevant Cabinet Member or Scrutiny Members. The Champion role itself could be undertaken by either the relevant Cabinet Member or a Non-Cabinet Member.
- (b) It is therefore important that Members and Officers work together to agree roles and action for the area being championed and that there are mechanisms for Lead Members to report on their activities. It is helpful for the Authority to draft a protocol which sets out what powers Champions have and do not have, such as whether or not they are able to make decisions on behalf of the Authority. Similarly, the appointment of Champions varies between authorities, and includes appointments being made by Full Council meetings or by the Leader(s).

25.19.4 The Role Description

It is difficult to create a role description that fits with the different roles expected of Champions and how they operate in the different authorities' structures. The following is a generic model which will require local adaptation, particularly to reflect the difference that may exist between a statutory role, one undertaken by a Cabinet Member and a Non-Cabinet lead.
