

THE VALE OF GLAMORGAN COUNCIL

COMMUNITY LIAISON COMMITTEE

REQUEST FOR CONSIDERATION OF A MATTER BY THE COMMITTEE

Date .....26<sup>th</sup> March 2018.....

Name of Town/Community Council .....Llantwit Major Town Council.....

It is requested that the Community Liaison Committee consider the following matter. (N.B. Items that are site specific should be referred to the appropriate Council department):

Localised flooding on rural roads and the re- introduction of ditches
within the perimeters of surrounding agricultural land

**Reason(s) for request:**

There are a number of locations within Llantwit Major ward (but not
exclusively) that are prone to localised flooding, with water running
from agricultural land onto the highway causing dangerous driving
conditions as well as risk to local properties. The Town Council is
asking if it is possible to work with local landowners to install
ditches around the perimeters of their fields, or work with them to
ensure those open ditches already in situ remain clear.
