1. Background

- 1.1 The Local Democracy and Boundary Commission for Wales ('the Commission') conducted a review of the electoral arrangements of the Vale of Glamorgan Council ('the Council') in line with its duty to conduct a review of all 22 of Wales' Principal Council's every 10 years.
- 1.2 Section 29 of the Local Government (Democracy) (Wales) Act 2013 defines electoral arrangements as:
 - The number of members of the council for the principal area;
 - The number, type, and boundaries of the electoral wards into which the principal area is for the time being divided for the purpose for the election of members;
 - The number of members to be elected for any electoral ward in the principal area; and
 - The name of the electoral ward (if a new ward is created).

- 1.3 The Commission published its Final Recommendations report on 5 February 2021 which was reported to Cabinet, Corporate Performance and Resource Scrutiny Committee and Full Council on the 8, 11 February and 10 March 2021 respectively.
- 1.4 No further representations on the Final Recommendations Report were submitted by the Commission to Welsh Government before the deadline on 19 March 2021.
- 1.5 On 14 July 2021 confirmation was received from Officials on behalf of Welsh Government's Minister for Finance and Local Government that the Minister had considered the Commission's Final Recommendations Report for the County Borough of the Vale of Glamorgan, and had decided to accept the recommendations without modification.
- 1.6 The Order was made on 11 October 2021, and a copy of the same is attached at Appendix A.

2. Key Issues for Consideration

- 2.1 The Order implements the Final Recommendations of the Commission, without modification by the Welsh Minister; and provides for an increase in the number of electoral wards from 23 to 24, together with an increase in the number of councillors from 47 to 54. The Schedule to the Order sets out details of the English and Welsh language names of the electoral wards, the area of the electoral wards and the corresponding number of members for each electoral ward as follows:

For ease of reference the complete list of Polling District references resulting from the changes arising from the Order are attached at Appendix C; with Appendix D setting out more specifically the Polling Districts as allocated to the current Electoral Wards which will be abolished pursuant to the Order, it being noted that Polling Districts PEO, PE1, PSO, PGO, PHO and PH1 will change to QAO, QBO, QCO, RGO, RHO and RH1 respectively.

2.3 The changes to the electoral arrangements will take effect on 5 May 2022 and will apply for the May 2022 Local Government Elections with the existing arrangements being abolished immediately before 5 May 2022.

- 2.4 The Electoral Register to be published on 1 December 2021 will be based on the revised electoral ward boundaries referred to in the Order.
- 2.5 In addition to sharing this report with the Community Liaison Committee and all Town and Community Councils within the Vale of Glamorgan, the changes being introduced by the Order will form the basis of an information campaign with residents of the Vale of Glamorgan and on the Council's website, and will be included in a Household Notification Letter during February 2022

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1 The review of electoral arrangements safeguards the long-term needs of residents to ensure an effective and convenient local government and electoral parity.
- 3.2 As part of the electoral review the Commission had regard to the forecasted population changes to prevent electoral wards, with plans for development, being under-represented.
- 3.3 Albeit the Commission undertook the electoral arrangements review, the Council supported the Commission in ensuring the relevant Notices were published and facilitated presentations to encourage engagement with stakeholders

4. Resources and Legal Considerations

Financial

- 4.1 An increase in the number of Councillors for the Vale of Glamorgan Council will result in an additional £14,368 per Councillor (this is the figure allocated by the Independent Remuneration Panel for Wales for 2021/22). Associated funding will be required for 2022/2023 in readiness for May 2022 when the Order takes effect.

Employment

- 4.2 There are no direct implications arising from this report

Legal (Including Equalities)

- 4.3 The statutory requirements relating to an electoral arrangements review are set out in the Local Government (Democracy) (Wales) Act 2013.
- 4.4 The Order made on the 11 October 2021 gives effect to the changes to be implemented to the Vale of Glamorgan Council's principal area, and which will

take effect on 5 May 2022 in readiness for the Local Government Elections in May 2022.

- 4.5** The changes to Polling Districts is consequential to the Order, with the Commission's electoral arrangement Review having been the subject of extensive stakeholder consultation. Whereas some Polling Districts have been incorporated into revised electoral ward boundaries, and some reference numbering of Polling Districts has changed, no Polling District boundaries straddle electoral ward boundaries. The proposals in respect of the Polling Districts are in line with the provisions of the Representation of the People Act 1983
