

THE VALE OF GLAMORGAN COUNCIL

QUESTION PURSUANT TO COUNCIL PROCEDURE RULE 8:2

FROM COUNCILLOR P.J. CLARKE

TO THE CABINET MEMBER FOR REGENERATION

**PROCEEDINGS AGAINST THE COUNCIL**

I had commenced legal proceedings regarding a Right of Way against the Council prior to my election as a Councillor in 2012. Shortly after I requested from you a key to the lock which restricted my access. Following a refusal, I had no alternative but to continue these proceedings. Subsequently, the Council lost the case costing the public in excess of £100k.

1. Would you agree that the Council's decision not to provide a key was not in the public interest as this dispute concerned primarily, a Private Dispute over Private Land.
2. Has any member of staff involved in the decision process been rebuked or asked to leave as a result of this costly decision.
3. What safeguards are now in place, so that such a reoccurrence is unlikely in the future.
