WELSH LANGUAGE CHAMPION

At the Council's Annual Meeting a large number of 'Champions' were appointed to promote various aspects of council work within the council and within the county. However, there was no nomination for a Welsh Language Champion. Given the importance of Welsh Language Standards implementation within the Council and the need to promote the Welsh language under legislation, will the Leader consider the immediate introduction of a Welsh Language Champion, underlining the Council's commitment to the Welsh language within the Vale of Glamorgan?
