PLANS FOR SECONDARY EDUCATION IN LLANTWIT MAJOR WARD

When I attended the Full Governors meeting at Llantwit Major Comprehensive School in March we were told by the Headteacher that the School was now full and could not take any more pupils at the present time. In view of this statement and the fact that further development is going ahead with 490 homes planned to be built in the Llantwit Major Ward and further homes at nearby St. Athan, what plans do you have to accommodate children in Secondary Education, are you planning to bus children from Llantwit Major to Cowbridge or Barry?

FROM COUNCILLOR G. JOHN

TO THE LEADER

LAND IN LLANTWIT MAJOR WARD

It is very clear that Llantwit Major does not have the infrastructure to accommodate further development in the area with 490 homes planned in the area of the Town. Secondary Education facilities are needed, a new Health Centre to meet the demands of the population and the reshaping Clinical Services under the Cardiff and Vale Health Board. Our Leisure Centre was built 42 years ago and is too small to satisfy the needs of the public, just to name three of the issues facing us. In view of this and the fact that the land situated on the Old School site at Eagleswell Road, which is planned for development of the LDP, is still a large area of wasteland, are you prepared to withdraw plans to build houses there and make the land available for a new Health Centre Hub and Education facilities for the Town?
