QUESTION IN ACCORDANCE WITH THE PROTOCOL AGREED BY COUNCIL ON
5TH MAY, 2010

QUESTION FROM: MR. M. WALLIS

SERVICES

CLOSURE OF OGMORE BATHING BEACH

Does the Council have any regret or apologies for closing Ogmore as bathing beach for almost 3 weeks in June because of NRW declaring an "abnormal situation", yet no abnormal bacteria/virus levels were found? Did the Council complain to NRW at the slowness to accept their error, when tourist trade was suffering from their prolonged and unnecessary 'abnormal' declaration?
