Summary report

Introduction

- 1 The Auditor General is responsible for providing an opinion on whether the financial statements give a true and fair view of the financial position of the Shared Regulatory Services Joint Committee (the Joint Committee) at 31 March 2018 and its income and expenditure for the year then ended.
- 2 We do not try to obtain absolute assurance that the financial statements are correctly stated, but adopt the concept of materiality. In planning and conducting the audit, we seek to identify material misstatements in your financial statements, namely, those that might result in a reader of the accounts being misled.
- 3 The quantitative level at which we judge such misstatements to be material for the Joint Committee is £193,000. Whether an item is judged to be material can also be affected by certain qualitative issues such as legal and regulatory requirements and political sensitivity.
- 4 International Standard on Auditing (ISA) 260 requires us to report certain matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action.
- 5 This report sets out for consideration the matters arising from the audit of the Joint Committee's 2017-18 financial statements that require reporting under ISA 260.
- 6 We are particularly grateful to the officers of the Vale of Glamorgan Council for the assistance provided during the course of our audit.

Status of the audit

- 7 We received the draft financial statements for the year ended 31 March 2018 on 20 June, ten days prior to 30 June statutory deadline. We have now substantially completed the audit.
- 8 We are reporting to you the more significant issues arising from the audit, which we believe you must consider prior to approval of the financial statements. The audit team has already discussed these issues with the appropriate officers at the Vale of Glamorgan Council.

Proposed audit report

- 9 It is the Auditor General's intention to issue an unqualified audit report on the financial statements once you have provided us with a Letter of Representation based on that set out in [Appendix 1](#).
- 10 The proposed audit report is set out in [Appendix 2](#).

Significant issues arising from the audit

Uncorrected misstatements

- 11 There are no misstatements identified in the financial statements, which remain uncorrected.

Corrected misstatements

- 12 There are misstatements that have been corrected by management, but which we consider should be drawn to your attention due to their relevance to your responsibilities over the financial reporting process. They are set out with explanations in [Appendix 3](#).

Other significant issues arising from the audit

- 13 In the course of the audit, we consider a number of matters both qualitative and quantitative relating to the accounts and report any significant issues arising to you. There were no issues arising in these areas this year:
- **We have no concerns about the qualitative aspects of your accounting practices and financial reporting.** We found the information provided to be relevant, reliable, comparable, material and easy to understand. We concluded that accounting policies and estimates are appropriate and financial statement disclosures unbiased, fair and clear.
 - **We did not encounter any significant difficulties during the audit.** We received information in a timely and helpful manner and were not restricted in our work.
 - **There were no significant matters discussed and corresponded upon with management which we need to report to you.**
 - **There are no other matters significant to the oversight of the financial reporting process that we need to report to you.**
 - **We did not identify any material weaknesses in your internal controls.**
 - **There are not any other matters specifically required by auditing standards to be communicated to those charged with governance.**

Accounts and audit deadlines

- 14 Under the Accounts and Audit (Wales) (Amendments) Regulations 2018¹, both the Joint Committee and the Auditor General are required to meet earlier statutory deadlines. Under the amended regulations the new deadlines are being phased in,

¹ <http://www.legislation.gov.uk/wsi/2018/91/contents/made>

with the final change taking effect from 2020-21. **Exhibit 1** sets out the revised dates.

Exhibit 1: changes introduced by the amended regulations

Annual financial statements	Financial statements signed by the responsible finance officer (Section 151 Officer)	Financial statements approved by the Joint Committee
2017-18	30 June 2018	30 September 2018
2018-19	15 June 2019	15 September 2019
2019-20	15 June 2020	15 September 2020
2020-21 and thereafter	31 May 2021	31 July 2021

- 15 In terms of the 2017-18 financial statements, Council officers have made good progress in producing its draft financial statements almost two weeks earlier than prior years, without any compromise to the quality of the draft accounts or the supporting working papers. Officers have also engaged with us in resolving our audit queries. These attributes were crucial in enabling us to conclude our main testing by the end of August.
- 16 This year the Joint Committee meeting, to consider and approve the audited financial statements, is being held on 18 September. However, given the revised approval deadline of 15 September for 2018-19, an earlier meeting of the Joint Committee will need to be scheduled next year.
- 17 This coming autumn we will continue to work closely with officers to ensure that further improvements are made to the preparation and audit of the 2018-19 financial statements. A key aspect of these improvements will be to bring more of our audit work forward, so that wherever possible it is completed before we receive the draft financial statements.

Recommendations arising from our audit

- 18 There are no recommendations arising from our 2017-18 audit work.

Independence and objectivity

- 19 As part of the finalisation process, we are required to provide you with representations concerning our independence.
- 20 We have complied with ethical standards and in our professional judgment, we are independent and our objectivity is not compromised. There are no relationships between the Wales Audit Office and the Joint Committee that we consider to bear on our objectivity and independence.

Proposed audit report of the Auditor General to the Shared Regulatory Services Joint Committee

The independent auditor's report of the Auditor General for Wales to the Members of the Shared Regulatory Services Joint Committee

Report on the audit of the financial statements

Opinion

I have audited the financial statements of Shared Regulatory Services Joint Committee for the year ended 31 March 2018 under the Public Audit (Wales) Act 2004.

Shared Regulatory Services Joint Committee's financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement, and the related notes, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2017/18 based on International Financial Reporting Standards (IFRSs).

In my opinion the financial statements:

- give a true and fair view of the financial position of Shared Regulatory Services Joint Committee as at 31 March 2018 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2017/18.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)). My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Joint Committee in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the responsible financial officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Joint Committee's ability to continue to adopt the going concern basis of accounting for a period of at least 12 months from the date when the financial statements are authorised for issue.

Other information

The responsible financial officer is responsible for the other information in the annual report and accounts. The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated later in my report, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and the Narrative Report has been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2017/18; and
- the information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and the Annual Governance Statement has been prepared in accordance with guidance.

Matters on which I report by exception

In the light of the knowledge and understanding of the Joint Committee and its environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Annual Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Shared Regulatory Services Joint Committee in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

Responsibilities

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, the responsible financial officer is responsible for the preparation of the statement of accounts, which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the statement of accounts, the responsible financial officer is responsible for assessing the Joint Committee's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Value of correction	Nature of correction
N/A	Note 12 – Income; and Note 7 - Premises Narrative amendments have been made to the above notes to explain the arrangements regarding the Illegal Money Lending Grant (£624,000 in 2017-18), in that the funding was allocated directly to the Joint Committee in 2017-18 but was paid to Cardiff City Council in 2016-17 and reimbursed to the Joint Committee as part of Cardiff City Council's annual contribution.
