Report Title:	Progress Against the Audit Risk Based Plan 1st April 2019 to 31st July 2019
Purpose of Report:	To provide Members with a position statement on progress being made against the audit work that was included and approved within the 2019-20 Internal Audit Annual Risk Based Plan
Report Owner:	Head of the Regional Audit Service
Responsible Officer:	Head of Finance & Section 151 Officer
Elected Member and Officer Consultation:	No Elected Members have been consulted. Legal Services and Head of Finance.
Policy Framework:	The proposals in this report are in accordance with the policy framework and budget.
<p>Executive Summary:</p> <ul style="list-style-type: none"> • The progress made against the approved internal audit risk based plan as at 31st July 2019 is detailed in Appendix A. No area of major concern has been identified although it shows that 13 reviews have been finalised and 28 recommendations have been made to strengthen the control environment. • The status of all the planned priority 1 and priority 2 work for quarter 1 and quarter 2 is also illustrated. Some planned reviews are on-going or reports have been issued in draft however some planned reviews are yet to commence. • The plan was based on a fully staffed structure however there are vacant posts being held until the Regional Service restructure has taken place. This has had a knock on effect on the audit plan but in order to assist in this shortfall the South West Audit Partnership (SWAP) have been commissioned to undertake some reviews. 	

Recommendation

1. That Members note the content of the report and the progress made

Reason for Recommendation

1. To keep Audit Committee informed

1. Background

- 1.1 In accordance with the Public Sector Internal Audit Standards, the Head of Audit is responsible for developing a risk-based annual audit plan which takes into account the Council's risk management framework. Within the Standards there is also a requirement for the Head of Audit to review and adjust the plan, as necessary, in response to changes in the Council's business, risks, operations, programs, systems, controls and resources. The Head of Audit must also ensure that Internal Audit resources are appropriate, sufficient and effectively deployed to achieve the approved plan.
- 1.2 The 2019/20 Internal Audit Plan was submitted to the Audit Committee for consideration and approval on the 30th April 2019. The Plan outlined the assignments to be carried out and their respective priorities

2. Key Issues for Consideration

- 2.1 The Plan provided for a total of 1,402 audit days to cover the period April 2019 to March 2020. These days were split into those reviews considered to be Priority One and those considered to be Priority Two with the aim of completing the whole plan by the end of the financial year.
- 2.2 Actual progress against quarter 1 and quarter 2 of the 2019/20 Risk Based Plan is attached at Appendix A which details the status of each planned review.
- 2.3 It can be seen that as at 31st July 2019, 13 audit reviews have been finalised and 28 recommendations have been made to improve the control environment, all of which have been categorised as of medium / significant risk. Of the 13 completed reviews, 6 were reactive work whereby potential fraud was identified and an investigation or fact finding has been undertaken.
- 2.4 The plan was based on a fully staffed structure but as previously reported, the Section continues to carry vacant posts whilst the structure of the Regional Service is being developed. Therefore once again the South West Audit Partnership (SWAP) have been commissioned in order to address in part some of the shortfall in days necessary to complete the plan.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1** The Annual Risk Based Plan contains audit reviews that will be service specific and that will assist in understanding how those services undertake the five ways of working and deliver the well-being objectives.

4. Resources and Legal Considerations

Financial

- 4.1** There are no resource implications as a direct consequence of this report.

Employment

- 4.2** None as a direct consequence of this report.

Legal (Including Equalities)

- 4.3** The provision of an adequate and effective Internal Audit function is a legal requirement under the Accounts and Audit (Wales) Regulations 2014 as amended from time to time. There are no equalities implications as a direct consequence of this report.
