

| Meeting of: | Governance and Audit Committee |
|--|---|
| Date of Meeting: | Monday, 15 September 2025 |
| Relevant Scrutiny Committee: | Resources Scrutiny Committee |
| Report Title: | Progress Against the Internal Audit Risk Based Plan |
| Purpose of Report: | To provide members of the Committee with a position statement on progress made against the audit work included and approved within the Internal Audit Risk Based Plan |
| Report Owner: | Head of the Regional Internal Audit Service |
| Responsible Officer: | Head of Finance & Section 151 Officer |
| Elected Member and Officer Consultation: | Legal Services and Head of Finance have been consulted. No Elected Members have been consulted. |
| Policy Framework: | The proposals in this report are in accordance with the policy framework and budget |

Executive Summary:

- To provide members of the Governance and Audit Committee with a position statement on progress made against the audit work included and approved within the Internal Audit Risk Based Plan 2025-26.
- A summary of the progress made against the internal audit plan as of 31st July 2025 is detailed in Appendix A. Table 1 summarises that 14 planned audit reviews have been completed which equates to a completion rate 29%.
- Audit opinions, based on the assessment of the strengths and weaknesses of the areas examined through testing of the effectiveness of the internal control environment, have been given to 13 of the 14 audits completed: 4 Substantial Assurance, 8 Reasonable Assurance and 1 Limited Assurance.
- Included within the 2025-26 plan are 11 audits that were not undertaken or completed in 2024-25. Appendix B shows the status of these audits; 5 are completed, 3 are in progress and 3 are yet to start.
- A total of 24 recommendations (6 medium priority and 18 low priority) have been made to date to improve the control environment. The progress being made in implementing the high and

medium priority recommendations is regularly monitored by the Audit team and reported to this Committee.

Recommendation

1. It is recommended that Members of the Committee note the content of the report and the progress made against the 2025-26 Internal Audit Risk Based Plan.

Reason for Recommendation

1. To keep Governance and Audit Committee informed.

1. Background

- 1.1 In accordance with the Global Internal Audit Standards (GIAS), the Head of Audit is responsible for developing a risk-based annual audit plan which considers the Council's risk management framework. Within the Standards there is also a requirement for the Head of Audit to review and adjust the plan, as necessary, in response to changes in the Council's business, risks, operations, programmes, systems, controls and resources. The Head of Audit must also ensure that Internal Audit resources are appropriate, sufficient and effectively deployed to achieve the approved plan.
- 1.2 The Internal Audit Plan for 2025-26 was submitted to the Governance and Audit Committee for consideration and approval on 23rd June 2025. The Plan outlined the audit assignments to be carried out which will provide adequate coverage to enable an overall opinion at the end of 2025-26.
- 1.3 The plan is flexible to allow for changing circumstances and events that may occur, such as requests to respond to new issues that may emerge.

2. Key Issues for Consideration

- 2.1 Progress made against the approved plan for the period 1st April 2025 to 31st July 2025 is attached at Appendix A. This details the status of each planned review, the audit opinion and the number of any high, medium or low priority recommendations made to improve the control environment. It should be noted that some reviews listed have no opinion, for example advice and guidance, recommendation monitoring and Governance and Audit Committee. This is because the audit work carried out in respect of these items is planned but the nature of the work does not lead to testing and the formation of an audit opinion, although in some instances recommendations are made.
- 2.2 The Regional Internal Audit Service (RIAS) has set quarterly targets to monitor the delivery of the approved plan. This will assist in ensuring sufficient audit coverage has been given to the Council to provide an overall opinion at the end of 2025-26.

The targets that the RIAS are working towards at the end of each quarter are as follows:

- Qtr 1 = 10%
- Qtr 2 = 30%
- Qtr 3 = 50%
- Qtr 4 = 80%
- 2.3 As of 31st July 2025, the level of coverage was 29%. A summary of the progress made to date is shown in Table 1 below. Details of individual audit assignments are shown in **Appendix A**.

Table 1 – Summary of the Progress Made Against the Internal Audit Plan

| Status of Audit Assignments as at 31/07/25 | Number | % of Plan |
|--|--------|-----------|
| | | Completed |
| Final report issued | 6 | 12% |
| Draft report issued | 8 | 17% |
| Audits in progress | 6 | |
| Audits allocated and due to start | 6 | |
| Planned Audits not yet allocated | 22 | |
| Total | 48 | 29% |

An audit opinion is applied to an audit based on the assessment of the strengths and weaknesses of the areas examined during the audit through testing of the effectiveness of the internal control environment. Table 2 below shows the audit opinions given to 13 of the 14 completed audits as of 31st July 2025, it should be noted that the Annual Governance Statement was not an opinion related audit. Details of individual audit assignments are shown in **Appendix A**.

Table 2 – Audit Opinions Applied to Audits as of 31st July 2025

| Audit Opinion | Number | % |
|-----------------------|--------|------|
| Substantial Assurance | 4 | 31% |
| Reasonable Assurance | 8 | 62% |
| Limited Assurance | 1 | 7% |
| No Assurance | 0 | 0% |
| Total | 13 | 100% |

For reference, the audit assurance/opinion categories are:

| AUDIT ASSURANCE CATEGORY CODE | | | | | | | | | | | |
|-------------------------------|-------------|---|--|--|--|--|--|--|--|--|--|
| | Substantial | A sound system of governance, risk management and control exists, with internal controls operating effectively and being consistently applied to support the achievement of objectives in the area audited. | | | | | | | | | |

| AUDIT ASSURANCE CATEGORY CODE | | | | | | | | | |
|-------------------------------|--|--|--|--|--|--|--|--|--|
| Reasonable | There is a generally sound system of governance, risk management and control in place. Some issues, non-compliance or scope for improvement were identified which may put at risk the achievement of objectives in the area audited. | | | | | | | | |
| Limited | Significant gaps, weaknesses or non-compliance were identified. Improvement is required to the system of governance, risk management and control to effectively manage risks to the achievement of objectives in the area audited. | | | | | | | | |
| No Assurance | Immediate action is required to address fundamental gaps, weaknesses or non-compliance identified. The system of governance, risk management and control is inadequate to effectively manage risks to the achievement of objectives in the area audited. | | | | | | | | |

2.5 Table 2 identifies that there has been 1 Limited Assurance opinion audit issued to date. This is the Vehicle Fuel Management audit which has now been finalised. All recommendations made have been accepted and the identified key issues, which need to be addressed, are identified below:

Vehicle Fuel Management

- 83% of active Triscan fuel pump users did not have a signed declaration on file confirming their understanding of the fuel access restrictions
- Many users did not refuel in 2024/25, suggesting they may no longer require access, and some active vehicle keys are assigned to vehicles no longer in the fleet.
- There was no evidence of any reconciliation between manual master key log records and Triscan data, resulting in undetected discrepancies.
- Detailed manual fuel records were not maintained at Waste Transfer Sites, and there was an absence of regular supervisory review and sign-off
- The new supplier for liquid fuel was not being used at Waste Transfer Sites.
- Data Integrity Statistics reports available on Triscan, which flag anomalies like suspicious odometer entries and unusual fuel usage, are not currently used by Management
- 2.6 Generally, when a Limited Assurance opinion is issued, management need time to implement the agreed recommendations to make the necessary improvements to the control environment. In these circumstances, the Audit Team will undertake a follow up audit, usually within six to twelve months of the final report being issued to verify that appropriate controls were subsequently in place. This will be the case for the Vehicle Fuel Management audit above.
- 2.7 The audit plan at **Appendix A** includes provision for follow up audits. Once follow up audits are complete, the audit opinions will be reported to Committee. If

improvements have not been made and the recommendations have not been implemented this would result in a second Limited Assurance opinion. At that stage the Head of Audit would recommend to members that they invite in the relevant Corporate Director / Head of Service to provide the necessary assurances that action will be taken to address the issues identified within the audit report.

- 2.8 Appendix A illustrates that the follow up audit Tender Evaluation & Award Project & Planned Team Building Services, has commenced. Committee members will recall that this audit received a second consecutive *Limited Assurance Opinion* during 2024/25, and the Head of Service has attended this Committee to provide assurance that improvements were being made. This ongoing follow up audit will undertake testing, based on the original scope of work, to provide assurance that improvements have been made which have strengthened controls to mitigate the previously identified risks. The outcome will be reported in due course.
- 2.9 The audit plan 2025-26 also includes audits that were not started during 2024-25 or were incomplete at year end. There are 11 of these which are identified at Appendix B. Table 3 below provides a summary of the status of these 11 audits as of 31st July 2025.

Table 3 – Status of Audits Carried Forward into the Audit Plan 2025-26 as of 31st July 2025

| Status of Audit Assignments | Number | % of Plan Completed |
|-----------------------------------|--------|------------------------|
| Final report issued | 2 | 18% |
| Draft report issued | 3 | 27% |
| Audits in progress | 3 | |
| Audits allocated and due to start | 1 | |
| Planned Audits not yet allocated | 2 | |
| Total | 11 | 45% |

2.10 Appendix A also shows a total of 24 recommendations have been made to date to improve the control environment: no high priority, 6 medium priority and 18 low priority recommendations. The implementation of the medium and high priority recommendations is regularly monitored by the Audit team to ensure that the identified and agreed improvements are being made. More detailed information is included in a separate report to this Committee.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

3.1 The well-being goals identified in the Wellbeing and Future Generations Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impacts upon the achievement of well-being goals/objectives as a result of this report.

4. Climate Change and Nature Implications

4.1 None as a consequence of this report

5. Resources and Legal Considerations

Financial

5.1 There are no resource implications as a direct consequence of this report, but effective audit planning and monitoring are key contributors in ensuring that the Council's assets and interests are properly accounted for and safeguarded and that there is sound financial management across all services.

Employment

5.2 None as a direct consequence of this report.

Legal (Including Equalities)

5.3 The provision of an adequate and effective Internal Audit function is a legal requirement under the Accounts and Audit (Wales) Regulations 2014 as amended from time to time. There are no equalities implications as a direct consequence of this report.

6. Background Papers

None
